Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of October 23, 2017, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For two (2) of its contracts, Nodal Exchange is extending the contract series from “69 months, but eligible to extend to current calendar/planning year plus up to 10 full calendar/planning years” to “current calendar/planning year plus 10 full calendar or planning years”. Additionally, the description of “First Trading Day” in the Contract Specifications has been updated to align with the extension of the contract series. These revisions went into effect on October 23, 2017. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A contract specifications for the revised contracts on October 23, 2017 are attached hereto with the corrections noted in red on each of the contracts.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,

/s/ Max Markotic

Senior Compliance Manager
