Mr. Christopher J. Kirkpatrick Secretary of the Commission Office of the Secretariat Commodity Futures Trading Commission Three Lafayette Centre 1155 21st Street, NW Washington, DC 20581

Re: Delisting of Certain Futures Products - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)1 of the Commodity Exchange Act, as amended (the "Act") and Commodity Futures Trading Commission ("Commission") Regulation 40.6(a), ICE Futures U.S., Inc. ("Exchange") submits notice to the Commission that, effective as of the close of business Friday, December 10, 2021, the Exchange delisted all contract months after the December 2022 expiries of the following futures contracts:

- 100 Oz. Gold futures (contract symbol ZG)
- Mini Gold futures (contract symbol YG)
- 1000 Oz. Silver futures (contract symbol ZI)
- Mini Silver futures (contract symbol YI)

There was no open interest in any of the contract months that were delisted. All currently listed futures contract months through and including the December 2022 contract month in each of these contracts will continue to be listed for trading until their regular last trading day. Also as of the close of business today, the Exchange has delisted all options contract months in each of these four contracts (same contract symbols as shown above for the related futures contract). No new futures or options contract months for these contracts will be listed for trading going forward.

Each futures contract listed above currently has no open interest. The Exchange certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website and may be accessed at (https://www.theice.com/futures-us/regulation).
