At the time of its 2014 DCO application, Nodal Clear, LLC ("Nodal Clear") sought to clear financially settled electric power and natural gas futures executed on or through its affiliated designated contract market, Nodal Exchange, LLC ("Nodal Exchange"). Therefore, the existing order states "Nodal Clear is permitted to clear, in its capacity as a DCO, financially settled futures and options on futures." Nodal Clear now wishes to also clear physically settled options on futures and seeks to amend its existing order accordingly.
