Introduction

		1.1 Application
		[Note: ESMA has also issued guidelines under article 16(3) of the ESMA Regulation covering various topics relating to automated trading and direct electronic access. See www.esma.europa.eu/system/files/esma_2012_122_ en.pdf]
1.1.1	G	The <i>rules</i> and <i>guidance</i> in this sourcebook apply to <i>recognised bodies</i> and to applicants for recognition as <i>RIEs</i> under Part XVIII of the <i>Act</i> (Recognised Investment Exchanges and Clearing Houses) and (as <i>RAPs</i>) under the <i>RAP regulations</i> .
1.1.1A	G	The guidance in REC 6A applies to EEA market operators exercising passporting rights in the United Kingdom.
1.1.2	G	 UK RIEs are exempt persons under section 285 of the Act (Exemption for recognised investment exchanges and clearing houses). UK RIEs must satisfy recognition requirements prescribed by the Treasury (in certain cases with the approval of the Secretary of State) in the Recognition Requirements Regulations. UK RIEs must also satisfy the MiFID implementing requirements in the MiFID Regulation.RAPs must satisfy the recognition requirements prescribed by the Treasury in the RAP regulations, under the auction regulation and must also be UK RIEs and so are subject to requirements under
		 the <i>MiFID Regulation. ROIEs</i> must satisfy <i>recognition requirements</i> laid down in section 292 of the <i>Act</i> (Overseas investment exchanges and overseas clearing houses). (3) <i>UK RIEs</i> must also comply with notification requirements in, and with <i>notification rules</i> made under, sections 293 (Notification requirements) and 295 (Notification: overseas investment exchanges and clearing houses) of the <i>Act</i>.
1.1.3	G	(1) The recognition requirements for UK recognised bodies and the MiFID implementing requirements are set out, with guidance, in ■ REC 2. The RAP recognition requirements (other than requirements under the auction regulation which are not reproduced in REC) are set out, with guidance, in ■ REC 2A.
		(2) The notification rules for UKrecognised bodies are set out in ■ REC 3 together with guidance on those rules.

1.2.1	C	Purpose The purpose of the <i>guidance</i> (other than in REC 6A) in this sourcebook is to give information on the <i>recognised body requirements</i> . The purpose of the <i>guidance</i> in REC 6A is to give <i>EEA market operators</i> information about their passporting rights in the <i>United Kingdom</i> . Explanations of the purposes of the <i>rules</i> in this sourcebook are given in the chapters concerned.
1.2.2	G	 Status (1) Most of the provisions in this sourcebook are marked with a G (to indicate guidance) or an R (to indicate a rule). Quotations from UK statute or statutory instruments are marked with the letters "UK" unless they form part of a piece of guidance. Quotations from the directly applicable MiFID Regulation are marked with the letters "EU". For a discussion of the status of provisions marked with a letter, see Chapter 6 of the Reader's Guide. (2) Where the guidance states that the FCA may have regard to any factor in assessing or determining whether a recognised body
1.2.3	G	 requirement is satisfied, it means that the FCA will take that factor into account so far as it is relevant. (3) In determining whether a recognised body satisfies the recognised body requirements, the FCA will have regard to any relevant factor, including, but not limited to, the factors specifically discussed in the guidance. Quotations (1) This sourcebook contains quotations from the Act, the Recognition
		 Requirements Regulations, the RAP regulations and the Companies Act 1989 and the MiFID Regulation and, where necessary, words have been added to, or substituted for, the text of these provisions to facilitate understanding. (2) The additions and substitutions are enclosed in square brackets ([]). The omission of words within a quotation is indicated by three dots (). (3) Any words in these quotations which have the same meaning as Handbook defined terms are shown in italics and their definitions may be found in the Glossary.

		2.2 Method of satisfying the recognition requirements
2.2.1	UK	Recognition Requirements Regulations, Regulation 6
		(1) In considering whether a [UK recognised body] or applicant satisfies re- cognition requirements applying to it under these [Recognition Require- ments Regulations], the [FCA] may take into account all relevant circum- stances including the constitution of the person concerned and its regu- latory provisions within the meaning of section 300E of the Act.
		(2) Without prejudice to the generality of paragraph (1), a [UK recognised body] or applicant may satisfyrecognition requirements applying to it under these [Recognition Requirements Regulations] by making arrangements for functions to be performed on its behalf by any other person.
		(3) Where a [UK recognised body] or applicant makes arrangements of the kind mentioned in paragraph (2), the arrangements do not affect the responsibility imposed by the Act on the [UK recognised body] or applicant to satisfy recognition requirements applying to it under these [Recognition Requirements Regulations], but it is in addition a recognition requirement applying to the [UK recognised body] or applicant that the person who performs (or is to perform) the functions is a fit and proper person who is able and willing to perform them.
		Relevant circumstances
2.2.2	G	The FCA will usually expect :
		(1) the constitution, <i>regulatory provisions</i> and practices of the UK <i>recognised body</i> or applicant;
		(2) the nature (including complexity, diversity and risk) and scale of the UK recognised body's or applicant's business;
		(3) the size and nature of the market which is supported by the UK recognised body's or applicant's facilities;
		(4) the nature and status of the types of investor who use the UK recognised body's or applicant's facilities or have an interest in the market supported by the UK recognised body's or applicant's facilities;
		(4A) competition in the markets for services provided, or proposed to be provided, by the <i>UK recognised body</i> or applicant in its capacity as such; and
		(5) the nature and scale of the risks to the statutory objectives associated with the matters described in (1) to (4A);

■ Release 0 ● Oct 2015

to be among the relevant circumstances which it will take into account in considering whether a UK recognised body or applicant satisfies the recognition requirements. Outsourcing G It is the UK recognised body's responsibility to demonstrate to the FCA that a 2.2.3 person who performs a function on behalf of the UK recognised body is fit and proper and able and willing to perform that function. The recognition requirement referred to in Regulation 6(3) applies to the UK recognised body and not to any person who performs any function on its behalf. In this context, for a *person* to be "fit and proper" does not necessarily imply that he is an *authorised person*, or qualified to be so, or that the required standard is the same as that required either for authorised persons or recognised bodies. 2.2.4 G If a UK recognised body makes arrangements for functions to be performed on its behalf by persons who are authorised persons or recognised bodies, this does not alter its obligations under Regulation 6. G 2.2.5 If a *person* who performs a function on behalf of a *UK recognised body* is himself carrying on a regulated activity in the United Kingdom, he will, unless he is a person to whom the general prohibition does not apply, need to be either an *authorised person* or an *exempt person*. The *person* to whom a function is delegated is not covered by the UK recognised body's exemption. G 2.2.6 In determining whether the UK recognised body meets the recognition requirement in Regulation 6(3), the FCA may have regard to whether that body has ensured that the *person* who performs that function on its behalf: (1) has sufficient resources to be able to perform the function (after allowing for any other activities); (2) has adequate systems and controls to manage that function and to report on its performance to the UK recognised body; (3) is managed by *persons* of sufficient skill, competence and integrity; (4) understands the nature of the function it performs on behalf of the UK recognised body and its significance for the UK recognised body's ability to satisfy the recognition requirements and other obligations in or under the Act ; and (5) undertakes to perform that function in such a way as to enable the UK recognised body to continue to satisfy the recognition requirements and other obligations in or under the Act. G 2.2.7 In determining whether a UK recognised body continues to satisfy the recognition requirements where it has made arrangements for any function to be performed on its behalf by any person, the FCA may have regard, in addition to any of the matters described in the appropriate section of this

chapter, to the arrangements made to exercise control over the performance of the function, including:

- (1) the contracts (and other relevant *documents*) between the *UK* recognised body and the person who performs the delegated function;
- (2) the arrangements made to monitor the performance of that function; and
- (3) the arrangements made to manage conflicts of interest and protect confidential regulatory information.

		2.3 Financial resources
2.3.1	UK	Schedule to the Recognition Requirements Regulations, Paragraph 1
		(1) The [UK RIE] must have financial resources sufficient for the proper per- formance of its [relevant functions] as a [UK RIE].
		(2) In considering whether this requirement is satisfied, the [FCA]must (without prejudice to the generality of regulation 6(1)) take into account all the circumstances, including the [UK RIE's] connection with any person , and any activity carried on by the [UK RIE], whether or not it is an exempt activity.
2.3.2	UK	
2.3.2	UN	[deleted]
2.3.3	G	In determining whether a <i>UK recognised body</i> has financial resources sufficient for the proper performance of its <i>relevant functions</i> , the <i>FCA</i> may have regard to:
		(1) the operational and other risks to which the UK recognised body is exposed;
		(2) if the UK recognised body guarantees the performance of transactions in specified investments, the counterparty and market risks to which it is exposed in that capacity;
		(3) the amount and composition of the UK recognised body's capital;
		(4) the amount and composition of the <i>UK recognised body</i> 's liquid financial assets;
		(5) the amount and composition of the <i>UK recognised body</i> 's other financial resources (such as insurance policies and guarantees, where appropriate);
		(6) the financial benefits, liabilities, risks and exposures arising from the <i>UK recognised body</i> 's connection with any <i>person</i> , including but not limited to, its connection with:
		(a) any <i>undertaking</i> in the same <i>group</i> as the UK recognised body;
		 (b) any other person with a significant shareholding or stake in the UK recognised body;

		 (c) any other <i>person</i> with whom the <i>UK recognised body</i> has made a significant investment whether in the form of equity, debt, or by means of any guarantee or other form of commitment; (d) any <i>person</i> with whom it has a significant contractual
		relationship. (7) the nature and extent of the transactions concluded on the <i>UK RIE</i> .
		Accounting information and standards
2.3.4	G	The FCA will usually rely on a UK recognised body's published and internal management accounts and financial projections, provided that those accounts and projections are prepared in accordance with UK, US or international accounting standards.
		Counterparty and market risks: principles
2.3.5	G	In assessing whether a <i>UK recognised body</i> has sufficient financial resources in relation to counterparty and market risks, the <i>FCA</i> may have regard to:
		(1) the amount and liquidity of its financial assets and the likely availability of liquid financial resources to the <i>UK recognised body</i> during periods of major market turbulence or other periods of major stress for the <i>UK financial system</i> ; and
		(2) the nature and scale of the <i>UK recognised body's</i> exposures to counterparty and market risks and, where relevant, the counterparties to which it is exposed.
		Operational and other risks: principles
2.3.6	G	In assessing whether a <i>UK recognised body</i> has sufficient financial resources in relation to operational and other risks, the <i>FCA</i> may have regard to the extent to which, after allowing for the financial resources necessary to cover counterparty and market risks, the <i>UK recognised body</i> 's financial resources are sufficient and sufficiently liquid:
		(1) to enable the <i>UK recognised body</i> to continue carrying on properly the <i>regulated activities</i> that it expects to carry on; and
		(2) to ensure that it would be able to complete an orderly closure or transfer of its <i>exempt activities</i> without being prevented from doing so by insolvency or lack of available funds.
		Operational and other risks: components of calculation
2.3.7	G	In considering whether a <i>UK recognised body</i> has sufficient financial resources in relation to operational and other risks, the <i>FCA</i> will normally have regard to two components: eligible financial resources and net capital.
		Operational and other risks: components of calculation
2.3.8	G	(1) [deleted]
		(2) [deleted]

		Operational and other risks: UK RIEs - the standard and risk- based approach
2.3.9	G	(1) The FCA considers that a UK RIE which at any time holds:
		(a) eligible financial resources not less than the greater of:
		(i) the amount calculated under the standard approach; and
		(ii) the amount calculated under the risk-based approach; and
		(b) net capital not less than the amount of eligible financial resources determined under (1)(a);
		will, at that time, have sufficient financial resources to meet the <i>recognition requirement</i> in respect of operational and other risks unless there are special circumstances indicating otherwise.
		 (2) The FCA would normally regard the amount calculated under REC 2.3.9G (1)(a)(i) to be a minimum amount of financial resources below which a UK RIE would be failing the recognition requirements. The FCA would expect a UK RIE to hold, in addition to this minimum amount, an amount constituting an operational risk buffer calculated in accordance with ■ REC 2.3.22 G.
		Operational and other risks: individual guidance
2.3.10	G	The FCA would expect to provide a UK recognised body with individual guidance on the amount of eligible financial resources which it considers would be sufficient for the UK recognised body to hold in respect of operational and other risks in order to satisfy the recognition requirements. In formulating its individual guidance, the FCA will ordinarily apply the approach described in REC 2.3.9 G for UK RIEs.
		Operational and other risks: eligible financial resources
2.3.11	G	For the purposes of \blacksquare REC 2.3, "eligible financial resources" should consist of liquid financial assets held on the balance sheet of a <i>UK recognised body</i> , including cash and liquid financial instruments where the financial instruments have minimal market and credit risk and are capable of being liquidated with minimal adverse price effect.
		Operational and other risks: net capital
2.3.12	G	For the purposes of \blacksquare REC 2.3, "net capital" should be in the form of equity. For this purpose, the FCA considers that common stock, retained earnings, disclosed reserves and other instruments classified as common equity tier one capital or additional tier one capital constitute equity. The FCA considers that, when calculating its net capital, a UK recognised body:
		(1) should deduct holdings of its own securities, or those of any undertaking in the same group as the UK recognised body, together with any amount owed to the UK recognised body by an undertaking in its group under any loan or credit arrangement and any exposure arising under any guarantee, charge or contingent liability given in favour of such an undertaking or a creditor of such undertaking; and
		(2) may include interim earnings that have been independently verified by its auditor.

		Operational and other risks: eligible financial resources calculated under the standard approach
2.3.13	G	(1) Under the standard approach, the amount of eligible financial resources is equal to six months of operating costs.
		(2) Under the standard approach, the FCA assumes liquid financial a are needed to cover the costs that would be incurred during an orderly wind-down of the UK recognised body's exempt activities while continuing to satisfy all the recognition requirements and complying with any other obligations under the Act (including the obligations to pay periodic fees to the FCA).
		(3) For the purposes of the standard approach, the FCA would norm expect the calculation of operating costs to be based on the UK recognised body's most recent audited annual accounts, with six months of operating costs being equal to one half of the sum of operating costs reflected in the audited annual accounts of the U recognised body in the course of performing its functions during year to which the accounts relate. In calculating the gross annual operating costs, the FCA would consider it reasonable to exclude cash costs (costs that do not involve an outflow of funds).
		(4) The FCA considers it to be reasonable for a UK recognised body t adjust its operating expenditure calculation if, during the period its last audited accounts were prepared, its level of operating expenditure has changed materially as documented by the currer annual budget or forecast adopted by the UK recognised body's governing body.
		(5) The FCA considers that it is reasonable for a UK recognised body adjust its operating expenditure to take account of arrangement between two or more undertakings in the same group, which ar subject to prudential regulation in the United Kingdom under w specified costs are shared or recharged among those undertaking and those costs would otherwise be double-counted in the calcul of their financial resources requirement.
		Operational and other risks: eligible financial resources calculated under the risk-based approach (UK RIE's only)
2.3.14	G	(1) The risk-based approach is intended to ensure that sufficient fina resources are maintained at all times such that a UK RIE would no prevented from implementing an orderly wind-down as a result the financial impacts of stress events affecting its business or the markets in which it operates.
		(2) Under the risk-based approach the amount of eligible financial resources is calculated by adding together:
		(a) the amount estimated by the UK RIE to absorb the potential business losses that a business of its nature, scale and comple might incur in stressed but plausible market conditions; and
		(b) the amount estimated by the UK RIE to effect an orderly close
		In this context, a business loss arises where there is an increase ir or reduction of revenue relative to a <i>UK RIE</i> 's expectation of its

		financial performance, such that a loss needs to be charged against its capital.
		Operational and other risks: the risk-based assessment (UK RIEs only)
2.3.15	G	For the purposes of calculating the risk-based approach, the FCA would normally expect the UK RIE to provide the FCA with an annual financial risk assessment that identifies the risks to its business. As a financial risk assessment is likely to form an integral part of the UK RIE's management process and decision-making culture, the FCA would normally expect it to be approved by the UK RIE's governing body.
2.3.16	G	The FCA would normally expect to use the financial risk assessment prepared by the UK RIE in the course of preparing individual guidance on the amount of financial resources that it considers is sufficient for a UK RIE to hold in order to satisfy the recognition requirements. The financial risk assessment would provide the basis for calculating the amount of eligible financial resources that should be held by the UK RIE under the risk-based approach.
2.3.17	G	The financial risk assessment should be based on a methodology which provides a reasonable estimate of the potential business losses which a <i>UK RIE</i> might incur in stressed but plausible market conditions. The <i>FCA</i> would expect a <i>UK RIE</i> to carry out a financial risk assessment at least once in every twelve-month period, or more frequently if there are material changes in the nature, scale or complexity of the <i>UK RIE</i> 's operations or its business plans that suggest such financial risk assessment no longer provides a reasonable estimate of its potential business losses. The <i>FCA</i> considers that it would be reasonable for a financial risk assessment to proceed in the following way: (1) Step 1: the <i>UK RIE</i> would identify, in writing, the risks to which the business of the <i>UK RIE</i> is exposed and which could have a material adverse effect on its financial position, in the light of the nature, scale and complexity of its operations and its business plans. For this purpose, it would be reasonable to refer to the categorisation of risk used under the system of risk management adopted by the <i>UK RIE</i> in order to meet its responsibilities under the <i>recognition requirements</i> referred to in E REC 2.5. That description would identify which risks are indemnified or transferred by the <i>UK RIE</i> and which are retained and accepted.
		(2) Step 2: the UK RIE would conduct an assessment of the potential business losses that could arise in the event that the risks identified in accordance with step 1 were to materialise. For this purpose, it would be reasonable for a UK RIE to develop, and keep under review, a stress and scenario testing plan designed to simulate the effects of a pre-determined series of events, or sets of circumstances, that would be likely to occur following the crystallisation of one or more identified risks, taking into account the systems and controls in place to mitigate those risks. The stress and scenario testing plan would:
		(a) cover a forward-looking period of at least one year;
		 (b) consider a suitable range of adverse events and sets of circumstances, of a defined severity and duration, which could occur in stressed but plausible market conditions;

- (c) consider how a particular adverse event or set of circumstances could lead to or be correlated with other events;
- (d) consider the potential for a particular adverse event or set of circumstances to affect multiple business lines;
- (e) take into account realistic management actions to resolve such adverse events and circumstances; and
- (f) where appropriate, involve sensitivity analysis showing the effects of changes to assumptions made about the impact of particular adverse events and circumstances.

In designing its stress and scenario testing plan, the FCA considers that it would be reasonable for a UK RIE to be guided by any risk-scoring methodology that it deploys for general risk-management purposes that might have application in evaluating the probability and impact of its risks.

(3) Step 3: the *UK RIE* would assess the eligible financial resources that it would need to hold to cover such potential business losses. Such eligible financial resources would enable the *UK RIE* to absorb any financial shocks attributable to such business risks were they to arise.

In carrying out this assessment, the FCA considers that it would be reasonable for a UK RIE to take account of any action which its senior management might plan on taking in response to a given stress event. For example, if the risk appetite of a UK RIE is such that it would not pursue recovery from a given stress event (and would instead initiate an orderly wind-down), the assessment of eligible financial resources needed in such circumstances might reasonably be limited to the costs of orderly wind-down from the point in time at which that decision would be likely to be made.

Where a *UK RIE* expects to be making a loss during the period covered by the financial risk assessment as a result of its anticipated business performance in normal market conditions, the business losses which are relevant to the calculation of the risk-based approach are those additional losses which the *UK RIE* would expect to incur in stressed but plausible market conditions.

- (4) Step 4: the UK RIE would make an assessment of the cost of orderly closure. The FCA considers that an orderly closure should normally include an assessment of the impact of closure on the users of the markets operated by that UK RIE. For the purpose of this assessment, the FCA considers that it would be reasonable for a UK RIE to adopt the amount needed under the standard approach as its cost of orderly closure or to use its own method of calculation based on a scenario plan which comprehensively documents the costs that a UK RIE in its position might incur in order to fully implement an orderly wind-down.
- (5) Step 5: the UK RIE would produce a proposal for the amount of eligible financial resources considered to be adequate to meet the risk-based approach. Such a proposal would be based on the sum of:
 - (a) the amount assessed to cover potential business losses in accordance with REC 2.3.17G (3); and

		(b) an amount assessed to cover the cost of orderly closure in accordance with ■ REC 2.3.17G (4).
		(6) Step 6: the UK RIE would calculate the amount available as an operational risk buffer in accordance with ■ REC 2.3.22 G. To the extent the amount available is insufficient to constitute an operational risk buffer, the UK RIE would include within its proposal the amount it would propose to hold (in addition to the sum of the amounts referred to in (5)(a) and (b)) for those purposes.
2.3.18	G	The FCA would normally expect a financial risk assessment to include a description of the methodology applied by the UK RIE to arrive at the proposal made in accordance with \blacksquare REC 2.3.17G (5).
2.3.19	G	Where a <i>UK RIE</i> is a member of a <i>group</i> , the <i>FCA</i> would normally expect the annual risk assessment to be accompanied by a consolidated balance sheet:
		(1) of any group in which the UK RIE is a subsidiary undertaking; or
		(2) (if the UK RIE is not a subsidiary undertaking in any group) of any group of which the UK RIE is a parent undertaking.
2.3.20	G	The FCA would expect to consider the financial risk assessment, any proposal with respect to an operational risk buffer and, if applicable, the consolidated balance sheet, in formulating its <i>guidance</i> on the amount of eligible financial resources it considers to be sufficient for the UK RIE to hold in order to meet the <i>recognition requirements</i> . In formulating its guidance, the FCA would, where relevant, consider whether or not the financial risk assessment makes adequate provision for the following risks:
		 the risks related to the administration and operation of the UK RIE as a business enterprise (whether as a result of adverse reputational effects, poor execution of business strategy, ineffective response to competition, or otherwise);
		(2) the risk that deficiencies in information systems or internal processes, human errors, management failures, or disruptions from external events will result in the reduction, deterioration, or breakdown of services provided by a <i>UK RIE</i> (whether as a result of errors or delays in processing, system outages, insufficient capacity, fraud, data loss and leakage, or otherwise);
		(3) the risk that the financial position of the <i>UK RIE</i> may be adversely affected by its relationships (financial or non-financial) with other entities in the same <i>group</i> or by risks which may affect the financial position of the whole <i>group</i> , including reputational contagion; and
		(4) any other type of risk which is relevant to that particular UK RIE.
2.3.21	G	Operational and other risks: purpose of the risk buffer The FCA would normally consider a UK recognised body to be failing the recognition requirements if it held financial resources less than the amount
		calculated under REC 2.3.9G (1)(a)(i) (in respect of UK RIEs). The FCA

2.3.22

G

therefore expects a *UK recognised body* to hold an operational risk buffer of a sufficient amount in excess of this minimum, to ensure that it is at all times able to comply with its regulatory obligations.

Operational and other risks: calculation of the operational risk buffer - UK recognised bodies

- (1) [deleted]
- (2) The FCA would normally expect a UK RIE to hold, in addition to the minimum amount determined under REC 2.3.9G (1)(a)(i), an operational risk buffer consistent with a risk-based approach.
 - (a) Where the amount of eligible financial resources calculated by a UK RIE under REC 2.3.17G (5) (the risk-based approach) is greater than the amount of eligible financial resources calculated under
 REC 2.3.13 G (the standard approach), and the difference is of an amount sufficient to serve the purposes of the operational risk buffer, then the FCA considers that there would be no need for a UK RIE to hold any further amount as an operational risk buffer.
 - (b) Where the amount of eligible financial resources calculated by a UK RIE under ■ REC 2.3.17G (5) (the risk-based approach) is not sufficient to provide an effective operational risk buffer over and above the amount calculated under ■ REC 2.3.13 G (the standard approach), then the FCA would expect the UK RIE to include within its annual risk assessment a proposal to hold additional financial resources sufficient to constitute an operational risk buffer.
- (3) As the operational risk buffer is an amount in excess of the minimum financial resources sufficient to meet the *recognition requirements*, the *FCA* would normally not regard a *UK recognised body* that draws upon or temporarily depletes the operational risk buffer to have failed or be failing a *recognition requirement* in respect of its financial resources. However, the *FCA* would expect to be notified as soon as reasonably practicable if the *UK recognised body* draws upon, or intends to draw upon, its operational risk buffer.

		(1) arrangements for managing, controlling and carrying out its <i>relevant functions</i> , including:
		 (a) the distribution of duties and responsibilities among its key individuals and the departments of the UK recognised body responsible for performing its relevant functions;
		(b) the staffing and resources of the departments of the UK recognised body responsible for performing its relevant functions;
		 (c) the arrangements made to enable key individuals to supervise the departments for which they are responsible;

		(2) arrangements for the identification and management of conflicts of interest;
		(3) arrangements for internal and external audit; and
		(4) information technology systems.
2.5.4	G	The following paragraphs set out other matters to which the FCA may have regard in assessing the systems and controls used for the transmission of information, risk management, the effecting and monitoring of transactions, the operation of settlement arrangements (the matters covered in paragraph 4(2)(d) of the Schedule to the Recognition Requirements Regulations) and the safeguarding and administration of assets.
		Information transmission
2.5.5	G	In assessing a <i>UK recognised body</i> 's systems and controls for the transmission of information, the <i>FCA</i> may also have regard to the extent to which these systems and controls ensure that information is transmitted promptly and accurately:
		(1) within the UK recognised body itself;
		(2) to members; and
		(3) (where appropriate) to other market participants or other relevant persons.
2.5.6	G	Risk management In assessing a <i>UK recognised body's</i> systems and controls for assessing and managing risk, the <i>FCA</i> may also have regard to the extent to which these systems and controls enable the <i>UK recognised body</i> to:
		 identify all the general, operational, legal and market risks wherever they arise in its activities;

(2) measure and control the different types of risk;

		(3) allocate responsibility for risk management to <i>persons</i> with appropriate knowledge and expertise; and
		(4) provide sufficient, reliable information to key individuals and, where relevant, the governing body of the UK recognised body.
2.5.7	G	[deleted]
		Effecting and monitoring of transactions and operation of
2.5.8	G	settlement arrangements In assessing a <i>UK RIE's</i> systems and controls for the effecting and monitoring of transactions, and for the operation of settlement arrangements, the <i>FCA</i> may have regard to the totality of the arrangements and processes through which the <i>UK RIE's</i> transactions are effected, cleared, and settled, including:
		 a UK RIE's arrangements under which orders are received and matched, its arrangements for trade and transaction reporting, and (if relevant) its arrangements with another person under which any rights or liabilities arising from transactions are discharged including arrangements for transmission to a settlement system or <i>clearing</i> <i>house</i>;
		(2) (if relevant), a <i>UK RIE</i> 's arrangements under which instructions relating to a transaction to be cleared by another person by means of a <i>clearing facilitation service</i> are entered into its systems by the relevant other person and transmitted to the other person; and
		(3) the arrangements made by the <i>UK RIE</i> for monitoring and reviewing the operation of these systems and controls.
2.5.9	G	Safeguarding and administration of assets In assessing a <i>UK recognised body's</i> systems and controls for the safeguarding and administration of assets belonging to users of its <i>facilities</i> , the <i>FCA</i> may have regard to the totality of the arrangements and processes by which the <i>UK recognised body</i> :
		 records the assets held and the identity of the owners of (and other persons with relevant rights over) those assets;
		(2) records any instructions given in relation to those assets;
		(3) records the carrying out of those instructions;
		(4) records any movements in those assets (or any corporate actions or other events in relation to those assets); and
		(5) reconciles its records of assets held with the records of any <i>custodian</i> or sub- <i>custodian</i> used to hold these assets, and with the records of beneficial or legal ownership of those assets.

		Management of conflicts of interest
2.5.10	G	A conflict of interest arises in a situation where a <i>person</i> with responsibility to act in the interests of one <i>person</i> may be influenced in his action by an interest or association of his own, whether personal or business or employment related. Conflicts of interest can arise both for the <i>employees</i> of <i>UK recognised bodies</i> and for the <i>members</i> (or other <i>persons</i>) who may be involved in the decision-making process, for example where they belong to committees or to the <i>governing body</i> . Conflicts of interest may also arise for the <i>UK recognised body</i> itself as a result of its connection with another <i>person</i> .
2.5.11	G	The FCA recognises that a UK RIE has legitimate interests of its own and that its general business policy may properly be influenced by other <i>persons</i> (such as its owners). Such a connection does not necessarily imply the existence of a conflict of interest nor is it necessary to exclude individuals closely connected with other <i>persons</i> (for example, those responsible for the stewardship of the owner's interests) from all decision-making processes in a UK recognised body. However, there may be decisions, primarily regulatory decisions, from which it may be appropriate to exclude an individual in certain circumstances where an interest, position or connection of his conflicts with the interest of the <i>recognised body</i> .
2.5.12	G	■ REC 2.5.13 G to ■ REC 2.5.16 G set out the factors to which the FCA may have regard in assessing a UK recognised body's systems and controls for managing conflicts of interest.
2.5.13	G	 The FCA may have regard to the arrangements a UK recognised body makes to structure itself and to allocate responsibility for decisions so that it can continue to take proper regulatory decisions notwithstanding any conflicts of interest, including: (1) the size and composition of the governing body and relevant committees;
		(2) the roles and responsibilities of <i>key individuals</i> , especially where they
		also have responsibilities in other organisations; (3) the arrangements for transferring decisions or responsibilities to alternates in individual cases; and
		(4) the arrangements made to ensure that individuals who may have a permanent conflict of interest in certain circumstances are excluded from the process of taking decisions (or receiving information) about matters in which that conflict of interest would be relevant.
2.5.14	G	The FCA may also have regard to the systems and controls intended to ensure that confidential information is only used for proper purposes. Where relevant, <i>recognised bodies</i> will have to comply with section 348 (Restrictions on disclosure of confidential information by the FCA etc.) and regulations made under section 349 (Exemptions from section 348) of the Act.

2.5.15	G	The FCA may also have regard to the contracts of employment, staff rules, letters of appointment for members of the <i>governing body</i> , members of relevant committees and other <i>key individuals</i> and other guidance given to individuals on handling conflicts of interest. Guidance to individuals may need to cover:
		 the need for prompt disclosure of a conflict of interest to enable others, who are not affected by the conflict, to assist in deciding how it should be managed;
		(2) the circumstances in which a general disclosure of conflicts of interest in advance of any particular instance in which a conflict of interest arises may be sufficient;
		(3) the circumstances in which a general advance disclosure may not be adequate;
		(4) the circumstances in which it would be appropriate for a conflicted individual to withdraw from involvement in the matter concerned, without disclosing the interest; and
		(5) the circumstances in which safeguards in addition to disclosure would be required, such as the withdrawal of the individual from the decision-taking process, or from access to relevant information.
2.5.16	G	The FCA may also have regard to the arrangements made:
		(1) for enforcing rules or other provisions applicable to staff and other <i>persons</i> involved in regulatory decisions; and
		(2) to keep records of disclosures of conflicts of interest and the steps taken to handle them.
		Internal and external audit
2.5.17	G	A <i>UK recognised body's</i> arrangements for internal and external audit will be an important part of its systems and controls. In assessing the adequacy of these arrangements, the <i>FCA</i> may have regard to:
		(1) the size, composition and terms of reference of any audit committee of the UK recognised body'sgoverning body;
		(2) the frequency and scope of external audit;
		(3) the provision and scope of internal audit;
		(4) the staffing and resources of the UK recognised body's internal audit department;
		(5) the internal audit department's access to the <i>UK recognised body's</i> records and other relevant information; and
		(6) the position, responsibilities and reporting lines of the internal audit department and its relationship with other departments of the UK recognised body.

		Information technology systems
2.5.18	G	Information technology is likely to be a major component of the systems and controls used by any <i>UK recognised body</i> . In assessing the adequacy of the information technology used by a <i>UK recognised body</i> to perform or support its <i>relevant functions</i> , the <i>FCA</i> may have regard to:
		(1) the organisation, management and resources of the information technology department within the <i>UK recognised body</i> ;
		(2) the arrangements for controlling and documenting the design, development, implementation and use of information technology systems; and
		(3) the performance, capacity and reliability of information technology systems.
2.5.19	G	The FCA may also have regard to the arrangements for maintaining, recording and enforcing technical and operational standards and specifications for information technology systems, including:
		 the procedures for the evaluation and selection of information technology systems;
		(2) the arrangements for testing information technology systems before live operations;
		(3) the procedures for problem management and system change;
		(4) the arrangements to monitor and report system performance, availability and integrity;
		(5) the arrangements (including spare capacity and access to back-up facilities) made to ensure information technology systems are resilient and not prone to failure;
		(6) the arrangements made to ensure business continuity in the event that an information technology system does fail;
		(7) the arrangements made to protect information technology systems from damage, tampering, misuse or unauthorised access; and
		(8) the arrangements made to ensure the integrity of data forming part of, or being processed through, information technology systems.
2.5.20	G	The FCA may have regard to the arrangements made to keep clear and complete audit trails of all uses of information technology systems and to reconcile (where appropriate) the audit trails with equivalent information held by system users and other interested parties.

		2.5A Guidance on Public Interest Disclosure Act: Whistleblowing
		Application and Purpose: Application
2.5A.1	G	This section is relevant to every <i>UK recognised body</i> to the extent that the Public Interest Disclosure Act 1998 ("PIDA") applies to it.
		Purpose
2.5A.2	G	(1) The purposes of this section are to:
		 (a) provide UK recognised bodies with guidance regarding the provisions of PIDA; and
		(b) Encourage UK recognised bodies to consider adopting and communicating to workers appropriate internal procedures for handling workers' concerns as part of an effective risk management system.
		(2) In this section "worker" includes, but is not limited to, an individual who has entered into a contract of employment.
2.5A.3	G	The <i>guidance</i> in this section concerns the effect of PIDA in the context of the relationship between <i>UK recognised bodies</i> and the <i>FCA</i> . It is not comprehensive guidance on PIDA itself.
2.5A.4	G	Practical Measures: Effect of PIDA Under PIDA, any clause or term in an agreement between a worker and his employer is void in so far as it purports to preclude the worker from making a protected disclosure (that is, "blow the whistle").
2.5A.5	G	In accordance with section 1 of PIDA:
		 (1) a "protected disclosure" is a qualifying disclosure which meets the relevant requirements set out in part 4A of the Employment Rights Act 1996; (2) a "qualifying disclosure" is a disclosure, made in the public interest, of information which, in the reasonable belief of the worker making the disclosure, tends to show that one or more of the following (a "failure") has been, is being, or is likely to be, committed:
		(a) a criminal offence; or

		(b) a failure to comply with any legal obligation; or
		(c) a miscarriage of justice; or
		(d) the putting of the health and safety of any individual in danger; or
		(e) damage to the environment; or
		(f) deliberate concealment relating to any of (a) to (e);
		it is immaterial whether the relevant failure occurred, occurs or would occur in the <i>United Kingdom</i> or elsewhere, and whether the law applying to it is that of the <i>United Kingdom</i> or of any other country or territory.
		Internal Procedures
2.5A.6	G	(1) UK recognised bodies are encouraged to consider adopting appropriate internal procedures which will encourage their workers with concerns to blow the whistle internally about matters which are relevant to the functions of the FCA.
		(2) In considering appropriate internal procedures, UK recognised bodiesmay find the guidance provided to firms in ■ SYSC 18.2.2 G (2) and ■ SYSC 18.2.2 G (3) helpful.
		Link to fitness and propriety
2.5A.7	G	In determining whether a <i>UK recognised body</i> is a fit and proper <i>person</i> , the <i>FCA</i> may have regard to any relevant factor including, but not limited to, how the <i>UK recognised body</i> and <i>key individuals</i> have complied with any relevant law (see <i>REC</i> 2.4.3 G (9)).

			Pre-trade transparency obligations
		(1)	A market operator operating an MTF or a regulated mar- ket shall, in respect of each share admitted to trading on a regulated market that is traded within a system operated by it and specified in Table 1 of Annex II [(see REC 2.6.8 EU)], make public the information set out in paragraphs 2 to 6.
		(2)	Where one of the entities referred to in paragraph 1 oper- ates a continuous auction order book trading system, it shall, for each share as specified in paragraph 1, make pub- lic continuously throughout its <i>normal trading hours</i> the ag- gregate number of orders and of the shares those orders represent at each price level, for the five best bid and offer price levels.
		(3)	Where one of the entities referred to in paragraph 1 oper- ates a quote-driven trading system, it shall, for each share as specified in paragraph 1, make public continuously through- out its <i>normal trading hours</i> the best bid and offer by price of each market maker in that share, together with the vol- umes attaching to those prices.
			The quotes made public shall be those that represent bind- ing commitments to buy and sell the shares and which indic- ate the price and volume of shares in which the registered market makers are prepared to buy or sell.
			In exceptional market conditions, however, indicative or one-way prices may be allowed for a limited time.
		(4)	Where one of the entities referred to in paragraph 1 oper- ates a periodic auction trading system, it shall, for each share specified in paragraph 1, make public continuously throughout its <i>normal trading hours</i> the price that would best satisfy the system's trading algorithm and the volume that would potentially be executable at that price by parti- cipants in that system.
		(5)	Where one of the entities referred to in paragraph 1 oper- ates a trading system which is not wholly covered by para- graphs 2 or 3 or 4, either because it is a hybrid system fal- ling under more than one of those paragraphs or because the price determination process is of a different nature, it shall maintain a standard of pre-trade transparency that en- sures that adequate information is made public as to the price level of orders or quotes for each share specified in paragraph 1, as well as the level of trading interest in that share.
			In particular, the five best bid and offer price levels and/or two-way quotes of each market maker in that share shall be made public, if the characteristics of the price discovery mechanism permit it.

as to afford proper protection to investors, the FCA may, in addition to the matters dealt with in \blacksquare REC 2.7 to \blacksquare REC 2.12, have regard to all the arrangements made by the *UK recognised body* concerning the operation of its *facilities*.

- **G** The FCA may also have regard to the extent to which the UK recognised body's rules, procedures and the arrangements for monitoring and overseeing the use of its *facilities*:
 - (1) include appropriate measures to prevent the use of its *facilities* for abusive or improper purposes;
 - (2) provide appropriate safeguards for investors against fraud or misconduct, recklessness, negligence or incompetence by users of its *facilities*;
 - (3) provide appropriate information to enable users of its *facilities* to monitor their use of the *facilities*;
 - (4) include appropriate arrangements to enable users of its *facilities* to raise queries about any use of those *facilities* which they are reported to have made;
 - (5) include appropriate arrangements to enable users of its *facilities* to comply with any relevant regulatory or legal requirements; and
 - (6) include appropriate arrangements to reduce the risk that those facilities will be used in ways which are incompatible with relevant regulatory or legal requirements;

and in this paragraph "appropriate" should be taken to mean appropriate having regard to the nature and scale of the *UK recognised body's facilities*, the types of persons who will use the *facilities* and the use which they will make of those *facilities*.

Orderly markets

2.6.28

G

In determining whether a *UK RIE* is ensuring that business conducted by means of its *facilities* is conducted in an orderly manner (and so as to afford proper protection to investors), the *FCA* may have regard to the extent to which the *UK RIE*'s rules and procedures:

- (1) are consistent with the Code of Market Conduct (see MAR 1);
- (2) prohibit abusive trading practices or the deliberate reporting or publication of false information about trades; and
- (3) prohibit or prevent:
 - (a) trades in which a party is improperly indemnified against losses;
 - (b) trades intended to create a false appearance of trading activity ("wash trades");
 - (c) cross trades executed for improper purposes;

- (d) improperly prearranged or prenegotiated trades;
- (e) trades intended to assist or conceal any potentially identifiable trading abuse ("accommodation trades"); and
- (f) trades which one party does not intend to close out or settle.

2.6.29 **G** In determining whether a *UK RIE* is ensuring that business conducted by means of its *facilities* is conducted in an orderly manner (and so as to afford proper protection to investors), the *FCA* may have regard to whether the *UK RIE*'s arrangements and practices:

- (1) enable *members* and *clients* for whom they act to obtain the best price available at the time for their size and type of trade;
- (2) ensure:
 - (a) sufficient pre-trade transparency in the UK RIE's markets taking account of the practices in those markets and the trading systems used; and
 - (b) sufficient post-trade transparency in the UK RIE's markets taking into account the nature and liquidity of the specified investments traded, market conditions and the scale of transactions, the need (where appropriate) to preserve anonymity for members and clients for whom they act, and the needs of different market participants for timely price information;
- (2A) (2) does not apply to a UK RIE's markets for shares admitted to trading on a regulated market. For pre-trade and post-trade transparency for a UK RIE's markets for shares admitted to trading on a regulated market, see in particular ■ REC 2.6.3 UK and ■ REC 2.6.4 UK and ■ REC 2.6.7 EU to ■ REC 2.6.24 EU;
 - (3) include procedures which enable the *UK RIE* to influence trading conditions or suspend trading promptly when necessary to maintain an orderly market; and
 - (4) if they include arrangements to support or encourage liquidity:
 - (a) are transparent;
 - (b) are not likely to encourage any *person* to enter into transactions other than for proper trading purposes (which may include hedging, investment, speculation, price determination, arbitrage and filling orders from any *client* for whom he acts);
 - (c) are consistent with a reliable, undistorted price-formation process; and
 - (d) alleviate dealing or other identified costs associated with trading on the UK RIE's markets and do not subsidise a market position of a user of its *facilities*.

2.6.30

(1) The FCA accepts that block trading, upstairs trading and other types of specialist transactions (such as the "exchange of futures for physicals" in certain commodity markets) can have a legitimate commercial rationale consistent with the orderly conduct of business and proper protection for investors. They may therefore be permitted

under the rules of a UK RIE, subject to any necessary safeguards, where appropriate. (2) (1) does not apply to a UK RIE's markets for shares admitted to trading on a regulated market. For pre-trade and post-trade transparency for a UK RIE's markets for shares admitted to trading on a regulated market, see in particular ■ REC 2.6.3 UK and ■ REC 2.6.4 UK and ■ REC 2.6.7EU to ■ REC 2.6.24 EU. Waiver of pre-trade transparency requirements and deferral of post-trade transparency requirements G The FCA has exercised its power referred to in REC 2.6.3 UK(3) to waive the 2.6.31 pre-trade transparency requirements referred to in REC 2.6.3 UK(1). The waivers granted are those based on market model (see REC 2.6.10 EU1), type of order (see REC 2.6.10 EU2) and *transactions* which are large in scale (see REC 2.6.13 EU). These waivers apply to all regulated markets and MTFs operated by UK RIEs. G 2.6.32 The FCA has exercised its power referred to in REC 2.6.4 UK(3) to permit the deferral of the post-trade transparency requirements referred to in REC 2.6.4 UK(1). This permission is with respect to large *transactions* (see REC 2.6.17 EU). This permission applies to all regulated markets and MTFs operated by UK RIEs. Arrangements for making information public 2.6.33 G The FCA considers that for the purposes of ensuring that published information is reliable, monitored continuously for errors, and corrected as soon as errors are detected (see REC 2.6.24 EU(a)), a verification process should be established which does not need to be external from the organisation of the publishing entity, but which should be an independent cross-check of the accuracy of the information generated by the trading process. This process should have the capability to at least identify price and volume anomalies, be systematic and conducted in real-time. The chosen process should be reasonable and proportionate in relation to the business. 2.6.34 G (1) In respect of arrangements facilitating the consolidation of data as required in REC 2.6.24 EU(b), the FCA considers information as being made public in accordance with REC 2.6.24 EU(b), if it: (a) is accessible by automated electronic means in a machinereadable way; (b) utilises technology that facilitates consolidation of the data and permits commercially viable usage; and (c) is accompanied by instructions outlining how users can access the information. (2) The FCA considers that an arrangement fulfils the 'machine-readable' criteria where the data: (a) is in a physical form that is designed to be read by a computer; (b) is in a location on a computer storage device where that location is known in advance by the party wishing to access the data; and

- (c) is in a format that is known in advance by the party wishing to access the data.
- (3) The FCA considers that publication on a non-machine-readable website would not meet the MiFID requirements.
- (4) The FCA considers that information that is made public in accordance with REC 2.6.24 EU should conform to a consistent and structured format based on industry standards. Regulated markets or market operators operating an MTF can choose the structure that they use.

Chapter 2A

Recognised Auction Platforms

		2A.1 Introduction
2A.1.1	G	This chapter applies to an <i>RAP</i> or to a <i>UK RIE</i> applying to become an <i>RAP</i> . Regulation 2 of the <i>RAP regulations</i> provides that an entity must have <i>UK</i> <i>RIE</i> status before it can apply for <i>RAP</i> status.
2A.1.2	G	The <i>RAP recognition requirements</i> must be satisfied by an <i>RAP</i> applicant for recognition to be granted. These requirements apply both on initial recognition and throughout the period that <i>RAP</i> status is held. Therefore, the term <i>RAP</i> in the <i>guidance</i> should be understood to also refer to an applicant where appropriate and where not otherwise stated.
2A.1.3	G	The RAP regulations apply modified provisions of the Act to an RAP. For example, an RAP is an exempt person in respect of its business as an auction platform due to the application of section 285 of the Act as modified by the the RAP regulations. Similarly, section 293 of the Act is applied and modified by the RAP regulations to provide for notification rules and notification requirements in relation to RAPs.

		2A.2 Method of satisfying the RAP recognition requirements
2A.2.1	UK	Recognised Auction Platforms Regulations, regulation 13
		 In considering whether [an <i>RAP</i>] or applicant satisfies the [<i>RAP recognition requirements</i>], the [<i>FCA</i>] may- (a) treat compliance by the [<i>RAP</i>] or applicant with the [<i>recognition requirements</i> or <i>MiFID implementing requirements</i>] applying to it as a [<i>UK RIE</i>] as conclusive evidence that the [<i>RAP</i>] or applicant satisfies any equivalent [<i>RAP recognition requirements</i>] applying to it under these [<i>RAP regulations</i>], taking into account any arrangements that would be necessary to meet the [<i>RAP recognition requirements</i>], and (b) take into account all relevant circumstances including the constitution of the <i>person</i> concerned. (2) Without prejudice to the generality of paragraph (1), [an <i>RAP</i>] or applicant may satisfy [<i>RAP recognition requirements</i>] by making arrangements for functions to be performed on its behalf by any other <i>person</i>. (3) Where [an <i>RAP</i>] or applicant makes arrangements of the kind mentioned in paragraph (2), the arrangements do not affect the responsibility imposed by these [<i>RAP regulations</i>] on the [<i>RAP</i>] or applicant to satisfy the [<i>RAP recognition requirements</i>], but it is in addition [an <i>RAP recognition requirements</i>], but it is in addition [an <i>RAP recognition requirements</i>] applying to the [<i>RAP recognition requirements</i>] or applicant that the <i>person</i> who performs (or is to perform) the functions is a fit and proper <i>person</i> who is able and willing to perform them.
2A.2.2	G	The FCA will request information from an RAP or RAP applicant in order to determine whether it meets the RAP recognition requirements.

		2A.4 Power and procedure for RAP penalties and censures
2A.4.1	G	Under regulation 5A (Power to impose civil penalties) of the <i>RAP Regulations</i> , where the <i>FCA</i> considers that an <i>RAP</i> has contravened any requirement in articles 19, 20(7), 21(1) or (2), or 54 of the <i>auction regulation</i> , the <i>FCA</i> has the power to impose a civil penalty on that <i>RAP</i> .
2A.4.2	G	Where the <i>FCA</i> is entitled to impose a penalty on an <i>RAP</i> , it may instead publish a statement censuring it.
2A.4.3	G	 The provisions of the <i>auction regulation</i> referred to in REC 2A.4.1 G are directly applicable to an <i>RAP</i> and require it to, in summary: (1) only grant admission to bid to applicants that comply with the conditions set out in article 19 of the <i>auction regulation</i>, including the prerequisite that the applicants are eligible to bid in accordance with article 18 of the <i>auction regulation</i>; (2) require an applicant for admission to bid to ensure that its clients, and the clients of its clients, are able to comply with information requirements, interviews, investigations and verifications carried out or required by the <i>RAP</i>; (3) refuse to grant admission to bid, or revoke or suspend that admission, to any person: (a) that is not, or is no longer, eligible to bid (under article 18 of the <i>auction regulation</i>); does not meet, or no longer meets, the requirements of articles 18, 19 or 20 of the <i>auction regulation</i>; or is wilfully or repeatedly in breach of the <i>auction regulation</i>, the terms and conditions of its admission to bid or other related instructions or agreements; or (b) where the <i>RAP</i> suspects the person is involved with money laundering, terrorist financing, criminal activity or market abuse, provided that such refusal, revocation or suspension is unlikely to frustrate efforts by the competent national authorities under the <i>auction regulation</i> to pursue or apprehend the perpetrators of those activities; and
2A.4.4	G	The power in regulation 5A of the <i>RAP Regulations</i> to impose a civil penalty or publish a statement adds to the <i>FCA</i> 's other supervisory powers in relation

to RAPs (see REC 4) and its power to impose penalties on an RAP under the Money Laundering Regulations. The FCA will use this power under the RAP *Regulations* where it is appropriate to do so and with regard to the relevant factors listed in DEPP 6.2.1 G. In deciding between a civil penalty or a public statement, the FCA will also have regard to the relevant factors listed in DEPP 6.4. G 2A.4.5 The FCA will notify the subject of the investigation that it has appointed officers to carry out an investigation under either or both the RAP Regulations or the Money Laundering Regulations and the reasons for the appointment, unless notification is likely to prejudice the investigation or otherwise result in it being frustrated. The FCA expects to carry out a scoping visit early on in the enforcement process in most cases. G 2A.4.6 Where the FCA uses the power to impose a penalty, it will be for an amount that is effective, proportionate and dissuasive and with regard to relevant factors listed in DEPP 6.5 to DEPP 6.5D in determining the appropriate level of financial penalty. G 2A.4.7 The FCA will also have regard to whether the person followed any of the FCA's guidance and will not take action under regulation 5A where there are reasonable grounds for it to be satisfied that the person took all reasonable steps and exercised all due diligence to ensure that the requirement was complied with. 2A.4.8 G When the FCA proposes or decides to take action against an RAP in exercise of its power in regulation 5A of the RAP Regulations, it must give the RAP a warning notice or a decision notice respectively. Those notices must state the amount of the penalty or set out the terms of the statement, as applicable. On receiving a warning notice, the RAP has a right to make representations on the FCA's proposed decision. G 2A.4.9 Where the FCA is proposing or deciding to publish a statement censuring an RAP or impose a penalty on the RAP under regulation 5A of the RAP Regulations, the FCA's decision maker will be the RDC. This is to ensure that the FCA's power to censure or impose a penalty on an RAP has the same layer of separation in the decision making process, and is exercised consistently with, similar penalty and censure powers of the FCA under other legislation. The RDC will make its decisions following the procedure set out in DEPP 3.2 or, where appropriate, DEPP 3.3. An RAP that receives a decision notice under regulation 5A of the RAP Regulations may refer the matter to the Tribunal. G 2A.4.10 Sections 393 and 394 of the Act apply to notices referred to in this section. See DEPP 2.4 (Third party rights and access to FCA material). G 2A.4.11 As with cases under the Act, the FCA may settle or mediate appropriate cases to assist it to exercise its functions in the most efficient and economic way. The settlement discount scheme set out in DEPP 6.7 applies to penalties imposed under the RAP Regulations.

2A.4.12	G	The FCA will apply the approach to publicity that it has outlined in \blacksquare EG 6.

Chapter 3

Notification rules for UK recognised bodies

		3.1 Application and purpose
3.1.1	R	 Application (1) The notification rules in this chapter, which are made under section 293 of the Act (Notification requirements), apply to all UK recognised bodies. (2) The rules relating to the form and method of notification in ■ REC 3.2 also apply to overseas recognised bodies.
3.1.2	G	The notification rules for overseas recognised bodies are set out in \blacksquare REC 6. The guidance set out at \blacksquare REC 3.3 in relation to the waiving and modification of notification rules also applies to the notification rules in this chapter and to the notification rules in \blacksquare REC 6.
3.1.3	G	The <i>notification rules</i> in this chapter are in addition to the requirements on <i>UK RIEs</i> to give notice or information to the <i>FCA</i> and if applicable, the Bank of England under sub-sections 293(5) and (6) of the <i>Act</i> .
3.1.3A	G	The notification rules in this chapter which apply to an RAP are without prejudice to notification rules which apply to a UK RIE which operates the RAP. However, a UK RIE which operates an RAP may make a single notification where a notification is required both in its capacity as a UK RIE and an RAP.
3.1.4	G	Purpose The <i>notification rules</i> in this chapter are made by the <i>FCA</i> in order to ensure that it is provided with notice of events and information which it reasonably requires for the exercise of its functions under the <i>Act</i> .

			3.2 Form and method of notification	
3.2.1	R	Where a any <i>noti</i> otherwis circumst	f notification <i>recognised body</i> is required to give any notice or information ur <i>fication rule</i> , it may do so (unless that <i>rule</i> expressly provides e) orally or in writing, whichever is the more appropriate in the ances, but, where it gives notice or information orally, it must that notice or information in writing promptly.	 nder
3.2.2	R	Unless o required (1) g	I of notification therwise stated in the <i>notification rule</i> , a written notification from a <i>recognised body</i> under any <i>notification rule</i> must be: iven to, or addressed for the attention of, the <i>recognised body</i> 's sual supervisory contact at the <i>FCA</i> ;	
3.2.3	R	Method	elivered to the FCA by one of the methods in REC 3.2.3 R. s of notification d of delivery Post to the address in REC 3.2.4 R Leaving the notification at the address in REC 3.2.4 R and obtaining	ing

		Timely notification
3.2.5	R	If a notification rule requires notification within a specified period:
		(1) the <i>recognised body</i> must give the notification so as to be received by the <i>FCA</i> no later than the end of that period; and
		(2) if the end of that period falls on a <i>day</i> which is not a <i>business day</i> , the notification must be given so as to be received by the <i>FCA</i> no later than the first <i>business day</i> after the end of that period.
		Service of Notice Regulations
3.2.6	G	The Financial Services and Markets Act 2000 (Service of Notices) Regulations 2001 (SI 2001/1420) do not apply to notifications required under the <i>notification rules</i> in this chapter and in REC 6 because of the specific <i>rules</i> in this section.

3.3 **Waivers** Statutory power 3.3.1 G Under section 294 of the Act (Modification or waiver of rules), the FCA may, on the application or with the consent of a recognised body (including an ROIE), direct that any notification rule is not to apply to the body or is to apply with such modifications as may be specified in the waiver. 3.3.2 G A waiver given under section 294 of the Act may be made subject to conditions. 3.3.3 G Under section 294(4) of the Act, before the FCA may give a waiver of notification rules, it must be satisfied that: (1) compliance by the recognised body with those notification rules, or with those *rules* as unmodified, would be unduly burdensome or would not achieve the purpose for which those *rules* were made; and (2) the *waiver* would not result in undue risk to *persons* whose interests those *rules* are designed to protect. Applications 3.3.4 G Where a recognised body wishes to make an application to the FCA for a waiver of a notification rule, it should in the first instance inform its usual supervisory contact at the FCA. 3.3.5 G There is no application form, but applicants should make their application formally and in writing and in accordance with any direction the FCA may make under section 294(2) of the Act. Each application should set out at least: (1) full particulars of the *waiver* which is requested; (2) the reason why the recognised body believes that the criteria set out in section 294(4) (and described in ■ REC 3.3.3 G) would be met, if this waiver were granted; and (3) where the recognised body believes that these criteria would be met if the FCA gave a waiver under section 294 subject to any condition, particulars of the kind of condition contemplated.

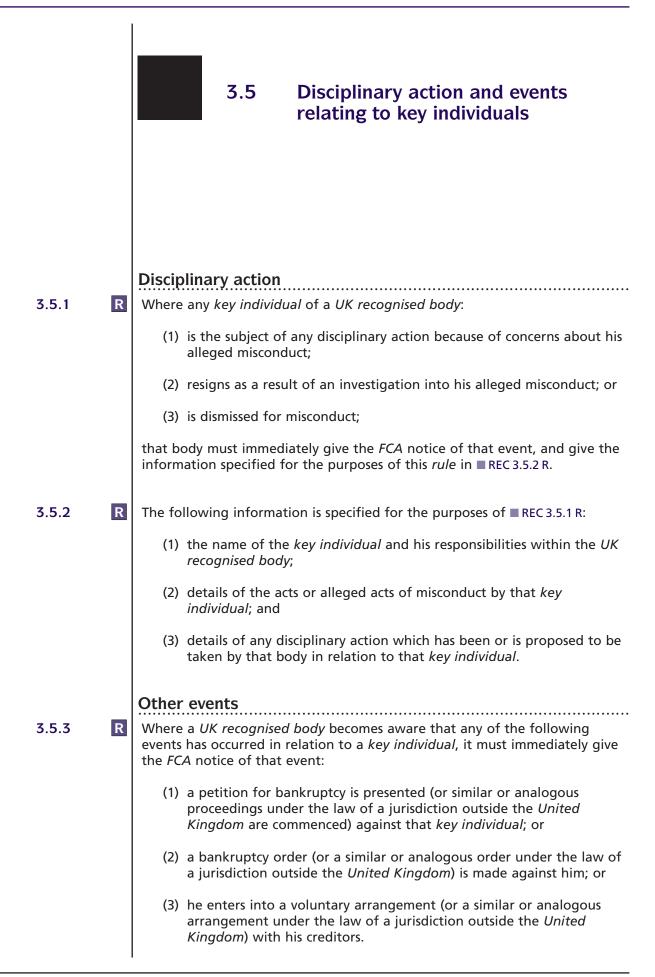

3.3.6	G	The FCA may request further information from the applicant, before deciding whether to give a <i>waiver</i> under section 294 of the Act.
3.3.7	G	Waivers Any <i>waiver</i> given by the <i>FCA</i> under section 294 of the <i>Act</i> will be made in writing, stating:
		 the name of the recognised body in respect of which the waiver is made;
		(2) the <i>notification rules</i> which are to be waived or modified in respect of that body;
		(3) where relevant, the manner in which any <i>rule</i> is to be modified;
		(4) any condition or time limit to which the <i>waiver</i> is subject; and
		(5) the date from which the <i>waiver</i> is to take effect.
3.3.8	G	Where the FCA considers that it will not give the <i>waiver</i> which has been applied for, the FCA will give reasons to the applicant for its decision. The FCA will endeavour, where practicable, to inform an applicant in advance where it seems that an application is likely to fail unless it is amended or expanded, so that the applicant will have the opportunity to make any necessary amendments or additions before the application is considered.
3.3.9	G	Where the FCA wishes to give a <i>waiver</i> under section 294 of the Act with the consent of a <i>recognised body</i> (rather than on the application of a <i>recognised body</i>), the FCA will correspond or discuss this with that body in order to agree an appropriate <i>waiver</i> .
		Reviews of waivers
3.3.10	G	The FCA will periodically review any <i>waiver</i> it has given. The FCA has the right to revoke a <i>waiver</i> under section 294(6) of the Act. This right is likely to be exercised in the event of a material change in the circumstances of the <i>recognised body</i> or in any fact on the basis of which the <i>waiver</i> was given.

		3.4 Key individuals and internal organisation
		Purpose
3.4.1	G	The purpose of \blacksquare REC 3.4 is to enable the <i>FCA</i> to monitor changes in the arrangements a <i>UK recognised body</i> makes for the carrying out of its <i>relevant functions</i> or for overseeing the work of <i>key individuals</i> or departments responsible for its <i>relevant functions</i> .
		Key individuals
3.4.2	R	[deleted]
3.4.2A	R	Where, in relation to a <i>UK RIE</i> a proposal has been made to appoint or elect a <i>person</i> as a <i>key individual</i> , that <i>UK RIE</i> must at least 30 days before the date of the appointment or election give notice of that event, and give the information specified for the purposes of this rule in \blacksquare REC 3.4.4A R to the <i>FCA</i> .
		[Note: Article 37(1), paragraph 1, second sentence of <i>MiFID</i>]
3.4.2B	R	Where, in relation to a <i>UK RIE</i> a <i>person</i> has resigned as, or has ceased to be, a <i>key individual</i> , that <i>UK RIE</i> must immediately give notice of that event, and give the name of the <i>person</i> . [Note: Article 37(1), paragraph 1, second sentence of <i>MiFID</i>]
3.4.3	G	(1) Key individuals include the persons who, under the operational or managerial arrangements of the UK recognised body, are appointed to manage the departments responsible for carrying out its relevant functions, whether or not they are members of its governing body. A person appointed to carry out specific tasks, such as to conduct a particular investigation into a specific set of facts, would not usually be a key individual.
		(2) A key individual need not be an employee of a UK recognised body. For example, an employee of an undertaking in the same group or a self-employed contractor of a UK recognised body might be a key individual, depending on the role he plays in that body.
		(3) A department of a <i>UK recognised body</i> should be regarded as responsible for carrying out a <i>relevant function</i> if it is responsible for any activity or activities which form a significant part of a <i>relevant</i>

function or which make a significant contribution to the performance of a relevant function. (4) The FCA does not need to be notified where minor changes are made to the responsibilities of a key individual, but where a major change in responsibilities is made which amounts to a new appointment, the FCA should be notified under REC 3.4.2A R. 3.4.4 R [deleted] 3.4.4A R The following information is specified for the purposes of **REC 3.4.2A R**: (1) that person's name; (2) his date of birth; (3) a description of the responsibilities which he will have in the post to which he is to be appointed or elected, including for a UK RIE which operates an RAP where the person has responsibilities both in the UK RIE and RAP, a description of the responsibilities he has in respect of each body. [Note: Article 37(1), paragraph 1, second sentence of *MiFID*] Standing committees 3.4.5 R Where the governing body of a UK recognised body delegates any of its functions (which relate to that UK recognised body'srelevant functions) to a standing committee, or appoints a standing committee to manage or oversee the carrying out of any of that UK recognised body'srelevant functions, that UK recognised body must immediately notify the FCA of that event and give the FCA the following information: (1) the names of the members of that standing committee; and (2) the terms of reference of that standing committee (including a description of any powers delegated to that committee and any conditions or limitations placed on the exercise of those powers). 3.4.6 R Where: (1) there is any change in the composition or the terms of reference of any standing committee referred to in REC 3.4.5 R; or (2) any such committee is dissolved; the UK recognised body must immediately notify the FCA of that event and give particulars of any change referred to in (1) to the FCA. G 3.4.7 (1) Standing committees include permanent committees with executive, supervisory, policy-making or rule-making responsibilities. Committees appointed for particular tasks or committees established for purely

consultative or advisory purposes would not usually be considered to be standing committees.

(2) Committees which include *persons* who are not members of the *governing body* can be standing committees.

		3.6 Constitution and governance
3.6.1	R	Where a <i>UK recognised body</i> is to circulate any notice or other <i>document</i> proposing any amendment to its memorandum or articles of association (or other similar agreement or <i>document</i> relating to its constitution) to:
		(1) its shareholders (or any group or class of them); or
		(2) its <i>members</i> (or any group or class of them); or
		(3) any other group or class of <i>persons</i> which has the power to make that amendment or whose consent or approval is required before it may be made;
		that <i>UK recognised body</i> must give notice of that proposed amendment, and give the information specified for the purposes of this <i>rule</i> in \blacksquare REC 3.6.2 R to the <i>FCA</i> , at the same time as that notice or <i>document</i> is circulated.
3.6.2	R	The following information is specified for the purposes of \blacksquare REC 3.6.1 R:
		(1) the proposed amendments referred to in \blacksquare REC 3.6.1 R;
		(2) the reasons for the proposal; and
		(3) a description of the group or class of <i>persons</i> to whom the proposal is to be circulated.
3.6.3	G	A UK recognised body which is incorporated as a company in the United Kingdom will, in many circumstances, be able to comply with ■ REC 3.6.1 R by providing a copy of the notice of special resolution issued to its shareholders.
3.6.4	R	Where a <i>UK recognised body</i> makes an amendment to its memorandum or articles of association (or other similar agreement or <i>document</i> relating to its constitution), that <i>UK recognised body</i> must immediately give the <i>FCA</i> notice of that event, and give written particulars of that amendment and of the date on which it is to become or became effective.
3.6.5	G	A UK recognised body which is incorporated as a company in the United Kingdom will, in many circumstances, be able to comply with REC 3.6.4 R by providing a copy of the special resolution effecting the amendment.

3.6.6	R	Where any change is made to an agreement which relates to the constitution or governance of a <i>UK recognised body</i> :
		(1) between that UK recognised body and another person; or
		(2) between the owners of that <i>UK recognised body</i> ; or
		(3) between the owners of that <i>UK recognised body</i> and another <i>person</i> ; or
		(4) between other <i>persons</i> ;
		that <i>UK recognised body</i> must give the <i>FCA</i> notice of that event as soon as it is aware of it, and give written particulars of that change and of the date on which it is to become or became effective.
3.6.7	G	The purpose of \blacksquare REC 3.6.6 R is to ensure that the <i>FCA</i> is informed of changes to agreements which specify the arrangements by which a <i>UK recognised body</i> will be governed or by which important decisions will be taken within that body. It is not intended to cover any agreement by which someone is appointed to be a <i>key individual</i> or which covers the terms and conditions of service in such an appointment.

	3.7 Auditors
3.7.1 R	 Where the auditors of a <i>UK recognised body</i> cease to act as such, that <i>UK recognised body</i> must immediately give the <i>FCA</i> notice of that event, and the following information: (1) whether the appointment of those auditors expired or was terminated; (2) the date on which they ceased to act; and (3) if it terminated, or decided not to renew, their appointment, its reasons for taking that action or decision.
3.7.2 R	 Where a UK recognised body appoints new auditors, that body must immediately give the FCA notice of that event, and the following information: (1) the name and business address of those new auditors; and (2) the date of their appointment as auditors.

		3.8 Financial and other information
3.8.1	R	A UK recognised body must give the FCA:
		(1) a copy of its annual report and accounts; and
		(2) a copy of the consolidated annual report and accounts:
		 (a) of any group in which the UK recognised body is a subsidiary undertaking; or
		(b) (if the UK recognised body is not a subsidiary undertaking in any group) of any group of which the UK recognised body is a parent undertaking;
		no later than the time specified for the purpose of this <i>rule</i> in \blacksquare REC 3.8.2 R.
3.8.2	R	The time specified for the purpose of \blacksquare REC 3.8.1 R is the latest of:
		(1) four months after the end of the financial year to which the <i>document</i> which is to be given to the <i>FCA</i> relates; or
		 (2) the time when the <i>documents</i> described in ■ REC 3.8.1 R (1) or ■ REC 3.8.1 R (2)(b) are sent to the <i>members</i> or shareholders of the UK recognised body; or
		(3) the time when the <i>document</i> described in ■ REC 3.8.1 R (2)(a) are sent to the shareholders in a <i>parent undertaking</i> of the <i>group</i> to which that <i>document</i> relates.
3.8.3	R	Where an audit committee of a <i>UK recognised body</i> has prepared a report in relation to any period or any matter relating to any <i>relevant function</i> of that <i>UK recognised body</i> , the <i>UK recognised body</i> must immediately give the <i>FCA</i> a copy of that report.
3.8.4	R	A UK recognised body must give the FCA a copy of:
		(1) its quarterly management accounts; or
		(2) its monthly management accounts;
		within one month of the end of the period to which they relate.

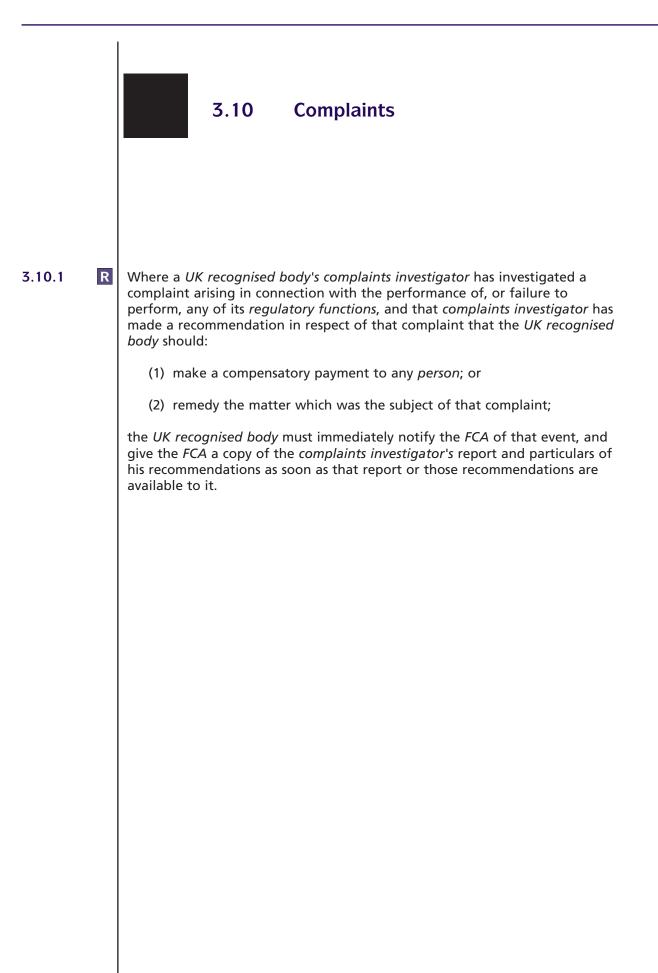

hly ent periods. itable arterly ccounts),

- **3.8.6 R** A UK recognised body must give the FCA:
 - (1) a statement of its anticipated income, expenditure and cashflow for each financial year; and
 - (2) an estimated balance sheet showing its position as it is anticipated at the end of each financial year;

before the beginning of that financial year.

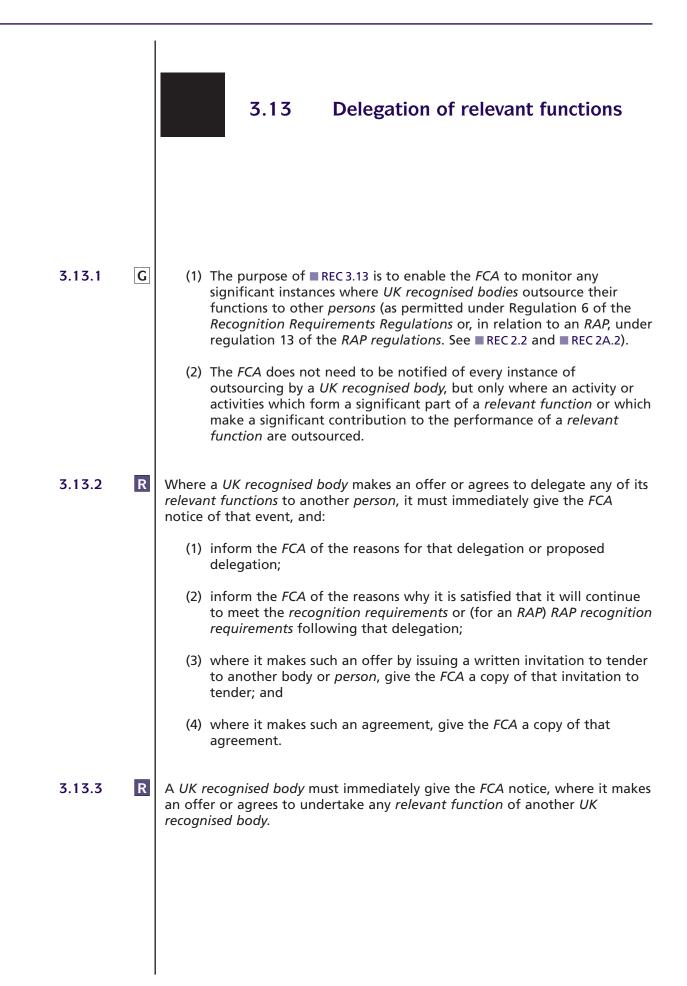

3.8.7 R Where the accounting reference date of a UK recognised body is changed, that body must immediately give notice of that event to the FCA and inform it of the new accounting reference date.

		3.12 Legal proceedings
3.12.1	R	 If any civil or criminal legal proceedings are instituted against a UK recognised body, it must, unless ■ REC 3.12.2 R applies, immediately give notice of that event and give the following information to the FCA: (1) in the case of civil proceedings, the name of the claimant, particulars of the claim, the amount of damages and any other remedy sought by the claimant, and particulars of any allegation that any act or omission of that body was in bad faith; and (2) in the case of criminal proceedings, particulars of the offence with which that body is charged.
3.12.2	R	 A UK recognised body is not required to give notice of civil legal proceedings or information about them to the FCA under ■ REC 3.12.1 R, where: (1) the amount of damages claimed would not significantly affect that UK recognised body's financial resources, if the claim were successful; (2) the claim would not have a significant adverse effect on the reputation and standing of that body, if that claim were successful; and (3) the claim does not relate to that body's <i>regulatory functions</i>.

		3.14 Products, services and normal hours of operation
3.14.1	G	Purpose The purpose of \blacksquare REC 3.14 is to ensure that the <i>FCA</i> is informed of planned changes to the services a <i>UK recognised body</i> intends to provide and of the normal hours of operation of those services. Unplanned suspensions of those services, unplanned changes in hours of operation and events causing a <i>UK recognised body</i> to be unable to provide those services should be notified to the <i>FCA</i> under the <i>rules</i> in \blacksquare REC 3.15.
3.14.2	R	 Products and services Where a UK RIE proposes to admit to trading (or to cease to admit to trading) by means of its facilities: a specified investment (other than a security or an option in relation to a security); or a type of security or a type of option in relation to a security; it must give the FCA notice of that event, and the information specified for the purposes of this rule in REC 3.14.6 R to the FCA, at the same time as that proposal is first formally communicated to its members or shareholders (or any group or class of them).
3.14.2A	R	When a <i>UK RIE</i> removes a <i>financial instrument</i> from trading on a <i>regulated market</i> , it must immediately give the <i>FCA</i> notice of that event and relevant information including particulars of that <i>financial instrument</i> and the reasons for the action taken. [Note: Article 41(1), paragraph 2 of <i>MiFID</i>]
3.14.3	R	 Where a UK recognised body proposes to provide (or to cease to provide) clearing facilitation services in respect of: (1) a specified investment (other than a security or an option in relation to a security); or (2) a type of security or a type of option in relation to a security; it must give the FCA notice of that event and the information specified for the purposes of this rule in ■ REC 3.14.6 R, at the same time as that proposal is

first formally communicated to its *members* or shareholders (or any group or class of them). 3.14.4 R [deleted] 3.14.5 G Securities falling within the same article in Part III of the Regulated Activities Order which may be given the same generic description (for example, shares admitted to the UKofficial list) will normally be regarded as being of the same type. Options in relation to the same type of security will normally be regarded as being options of the same type. 3.14.6 R The following information is specified for the purposes of **EREC 3.14.2 R** and REC 3.14.3 R: (1) a description of the *specified investment* to which the proposal relates; (2) where that specified investment is a derivative, the proposed terms of that *derivative*; and (3) in the case of a UK RIE which is admitting that specified investment to trading, the name of any RCH which will provide clearing services in respect of that *specified investment* under an agreement with that UK RIE. 3.14.7 R Where: (1) a UK RIE proposes to amend the standard terms of any derivative admitted to trading by means of its facilities; or (2) a UK RIE proposes to amend the standard terms relating to any derivative in respect of which it provides clearing facilitation services; it must give the FCA notice of that event, and written particulars of those proposed amendments, at the same time as that proposal is first formally communicated to its members or shareholders (or any group or class of them). 3.14.8 R Where a UK recognised body proposes to make (or to cease to make) arrangements for the safeguarding and administration of assets belonging to any other person (other than an undertaking in the same group), that recognised body must give the FCA notice of that event, and the information specified for the purposes of this *rule* in **EC** 3.14.9 R, at the same time as that proposal is first formally communicated to its *members* or shareholders (or any group or class of them). 3.14.9 R The following information is specified for the purposes of **REC 3.14.8** R: (1) a description of the assets (or types of assets) to which the proposal relates; and

- (2) the date or dates on which arrangements referred to in REC 3.14.8 R will be made (or cease to be made).
- **3.14.10 G** The *FCA* does not need to be notified of proposals to offer (or to withdraw offers of) safeguarding and administration services for individual assets of the same type. *Specified investments* (other than *securities*) falling within the same article in Part III of the *Regulated Activities Order* will normally be regarded as being of the same type. *Securities* falling within the same article in Part III of the *Regulated Activities* falling within the same article in Part III of the *Regulated Activities* order which may be given the same generic description (for example, *shares* admitted to the *UK official list*) will also normally be regarded as being of the same type.

.....

		3.14A Operation of a regulated market or MTF
		Purpose
3.14A.1	G	The purpose of \blacksquare REC 3.14A is to ensure that the FCA is informed of planned changes to a UK RIE markets and their regulatory status as either a regulated market or MTF.
		Operation of a regulated market
3.14A.2	R	Where a <i>UK RIE</i> proposes to operate a new <i>regulated market</i> or close an existing <i>regulated market</i> it must give the <i>FCA</i> notice of that event and the information specified for the purposes of this rule in \blacksquare REC 3.14A.3 R, at the same time as that proposal is first formally communicated to its members or shareholders (or any group or class of them).
3.14A.3	R	The following information is specified for the purposes of \blacksquare REC 3.14A.2 R:
		(1) where the UK RIE proposes to operate a new regulated market:
		(a) a description of the <i>regulated market</i> ; and

Operation of a recognised auction platform If a <i>UK RIE</i> proposes to operate an <i>RAP</i> , it will need to make a separate application to be recognised as an <i>RAP</i> (see REC 5 (Applications)).

		3.15 Suspension of services and inability to operate facilities
3.15.1	G	 Purpose (1) The purpose of ■ REC 3.15.2 R to ■ REC 3.15.5 G is to enable the FCA to obtain information where a UK recognised body decides to suspend the provision of its services in relation to particular investments or (for an RAP) decides to cancel an auction. Planned changes to the provision of services should be notified to the FCA under ■ REC 3.14.
		 (2) REC 3.15.6 R to REC 3.15.7 R provide for notification to the FCA where a UK recognised body is unable to operate or provide its facilities for reasons outside its control or where it decides to extend its hours of operation in an emergency. (3) REC 3.15.8 R to REC 3.15.9 G provide for notification to the FCA where an RAP has to cancel an auction in specified circumstances.
3.15.2	R	 Suspension of services Where, for any reason, an <i>RIE</i>: suspends trading in any <i>derivative</i> (other than an <i>option</i> in relation to a <i>security</i>), in any type of <i>security</i> or in any type of <i>option</i> in relation to a <i>security</i>; or temporarily calls a trading halt in respect of any type of <i>security</i> or in any type of <i>option</i> in relation to a <i>security</i>;
3.15.2A	R	 it must immediately give the FCA notice of that event, particulars of that derivative, type of security or type of option in relation to a security, as the case may be, and the reasons for the action taken. When a UK RIE suspends trading on a regulated market in any financial instrument, it must immediately give the FCA notice of that event and relevant information including particulars of that financial instrument and the reasons for the action taken. [Note: Article 41(1), paragraph 2 of MiFID]

		type of <i>security</i> or type of <i>option</i> in relation to a <i>security</i> , as the case may be, and the reasons for the action taken.
3.15.4	R	Where a <i>UK recognised body</i> suspends any arrangements it makes for the safeguarding and administration of any type of asset belonging to any other <i>person</i> (other than an <i>undertaking</i> in the same <i>group</i>), that <i>UK recognised body</i> must immediately give the <i>FCA</i> notice of that event, particulars of that type of asset and the reasons for the action taken.
3.15.5	G	Specified investments (other than securities or options in relation to securities) falling within the same article in Part III of the Regulated Activities Order will normally be regarded as being assets of the same type. Securities falling within the same article in Part III of the Regulated Activities Order which may be given the same generic description (for example, shares admitted to the UK official list) will normally be regarded as being of the same type. Options in relation to the same type of security will normally be regarded as being options of the same type.
		Inability to operate facilities
3.15.6	R	Where, because of the occurrence of any event or circumstances, a UK recognised body is unable to operate any of its facilities within its normal hours of operation, it must immediately give the FCA notice of that inability and inform the FCA:
		(1) which <i>facility</i> it is unable to operate;
		(2) what event or circumstance has caused it to become unable to operate that <i>facility</i> within those hours; and
		(3) what action, if any, it is taking or proposes to take to enable it to recommence operating that <i>facility</i> .
		Extension of hours of operation
3.15.7	R	Where, because of the occurrence of any event or circumstances, a <i>UK</i> recognised body extends its hours of operation, it must immediately give the <i>FCA</i> notice of that event, and inform the <i>FCA</i> :
		(1) what event or circumstance has caused it to do so;
		(2) the new hours of operation; and
		(3) the date on which it expects to revert to its normal hours of operation.
		Recognised auction platforms - cancellation of auctions
3.15.8	R	Where an <i>RAP</i> has to cancel an auction in the circumstances set out in articles 7(5) or 7(6) of the <i>auction regulation</i> , it must immediately give the <i>FCA</i> notice of that cancellation.

3.15.9

G Under article 7(7) of the *auction regulation*, an *RAP* is required to notify the *FCA* of:

- (1) the methodology used to determine the application of article 7(6) of the *auction regulation*; and
- (2) modifications to that methodology made between bidding windows.

	3.16 Information technology systems
3.16.1 G	The purpose of \blacksquare REC 3.16 is to ensure that the FCA receives a copy of the UK recognised body's plans and arrangements for ensuring business continuity if there are major problems with its computer systems. The FCA does not need to be notified of minor revisions to, or updating of, the documents containing a UK recognised body's business continuity plan (for example, changes to contact names or telephone numbers).
3.16.2 R	Where a <i>UK recognised body</i> changes any of its plans for action in the event of a failure of any of its information technology systems resulting in disruption to the operation of its <i>facilities</i> , it must immediately give the <i>FCA</i> notice of that event, and a copy of the new plan.
3.16.3 R	 Where any reserve information technology system of a <i>UK recognised body</i> fails in such a way that, if the main information technology system of that body were also to fail, it would be unable to operate any of its <i>facilities</i> during its normal hours of operation, that body must immediately give the <i>FCA</i> notice of that event, and inform the <i>FCA</i>: (1) what action that <i>UK recognised body</i> is taking to restore the operation of the reserve information technology system will be restored. (2) when it is expected that the operation of that system will be restored.

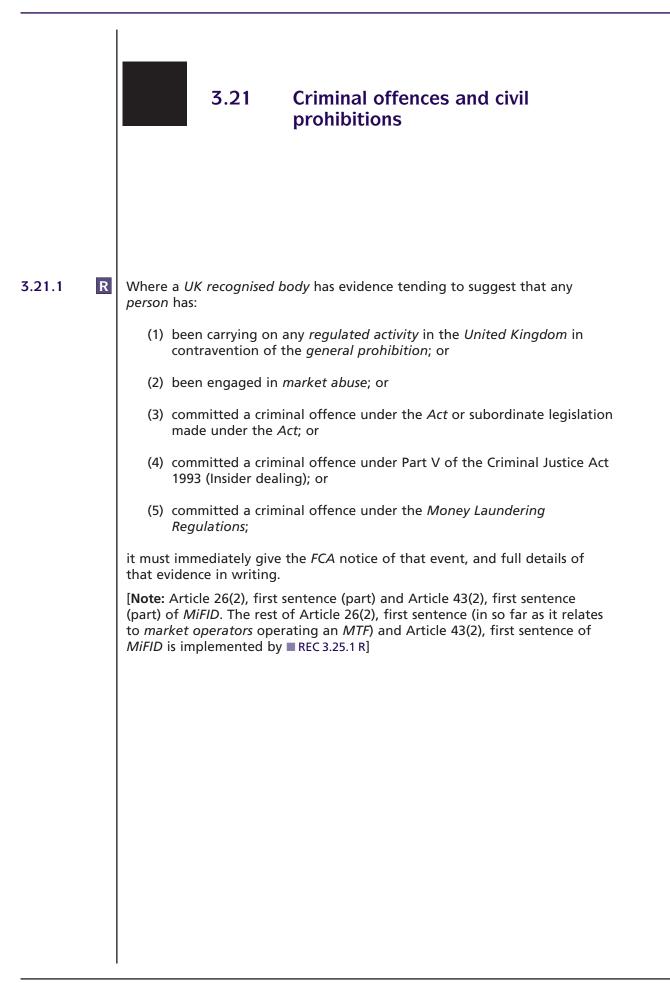

Inability to discharge regulatory 3.17 functions 3.17.1 R Where, because of the occurrence of any event or circumstances, a UK recognised body is unable to discharge any regulatory function, it must immediately give the FCA notice of its inability to discharge that function, and inform the FCA: (1) what event or circumstance has caused it to become unable to do so; (2) which of its regulatory functions it is unable to discharge; and (3) what action, if any, it is taking or proposes to take to deal with the situation and, in particular, to enable it to recommence discharging that regulatory function.

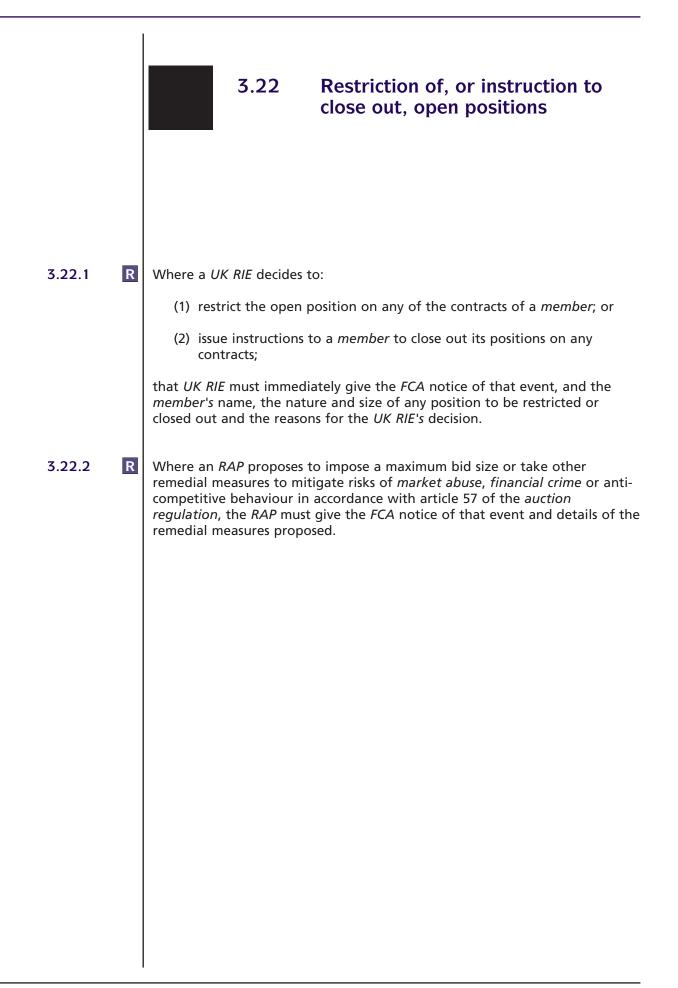

3.18 **Membership** 3.18.1 G (1) The purpose of REC 3.18 is to enable the FCA to monitor changes in the types of *member* admitted by UK recognised bodies and to ensure that the FCA has notice of foreign jurisdictions in which the members of UK recognised bodies are based. UK recognised bodies may admit persons who are not authorised persons or persons who are not located in the United Kingdom, provided that the recognition requirements or (for RAPs) RAP recognition requirements continue to be met. (2) REC 3.18.2 R focuses on the admission of *persons* who are not authorised persons (whether or not they are located in the United Kingdom) and on whether the specific recognition requirement or (for an RAP) RAP recognition requirement relating to access to facilities can still be met. REC 3.18.3 R focuses on the admission of members from outside the UK and whether all relevant recognition requirements or (for an RAP) RAP recognition requirements can be met. (3) The information required under **REC 3.18** is relevant to the FCA's supervision of the UK recognised body's obligations in relation to the enforceability of compliance with the UK recognised body's rules. It is also relevant to the FCA's broader responsibilities concerning integrity of the UK financial system and, in particular, its functions in relation to market abuse and financial crime. It may also be necessary in the case of members based outside the United Kingdom to examine the implications for the enforceability of default rules or collateral and the settlement of transactions, and thus the ability of the UK RIE to continue to meet the recognition requirements. It follows that the admission of a *member* from outside the *United Kingdom* who is not an authorised person could require notification under both ■ REC 3.18.2 R and ■ REC 3.18.3 R, although a single report from the UK recognised body covering both notifications would be acceptable to the FCA. 3.18.2 R Where a UK recognised body admits a member who is not an authorised person of a type of which, immediately before that time, that UK recognised body had not admitted to membership, it must immediately give the FCA notice of that event, and: (1) a description of the type of *person* whom it is admitting to membership;

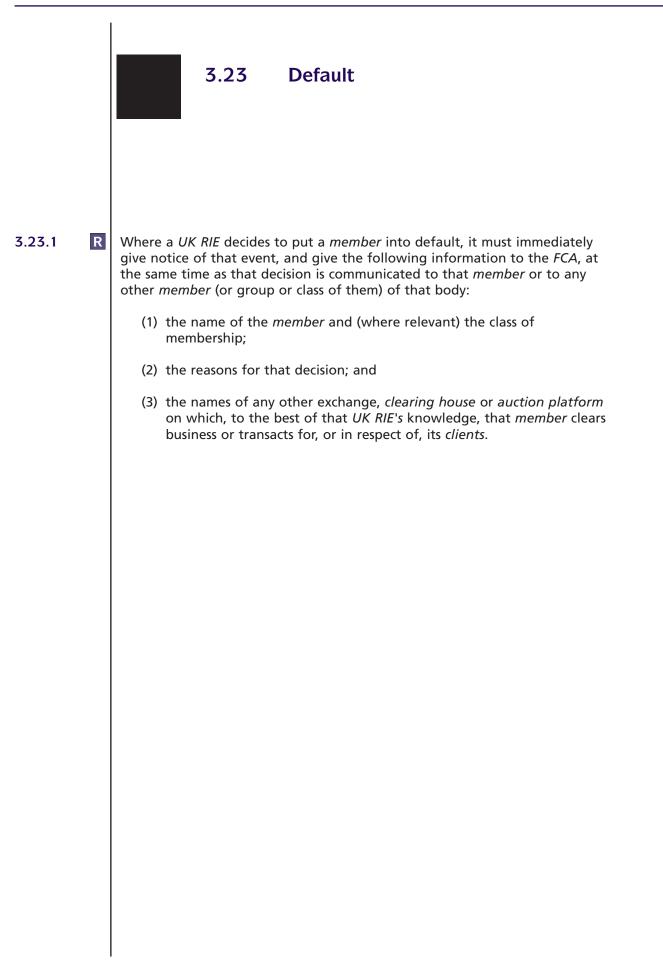

(2) (in relation to a UK RIE) particulars of its reasons for considering that, in admitting that type of *person* to membership, it is able to continue to satisfy the recognition requirement in paragraph 4(2)(a) of the Schedule to the Recognition Requirements Regulations which applies to it; and (3) (in relation to an RAP) particulars of its reasons for considering that, in admitting that type of person to membership, it is able to continue to satisfy the RAP recognition requirement in regulation 20 (Access to auctions) which applies to it. 3.18.3 R Where a UK recognised body admits for the first time a member whose head or registered office is in a jurisdiction from which that UK recognised body has not previously admitted members, it must immediately give the FCA notice of that event, and: (1) the name of that jurisdiction; (2) the name of any regulatory authority in that jurisdiction which regulates that member in respect of activities relating to specified investments or (for an RAP) relating to emissions auction products; and (3) particulars of its reasons for considering that, in admitting a member from that jurisdiction to membership, it is able to continue to satisfy the recognition requirements or (for an RAP) the RAP recognition requirements which apply to it. 3.18.4 G A type of *member* means the description of any group of *members* to whom the same generic description could be applied. For example, the description of any group of members separately identified or defined in the rules might constitute a type of *member* for the purposes of this section.

		3.19 Investigations
3.19.1	R	 Where a UK recognised body becomes aware that a person has been appointed by any regulatory body (other than the FCA or a UK recognised body) to investigate: (1) any business transacted by means of its facilities or (2) any aspect of the clearing facilitation services which it provides; it must immediately give the FCA notice of that event.
3.19.2	G	 A UK recognised body need not give the FCA notice of: (1) routine inspections or visits undertaken in the course of regular monitoring, complaints handling or as part of a series of 'theme visits'; or (2) routine requests for information; or (3) investigations into the conduct of members of the UK recognised body or of other users of its facilities where the use of its facilities is a small or incidental part of the subject matter of the investigation.

	3.24 Transfers of ownership
3.24.1	 When a UK RIE becomes aware of a transfer of ownership of the UK RIE which gives rise to a change in the <i>persons</i> who are in a position to exercise significant influence over the management of the UK RIE or (in the case of a UK RIE that is also an RAP) over the management of the RAP, whether directly or indirectly, it must immediately notify the FCA of that event, and: give the name of the <i>person</i>(s) concerned; and give details of the transfer.
3.24.2	[Note: Article 38(2)(b) of <i>MiFID</i>] The <i>FCA</i> may regard a person who falls within any of the cases in section 301(B)(2) of the <i>Act</i> as being in a position to exercise significant influence.

- (c) the specification or any amendment of operating procedures which are reasonably consequential on any regulatory provision falling within (a) or (b); or
- (3) any regulatory provision which is expressed to have effect for no longer than three months which is made by a UK recognised body in response to an emergency event (including, without limitation, a war, terrorist attack or labour strike); or
- (4) any regulatory provision which does not impose a requirement (including any obligation or burden) on persons affected (directly or indirectly) by it; or
- (5) any other regulatory provision which has not been excluded under (1), (2), (3) or (4) other than any such provision which (taken together with any other regulatory provision not otherwise the subject of a notice under section 300B(1) of the Act):
 - (a) materially increases disclosure, reporting or corporate governance requirements imposed on any person (whether directly or indirectly); or
 - (b) imposes a material limitation affecting any person (whether directly or indirectly including, without limitation, through an amendment to fees or charges) on the type or nature of *financial* instruments which may be listed or the subject of admission to trading on the facilities operated by the UK RIE proposing to make the regulatory provision; or
 - (c) materially limits access to, or use by, any person (whether directly or indirectly including, without limitation, through an amendment to fees or charges) of the *facilities* operated by the UK recognised body proposing to make the regulatory provision; or
 - (d) materially limits or restricts the ability of any *person* to supply services (including, without limitation, trading, clearing, settlement or information services) to persons who are users of the facilities operated by the UK RIE proposing to make the regulatory provision (whether directly or indirectly, including by the imposition of an obligation or burden on the supplier or on a user of the UK RIE); or
 - (e) materially adds to the circumstances in which any person (whether directly or indirectly) may be liable to penalties or other sanctions or have liability in damages.

Notice to the FCA

3.26.5

- A notice under section 300B(1) of the Act of a proposal to make a regulatory provision must be in writing and state expressly that it is a notice for the purpose of that section. To be effective, a notice must:
 - (1) contain full particulars of the proposal to make a regulatory provision which is the subject of that notice; and
 - (2) either be accompanied by sufficient supporting information to enable the FCA to assess the purpose and effect of the proposed regulatory provision or refer to such information in circumstances where such information has already been provided to the FCA.

R

3.26.6	G	In determining whether a <i>UK RIE</i> has provided sufficient supporting information, the <i>FCA</i> may have regard to the extent to which the information includes:
		(1) clearly expressed reasons for the proposed <i>regulatory provision</i> ; and
		(2) an appropriately detailed assessment of the likely costs and benefits of the proposed <i>regulatory provision</i> .
3.26.7	R	A <i>UK RIE</i> must provide such additional information in connection with a notice under section 300B(1) of the <i>Act</i> as the <i>FCA</i> may reasonably require.
3.26.8	G	Where a <i>UK RIE</i> wishes to give notice to the <i>FCA</i> for the purposes of section 300B(1) of the <i>Act</i> , it should in the first instance inform its usual supervisory contact at the <i>FCA</i> .
3.26.9	G	The FCA expects that an advanced draft of any consultation document a UK RIE intends to publish in connection with a proposed regulatory provision could provide some or all of the information described in \blacksquare REC 3.26.5 R.

Chapter 4

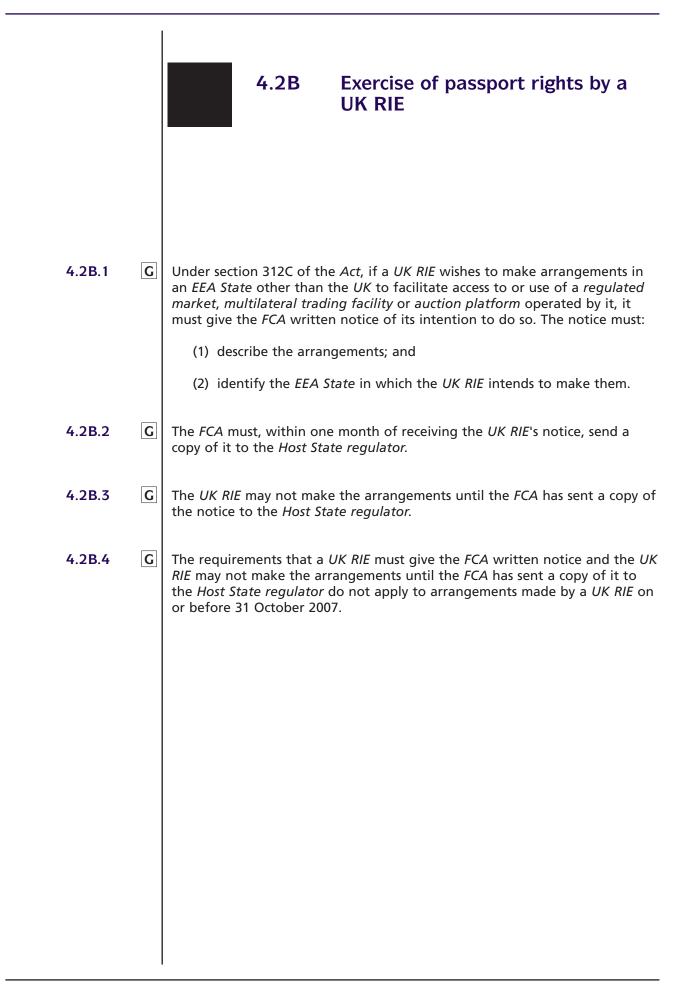

Supervision

		4.1 Application and purpose
4.1.1	G	Application REC 4.2 to REC 4.2E, REC 4.3, REC 4.5 and REC 4.6A apply to UK recognised bodies. REC 4.2F to REC 4.2G REC 4.4 and REC 4.6 to REC 4.8 apply to all recognised bodies. REC 4.8 applies to applicants for recognition as a recognised body.
4.1.2		 Purpose This chapter sets out the FCA's approach to the supervision of recognised bodies and contains guidance on: (1) the arrangements for investigating complaints about recognised bodies made under section 299 of the Act (Complaints about recognised bodies) (REC 4.4);
		 (2) the FCA's approach to the exercise of its powers under: (a) (for <i>RIEs</i>) section 296 of the <i>Act</i> (Appropriate regulator's power to give directions) or (for <i>RAPs</i>) regulation 3 of the <i>RAP regulations</i> to give directions to <i>recognised bodies</i> (■ REC 4.6); (b) (for <i>RIEs</i>)section 297 of the <i>Act</i> (Revoking recognition) or (for <i>RAPs</i>) regulation 4 of the <i>RAP regulations</i> to revoke <i>recognition</i>
		 orders (■ REC 4.7); and the procedure to be followed in those cases and where the FCA decides to refuse an application for recognition as a recognised box (■ REC 4.8); and (3) the FCA's approach to, and procedures for, the exercise of its powers under sections 166 and 167 of the Companies Act 1989 to give directions to UK RIEs in relation to action under their default rules
4.1.3	G	 (■ REC 4.5). The FCA's general approach to supervision is intended to ensure that: (1) the FCA has sufficient assurance that recognised bodies continue at all times to satisfy the recognised body requirements; and (2) the FCA's supervisory resources are allocated, and supervisory effort applied, in ways which reflect the actual risks to the regulatory

recognised bodies is given in ■ REC 6.

		4.2 The supervisory relationship with UK recognised bodies
4.2.1	G	The FCA expects to have an open, cooperative and constructive relationship with UK recognised bodies to enable it to have a broad picture of the UK recognised body's activities and its ability to meet the recognised body requirements. This broad picture is intended to complement the information which the FCA will obtain under section 293 of the Act (Notification requirements) or under notification rules made under that section (see REC 3). The FCA will usually arrange meetings between the Markets Division and key individuals of the UK recognised body for this purpose. The frequency and nature of these meetings may vary in accordance with the risk profile of the UK recognised body.
4.2.2	G	<i>UK recognised bodies</i> are likely to develop and adapt their businesses in response to customer demand and new market opportunities. Where such developments involve changes to the way the <i>UK recognised body</i> operates, they are likely to involve changes to the way it satisfies the <i>recognised body requirements</i> .
4.2.3	G	The FCA expects a UK recognised body to take its own steps to assure itself that it will continue to satisfy the recognised body requirements when considering any changes to its business or operations.
4.2.4	G	However, the FCA also expects that UK recognised bodies will keep it informed of all significant developments and of progress with their plans and operational initiatives, and will provide it with appropriate assurance that the recognised body requirements will continue to be satisfied.

		4.2C Control over a UK RIE
4.2C.1	G	Section 301A(1) of chapter 1A of Part XVIII of the <i>Act</i> places an obligation on a <i>person</i> who decides to acquire or increase control (see sections 301D and 301E of the <i>Act</i>) over a <i>UK RIE</i> to notify the <i>FCA</i> , before making the acquisition. Furthermore, those <i>persons</i> are required to obtain the <i>FCA</i> 's approval before acquiring control or increasing the level of control held.
4.2C.2	G	The FCA will approve an acquisition or an increase in control if it is satisfied that the acquisition by the <i>person</i> seeking approval does not pose a threat to the sound and prudent management of any financial market operated by the UK RIE (see section 301F(4) of the Act). The reference to any financial market is to be read as including a reference to any <i>auction platform</i> as a result of the RAP regulations.
4.2C.3	G	If a proposed acquirer has complied with the obligation to notify, the procedure the <i>FCA</i> will follow if it approves or does not approve of that <i>person</i> acquiring or increasing control is set out in sections 301F and 301G of the <i>Act</i> .
4.2C.4	G	[deleted]
4.2C.5	G	[deleted]
4.2C.6	G	The FCA's internal arrangements provide for any decisions to refuse to approve an acquisition or object to an existing control to be taken at an appropriately senior level.
4.2C.7	G	If the FCA refuses to approvean acquisition or objects to an existing control, the <i>person</i> concerned may refer the matter to the <i>Tribunal</i> (see \blacksquare EG 2.39).
4.2C.8	G	The powers the FCA can exercise in the event that a <i>person</i> acquires or continues to exercise control notwithstanding the FCA's refusal to approve the acquisition of control or the FCA's objection to the exercise of control are set out in sections 301J and 301K of the Act.
4.2C.9	G	The offences for which a <i>person</i> who fails to comply with the obligations set out in Chapter 1A of Part XVIII of the <i>Act</i> is liable are set out in section 301L of the <i>Act</i> .

		4.2D Suspension and removal of financial instruments from trading
4.2D.1	G	 (1) Under section 313A of the Act, the FCA may for the purpose of protecting: (a) the interests of investors; or
		 (b) the orderly functioning of the financial markets; require a UK RIE to suspend or remove a <i>financial instrument</i> from trading. (2) If the FCA exercises this power, the UK RIE concerned may refer the matter to the <i>Tribunal</i>.
4.2D.2	G	The procedure the FCA will follow if it exercises its power to require a UK RIE to suspend or remove a financial instrument from trading is set out in sections 313B to 313BE of the Act. The FCA's internal arrangements provide for decisions to exercise this power to be taken at an appropriately senior level. If the FCA exercises this power, the UK RIE concerned and the issuer (if any) of the relevant financial instrument may refer the matter to the Tribunal(see EG 2.39).
4.2D.3	C	 Under section 313C(1) of the Act, if the FCA exercises its power to require a UK RIE to suspend or remove a financial instrument from trading, it must as soon as reasonably practicable: (1) publish its decision in such manner as it considers appropriate, unless the decision has already been published under section 313B(2)(b) of the Act; and (2) inform ESMA and the competent authorities of all other EEA States of its decision.
4.2D.4	G	Under section 313C(2) of the Act, if the FCA receives notice from a UK RIE that the UK RIE has suspended or removed a <i>financial instrument</i> from trading on a <i>regulated market</i> operated by it, the FCA must inform the competent authorities of all other <i>EEA States</i> of the action taken by the UK RIE.
4.2D.5	G	Under sections 313C(3) and (4) of the <i>Act</i> , if the <i>FCA</i> receives notice from the competent authority of another <i>EEA State</i> that that authority, pursuant to Article 41.2 of <i>MiFID</i> has required the suspension of a <i>financial instrument</i>

from trading, the FCA must require each UK RIE to suspend the instrument from trading on any regulated market or multilateral trading facility operated by the UK RIE. G 4.2D.6 Under sections 313C(3) and (5) of the Act, if the FCA receives notice from the competent authority of another EEA State that that authority, pursuant to Article 41.2 of MiFID has required the removal of a financial instrument from trading, the FCA must require each UK RIE to remove the instrument from trading on any regulated market or multilateral trading facility operated by the UK RIE.

4.3 **Risk assessments for UK recognised** bodies 4.3.1 G Information is needed to support the FCA's risk based approach to the supervision of all regulated entities. Risk based supervision is intended to ensure that the allocation of supervisory resources and the supervisory process are compatible with the regulatory objectives and the FCA's general duties under the Act. The central element of the process of risk based supervision is a systematic assessment by the FCA (a risk assessment) of the main supervisory risks and concerns for each regulated entity. 4.3.2 G For each UK recognised body, the FCA will conduct a periodic risk assessment. This assessment will take into account relevant considerations including the special position of *recognised bodies* under the Act, the nature of the UK recognised body's members, the position of other users of its facilities and the business environment more generally. 4.3.3 G The risk assessment will guide the FCA's supervisory focus. It is important, therefore, that there is good dialogue between the FCA and the recognised body. The FCA expects to review its risk assessment with the staff of the UK recognised body to ensure factual accuracy and a shared understanding of the key issues, and may discuss the results of the risk assessment with key individuals of the UK recognised body. If appropriate, the FCA may send a detailed letter to the body's *chief executive*, chairman or both with proposals for further action or work to address particular concerns or issues and seek their comments on the risk assessment.

	4.4 Complaints
4.4.1	Recognised body's arrangements
4.4.1	G Recognised bodies may receive complaints from time to time from their members and other people, both about the conduct of members and about the recognised body itself. A UK recognised body will need to have satisfactory arrangements to investigate these complaints in order to satisfy the relevant recognition requirements (see E REC 2.15 and E REC 2.16) or RAP recognition requirements (see E REC 2A.3.2 G).
4.4.2	The FCA's arrangements The Act does not provide a mechanism for appeals to the FCA from decisions by recognised bodies in relation to complaints. However, the FCA is required by section 299 of the Act (Complaints about recognised bodies) to have arrangements to investigate complaints (called <i>relevant complaints</i> in the Act) which it considers relevant to the question of whether a recognised body should remain recognised as such. This section describes aspects of the FCA's arrangements for investigating <i>relevant complaints</i> .
4.4.3	G Where the <i>FCA</i> receives a complaint about a <i>recognised body</i> , it will, in the first instance, seek to establish whether the complainant has approached the <i>recognised body</i> . Where this is not the case, the <i>FCA</i> will ask the complainant to complain to the <i>recognised body</i> . Where the complainant is dissatisfied with the handling of the complaint, but has not exhausted the <i>recognised body</i> 's own internal complaints procedures (in the case of a complaint against a <i>UK recognised body</i> , including by applying to that body's <i>complaints investigator</i>), the <i>FCA</i> will encourage the complainant to do so.
4.4.4	G The FCA will not usually consider a complaint which has not, in the first instance, been made to the <i>recognised body</i> concerned, unless there is good reason for believing that it is a <i>relevant complaint</i> which merits early consideration by the FCA.
4.4.5	G When it is considering a <i>relevant complaint</i> , the <i>FCA</i> will make its own enquiries as appropriate with the <i>recognised body</i> , the complainant and other <i>persons</i> . It will usually ask the <i>recognised body</i> and the complainant to comment upon any preliminary or draft conclusions of its review and to confirm any matters of fact at that stage.
4.4.6	G The FCA will communicate the outcome of its review of a <i>relevant complaint</i> to the complainant and the <i>recognised body</i> , but will normally only discuss

REC 4 : Supervision

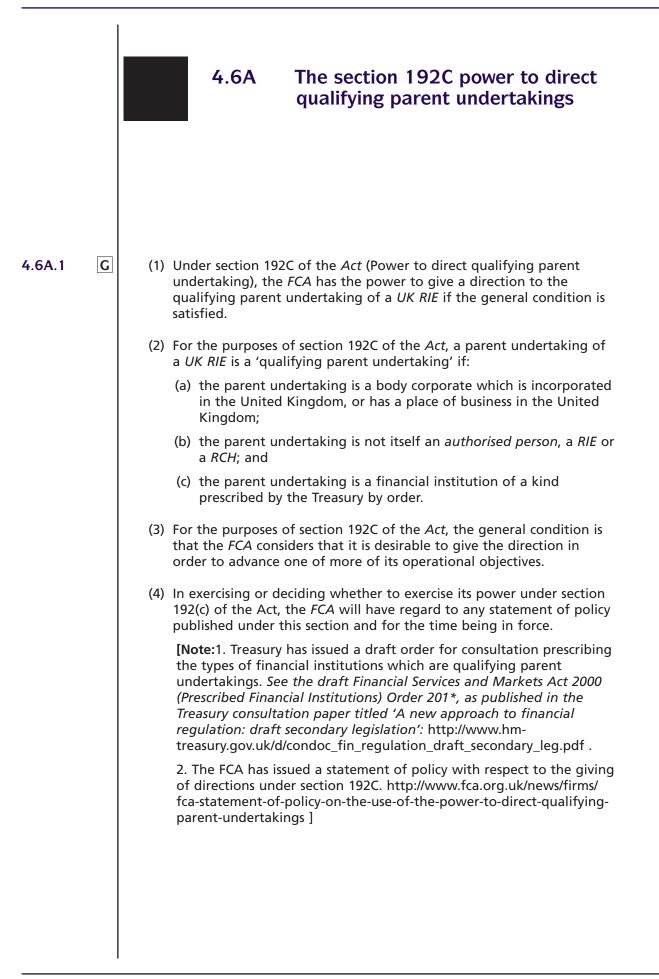

any action which it considers the *recognised body* should take with the *recognised body* itself.

		4.5 FCA supervision of action by UK RIEs under their default rules
4.5.1	G	<i>UK RIEs</i> which, under their <i>rules</i> , have <i>market contracts</i> are required to have <i>default rules</i> enabling them (among other things) to take action in relation to a <i>member</i> who appears to be unable to meet his obligations in respect of one or more unsettled <i>market contracts</i> . The detailed <i>recognition requirements</i> relating to the <i>default rules</i> are set out in REC 2.17 .
4.5.2	C	The <i>default rules</i> are designed to ensure that rights and liabilities between the defaulter and any counterparty to an unsettled <i>market contract</i> are discharged, and for there to be paid between the defaulter and each counterparty one net sum. The Companies Act 1989 contains provisions which protect action taken under <i>default rules</i> from the normal operation of insolvency law which might otherwise leave this action open to challenge by a <i>relevant office-holder</i> .
4.5.3	G	The Companies Act 1989 also gives the <i>FCA</i> powers to supervise the taking of action under <i>default rules</i> . Under section 166 of the Companies Act 1989 (Powers of the appropriate regulator to give directions) (see \blacksquare REC 4.5.4 G), the <i>FCA</i> may direct a <i>UK RIE</i> to take, or not to take, action under its <i>default rules</i> . Before exercising these powers the <i>FCA</i> must consult the <i>UK RIE</i> . The <i>FCA</i> may also exercise these powers if a <i>relevant office-holder</i> applies to it under section 167 of the Companies Act 1989 (Application to determine whether default proceedings to be taken) (see \blacksquare REC 4.5.9 G).
4.5.4	G	The Companies Act 1989: section 166
		The FCA may issue a "positive" direction (to take action) under section 166(2)(a) of the Companies Act 1989:
		Where in any case a [UK RIE] has not taken action under its de- fault rules- if it appears to [the FCA] that it could take action, [the FCA may direct it to do so,
		but under section 166(3)(a) of the Companies Act 1989:
		Before giving such a direction the [FCA] shall consult the [UK RIE] in question; and [the FCA] shall not give a direction unless [the FCA] is satisfied, in the light of that consultation that failure to take action would involve undue risk to investors or other parti- cipants in the market, or that the direction is necessary having re- gard to the public interest in the financial stability of the United Kingdom, or that the direction is necessary to facilitate a pro- posed or possible use of a power under Part 1 of the Banking Act 2009 or in connection with a particular exercise of a power under that Part.

		The FCA may issue a "negative" direction (not to take action) under section 166(2)(b) of the Companies Act 1989:
		Where in any case a [UK RIE] has not taken action under its de- fault rules - if it appears to the [FCA] that it is proposing to take or may take action, [the FCA] may direct it not to do so.
		but under section 166(3)(b) of the Companies Act 1989:
		Before giving such a direction the [FCA] shall consult the [UK RIE] in question; and the [FCA] shall not give a direction unless [the FCA] is satisfied, in the light of that consultation that the taking of action would be premature or otherwise undesirable in the in- terests of investors or other participants in the market, or that the direction is necessary having regard to the public interest in the financial stability of the United Kingdom, or that the direction is necessary to facilitate a proposed or possible use of a power under Part 1 of the Banking Act 2009 or in connection with a par- ticular exercise of a power under that Part.
4.5.5	G	Other than in exceptional circumstances, the <i>FCA</i> will consult with the Bank of England before exercising these powers.
4.5.6	G	Under section 166(6) of the Companies Act 1989, a negative direction cannot be given if, in relation to the defaulter, either:
		 a bankruptcy order or an award of sequestration of the defaulter's estate has been made, or an interim receiver or interim trustee has been appointed; or
		(2) a winding-up order has been made, a resolution for voluntary winding-up has been passed or an administrator, administrative receiver or provisional liquidator has been appointed;
		and any previous negative direction will cease to have effect on the making or passing of any such order, award or appointment.
4.5.7	G	Under section 166(5) of the Companies Act 1989, a negative direction may be expressed to have effect until a further direction is given, which may either be a positive direction or a revocation of the earlier negative direction.
4.5.8	G	Under section 166(7) of the Companies Act 1989, where a <i>UK RIE</i> has taken action either of its own accord or in response to a direction, the <i>FCA</i> may direct it to do or not to do specific things subject to these being within the powers of the <i>UK RIE</i> under its <i>default rules</i> . However,
		(1) where the UK RIE is acting in accordance with a direction given by the FCA to take action under section 166(2)(a) of the Act on the basis that failure to take action would involve undue risk to investors or other participants in the market, the FCA will not direct it to do or not to do specific things which the UK RIE has power to do under its default rules, unless the FCA is satisfied that this will not impede or frustrate the proper and efficient conduct of the default proceedings; and
		(2) where the UK RIE has taken action under its <i>default rules</i> without being directed to do so, the FCA will not direct it to do or not to do

specific things which the UK RIE has power to do under its default rules, unless the FCA is satisfied that: (a) the direction will not impede or frustrate the proper and efficient conduct of the default proceedings; or (b) the direction is necessary: (i) having regard to the public interest in the stability of the UK financial system; (ii) to facilitate a proposed or possible use of a power under Part 1 of the Banking Act 2009 (special resolution regime); or (iii) in connection with a particular exercise of a power under Part 1 of the Banking Act 2009. Section 167 of the Companies Act 1989 4.5.9 G Where, in relation to a member (or designated non-member) of a UK RIE : (1) a bankruptcy order; or (2) an award of sequestration of his estate; or (3) an order appointing an interim receiver of his property; or (4) an administration or winding-up order; or (5) a resolution for a voluntary winding-up; or (6) an order appointing a provisional liquidator; has been made or passed and the UK RIE has not taken action under its default rules as a result of this event or of the matters giving rise to it, a relevant office-holder appointed in connection with the order, award or resolution may make an application to the FCA under section 167 of the Companies Act 1989 (Application to determine whether default proceedings to be taken). 4.5.10 G The effect of an application under section 167 of the Companies Act 1989 is to require the UK recognised body concerned to take action under its default rules or to require the FCA to take action under section 166 of the Companies Act 1989 (see REC 4.5.4G). G 4.5.11 The procedure is that the FCA must notify the UK recognised body of the application and, unless within three business days after receipt of that notice, the UK recognised body: (1) takes action under its default rules; or (2) notifies the FCA that it proposes to take action forthwith; or (3) is directed to take action by the FCA under section 166(2)(a) of the Companies Act 1989; the provisions of sections 158 to 165 of the Companies Act 1989 do not apply in relation to market contracts to which the member or designated non*member* is a party or to anything done by the *UK recognised body* for the purpose of, or in connection with, the settlement of any *market contracts*.

		4.6 The section 296 power to give directions
4.6.1	G	Under section 296 of the Act (FCA's power to give directions) and (for RAPs) under regulation 3 of the RAP regulations, the FCA has the power to give directions to a recognised body to take specified steps in order to secure its compliance with the recognised body requirements. In the case of a UK RIE (including one which operates an RAP) those steps may include granting the FCA access to the UK RIE's premises for the purposes of inspecting those premises or any documents on the premises and the suspension of the carrying on of any regulated activity by the UK RIE for the period specified in the direction.
4.6.2	G	[deleted]
4.6.3	G	 The FCA is likely to exercise its power under section 296 of the Act or regulation 3 of the RAP regulations if it considers that: (1) there has been, or was likely to be, a failure to satisfy one or more of the recognised body requirements which has serious consequences; (2) compliance with the direction would ensure that one or more of the recognised body requirements is satisfied; and (3) the recognised body is capable of complying with the direction.
4.6.4	G	Under section 298(7) of the Act (Directions and revocation: procedure), and (for RAPs) regulation 5(7) of the RAP regulations, the FCA need not follow the consultation procedure set out in the rest of section 298 (see REC 4.8) or may cut short that procedure, if it considers it reasonably necessary to do so. For RAPs, the FCA need not follow the procedure set out in regulation 5 of the RAP regulations or may cut short the procedure, if it considers it essential to do so.

		<i>auction platform</i> at any time during the period of six <i>months</i> ending with the day the <i>RAP recognition order</i> is revoked.
4.7.4	G	The FCA would be likely to consider the conditions in ■ REC 4.7.3 G (2) or ■ REC 4.7.3 G (3) to be triggeredin the following circumstances:
		(1) the <i>recognised body</i> appears not to have the resources or management to be able to organise its affairs so as to satisfy one or more of the <i>recognised body requirements</i> ; or
		(2) the <i>recognised body</i> does not appear to be willing to satisfy one or more of the <i>recognised body requirements</i> ; or
		(3) the <i>recognised body</i> is failing or has failed to comply with a direction made under section 296 of the <i>Act</i> or (for <i>RAPs</i>) regulation 3 of the <i>RAP regulations</i> ; or
		(4) the recognised body has ceased to carry out regulated activities in the United Kingdom, or has so changed the nature of its business that it no longer satisfies one or more of the recognised body requirements in respect of the regulated activities for which recognised body status is relevant.
4.7.5	G	In addition to the relevant factors set out in \blacksquare REC 4.7.4 G, the FCA will usually consider that it would not be able to secure an <i>ROIE</i> 's compliance with the <i>recognition requirements</i> or other obligations in or under the <i>Act</i> by means of a direction under section 296 of the <i>Act</i> , if it appears to the <i>FCA</i> that the <i>ROIE</i> is prevented by any change in the legal framework or supervisory arrangements to which it is subject in its <i>home territory</i> from complying with the <i>recognition requirements</i> or other obligations in or under the <i>Act</i> .

		4.8 The section 298 procedure
4.8.1	G	A decision to:
		(1) revoke a <i>recognition order</i> under section 297 of the <i>Act</i> (Revoking recognition) or (for <i>RAPs</i>) regulation 4 of the <i>RAP regulations</i> ; or
		(2) make a direction under section 296 (FCA's powers to give directions) or (for <i>RAPs</i>) regulation 3 of the <i>RAP regulations</i> ; or
		(3) refuse to make a <i>recognition order</i> under section 290 (Recognition orders) or 290A (Refusal of recognition on ground of excessive regulatory provision) or (for <i>RAPs</i>) regulation 2 of the <i>RAP regulations</i> ;
		is a serious one and section 298 of the Act (Directions and revocation: procedure) and (for RAPs) regulation 5 of the RAP regulations set out procedures (see \blacksquare REC 4.8.9 G) which the FCA will follow unless, in the case of a revocation of a recognition order, the recognised body concerned has given its consent (see section 297(1) or regulation 4(1) of the RAP regulations) or:
		(a) in case where the <i>FCA</i> proposes to make a direction under section 296 it considers it is reasonably necessary not to follow, or to cut short, the procedure (see ■ REC 4.8.7 G); or
		(b) (for <i>RAPs</i>) in a case where the <i>FCA</i> proposes to make a direction under regulation 3 of the <i>Rap regulations</i> , it considers it is essential not to follow, or to cut, short, the procedure.
4.8.2	G	The FCA's internal arrangements provide for any of these decisions to be taken at an appropriately senior level.
4.8.3	G	In considering whether it would be appropriate to exercise the powers under section 296 or section 297 of the <i>Act</i> or (for <i>RAPs</i>) regulation 3 or 4 of the <i>RAP regulations</i> , the <i>FCA</i> will have regard to all relevant information and factors including:
		(1) its guidance to recognised bodies;
		(2) the results of its routine supervision of the body concerned;
		(3) the extent to which the failure or likely failure to satisfy one or more of the recognised body requirements may affect the statutory objectives.

4.8.4	G	In considering whether or not to make a <i>recognition order</i> , the <i>FCA</i> will have regard to all relevant information and factors, including its <i>guidance</i> to <i>recognised bodies</i> and applicants and the information provided by applicants. Details of the application processes and other <i>guidance</i> for applicants are set out in REC 5 and (for overseas applications) REC 6.

		4.9 Disciplinary measures
4.9.1	C	 Under sections 312E and 312F of the <i>Act</i>, if the <i>FCA</i> considers that a <i>recognised body</i> has contravened a requirement imposed by the <i>FCA</i> under any provision of the <i>Act</i> that relates to a <i>RIE</i>, or under any provision of the <i>Act</i> whose contravention constitutes an offence the <i>FCA</i> has power to prosecute, or by a qualifying EU provision specified by the Treasury, it may: (a) publish a statement to that effect; or (b) impose on the body a financial penalty of such amount as it considers appropriate. The procedures and policies which the <i>FCA</i> will follow if it proposes to publish a statement under section 312E or to impose a penalty under section 312F, and if it decides to publish such statement or impose such penalty, are set out in <i>DEPP</i>. In exercising or deciding whether to exercise its power to impose a penalty under section 312F of the <i>Act</i>, the <i>FCA</i> will also have regard to any statement of policy published under this section and in force at a time when the contravention in question occurred.
4.9.2	G	 (1) Under section 192K of the <i>Act</i>, if the <i>FCA</i> considers that a qualifying parent undertaking of a <i>UK RIE</i> has contravened a requirement of a direction given by the <i>FCA</i> under section 192C of the <i>Act</i>, or a provision of rules made by the <i>FCA</i> under section 192J of the <i>Act</i>, it may: (a) impose a penalty of such amount as it considers appropriate on the qualifying parent undertaking of the <i>UK RIE</i>, or any person who was knowingly concerned in the contravention; or (b) publish a statement censuring the person. REC 5 : Applications for Recognition (UK recognised bodies)

		5.2 Application process
5.2.1	G	An applicant for <i>recognised body</i> status needs to demonstrate to the <i>FCA</i> that it is able to meet the <i>recognised body requirements</i> before a <i>recognition order</i> can be made. Once it has been recognised, a <i>recognised body</i> has to comply with the <i>recognised body requirements</i> at all times. (<i>Guidance</i> on the <i>recognised body requirements</i> applicable to <i>UK recognised bodies</i> (and applicants) is given in REC 2 and REC 2A).
5.2.1A	G	In addition, under section 290A of the <i>Act</i> (Refusal of recognition on ground of excessive regulatory provision), the <i>FCA</i> must refuse to make a <i>recognition order</i> in relation to a body applying for recognition as a <i>UK RIE</i> if it appears to the <i>FCA</i> that an existing or proposed <i>regulatory provision</i> of the applicant in connection with the applicant's business as an investment exchange or the provision by the applicant of <i>clearing facilitation services</i> imposes, or will impose, an excessive requirement (as defined in section 300A of the <i>Act</i>) on <i>persons</i> directly or indirectly affected by it.
5.2.2	G	 There is no standard application form. A prospective applicant should contact the Markets Division at the FCA at an early stage for advice on the preparation, scheduling and practical aspects of its application. It is very important, if an application is to be processed smoothly and in a reasonable time, that it is comprehensively prepared and based on a well-developed and clear proposal.
5.2.3	G	 An application should: (1) be made in accordance with any directions the FCA may make under section 287 (Application by an investment exchange) of the Act or (for RAPs) regulation 2 of the RAP regulations; (2) in the case of an application under section 287 of the Act, be accompanied by the applicant's regulatory provisions and in the case of an application under section 287 of the Act information required pursuant to sub-sections 287(3)(c), (d) and (e) of the Act (see REC 5.2.3A G) (the material specifically prescribed in section 287 or section 288); (3) be accompanied by the information, evidence and explanatory material (including supporting documentation) necessary to

		demonstrate to the FCA that the <i>recognised body requirements</i> will be met; and
		(4) be accompanied by the appropriate fee (see \blacksquare REC 7).
5.2.3A	G	The information required pursuant to sub-sections 287(c), (d) and (e) of the <i>Act</i> is:
		 a programme of operations which includes the types of business the applicant proposes to undertake and the applicant's proposed organisational structure;
		(2) particulars of the persons who effectively direct the business and operations of the exchange; and
		(3) particulars of the ownership of the exchange, and in particular the identity and scale of interests of the persons who are in a position to exercise significant influence over the management of the exchange, whether directly or indirectly.
5.2.4	G	Other information and documentation which should normally accompany an application is listed in more detail in REC 5.2.14 G.
5.2.5	G	A prospective applicant who is an <i>authorised person</i> may wish to consult the <i>FCA</i> about the extent to which information which it has already supplied in connection with its status as an <i>authorised person</i> can be used to support an application to become a <i>UK recognised body</i> .
5.2.5A	G	A UK RIE applying for recognition as an RAP may wish to consult the FCA about the extent to which information which it has already supplied in connection with its status as a UK RIE can be used to support an application to be recognised as an RAP.
5.2.6	G	Under section 289 of the Act (Applications: supplementary) or (for an RAP applicant) regulation 2 of the RAP regulations, the FCA may require the applicant to provide additional information, and may require the applicant to verify any information in any manner. In view of their likely importance for any application, the FCA will normally wish to arrange for its own inspection of an applicant's information technology systems.
5.2.6A	G	In the case of an application to become a <i>UK RIE</i> or an <i>RAP</i> , under subsection 290(1B) of the <i>Act</i> and (for an <i>RAP</i> applicant) regulation 2(8) of the <i>RAP</i> regulations, the application must be determined by the <i>FCA</i> before the end of the period of six months beginning with the date on which it receives the completed application.
5.2.7	G	At any time after making a formal application, the applicant may make amendments to its rules, guidance or any other part of its application submitted to the <i>FCA</i> .

5.2.8	G		he FCA will keep the applicant informed of the progress of the pplication.
		a o n v	t may be necessary to ask the applicant to clarify or amplify some spects of its proposals. The FCA may wish to discuss various aspects of the application and may invite the applicant to attend one or more meetings for that purpose. Recognised Investment Exchanges and Recognised Clearing Houses

Chapter 6

Overseas Investment Exchanges

		6.2 Applications
6.2.1	G	 Overseas investment exchanges which are considering whether to seek authorisation or recognition should first consider whether they will be carrying on regulated activities in the United Kingdom. Overseas investment exchanges which do not carry on regulated activities in the United Kingdom need take no action. Prospective applicants should discuss authorisation and recognition with the FCA before deciding whether to seek authorisation or recognition.
6.2.2	G	A prospective applicant may wish to contact the Markets Division at the FCA at an early stage for advice on the preparation, scheduling and practical aspects of an application to become an <i>overseas recognised body</i> .
6.2.3	G	Applicants for <i>authorised person</i> status should refer to the <i>FCA</i> website "How do I get authorised": http://www.fca.org.uk/firms/about-authorisation . Applications for recognition as an <i>overseas recognised body</i> should be addressed to: The Financial Conduct Authority (Markets Division) 25 The North Colonnade Canary Wharf London E14 5HS
6.2.4	G	 There is no standard application form for application for recognition as an <i>ROIE</i>. An application should be made in accordance with any direction the <i>FCA</i> may make under section 287 (Application by an investment exchange) of the <i>Act</i> and should include: (1) the information, evidence and explanatory material necessary to demonstrate to the <i>FCA</i> that the <i>recognition requirements</i> (set out in REC 6.3) will be met; (2) the application fee (see REC 7); (3) the address of the applicant's head office in its <i>home territory</i>; (4) the address of a place in the <i>United Kingdom</i> for the service on the applicant of notices or other <i>documents</i> required or authorised to be served on it under the <i>Act</i> (see section 292(1));

- **G** The *FCA* may require further information from the applicant and may need to have discussions with the appropriate authorities in the applicant's *home territory*. To allow sufficient time for applications to be processed and for the necessary contacts to be made with the appropriate *home territory* authorities, applications should be made not later than six months before the applicant wishes the *recognition order* to take effect. No guarantee can be given that a decision will be reached within this time, although the *FCA* will endeavour to meet the applicant's reasonable timing requirements.
 - **G** All material should be supplied in English, or accompanied, if appropriate, by an accurate English translation. An English glossary of technical or statistical terms may be sufficient to accompany tables of statistical or financial information.

6.2.5

6.2.6

		6.3 Recognition requirements
6.3.1	G	Before making a <i>recognition order</i> , the <i>FCA</i> will need to be satisfied that the <i>recognition requirements</i> in section 292(3) of the <i>Act</i> (Overseas investment exchanges) have been met. These requirements are the only <i>recognition requirements</i> applicable to <i>ROIEs</i> .
6.3.2	UK	Sections 292(3) and 292(4) state:
		Section 292(3)
		The requirements are that-
		(a) investors are afforded protection equivalent to that which they would be afforded if the body concerned were required to comply with <i>recognition requirements</i> other than such requirements which are expressed in regulations under section 286 not to apply for the purposes of this paragraph;
		(b) there are adequate procedures for dealing with a <i>person</i> who is unable, or likely to become unable, to meet his obligations in respect of one or more <i>market contracts</i> connected with the [<i>ROIE</i>]
		(c) the applicant is able and willing to co-operate with the[FCA] by the sharing of information and in other ways; and
		(d) adequate arrangements exist for co-operation between the[FCA] and those responsible for the supervision of the applicant in the country or territory in which the applicant's head office is situated.
		Section 292(4)
		In considering whether it is satisfied as to the requirements mentioned in subsections (3)(a) and (b), the[FCA] is to have regard to-
		(a) the relevant law and practice of the country or territory in which the applicant's head office is situated;
		(b) the rules and practices of the applicant.
6.3.3	G	The reference to recognition requirements in section 292(3)(a) of the Act is a reference to the requirements applicable to UK RIEs in the Recognition Requirements Regulations. These requirements are set out, together with guidance, in REC 2.

		6.5 FCA decision on recognition
6.5.1	G	If the FCA considers that the requirements of the Act are satisfied, it may make a <i>recognition order</i> , which will state the date on which it takes effect.
6.5.2	G	Where the <i>FCA</i> considers that it is unlikely to make a <i>recognition order</i> , it will discuss its concerns with the applicant with a view to enabling the applicant to make changes to its rules or guidance, or other parts of the application. If the <i>FCA</i> decides to refuse to make a <i>recognition order</i> , it will follow the procedure set out in section 298 of the <i>Act</i> (Directions and revocation: procedure) (which applies in consequence of section 290(5) of the <i>Act</i> (Recognition orders)) which is described in more detail in \blacksquare REC 4.8.
6.5.3	G	[deleted]

		(a) affects or may significantly affect cooperation between the <i>ROIE</i> ,
		or its supervisor in its <i>home territory</i> , and the FCA; or
		(b) has or may have a substantial effect on the structure of the markets in which the body operates; or
		 (c) brings about or may bring about a substantial change in the nature and composition of its membership in the United Kingdom; or
		(d) brings about or may bring about a substantial change in the regulated activities undertaken by it in the United Kingdom.
6.6.3	G	The period covered by a report submitted under section 295(1) of the <i>Act</i> starts on the day after the period covered by its last report or, if there is no such report, after the making of the <i>recognition order</i> recognising the <i>ROIE</i> as such, and ends on the date specified in the report or, if no date is specified, on the date of the report.
6.6.4	G	If an <i>ROIE</i> changes the period covered by its report, it should ensure that the first day of the period covered by a report is the day immediately following the last day of the period covered by the previous report.
6.6.5	G	The period covered by a report submitted under section 295(1) of the <i>Act</i> would most conveniently be one year.
6.6.6	G	Copies of the report should be sent to the FCA within two months after the end of the period to which it relates.

		6.7 Notification rules for overseas recognised bodies
		Application
6.7.1	R	The <i>notification rules</i> in this chapter, which are made under sections 293 (Notification requirements) and 295 of the <i>Act</i> (Notification: overseas investment exchanges and overseas clearing houses), apply to all <i>ROIEs</i> .
		Purpose
6.7.2	G	The <i>notification rules</i> in this chapter are made by the <i>FCA</i> in order to ensure that it is provided with notice of events and information which it reasonably requires for the exercise of its functions under the <i>Act</i> .
		Reports under section 295
6.7.3	R	Where an <i>ROIE</i> includes in its report made under section 295(1) of the <i>Act</i> (Notification: overseas investment exchanges and overseas clearing houses) a statement in compliance with section 295(2)(a) of the <i>Act</i> that an event has occurred in the period covered by that report which is likely to affect the <i>FCA</i> 's assessment of whether it is satisfied as to the requirements set out in section 292(3) (Overseas investment exchanges and overseas clearing houses), it must include particulars of that event.
6.7.4	R	An <i>ROIE</i> must include in its report submitted in compliance with section 295(1) of the <i>Act</i> :
		(1) particulars of any changes to:
		 (a) its memorandum and articles of association or any similar or analogous documents;

REC 6A : EEA market operators in the United Kingdom

	6A.1 Exercise of passport rights by EEA market operator
6A.1.1 G	Under section 312A of the Act, an EEA market operator may make arrangements in the United Kingdom to facilitate access to, or use of, a regulated market or multilateral trading facility operated by it if:
	 (1) the operator has given its <i>Home State regulator</i> notice of its intention to make such arrangements; and (2) the <i>Home State regulator</i> has given the <i>FCA</i> notice of the operator's intention.
6A.1.2 G	In making these arrangements, the operator has <i>exempt person</i> status as respects any <i>regulated activity</i> , which is carried on as a part of its business of operating the market or facility in question, or in connection with, or for the purposes of that business.
6A.1.3 G	An <i>EEA market operator</i> has <i>exempt person</i> status as respects any <i>regulated activity</i> which is carried on as a part of its business of operating a <i>regulated market</i> or <i>multilateral trading facility</i> if the operator made arrangements in the <i>United Kingdom</i> on or before 31 October 2007 to facilitate access to, or use of, that <i>regulated market</i> or <i>multilateral trading facility</i> .
6A.1.4 G	In accordance with the <i>RAP regulations</i> , references in section 312A of the <i>Act</i> to specified <i>regulated market</i> and market are to be read as including reference to a specified <i>auction platform</i> and an <i>auction platform</i> as applicable.

		6A.2 Removal of passport rights from EEA market operator
6A.2.1	G	Under section 312B of the Act, the FCA may prohibit an EEA market operator from making or, as the case may be, continuing arrangements in the United Kingdom, to facilitate access to, or use of, a regulated market, or multilateral trading facility, operated by the operator if: (1) the FCA has clear and demonstrable grounds for believing that the
		operator has contravened a relevant requirement, and (2) the FCA has first complied with sections 312B(3) to (9) of the Act.
6A.2.2	G	 A requirement is relevant if it is imposed: (1) by the operator's <i>Home State regulator</i> in the implementation of <i>MiFID</i> or any <i>EU</i> legislation made under <i>MiFID</i>; (2) by provision implementing <i>MiFID</i>, or any <i>EU</i> legislation made under it, in the operator's <i>Home State</i>; or (3) by any directly applicable <i>EU</i> regulation made under <i>MiFID</i>.
6A.2.3	G	The procedure the FCA will follow if it is to exercise this prohibition power is set out in sections 313B(3) to (9) of the <i>Act</i> .
6A.2.4	G	If the <i>FCA</i> exercises this prohibition power it must at the earliest opportunity notify the Commission and <i>ESMA</i> of the action taken in relation to the operator.
6A.2.5	G	The operator's <i>exempt person</i> status ceases to apply if the FCA exercises this prohibition power.
6A.2.6	G	The operator's right to make arrangements in the United Kingdom, to facilitate access to, or use of, a <i>regulated market</i> , or <i>multilateral trading facility</i> , operated by the operator may be reinstated (together with its <i>exempt person</i> status) if the FCA is satisfied that the contravention which led the FCA to exercise its prohibition power has been remedied.
6A.2.7	G	In accordance with the <i>RAP regulations</i> , references in section 312B of the <i>Act</i> to <i>regulated market</i> are to be read as including reference to an <i>auction</i>

REC TP 1 Transitional provisions

1	This schedule sets out the transitional provisions in REC.
2	The Recognition Requirements Regulations also contain transitional provisions applying to re- cognised bodies.
3	<i>GEN</i> also contains some technical transitional provisions that apply throughout the <i>Handbook</i>

Schedule 1 Record keeping requirements

Sch 1.1 G

There are no record keeping requirements as such in REC.

UK recognised bodies have obligations under the *Recognition Requirements Regulations* to ensure that satisfactory arrangements are made for recording transactions effected by, or cleared through, their *facilities*. See REC 2.9 for *guidance* (in the case of *RAPs*, see REC 2.9 as applied by REC 2A.3.2 G).

RAPs also have separate record keeping obligations under the auction regulation.

Schedule 2 Notification requirements

Sch 2.1 G

The following table summarises the notification requirements applicable to all *recognised bodies*. The *notification rules* are set out in detail in Notification *rules* for UK recognised bodies and REC 6.7 and, to avoid unnecessary repetition, are not set out in detail here. The *notification rules* for *RAPs* differ in some respects from the *notification rules* for *UK RIEs* (for example, due to requirements contained in the *auction regulation*).

For completeness, summary details of the main notification requirements in the Act itself and the Companies Act 1989 are also included in the table. The summary of these statutory provisions here should not be taken to imply that these are obligations imposed by the FCA under its powers nor that the following summary supersedes or alters the meaning of these provisions.

Guidance on the statutory notification requirements for ROIEs is given in REC 6.6.
