CONCISE EXPLANATION AND ANALYSIS OF THE PRODUCT AND ITS COMPLIANCE WITH APPLICABLE PROVISIONS OF THE ACT, INCLUDING CORE PRINCIPLES AND THE COMMISSION'S REGULATIONS THEREUNDER

Pursuant to Commission Rule 40.2(a)(3)(v), the following is a concise explanation and analysis of the product and its compliance with the Act, including the relevant Core Principles (discussed in Appendix E), and the Commission's regulations thereunder.

I. Introduction

The “Will General Hospital receive <above/below/exactly/between/at least> <count> nominations at the 54th Annual Daytime Emmy Awards?” Contract is a contract relating to Entertainment.

Further information about the Contract, including an analysis of its risk mitigation and price basing utility, as well as additional considerations related to the Contract, is included in Confidential Appendices C, D, and E.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.2(a), the Exchange hereby certifies that the listing of the Contract complies with the Act and Commission regulations under the Act.

General Contract Terms and Conditions: The Contract operates similar to other event contracts that the Exchange lists for trading. The minimum price fluctuation is \$0.01 (one cent). Price bands will apply so that Contracts may only be listed at values of at least \$0.01 and at most \$0.99. Further, the Contract is sized with a one-dollar notional value and has a minimum price fluctuation of \$0.01 to enable Members to match the size of the contracts purchased to their economic risks. As outlined in Rule 5.16 of the Rulebook, trading shall be available at all times outside of any maintenance windows, which will be announced in advance by the Exchange. Members will be charged fees in accordance with Rule 3.13 of the Rulebook. Fees, if they are charged, are charged in such amounts as may be revised from time to time to be reflected on the Exchange’s Website. A new

Source Agency can be added via a Part 40 amendment. All instructions on how to access the Underlying are non-binding and are provided for convenience only and are not part of the binding Terms and Conditions of the Contract. They may be clarified at any time. Furthermore, the Contract's payout structure is characterized by the payment of an absolute amount to the holder of one side of the option and no payment to the counterparty. During the time that trading on the Contract is open, Members are able to adjust their positions and trade freely. The Expiration Value and Market Outcome are determined at or after Market Close. The market is then settled by the Exchange, and the long position holders and short position holders are paid according to the Market Outcome. In this case, "long position holders" refers to Members who purchased the "Yes" side of the Contract and "short position holders" refers to Members who purchased the "No" side of the Contract. If the Market Outcome is "Yes," meaning that an event occurs that is encompassed within the Payout Criterion, then the long position holders are paid an absolute amount proportional to the size of their position and the short position holders receive no payment. If the Market Outcome is "No," then the short position holders are paid an absolute amount proportional to the size of their position and the long position holders receive no payment. Specification of the circumstances that would trigger a Market Outcome of "Yes" are included below in the section titled "Payout Criterion" in Appendix A.

**CERTIFICATIONS PURSUANT TO SECTION 5c OF THE COMMODITY EXCHANGE
ACT, 7 U.S.C. § 7A-2 AND COMMODITY FUTURES TRADING COMMISSION RULE
40.2, 17 C.F.R. § 40.2**

Based on the above analysis, the Exchange certifies that:

- ☐ The Contract complies with the Act and Commission regulations thereunder.

APPENDIX A – CONTRACT TERMS AND CONDITIONS

Official Product Name: “Will General Hospital receive <above/below/exactly/between/at least> <count> nominations at the 54th Annual Daytime Emmy Awards?”

Rulebook: DAYEMMYNOMS

DAYEMMYNOMS

Scope: These rules shall apply to this contract.

Underlying: The Underlying for this Contract is the number of nominations received by General Hospital at the 54th Annual Daytime Emmy Awards, as announced by the National Academy of Television Arts and Sciences. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

Source Agency: The Source Agencies are, in hierarchical order, the National Academy of Television Arts and Sciences (including the official list of nominees published by the National Academy of Television Arts and Sciences at theemmys.tv/daytime/ and through the National Academy of Television Arts and Sciences's press office, and the National Academy of Television Arts and Sciences's nominations announcement), the Associated Press, Bloomberg News, Reuters, the New York Times, the Washington Post, CNBC, BBC, ABC, CBS, CNN, Fox News, MS Now, NBC, and the Wall Street Journal.

Type: The type of Contract is an Event Contract.

Issuance: After the initial Contract, Contract iterations will be listed on an as-needed basis at the discretion of the Exchange. Each iteration constitutes a separate Contract that resolves independently of any other iteration.

<above/below/exactly/between/at least>: <above/below/exactly/between/at least> refers to comparison operators specified by the Exchange. "Above X" means strictly greater than X ($>X$). "Below X" means strictly less than X ($<X$). "Exactly X" means equal to X ($=X$), measured to the precision specified elsewhere in the Contract. "At least X" means greater than or equal to X ($\geq X$). "Between X and Y" means greater than or equal to X and less than or equal to Y ($\geq X$ and $\leq Y$), i.e., inclusive of both endpoints, unless otherwise specified. The Exchange may list iterations of the Contract corresponding to variations of <above/below/exactly/between/at least>.

<count>: <count> refers to a whole number of nominations specified by the Exchange. The Exchange may list iterations of the Contract with <count> levels that fall within an inclusive range beginning at zero (0) at consecutive increments of one (1). Due to the potential for variability in the Underlying, the Exchange may modify <count> levels in response to suggestions by Members.

Payout Criterion: The Payout Criterion for the Contract encompasses the Expiration Values that the number of nominations received by General Hospital at the 54th Annual Daytime Emmy Awards is <above/below/exactly/between/at least> <count>

Additional Clarifications:

Definition of Nomination:

- A "nomination" is a nominated achievement, in any award category included in the nominations round for the 54th Annual Daytime Emmy Awards, that is included in the official list of nominees for the 54th Annual Daytime Emmy Awards, and for which General Hospital is named as a nominee.
- A nomination naming a program, production team, writing team, or directing team with which General Hospital is associated counts as a nomination received by General Hospital only if the National Academy of Television Arts and Sciences names General Hospital individually in the official list of nominees for that nominated achievement. Conversely, where General Hospital is a program or team, a nomination in an individual achievement category naming an individual associated with General Hospital is not a nomination received by General Hospital, whether or not General Hospital is identified in that nomination as the program to which the achievement relates.
- An entry submitted for consideration, and a place on a submissions list, shortlist, or other preliminary list that is not the official list of nominees, are not nominations.
- An award that the National Academy of Television Arts and Sciences presents in a category based on a standard of excellence, without a corresponding competitive slate of nominees, because the category received an insufficient number of submissions, is not a nomination for purposes of this Contract, and any other honorary, special, or non-competitive award or honor of the National Academy of Television Arts and Sciences conferred without a corresponding official list of nominees is not a nomination. Nominations, awards, or honors conferred by any body other than the National Academy of Television Arts and Sciences — including, for the avoidance of doubt, the Television Academy (Academy of Television Arts & Sciences) and the International Academy of Television Arts and Sciences — are not nominations.

Counting of Nominations:

- Each nomination in each award category counts as one (1) nomination, regardless of the number of individuals named in that nomination.
- Where two or more separate nominated achievements naming General Hospital are included in the same award category (for example, two separate nominated achievements naming General Hospital in the same category), each counts separately as one (1) nomination.
- The number of nominations received by General Hospital is determined by applying the rules above to the official list of nominees announced by the National Academy of Television Arts and Sciences.
- If General Hospital is not named in the official list of nominees for the 54th Annual Daytime Emmy Awards, General Hospital receives zero (0) nominations.

Announcement, Corrections, and Rescissions:

- The nominations are received at the time the National Academy of Television Arts and Sciences first announces its official list of nominees for the 54th Annual Daytime Emmy Awards, whether by press release or publication on theemmys.tv, whichever occurs first. All times are interpreted in Eastern Time (ET).
- If the National Academy of Television Arts and Sciences announces nominees for the 54th Annual Daytime Emmy Awards in more than one tranche, or announces certain award categories (including Creative Arts & Lifestyle categories) separately from others, all nominated achievements so announced for that ceremony on or before the Expiration Date count, and the Underlying is the aggregate of all such nominated achievements naming General Hospital.
- If the National Academy of Television Arts and Sciences publishes a correction to its official list of nominees prior to Expiration (for example, to add an omitted nominated achievement, to remove a nominated achievement included in error, or to correct a misidentified nominee), the corrected list governs. Corrections published after Expiration will not be accounted for in determining the Expiration Value.
- A nomination that is included in the official list of nominees as announced by the National Academy of Television Arts and Sciences and is subsequently rescinded, revoked, withdrawn, declared ineligible, disqualified, or otherwise removed by the National Academy of Television Arts and Sciences, whether before or after Expiration, continues to count as a nomination received by General Hospital. A rescission, revocation, withdrawal, disqualification, or declaration of ineligibility is not a correction for purposes of the preceding bullet.

Source and Silence:

- If the official records published by two or more Source Agencies conflict as to the nominated achievements included in the official list of nominees for the 54th Annual Daytime Emmy Awards, the record of the Source Agency highest in the hierarchical order stated above governs. Continuing ambiguity or dispute will be resolved by Kalshi pursuant to Rule 7.1.
- If the National Academy of Television Arts and Sciences is renamed, reorganized, merged, or succeeded by another organization prior to Expiration, the organization that in fact administers the annual Daytime Emmy Awards and publishes the official list of nominees for the 54th Annual Daytime Emmy Awards is treated as the National Academy of Television Arts and Sciences for all purposes under these rules.
- If there is no reported data or answer for the Underlying by the Expiration Date — including because the National Academy of Television Arts and Sciences has not announced an official list of nominees for the 54th Annual Daytime Emmy Awards, has cancelled the 54th Annual Daytime Emmy Awards, or has not conducted a nominations

process for the 54th Annual Daytime Emmy Awards — the Contract for the number of nominations received by General Hospital at the 54th Annual Daytime Emmy Awards being <above/below/exactly/between/at least> <count> will resolve to last fair price, as determined by the Exchange in its sole discretion.

If a natural person who is the primary subject of a Contract's Underlying or Payout Criterion dies prior to Expiration, or if an act or attempted act of violence, assassination, or terrorism directly prevents, interrupts, or causes the event that is the primary subject of a Contract's Underlying or Payout Criterion, Kalshi may, in its sole discretion, settle the Contract at the last traded price prior to the death or act. If Kalshi determines that trading activity was materially affected by the circumstances giving rise to the death or act, Kalshi may instead use the last traded price prior to such circumstances becoming known or reasonably anticipated by market participants. For purposes of this Rule, Kalshi may rely on an approximate time where the precise time is unknown or cannot be reasonably determined. If Kalshi determines that no last traded price represents a fair settlement, the Outcome Review Committee shall determine the fair settlement price. Kalshi may halt or pause trading in any such Contract (with public notice on Kalshi's website or the Platform) if it reasonably believes that a death or act of terrorism subject to this Rule has occurred, is imminent, or that circumstances giving rise to such an occurrence may be happening. Determinations of Kalshi and the Outcome Review Committee under this Rule are final and not subject to review.

Minimum Tick: The Minimum Tick size for the Contract shall be \$0.01.

Position Accountability Level: The Position Accountability Level for the Contract shall be \$25,000 per strike, per Member.

Last Trading Date: The Last Trading Date of the Contract will be the Expiration Date. The Last Trading Time will be Expiration time.

Settlement Date: The Settlement Date of the Contract shall be no later than the day after the Expiration Date, unless the Market Outcome is under review pursuant to Rule 7.1.

Expiration Date: The latest Expiration Date of the Contract shall be one week after the date on which the 54th Annual Daytime Emmy Awards is scheduled to be held, as published by the National Academy of Television Arts and Sciences as of Issuance. If an event described in the Payout Criterion occurs, expiration will be moved to an earlier date and time in accordance with Rule 7.2.

Expiration time: The Expiration time of the Contract shall be 10:00 AM ET.

Settlement Value: The Settlement Value for this Contract is \$1.00.

Expiration Value: The Expiration Value is the value of the Underlying as documented by the Source Agency on the Expiration Date at the Expiration time.

Contingencies: Before Settlement, Kalshi may, at its sole discretion, initiate the Market Outcome Review Process pursuant to Rule 7.1 of the Rulebook. If an Expiration Value cannot be determined on the Expiration Date, Kalshi has the right to determine payouts pursuant to Rule 7.1 in the Rulebook.

APPENDIX B – TRADING PROHIBITIONS

In addition to the general prohibition against trading on material nonpublic information, the Exchange will institute additional prohibitions for trading the contract. Persons under 18 years of age are not permitted to create Kalshi accounts. The following individuals will be prohibited from trading:
