Re: **Amendment to Rulebook Appendix A, Rule 205.07 regarding
Prices and Minimum Increments for NFX Options on NFX Henry Hub
Penultimate Financial Futures – 10,000
Reference File: SR-NFX-2016-83**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (the “Act”), and Section 40.6(a) of the Commission’s regulations thereunder, NASDAQ Futures, Inc. (“NFX” or “Exchange”) is amending Rulebook Appendix A, Rule 205.07, Prices and Minimum Increments, applicable to the NFX Options on NFX Henry Hub Penultimate Financial Futures – 10,000 contract (“LNQ”).

The Exchange is amending Rule 205.07 to increase the minimum trading increment for order book trading in LNQ from one one-hundredth of one cent (\$0.0001) per MMBtu to one tenth of one cent (\$0.001) per MMBtu. The minimum trading increment for block trade submissions will remain at one one-hundredth of one cent (\$0.0001) per MMBtu. The smaller tick size is intended to encourage additional order book trading in the LNQ contract.

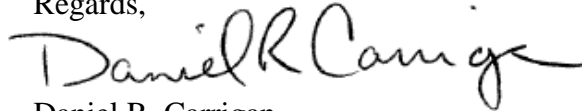

The Exchange will post the amendment on its website: business.nasdaq.com/futures. Subject to the Commission’s regulatory review period, the amendments will be implemented on October 2, 2016 for trade date October 3, 2016.

Certifications

There were no opposing views among NFX's Board of Directors, members or market participants. The Exchange hereby certifies that the rule amendments set forth herein comply with the Act and the Commission's regulations thereunder. The Exchange also certifies that notice of pending certification and a copy of this submission have been concurrently posted on the Exchange's website at business.nasdaq.com/futures.

If you require any additional information regarding this submission, please contact Carla Behnfeldt at (215) 496-5208 or carla.behnfeldt@nasdaq.com. Please refer to SR-NFX-2016-83 in any related correspondence.

Regards,
