**Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly
Notification of Rule Amendments**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made on October 30, 2015 to the Nodal Exchange Rulebook Appendix A (Contract Specifications) that correct a typographical error on the Contract Specifications of two contracts that incorrectly indicated that the contract was available as a series of zero months, which a Nodal Exchange Participant would have recognized as an error. The actual number in the contract series is 49 months consistent with contracts of this type. The contract series for these two contracts was accurately indicated on the trading screen. This has no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A is attached hereto with the corrections noted in red on each of the contracts.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9835 or Herrera@nodalexchange.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Anita M. Herrera".

Anita Herrera
General Counsel & Chief Regulatory Officer
