12.— Breakdown insurance

(1) There is excluded from article 10(1) or (2) the effecting or carrying out, by a person who does not otherwise carry on an activity of the kind specified by that article, of a contract of insurance which—

- (a) is a contract under which the benefits provided by that person (“the provider”) are exclusively or primarily benefits in kind in the event of accident to or breakdown of a vehicle; and
- (b) contains the terms mentioned in paragraph (2).

(2) Those terms are that—

- (a) the assistance takes either or both of the forms mentioned in paragraph (3)(a) and (b);
- (b) the assistance is not available outside the United Kingdom and the Republic of Ireland except where it is provided without the payment of additional premium by a person in the country concerned with whom the provider has entered into a reciprocal agreement; and
- (c) assistance provided in the case of an accident or breakdown occurring in the United Kingdom or the Republic of Ireland is, in most circumstances, provided by the provider's servants.

(3) The forms of assistance are—

- (a) repairs to the relevant vehicle at the place where the accident or breakdown has occurred; this assistance may also include the delivery of parts, fuel, oil, water or keys to the relevant vehicle;
- (b) removal of the relevant vehicle to the nearest or most appropriate place at which repairs may be carried out, or to—
 - (i) the home, point of departure or original destination within the United Kingdom of the driver and passengers, provided the accident or breakdown occurred within the United Kingdom;
 - (ii) the home, point of departure or original destination within the Republic of Ireland of the driver and passengers, provided the accident or breakdown occurred within the Republic of Ireland or within Northern Ireland;
 - (iii) the home, point of departure or original destination within Northern Ireland of the driver and passengers, provided the accident or breakdown occurred within the Republic of Ireland;

and this form of assistance may include the conveyance of the driver or passengers of the relevant vehicle, with the vehicle, or (where the vehicle is to be conveyed only to the nearest or most appropriate place at which repairs may be carried out) separately, to the nearest location from which they may continue their journey by other means.

(4) A contract does not fail to meet the condition in paragraph (1)(a) solely because the provider may reimburse the person entitled to the assistance for all or part of any sums paid by him in respect of assistance either because he failed to identify himself as a person entitled to the assistance or because he was unable to get in touch with the provider in order to claim the assistance.

(5) In this article—

“the assistance” means the benefits to be provided under a contract of the kind mentioned in paragraph (1);

“breakdown” means an event—

- (a) which causes the driver of the relevant vehicle to be unable to start a journey in the vehicle or involuntarily to bring the vehicle to a halt on a journey because of some malfunction of the vehicle or failure of it to function, and
- (b) after which the journey cannot reasonably be commenced or continued in the relevant vehicle;

(1) There are excluded from article 25(1) and (2) any arrangements made for the purposes of carrying out the functions of a body or association which is approved under this article as an international securities self-regulating organisation, whether the arrangements are made by the organisation itself or by a person acting on its behalf.

(2) The Treasury may approve as an international securities self-regulating organisation any body corporate or unincorporated association with respect to which the conditions mentioned in paragraph (3) appear to them to be met if, having regard to such matters affecting international trade, overseas earnings and the balance of payments or otherwise as they consider relevant, it appears to them that to do so would be desirable and not result in any undue risk to investors.

“Derivative financial instruments**Article 38** Characteristics of other derivative financial instruments**1.**

For the purposes of Section C(7) of Annex I to Directive 2004/39/EC, a contract which is not a spot contract within the meaning of paragraph 2 of this Article and which is not covered by paragraph 4 shall be considered as having the characteristics of other derivative financial instruments and not being for commercial purposes if it satisfies the following conditions:

- (a) it meets one of the following sets of criteria:
 - (i) it is traded on a third country trading facility that performs a similar function to a regulated market or an MTF;
 - (ii) it is expressly stated to be traded on, or is subject to the rules of, a regulated market, an MTF or such a third country trading facility;
 - (iii) it is expressly stated to be equivalent to a contract traded on a regulated market, MTF or such a third country trading facility;
- (b) it is cleared by a clearing house or other entity carrying out the same functions as a central counterparty, or there are arrangements for the payment or provision of margin in relation to the contract;
- (c) it is standardised so that, in particular, the price, the lot, the delivery date or other terms are determined principally by reference to regularly published prices, standard lots or standard delivery dates.

2.

A spot contract for the purposes of paragraph 1 means a contract for the sale of a commodity, asset or right, under the terms of which delivery is scheduled to be made within the longer of the following periods:

- (a) two trading days;
- (b) the period generally accepted in the market for that commodity, asset or right as the standard delivery period.

However, a contract is not a spot contract if, irrespective of its explicit terms, there is an understanding between the parties to the contract that delivery of the underlying is to be postponed and not to be performed within the period mentioned in the first subparagraph.

3.

For the purposes of Section C(10) of Annex I to Directive 2004/39/EC, a derivative contract relating to an underlying referred to in that Section or in Article 39 shall be considered to have the characteristics of other derivative financial instruments if one of the following conditions is satisfied:

- (a) that contract is settled in cash or may be settled in cash at the option of one or more of the parties, otherwise than by reason of a default or other termination event;
- (b) that contract is traded on a regulated market or an MTF;
- (c) the conditions laid down in paragraph 1 are satisfied in relation to that contract.

4.

A contract shall be considered to be for commercial purposes for the purposes of Section C(7) of Annex I to Directive 2004/39/EC, and as not having the characteristics of other derivative financial instruments for the purposes of Sections C(7) and (10) of that Annex, if it is entered into with or by an operator or administrator of an energy transmission grid, energy balancing mechanism or pipeline network, and it is necessary to keep in balance the supplies and uses of energy at a given time.

Article 39 Derivatives within Section C(10) of Annex I to Directive 2004/39/EC

In addition to derivative contracts of a kind referred to in Section C(10) of Annex I to Directive 2004/39/EC, a derivative contract relating to any of the following shall fall within that Section if it meets the criteria set out in that Section and in Article 38(3):

- (b) commodity storage capacity;
- (c) transmission or transportation capacity relating to commodities, whether cable, pipeline or other means;

EXPLANATORY NOTE

(This note is not part of the Order)

This Order specifies kinds of activities and investments for the purposes of the Financial Services and Markets Act 2000 (“the Act”). When an activity of a specified kind is carried on by way of business in relation to an investment of a specified kind, it is a “regulated activity” for the purposes of the Act. The Financial Services and Markets Act 2000 (Carrying on Regulated Activities by Way of Business) Order 2001 (S.I. 2001/1177) makes provision as to the circumstances in which a person is, or is not, to be regarded as carrying on a regulated activity by way of business. Section 19 of the Act prohibits person who are not authorised or exempt from carrying on any regulated activity in the United Kingdom. Contravention of that prohibition is a criminal offence.

Part I of this Order makes provision for the citation, commencement and interpretation of the Order.

Part II specifies types of activities. Those activities are accepting deposits; effecting and carrying out contracts of insurance; dealing in investments as principal, or as agent; arranging deals in investments; managing investments; safeguarding and administering investments; sending dematerialised instructions; establishing etc. a collective investment scheme, or a stakeholder pension scheme; advising on investments; certain activities in relation to Lloyd's; entering into funeral plan contracts, or regulated mortgage contracts; and agreeing to carry on certain of the above activities.

Part II also sets out the exclusions (if any) applicable to each kind of specified activity.

Part III of the Order specifies the kinds of investment which are relevant for determining whether a person is carrying on a regulated activity for the purposes of the Act.

Part IV makes consequential amendments to the Consumer Credit Act 1974, and subordinate legislation under that Act, so as to exclude from its scope those categories of mortgage contract which are specified under this Order and which will therefore be regulated under the Act.

Schedule 1 to the Order lists the classes of insurance contract which are relevant to the scope of the activity specified by article 10.

Schedules 2 and 3 set out the text of certain provisions of Council Directive No. 93/22/EEC on investment services in the securities field which are relevant to the applicability of the exclusions contained in the Order (see article 4).
