Subject: Report on the Quality Assessment Review of the Investigative Operations of the Office of Inspector General for the Commodity Futures Trading Commission

Dear Mr. Lavik:

We have reviewed the system of internal safeguards and management procedures for the investigative function of the Office of Inspector General for the Commodity Futures Trading Commission (CFTC) in effect for the period ending January 31, 2013. Our review was conducted in conformity with the Quality Standards for Investigations and the Quality Assessment Review Guidelines adopted by the Council of the Inspectors General on Integrity and Efficiency (CIGIE).

We reviewed compliance with the CFTC OIG's system of internal policies and procedures to the extent we considered appropriate. The review was conducted at the headquarters office in Washington, DC. Additionally, we reviewed the case file for the one investigation conducted by the CFTC OIG during the previous 12-month period.

In our opinion, the system of internal safeguards and management procedures for the investigative function of the CFTC OIG in effect for the year ended January 31, 2013, is compliant with the quality standards adopted by CIGIE. These safeguards and procedures provide reasonable assurance of conforming with professional standards in the conduct of its investigations.

We have attached your comments based on our draft report.

Sincerely

Scott Wilson
