Re: CFTC Regulation 40.6(a) Certification. Implementation of Implied Functionality Eligibility for Five (5) Foreign Exchange (FX) Futures Contracts and Related Amendments to CME Rule 588.H. (“Globex Non-Reviewable Trading Ranges”) Table. CME Submission No. 22-483 (2 of 2)

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) is certifying to the Commodity Futures Trading Commission (“CFTC” or “Commission”) the implementation of implied functionality for five (5) foreign exchange (FX) futures contracts listed in Table 1. below (the “Contracts”) for all outright and spread transactions in the first twelve (12) nearby months for trades on the CME Globex electronic trading platform (“CME Globex”) and the related amendments to CME Rule 588.H. (“Globex Non-Reviewable Trading Ranges”) table (the “Table”) (collectively, the “Rule Amendments”) effective Sunday, January 22, 2023 for trade date Monday, January 23, 2023.

Table 1.

Contract Title	CME ClearPort Code / CME Globex Code	Rulebook Chapter
British Pound Sterling/U.S. Dollar (GBP/USD) Futures	BP/6B	251
Canadian Dollar/U.S. Dollar (CAD/USD) Futures	C1/6C	252
Japanese Yen/U.S. Dollar (JPY/USD) Futures	J1/6J	253
Australian Dollar/U.S. Dollar (AUD/USD) Futures	AD/6A	255
Euro/U.S. Dollar (EUR/USD) Futures	EC/6E	261

Amendments to the Table are provided in Exhibit A below in blackline format.

CME reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

- **Compliance with the Rules:** CME shall continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contracts, including the terms and conditions of the Contracts’ newly revised rules for Globex non-reviewable trading ranges.
- **Availability of General Information:** The Exchange will amend the CME rulebook accordingly on the effective date, which is publicly available on the CME Group website, to reflect the changes that will be made to the rules pertaining to the Globex non-reviewable trading ranges for the

Contracts. In addition, the Exchange will publish a Special Executive Report (“SER”) to inform the marketplace of the Rule Amendments. The SER will also be posted on the CME Group website.

- **Execution of Transactions:** Amendments to the Globex non-reviewable trading ranges for the Contracts will have no impact on the central limit order book for these instruments. The Rule Amendments will not impede the CME’s ability as a designated contract market to provide a competitive, open, and efficient market mechanism for executing transactions that protects the price discovery and final cash settlement or physically deliverable processes of the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), CME hereby certifies that the Rule Amendments, comply with the Act, including all regulations under the Act. There were no substantive opposing views to this proposal.

CME certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
