A member of the Membership Committee may serve for multiple terms.

C. The Membership Committee shall determine the standards and requirements for initial and continuing membership or participation eligibility; review appeals of Company staff denials of applications for Membership; and approve measures that would result in different categories or classes of Company membership. In reviewing staff denials, the Membership Committee shall not uphold any such Company staff denial if the relevant application satisfies the standards and requirements that the Membership Committee sets forth. The Membership Committee shall not, and shall not permit the Company to, restrict access or impose burdens on access in a discriminatory manner within each category or class of Members or between similarly situated categories or classes of Members.

Rule 2.8 Emergency Rules

A. During an Emergency, the Company may implement temporary emergency procedures and rules pursuant to Rule 2.8D, subject to the applicable provisions of the CEA and CFTC Regulations.

B. The Chief Compliance Officer or his or her designee or, if the Chief Compliance Officer or his or her designee is unavailable, the Chief Executive Officer or his or her designee, are authorized to determine whether an Emergency exists and whether Emergency Rules or Emergency Actions are warranted. Emergency Rules may require or authorize the Company, the Board, any committee of the Board or any Officer to take Emergency Actions, including, but not limited to, the following actions:

1. suspend or curtail clearing of any Contract traded on a SEF or DCM that clears through the Company, or limit such clearing to transactions that result in liquidations;

2. provide alternative settlement mechanisms for any Contract cleared by the Company (including by altering the settlement terms or conditions or fixing the settlement

price);

3. order the transfer or liquidation of open positions in any Contract cleared by the Company; provided that if a Contract is fungible with a contract on another Platform in addition to the Company, the liquidation or transfer of open interest in such Contract will be ordered only as directed, or agreed to, by CFTC staff or the CFTC;

4. require Participants to meet special margin requirements;

5. order the transfer of Contracts and the associated margin;

C. Before taking an Emergency Action, the effects of such Emergency Action on markets underlying the Contract(s) affected by such Emergency Action, on markets that are linked or referenced to such Contracts and similar markets on other trading venues, or any potential conflicts of interest shall be considered and documented as required under Rule 2.8F.

D. Before any Emergency Rule may be adopted and enforced, the Regulatory Oversight Committee shall approve the implementation of such Emergency Rule at a duly convened meeting. If the Chief Compliance Officer, or his or her designee, or if the Chief Compliance Officer or his or her designee is unavailable, the Chief Executive Officer, or his or her designee, determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Regulatory Oversight Committee can reasonably be convened, then the Chief Compliance Officer, or his or her designee, or if the Chief Compliance Officer or his or her designee is unavailable, the Chief Executive Officer, or his or her designee, shall have the authority, without Board or committee action, to implement any Emergency Rules with respect to such Emergency that he or she deems necessary or appropriate to respond to such Emergency. In such circumstances, the Chief Compliance Officer, or his or her designee, or if the Chief Compliance Officer or his or her designee is unavailable, the Chief Executive Officer, or his or her designee, must convene a meeting of the Regulatory Oversight Committee to ratify the actions taken by the Chief Compliance Officer, or his or her designee, or the Chief Executive Officer, or his or her designee, as soon as practicable. Whenever the Company implements an Emergency Rule or takes an Emergency Action, a duly authorized representative of the Company, where possible, will inform Participants through a Notice.

E. The Company will use reasonable efforts to notify the CFTC and the Board prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not possible or practicable, the Company will notify the CFTC and the Board as soon as possible or reasonably practicable, but in any event no longer than 24 hours after implementing, modifying or terminating an Emergency Rule.

F. Upon taking any Emergency Action, the Company will document the decision-making process related to such Emergency Action, including the process for minimizing conflicts of interest, the extent to which the Company considered the effect of its Emergency

Action on the Underlying markets and on markets that are linked or referenced to the contract market and similar markets on other trading venues, and reasons for using emergency authority under this Rule 2.8. Such documentation will be maintained in accordance with Rule 2.10.

G. The Chief Compliance Officer, or his or her designee, or if the Chief Compliance Officer or his or her designee is unavailable, the Chief Executive Officer, or his or her designee, may determine that an Emergency has been reduced sufficiently to allow the Company to resume normal functioning, in which case any Emergency Actions responding to such Emergency may be terminated and a duly authorized representative of the Company will inform Members through a Notice.

H. Members must promptly notify the Company of any circumstance that may give rise to a declaration of an Emergency.

Rule 2.9 Conflicts of Interest

A. Named Party in Interest Conflict

1. No member of the Board, any Board Committee, or the Disciplinary Panel shall participate in such body's deliberations or voting in any matter involving a named party in interest where such member:

2. Prior to consideration of any matter involving a named party in interest, each member of the deliberating body shall disclose to the Chief Compliance Officer whether such member has one of the relationships listed above with a named party in interest.

3. The Chief Compliance Officer shall determine whether any member of the relevant deliberating body is subject to a conflicts restriction under this Rule 2.9A. Such determination shall be based upon a review of the following information:

    a. information provided by such member pursuant to clause (2) above; and

b. any other source of information that is held by and reasonably available to the Company.

B. Financial Interest in a Significant Action Conflict

1. No member of the Board, any Board Committee or the Disciplinary Panel shall participate in the body's deliberations or voting on any significant action if such member knowingly has a direct and substantial financial interest in the result of the vote based upon either Company or non-Company financial positions that could reasonably be expected to be affected by the action.

2. Prior to consideration of any significant action, each member of the deliberating body who does not choose to abstain from deliberations and voting shall disclose to the Chief Compliance Officer any information that may be relevant to a determination of whether such member has a direct and substantial financial interest in the result of the vote.

3. The Chief Compliance Officer shall determine whether any member of the relevant deliberating body who does not choose to abstain from deliberations and voting is subject to a conflicts restriction under this Rule 2.9B based on a review of the totality of the circumstances.

4. Any member who would otherwise be required to abstain from deliberations and voting pursuant to clause (1) above may participate in deliberations, but not in voting, if the deliberating body, after considering the factors specified below, determines that such participation would be consistent with the public interest (e.g. if the member has significant expertise and background that provides useful context); provided, however, that before reaching any such determination, the deliberating body will fully consider the information specified in clause (3) above which is the basis for such member's direct and substantial financial interest in the significant action that is being contemplated. In making its determination, the deliberating body shall consider:

a. whether such member's participation could unduly influence the outcome of the deliberations;

b. whether such member's participation in the deliberations is necessary to achieve a quorum; and

c. whether such member has unique or special expertise, knowledge, or experience in the matter being considered.

C. The minutes of any meeting to which the conflicts determination procedures set forth in this Rule apply shall reflect the following information:

1. the names of all members who participated in such meeting;

2. the name of any member who voluntarily recused himself or herself or was required to abstain from deliberations or voting on a matter and the reason for the recusal or abstention, if stated;

A Member that has requested termination of its Member status pursuant to paragraph (A) above (a "withdrawing Member"), or whose status as a Member has been terminated by the Company pursuant to Chapter 7, is referred to collectively in this Rule 3.9 as a "terminated Member" and shall be subject to the following requirements, Obligations and provisions:

1. a terminated Member must use all reasonable endeavors to close out or transfer all open positions in its Member Account(s), as applicable, prior to the Withdrawal Close-Out Deadline Date;

2. after the Withdrawal Notice Date, a terminated Member may only be entitled to submit Transactions for clearing which it can demonstrate have the overall effect of reducing open positions or risks to the Company, whether by hedging, transferring, terminating, liquidating or otherwise closing out open Contracts.

D. Any request to terminate Member status pursuant to paragraph (A) above shall be

irrevocable by the Member and membership may only be reinstated pursuant to a new application for membership following the close-out or transfer of all open Contracts in such Member's Member Account(s).

E. Notwithstanding anything in these Rules:

(a) the Company may at its discretion return amounts due to the withdrawing Member by way of transfer or return of U.S. dollars to the withdrawing Member; and

(b) the Company may make partial payment of any amounts due prior to the time specified in this Rule 3.9.

F. This Rule 3.9 shall not apply to a Defaulting Member.

Chapter 4 FCMs AND FCM CUSTOMERS

Rule 4.1 FCMs

A. An FCM must execute an FCM Member Agreement with the Company, adhere to the terms of that agreement, accept and be bound by these Rules, and at all times act in a manner that is consistent with these Rules.

B. An FCM must be a member (or equivalent term) of a Platform.

C. FCMs may establish accounts as permitted by the Rules of any Platform where they carry customer accounts, including but not limited to a trading account, error account, test account, and an account used for liquidating FCM Customer positions pursuant to this Rule, or an equivalent account with a similar purpose.

D. If an FCM Customer's account with the FCM becomes negative due to the FCM Customer's activity on a Platform, and as a result the FCM Customer owes the FCM money, the FCM may liquidate some or all of the FCM Customer's positions.

E. FCMs must, on an annual basis, submit their business continuity and disaster recovery plans to the Company's Compliance Department for review. FCMs must ensure that their plans coordinate with the Company's in an adequate manner to enable effective resumption of daily processing, clearing, and settlement of Transactions following a disruption. As part of this requirement, FCMs must coordinate with the Company's periodic, synchronized testing of its business continuity and disaster recovery plan. FCMs must also adopt, adhere to, and enforce risk management and other policies and procedures in accordance with CFTC Regulation 1.11. FCMs must promptly provide, upon request by the Company or the CFTC, information related to the risk management policies, procedures and practices of the FCM.

F. The Company may, in its sole discretion, approve, deny, revoke, or condition any application to become an FCM as it deems necessary or appropriate to the discharge of its legal and regulatory obligations. The Company may, in its sole discretion and as it deems necessary or appropriate to the discharge of its legal and regulatory obligations or to preserve the integrity of the Company's clearing systems, pause or terminate access for an FCM.

G. FCMs must cooperate with the Company, the CFTC, and any related governmental authority in any inquiry, investigation, audit, examination or proceeding relating to the FCM's business carrying customer accounts with the Company, including disclosing the identity and contact information of FCM Customers as relevant (such information will be walled off by the Company solely for the purpose of its compliance with its legal and regulatory obligations, and cannot be utilized for any commercial purpose). FCMs must keep complete and accurate books and records as required to be maintained pursuant to the CEA and CFTC Regulations for the time period, and in the manner, specified by CFTC Regulations. FCMs must make such books and records available for inspection by the Company, the CFTC or other governmental authority.

H. FCMs must perform all required KYC, CDD, and AML activities with regard to their FCM Customers.

I. FCMs must not engage in practices that may cause degradation of the clearing systems or the Platform and its systems. FCMs must also not engage in acts or practices contrary to the purposes of the Company, nor commit any act or engage in any conduct that is likely to bring the Company into disrepute. These prohibited practices include, but are not limited to, (i) engaging in any activity that presents a risk of harm to the Company, other FCMs, a Platform, or the public, and (ii) engaging in conduct or practices that are detrimental to the best interests of the Company or that adversely affect the integrity of the Company or its systems.

J. All FCM Customer funds received by the Company from an FCM to purchase, margin, guarantee, secure, or settle positions of FCM Customers, and all money accruing to such FCM Customers as a result thereof, shall be segregated as either Futures Customer Collateral or Cleared Swaps Customer Collateral in accordance with all relevant provisions of the CEA and CFTC Regulations. This Rule satisfies the requirement in CFTC Regulations 1.20(d)(1) and 22.5 that an FCM must obtain a written acknowledgement from the Company that such FCM Customer funds are being held in accordance with such provisions.

K. Each FCM must require each FCM Customer to accept and be bound by these Rules prior to allowing the FCM Customer to trade on a Platform.

L. Each FCM must enforce eligibility criteria on its FCM Customers to ensure that it accepts as FCM Customers only Persons who are permitted under Applicable Law to participate on a Platform and with the Company. Each FCM must also require its FCM Customers to inform it of any change to the FCM Customer's eligibility.

M. FCMs shall comply with all Applicable Law, including but not limited to CFTC Regulations 1.10, 1.12, and 1.20 - 1.32 and Part 22 of CFTC Regulations.

Rule 4.2 FCM Customers

A. FCM Customers accept and agree to be bound by the relevant FCM's rules and these Rules.

B. FCM Customers may also be Self-Clearing Members.

C. As required in CFTC Regulations 39.15(d), an FCM Customer may request to transfer the FCM Customer's positions from an FCM to an account with a different FCM, or the FCM Customer's own account, but only if the following conditions are met:

1. The FCM Customer instructs the FCM to make the transfer;

2. The FCM Customer is not currently in Default to the FCM;

3. The transferred positions will have appropriate margin at the receiving FCM;

4. Any remaining positions will have appropriate margin at the carrying FCM; and

5. The other FCM has consented to the transfer.

Rule 4.3 FCM Accounts

A. Each FCM must establish with the Company the accounts and financial relationships set forth in the FCM Member Agreement.

B. All FCM Customer funds deposited by FCM Members with the Company are held in either a Futures Customer Account or Cleared Swaps Customer Account and are treated as either Futures Customer Collateral or Cleared Swaps Customer Collateral.

C. As described in Rule 5.11, and as required by CFTC Regulations 1.20 and 22.3, respectively, Futures Customer Collateral and Cleared Swaps Customer Collateral must remain segregated from all other funds.

D. Each FCM must monitor funding levels in the FCM's account and ensure that there is sufficient collateral to support predicted future trading volume.

E. All FCM Member proprietary funds deposited by an FCM Member with the Company are held in the Self-Clearing Member Account of that FCM Member and are treated as member collateral, unless such funds are deposited as a residual interest in an FCM Customer Account in which case they are treated as Cleared Swaps Customer Collateral or Futures Customer Collateral as applicable.

Rule 4.4 FCM Financial Requirements

A. Unless otherwise provided, all FCMs must comply with the requirements set forth in CFTC Regulations 1.10, 1.12, 1.17, and 1.18 (this provision does not exclude the requirement for FCMs, as Participants, to comply with all Applicable Law). This includes, but is not limited to, the following:

1. Maintenance of minimum capital requirements;

2. Submission of a timely and complete Form 1-FR, FOCUS Report or other requested information;

3. Notification requirements when a clearing member:

    i. Fails to maintain minimum capital requirements;

    ii. Fails to maintain early warning capital requirements;

    iii. Fails to maintain current books and records;

    iv. Determines the existence of a material inadequacy as specified in CFTC Regulation 1.16(d)(2);

    v. Changes its fiscal year; or

    vi. Changes its public accountant.

4. Completely and accurately computing and recording the balances in the net capital computation including capital requirements;

5. Subordination agreement requirements, including the filing of such agreements; and

6. Preparation of a monthly computation of adjusted net capital and minimum financial requirements.

B. Each FCM shall maintain a residual interest balance in its FCM Customer Account at the Company in an amount sufficient to ensure that all open positions in the account remain fully collateralized and the FCM remains in compliance with applicable segregation requirements at all times, including during the interval between settlement of trades and reconciliation under Rule 5.8. The required residual interest amount shall be established at onboarding and calibrated to the FCM's expected intraday exposure, taking into account relevant risk factors including customer activity levels, position volatility, and liquidity conditions. Each FCM shall document the methodology used to calculate its targeted residual interest amount, maintain the targeted amount at all times (including intraday), and reassess the methodology and targeted amount no less frequently than quarterly, or more frequently as warranted by material changes in the underlying risk factors. The Company may, in its sole discretion, require an FCM to increase its residual interest amount if the Company determines that the existing amount is insufficient to ensure full collateralization of FCM customer positions and segregation of FCM Customer collateral.

C. In addition to the notifications, forms, and reports required by CFTC regulations, copies of the notifications must be furnished to both the Company and the Platform within twenty-four hours of when the notification was furnished to the CFTC.

D. The specific requirements in this Rule do not diminish in any way the obligation of FCMs to satisfy the requirements applicable to all Members to provide all required reports set forth in Chapter 3.

Chapter 5 CLEARING

Rule 5.1 Eligibility, Clearance, and Substitution

A. Product Eligibility Requirements

1. The Company shall only accept a Contract for clearing if the Company determines, in its reasonable judgment, that the Contract satisfies the eligibility requirements set forth in this Rule 5.1A. The Company may decline to accept, or suspend or terminate clearing of, any Contract that does not satisfy or ceases to satisfy these requirements.

2. In evaluating whether a Contract is eligible for clearing, the Company shall consider:

    a. whether the Contract is traded with sufficient volume and liquidity to support reliable price discovery and the ability of the Company and its Members to create, liquidate, transfer, auction, and/or allocate positions as necessary;

    b. whether reliable, objective, and timely pricing data is available to support daily and intraday settlement and full collateralization under Rule 5.9;

    c. whether the Company can adequately measure, monitor, and manage the risk of the Contract within its existing risk management framework;

    d. whether the Contract can be cleared in compliance with the CEA, CFTC Regulations, and all other Applicable Laws;

    e. whether the Contract can be supported by the Company's custody, segregation, and settlement infrastructure with finality;

    f. whether concentration risk associated with the Contract can be effectively managed under Rule 5.12;

    g. whether the Contract can be reliably processed within the Company's and its Members' operational and technical systems; and

    h. to the extent applicable, whether market participants are able to use portfolio compression with respect to the Contract.

3. If a Contract no longer satisfies the requirements of this Rule, the Company may suspend or terminate clearing of that Contract in accordance with Rules 2.8 and 5.7.

B. Clearance and Substitution Requirements

1. Upon submission of a Transaction, the Company will conduct a review of the relevant Member Account to ensure that the Transaction is fully collateralized prior to accepting the Transaction for clearing. If such Member Account does not have the necessary funds and/or collateral to fully collateralize the Transaction, the Company will not accept the Transaction. For Self-Clearing Members, this means that the Company will review the Self-Clearing Member Account; for FCM Customers, the

Company will review the FCM Customer Account.

2. The Company will coordinate with all Platforms to develop procedures and system integrations that facilitate prompt, efficient, and accurate processing of all Transactions submitted to the Company for clearing. Additionally, the Company will coordinate with each Member that is a FCM, swap dealer, or major swap participant to establish fully automated systems for accepting or rejecting trades that are submitted to the Company for clearing by or for the Member or a FCM Customer of the Member, or, if fully automated systems are not practicable, as quickly as would be technologically practicable if fully automated systems were used.

3. For trades executed competitively on or subject to the rules of a Platform:

    a. The Company will coordinate with all Platforms to establish automated systems that will accept or reject for clearing all Contracts that are listed for clearing by the Company and are executed competitively on or subject to the rules of a Platform.

    b. The Company will accept for clearing all trades

    • Made on a Platform; and

    • That satisfy the criteria of the Company, including but not limited to applicable risk filters. The Company's criteria will be non-discriminatory across trading venues. The Company will also coordinate with Platforms to integrate and be able to apply the criteria in a fully automated system and if that is impracticable, the Company will apply the criteria as quickly as would be technologically practicable if fully automated systems were used.

    c. The Company will only accept for clearing trades that satisfy the requirements that are set out in Chapter 5 of these Rules.

C. For trades not executed on or subject to the rules of a DCM or SEF or which are executed non-competitively on or subject to the rules of a Platform, the Company will coordinate with Platforms to integrate and implement a fully automated system to reject or accept trades for clearing, or if not practicable, as quickly after submission to the Company as would be technologically practicable if fully automated systems were used.

1. The Company will accept all trades:

a. That are submitted by the parties to the Company in accordance with CFTC Regulation 23.506;

b. For which the executing parties have clearing arrangements in place with Members of the Company;

c. For which the executing parties identify the Company as the intended clearinghouse; and

d. That satisfy the criteria of the Company, including but not limited to applicable risk filters. The Company's criteria will be non-discriminatory across trading venues. The Company will also coordinate with Platforms and executing parties to integrate and be able to apply the criteria in a fully automated system and if that is impracticable, the Company will apply the criteria as quickly as would be technologically practicable if fully automated systems were used.

2. The Company will only accept for clearing trades that satisfy the requirements that are set out in Chapter 5 of these Rules.

D. The submission of a Transaction to the Company by or on behalf of the buying and selling Members shall constitute a request, by such Members, for the clearing of such Transaction by the Company. Upon acceptance thereof, by the Company:

1. The Transaction, if a Transaction in futures contracts, shall be novated and the Company shall immediately be substituted as and assume, the position of seller to the Participant buying and buyer to the Participant selling the relevant Contract. Upon Novation, the original Contract is extinguished and the buying and selling Participants shall be released from their Obligations to each other, and such Participants shall be deemed to have bought the Contract from or sold the Contract to the Company, as the case may be, and the Company shall have all the rights and be subject to all the liabilities of such Participants with respect to such Transactions. Such substitution shall be effective in law for all purposes. The Participants of the Contract are deemed to consent to the Novation by entering the applicable Orders on a Platform and the Company consents to the Novation by accepting the Transactions for clearing; or

2. The Transaction, if a Transaction in a swap, shall be extinguished, and replaced with an equal and opposite swap between the Company and each Member. Upon extinguishing and replacing the original Contract, the Members shall be released from their obligations to each other, and, along with the Company, shall have all rights and obligations under the Contract that replaced the extinguished Contract, in each case as provided in the Rules.

E. Where an FCM Member acts to clear a Contract made for the account of an FCM Customer, the FCM Member becomes obligated to the Company, and the Company becomes obligated to the Member, with respect to such Contract in the same manner and to the same extent as if the Contract were for the proprietary

account of the FCM Member.

F. Transactions for Contracts with the same terms and conditions, as defined by the Contract Specifications, submitted to the Company for clearing, are economically equivalent within the Company and may be offset with each other within the Company.

G. All terms of a cleared swap must conform to product specifications established under Company rules. Upon acceptance of a cleared swap contract Transaction for clearing, the Company will provide a confirmation of the trade to the Members. That confirmation will serve as the definitive written record of the terms of the transaction which shall legally supersede any previous agreement, serve as a confirmation of the swap and shall be available on the Platform.

H. If a Contract is rejected for clearing by the Company for any reason, such Contract is void *ab initio*.

Rule 5.2 Settlement of Contracts

A. Except as otherwise provided by Commission order, the Company shall effect settlement at least once each Business Day, and shall have the authority and operational capacity to effect a settlement with each Member, on an intraday basis, either routinely, when thresholds specified by the Company are breached, or in times of extreme market volatility.

B. The Company shall maintain, in its systems, a record of each Participant's Contracts.

C. Upon the settlement resulting from expiration, all Participants who have an open position will be notified of the final amount payable. Such notice may be delivered by the Platform, or for FCM Customers, by the FCM. The Company will transfer the amount payable under the Contract's terms to the relevant Member Accounts for Participants holding open positions. For Self-Clearing Members, the amount payable will be transferred to the Self-Clearing Member Account; for FCM Customers, the amount payable will be transferred to the FCM Customer Account for the FCM to credit the FCM Customer.

D. For a Transaction that results in an increase in a Participant's Maximum Downside Exposure, the Company will designate as committed collateral funds from the appropriate Member Account(s) in the amount necessary to cover the increase. For Self-Clearing Members, the Self-Clearing Member Account will be debited. For FCM Customers, the FCM will debit the funds in the FCM Customer's account with the FCM and the Company will debit the Funds in the FCM Customer Account.

E. For a Transaction that results in a decrease to a Participant's Maximum Downside Exposure, the Company will undesignate the decreased amount from constituting committed collateral funds within the relevant Member Account(s). For Self-Clearing Members, the Self-Clearing Member Account will be credited; for FCM Customers, the FCM will credit the funds in the FCM Customer's account with the FCM and the Company will credit the funds in the FCM Customer Account.

F. To the extent that a Transaction described in this section requires reconciliation in order to maintain the segregation required under Rule 5.11, including rebalancing of the funds held in customer and Member accounts at the Settlement Bank, reconciliation will be performed as set forth in Rule 5.5.

Rule 5.3 Deposit Procedures

A. Self-Clearing Members that maintain an Eligible Gemini Entity Account may make deposits to the Company through a Member Portal or through such other procedures as the Company may permit in connection with transfers involving an Eligible Gemini Entity Account and advances under Rule 5.9C. Except as otherwise provided in the preceding sentence, Members may make deposits to the Company only by direct bank transfer to the relevant Settlement Bank using a fully settled and irrevocable method approved by the Company, such as wire transfer. For the avoidance of doubt, FCM Members and Self-Clearing Members that do not maintain an Eligible Gemini Entity Account may not fund the Company through ACH or any other revocable payment method. Direct bank transfers must be executed pursuant to the instructions provided by the Platform or the Company, as applicable.

B. Funds are available for use with respect to Clearing Privileges no later than the next Settlement Bank Business Day after the funds arrive in the Settlement Bank.

Rule 5.4 Withdrawal Procedures

A. Members make withdrawals through a Member Portal. The Company will then cause and/or instruct the relevant Settlement Bank to process the withdrawal request and distribute funds to the Self-Clearing Member's account at an Eligible Gemini Entity, U.S. Financial Institution, or FCM Member's account at an Eligible Gemini Entity, U.S. Financial Institution or Foreign Bank, each as applicable, subject to the conditions set forth in this Rule.

B. Members are responsible for providing accurate account information to allow the Company to effect transfers to the Members.

C. Withdrawals occur no later than the next Settlement Bank Business Day after a Member has submitted a withdrawal request via a Member Portal if the Member submits a withdrawal notification during Trading Hours, subject to verification by the Company that the withdrawal will not cause the Member to fall below any applicable collateral requirement, and that no payment or other Obligation to the Company is outstanding or in default. Additionally, the withdrawal request may be suspended or denied if circumstances, whether present or imminent, would make the request impossible or impractical to fulfill, cause a potential risk of harm to the Company or its Members, violate Applicable Law as determined by the Company in its sole discretion, or if the Company determines in its sole discretion that the funds are relevant to a pending investigation.

D. If a Member fails to adhere to the withdrawal procedures set forth herein, the Company will take reasonable measures to effect the withdrawal; however, if unable to effect the withdrawal, the Member's collateral may become the sole property of the Company, to

the extent permitted by Applicable Law.

E. The Company may apply a Member's collateral against the Member's Obligations.

Rule 5.5 Reconciliation

The Company shall reconcile the positions and cash and collateral balances of each Member Account (whether a Self-Clearing Member Account or an FCM Customer Account) periodically, including at the end of each Settlement Bank Business Day. The Company shall make available to each Member at all times the positions and cash and collateral balances of each such Member. All Members shall be responsible, pursuant to Applicable Law for reconciling their records of their positions and cash and collateral balances with the records of positions and cash and collateral balances that the Company makes available to Members.

Rule 5.6 Swap Data Reporting

A. The Company shall report to the CFTC in accordance with the reporting requirements in the CEA, CFTC Regulations, and CFTC guidance. In accordance with CFTC Letter No [•][1] ("Letter") issued on [•], the Company relies upon no-action relief with respect to various swap data reporting requirements under Parts 43 and 45 of the Commission's regulations for contracts traded on or pursuant to the rules of the Company.

B. If the Company provides Clearing Services that are not otherwise addressed in the Letter:

1. The Company shall report Regulatory Swap Data for Swaps to a single Swap Data Repository for purposes of complying with the CEA and applicable CFTC Regulations governing the regulatory reporting of Swaps. The Company shall report all data fields as required by Appendix A to Part 43 of CFTC Regulations and Appendix 1 to Part 45 of CFTC Regulations, as applicable, including, but not limited to, Swap counterparties, Contract type, option method, option premium, LEIs, buyer, seller, UTIs, unique product identifiers, underlying asset description, the Swap price or yield, quantity, maturity or expiration date, the size, settlement method, execution timestamp, timestamp of submission to the SDR, Member Accounts, and whether a Participant is a swap dealer, major swap participant or a financial entity. The Company shall identify each counterparty to any Transaction in all recordkeeping and all Regulatory Swap Data reporting using a single LEI as prescribed under CFTC Regulation 45.6. As Soon As Technologically Practicable after execution, the Company also shall transmit to both Swap counterparties the UTI for the Swap created pursuant to CFTC Regulation
45.5 and the identity of the SDR. For Swaps involving allocation, the Company will transmit the UTI to the Reporting Counterparty and the agent as required by CFTC Regulation 45.5(d)(1).

2. The Company shall from time to time designate a Swap Data Repository in respect of one or more Swaps and shall notify Members of such designation.

3. Members that become aware of an error or omission in Regulatory Swap Data for a

[1] **Note to Draft**: Gemini Olympus requested No-Action Relief from the Commission on April xx, 2026. This Rule will be updated pending the Commission's response to such request.

Transaction shall promptly submit corrected data to the Company. Members shall not submit or agree to submit a cancellation or correction in order to gain or extend a delay in Public Dissemination of accurate Swap Transaction and Pricing Data or to otherwise evade the reporting requirements of Part 43 of CFTC Regulations. The Company will report any errors or omissions in Regulatory Swap Data to the same SDR to which it originally submitted the Data, As Soon As Technologically Practicable after discovery of any such error or omission.

4. The Company sends the Regulatory Swap Data as set forth in Rule 5.6B-1 to the Swap Data Repository As Soon As Technologically Practicable after a trade has been executed on the Platform, or pursuant to the Company Rules. Following the transmittal of the Data to the Swap Data Repository, the Company will make available the Swap Transaction and Pricing Data to all Participants accessing the Platform. However, due to transmission and posting timing of the Swap Data Repository, Participants should be aware that the Swap Transaction and Pricing Data may be available on the Company Platform prior to being Publicly Disseminated by the Swap Data Repository.

Rule 5.7 Risk Management Actions

A. As provided in CFTC Regulation 39.13(h)(6), the Company may take the following actions as appropriate, based on the application of objective and prudent risk management standards:

- Imposing position limits;
- Prohibiting an increase in positions;
- Requiring a reduction of positions;
- Liquidating or transferring positions; and
- Suspending or revoking clearing membership.

B. The Company may take any other action it deems necessary based on the application of objective and prudent risk management standards.

Rule 5.8 Finality of Settlements

All payments or transfers of funds to and from the Company and within the Company are irrevocable and unconditional when, as the case may be, they are debited from or credited to an account of the Company, whether such account of the Company is held at the Company or at a Settlement Bank, provided that adjustments may be made after such time for the correction of errors.

Rule 5.9 Full Collateralization of Contracts Required

A. All trades must, at all times, be fully collateralized. Self-Clearing Members must maintain with the Company sufficient funds to fully collateralize their Maximum Downside Exposure. FCMs that are trading on a Platform through one of the permitted types of accounts specified in these Rules must maintain sufficient funds to fully collateralize their Maximum Downside Exposure. The Company will not clear a position that is not fully collateralized.

B. Upon receipt of an Order to trade one or more Contracts from an FCM Customer, the FCM must ensure that the FCM Customer has on deposit enough funds (as will be set forth in the FCM's Member Agreement) to satisfy the full collateralization requirement set forth in this Rule 5.9 before the FCM submits the Order to a Platform. This includes gains and losses on Orders that have resolved, including where Olympus has not yet conducted rebalancing between customer and member accounts. These funds must be reserved and made unavailable for uses other than collateralizing such an Order until the Order resolves, either through cancellation, expiry, rejection, or execution. Once the Order resolves, the FCM must adjust the reservation of funds on the FCM Customer's account as appropriate.

C. Advances to Self-Clearing Member Accounts

1. Acceptable Purposes. The Company may, solely to facilitate the full collateralization of Transactions in accordance with this Rule 5.9, advance funds to a Self-Clearing Member's Member Account from Gemini's proprietary account maintained at the Company. Such advances are administrative in nature due to the normal course timing of banking transactions and are not loans. Advances may be made only where: (a) the Self-Clearing Member does not have sufficient funds in its Member Account to fully collateralize its Maximum Downside Exposure; (b) sufficient funds are maintained in the Self-Clearing Member's Eligible Gemini Entity Account; and (c) a bona fide deposit or transfer request has been submitted or is being processed in the normal course of banking transactions. No advance may be made for any purpose other than ensuring full collateralization of Contracts as required by this Rule 5.9.
2. Process for Advances. Upon receipt of an Order from a Self-Clearing Member that would result in entry into one or more Contracts without an offsetting position, the Company shall verify that the Self-Clearing Member maintains sufficient funds in its Member Account to fully collateralize its Maximum Downside Exposure. If sufficient funds are not maintained in the Member Account, the Company may, to the extent permitted under these Rules and any applicable Member Agreement, verify whether sufficient funds are maintained in the Self-Clearing Member's Eligible Gemini Entity Account. If sufficient funds are not maintained in either account, the Order shall be rejected, and in no event shall the Company accept an Order for clearing unless and until the full collateralization requirement of this Rule 5.9 has been satisfied. If the Self-Clearing Member does not have sufficient funds in its Member Account but does have sufficient funds in its Eligible Gemini Entity Account, the Company may facilitate the transfer of the necessary funds to the Member Account as follows: (a) Prior to debiting the Self-Clearing Member's Member Account, the Company may transfer the necessary amount from Gemini's proprietary account maintained at the Company to the Self-Clearing Member's Member Account. Any such transfer is made solely from Gemini's own funds and under no circumstances shall any such transfer involve the use of funds belonging to any other Member or Participant. (b) The Self-Clearing Member shall be obligated to transfer the corresponding amount from its Eligible Gemini Entity Account to reimburse Gemini's proprietary account at the Company promptly upon the Company's instruction, and in no event later than the next Settlement Bank Business Day following such transfer. (c) The full collateral amount necessary to support the Self-Clearing Member's Maximum Downside Exposure shall be reflected in the Self-Clearing Member Account at all times and any such transfer shall be reconciled upon completion of the Self-Clearing Member's reimbursement transfer.
3. Advance Limits. The aggregate amount of advances outstanding at any time shall not exceed

the lesser of: (a) the funds deposit request or transfer amount being processed on behalf of the Self-Clearing Member; or (b) a maximum advance amount determined by Gemini via a risk-based analysis of the particular Self-Clearing Member, as may be established and revised from time to time. No advance shall be made if the balance in Gemini's proprietary account at the Company is insufficient to fund the advance while maintaining the Company's operational requirements, and in such case, the related Order shall be rejected. The Company shall not make further advances to any Self-Clearing Member if a prior advance to that Self-Clearing Member remains unreimbursed beyond the next Settlement Bank Business Day.

4. Monitoring. The Chief Risk Officer, or a designee of the Chief Risk Officer, shall be responsible for monitoring the provision and reimbursement of advances on at least a daily basis and more frequently as warranted by transaction volume. Such monitoring shall include: (a) verification that all outstanding advances are fully supported by corresponding funds in the Self-Clearing Member's Eligible Gemini Entity Account; (b) confirmation that all advances are reimbursed no later than the next Settlement Bank Business Day; (c) reporting to the Chief Executive Officer and the Board any instance in which an advance is not reimbursed within the required timeframe; and (d) Self-Clearing Members who fail to timely repay advanced funds shall be subject to suspension of trading privileges and liquidation of their accounts without notice and shall be subject to further disciplinary processes pursuant to Rule 7.

The Company does not maintain a financial resource package to be used in the event of a Member Default because it clears only fully collateralized positions.

Rule 5.10 Collateral

A. United States dollars is the sole form of acceptable collateral.

B. Except as otherwise provided herein, collateral must be and remain unencumbered, other than the encumbrance in favor of the Company described in this paragraph. Each Participant posting collateral hereby grants to the Company a continuing first priority security interest in, lien on, right of setoff against and collateral assignment of all of such Participant’s right, title and interest in and to any property and collateral deposited with the Company by the Participant, whether now owned or existing or hereafter acquired or arising, including without limitation the Participant’s account and all securities entitlements held therein, and all proceeds of the foregoing. A Participant shall execute any documents required by the Company to create, perfect and enforce such lien.

C. Each Participant hereby agrees that, with respect to any financial asset which is or may be credited to the Participant’s Participant Account, the Company shall have control over such financial asset pursuant to Section 9-106(a) and 8-106(e) of the UCC and a perfected security interest pursuant to Section 9-314(a) of the UCC.

D. The Company will not be responsible for any diminution in value of collateral that a Participant deposits with the Company. Participants acknowledge and agree to bear the risk of market fluctuations.

E. Participants’ collateral shall be held in a bank located in the United States and in a manner which minimizes the risk of loss or of delay in the access by the Company to

such funds and assets and in a manner consistent with the CEA and CFTC Regulations. Any interest earned on Participant collateral may be retained by the Settlement Bank or the Company.

F. The Company has the right to liquidate a Person's Contracts or non-cash collateral to the extent necessary to close or transfer Contracts, fulfill obligations to the Company or other Participants, and/or to return collateral in the event that, (i) the Person ceases to be a Participant, (ii) the Company suspends or terminates the Person's Clearing Privileges, (iii) the Person's open position in any Contract becomes insufficiently collateralized, or (iv) the Company determines in its sole discretion that it is necessary to liquidate the Contracts or non-cash collateral for such purposes.

G. Collateral transfers made by a Participant to the Company or by the Company to a Participant are irrevocable and unconditional when effected.

Rule 5.11 Segregation of Participant Funds

A. Participants' collateral shall be legally and operationally segregated from the property of the Company.

B. E. The Disciplinary Panel will conduct a fair hearing with the Compliance Department or other Company Personnel and the Respondent within 15 calendar days of receipt of the Respondent's answer to the Notice of Charges contesting such Notice of Charges, unless Respondent and the Compliance Department agree to an extension. Parties may attend virtually. The formal rules of evidence shall not apply, but the hearing procedures must not deny a fair hearing.

1. The hearing shall be recorded, and all information submitted by the parties and the recording of the hearing shall be preserved by the Compliance Department, along with the Disciplinary Panel's findings, as the record of the proceedings (the "hearing record") in accordance with Rule 2.10.

The Appeals Committee may review a decision on its own initiative. Any penalties shall be stayed pending appeal unless the Regulatory Oversight Committee determines that a stay pending appeal would likely be detrimental to the Company, other Participants, or the public, in which case the penalty shall apply during the appeal period. The Appeals Committee shall review the hearing record and any information submitted by the Compliance Department or the Company Personnel and the Respondent on appeal and issue a decision, which shall be final on the date of such issuance. The Respondent shall be notified of the Appeals Committee's decision by email and the Respondent's last known email address. The Respondent may initiate a settlement offer. Any settlement offer shall be forwarded to the Disciplinary Panel with a recommendation by the Compliance

Department that the proposed settlement be accepted, rejected, or modified. A settlement offer may be withdrawn at any time before it is accepted by the Disciplinary Panel.

B. The Disciplinary Panel may accept or reject a proposed settlement, and the decision of the Disciplinary Panel shall be final and may not be appealed. In addition, the Disciplinary Panel may propose a modification to the proposed settlement for consideration by the Respondent and the Compliance Department.

B. The Compliance Department may deny or terminate or restrict the status of a Participant, and a Member's Authorized User if, (i) such Person is unable to demonstrate its ability to satisfy the applicable criteria set forth in Chapter 3 of these Rules, (ii) such Person is unable to demonstrate its compliance with all other applicable Rules, (iii) such Person's inability to demonstrate compliance with such criteria or Rules would, in the Company's sole discretion, bring the Company into disrepute or cause the Company to fail to be in compliance with the CEA, CFTC Regulations or other laws and regulations, (iv) such Person or any of its Authorized Users, as applicable, has committed a violation of the Rules, or (v) other good cause is shown as the Company may reasonably determine in its discretion.

C. Whenever practicable, the Compliance Department shall notify the Participant or a Member's Authorized User whose privileges are to be summarily suspended by email at the Participant's or Member's Authorized User's last known email address before the action is taken. D. Whenever the Company finds by final decision that a Participant or Person has violated a Rule or otherwise committed a disciplinary offense, and such finding makes such person ineligible to serve on the Company's Disciplinary Panels, Company committees, or the Board, the Company shall inform the Commission of such finding and the length of the ineligibility in a notice it is required to provide to the Commission pursuant to either CEA Section 17(h)(1) or CFTC Regulation 9.11.

Rule 7.12 Coordination with Platforms

Rule 7.13 Disciplinary Offenses

Notices of disciplinary decisions sent to Participants and a Member's Authorized Users under this Chapter will include whether the violation is considered a disciplinary offense within the meaning of Chapter 2. This will enable any person who has been found to have committed a Rule violation to know whether the person is now disqualified from Company committee service and the duration of any such disqualification.

Rule 7.14 Reporting Offenses to the CFTC

Disciplinary offenses will be reported to the CFTC and/or its designee(s).

Chapter 8 ARBITRATION

Rule 8.1 In General

A. Any Claim by a Participant against another Participant (including any related counterclaims) shall be settled by arbitration in accordance with this Chapter.

B. Notwithstanding paragraph A, the arbitration panel, in its sole and absolute discretion, may decline to take jurisdiction of, or, having taken jurisdiction may at any time decline to proceed further with, any Claim or any other dispute, controversy or counterclaim, other than such as may be asserted under paragraph A.

C. A Claim brought pursuant to this Rule 8.1 shall be adjudicated by qualified arbitrators appointed in accordance with Rule 8.5 below.

D. Persons to a dispute resolved in accordance with this Chapter shall have the right to retain and be represented by legal counsel or any other representation of its choosing, except any Director or a member of the Disciplinary Panel or person substantially related to the underlying investigations, such as material witnesses or respondents during such proceedings. Persons to a dispute resolved in accordance with this Chapter shall be responsible for their own costs, expenses and attorneys' fees incurred in connection with the dispute. Notwithstanding the foregoing, the Person that prevails shall be entitled to recover from the other party all reasonable costs, expenses and attorneys' fees incurred in any arbitration arising out of or relating to this Chapter, and in any legal action or administrative proceeding to enforce any arbitration award or relief.

E. Any award or relief granted by the arbitrators hereunder shall be final and binding on the parties hereto and may be enforced by any court of competent jurisdiction.

F. Notwithstanding the foregoing, this Chapter does not apply to disputes between Participants where:

1. such Persons are required by the rules of a non-Company Self-Regulatory Organization to submit to the dispute resolution procedures of that Self- Regulatory Organization; or

2. such Persons have, by valid and binding agreement, committed to arbitrate or litigate in a forum other than the Company.

G. For purposes of this Chapter, the term "Claim" means any dispute which arises out of any Transaction, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom the Company does not have jurisdiction or who are otherwise not available. The term "Claim" does not include disputes arising from underlying commodity transactions which are not a part of, or directly connected with, any Transaction.

Rule 8.2 Fair and Equitable Arbitration Procedures

A. A Person desiring to initiate an arbitration as provided in Rule 8.1 shall file a notice of arbitration (a "Notice") within two years from the time the Claim arose. The Notice must set forth the name and address of the party or parties against whom the Claim is being asserted, the nature and substance of the Claim, the relief requested, and the factual and legal bases alleged to underlie such relief.

B. The Notice shall be accompanied by a non-refundable check payable to the Company in payment of the arbitration fee. The amount of the fee shall be, (i) $500 for a Claim requesting relief totaling less than $25,000 in the aggregate or, (ii) $1,000 for a Claim requesting relief totaling $25,000 or more in the aggregate.

C. Upon receipt, the Company shall promptly convene an arbitration panel in accordance with Rule 8.5. The Company shall deliver a copy of the Notice to each other party and to the arbitration panel.

D. Within 20 days following the delivery of the Notice, each respondent shall file a written response (a "Response") with the Company, with a copy to the claimant, setting forth its or his position and any counterclaims, as applicable. If the Response sets forth one or more counterclaims, the claimant shall file within 20 days a written reply to such counterclaims with the Company, with a copy to the respondent.

E. Once each party has had an opportunity to respond to the Claim and all counterclaims, the arbitration panel shall promptly schedule a hearing. Notwithstanding the foregoing, Claims requesting relief totaling less than $5,000 in the aggregate may, in the interests of efficiency and economy, be resolved without a hearing.

F. The chairman of the arbitration panel shall preside over the hearing and shall make such determinations on the relevancy and procedure as will promote a fair and expeditious adjudication.

G. The arbitration panel shall consider all relevant, probative testimony and documents submitted by the parties. The arbitration panel shall not be bound by the formal rules of evidence.

H. The final decision of the panel shall be by majority vote of the arbitrators, as applicable.

I. Within 60 days after the termination of the hearing, the arbitration panel shall render its final decision in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The arbitration panel may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee.

J. The final decision of the arbitration panel shall not be subject to appeal within the Company.

K. No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record.

Rule 8.3 Withdrawal of Arbitration Claim

Any Notice may be withdrawn at any time before the Response is filed in accordance with this Chapter. If a Response has been filed, any withdrawal shall require the consent of the party against which the Claim is asserted.

Rule 8.4 Penalties

A. Any failure on the part of a Person to arbitrate a dispute subject to this Chapter, or the commencement by any such Person of a suit in any court prior to arbitrating a case that is required to be arbitrated pursuant to this Chapter, violates these Rules and shall subject such Person to disciplinary proceedings pursuant to Chapter 7.

B. A failure to timely satisfy an arbitration award rendered in any arbitration pursuant to this Chapter is a violation of these Rules, and may result in disciplinary action.

Rule 8.5 Arbitration Panel

A. On an as-needed basis, the Company shall convene an arbitration panel to adjudicate an arbitration claim under this Chapter. B. Members of the arbitration panel shall be individuals that do not have a direct interest (financial, personal or otherwise) in the matter.

E. Each member of the arbitration panel must have no less than five years' experience in the financial services industry, and at least one arbitrator must have no less than five years' experience in the commodity futures or swap industry.

In the event that members of the arbitration panel do not satisfy the requirements of this Rule 8.5, then the Regulatory Oversight Committee may substitute a new member for the arbitration panel or act as the arbitration panel, to the extent that the substituted member or the Regulatory Oversight Committee, as the case may be, does not have a direct interest (financial, personal or otherwise) in the matter.

Chapter 9 DEFAULT

Rule 9.1 Member Defaults

A. If any of the following events occurs with respect to a Member (regardless of whether any such event is cured by any guarantor or other third party on behalf of such Member or otherwise), the Member shall be in "Default" (such event a "Member Default" and such Member a "Defaulting Member"):

1. If such Member fails to meet any of its Obligations under its Contracts with the Company;

2. If the Member is insolvent;

3. If such Member fails to pay when due any amounts owed to the Company.

B. Each Member must provide prompt written notice to the Company if the Member becomes the subject of a bankruptcy petition, receivership proceeding, insolvency event, or any similar proceeding or action under applicable law.

C. Upon the occurrence of any Member Default event under Rule 9.1A—regardless of whether the Company has received written notice pursuant to Rule 9.1B or whether the Member Default arises from an insolvency-related event—the Company may review the continuing eligibility of the Member for clearing membership and may take any action it considers appropriate with respect to the Member or its house or customer positions, including the liquidation or transfer of positions, suspension, or revocation of clearing membership, consistent with the default rules and procedures set forth in this Chapter.

D. Upon the occurrence of any Member Default under Rule 9.1A, such Member shall automatically and without further action be suspended as a Member, except that such suspension may be temporarily postponed by the Chief Risk Officer if the Chief Risk Officer determines that such suspension would not be in the best interests of the Company, in which case the Chief Risk Officer shall immediately call a special meeting of the Board as soon as practicable, at which the Board may reinstitute such suspension or take such other action as may be provided for in the Rules.

E. If the Company determines that such Member is not in compliance with the provisions of Rule 3.2B and that such noncompliance poses an unacceptable risk to the Company, then, in any such event, the Company may declare that the Member is in Default and may determine that such Member shall be suspended as a Member.

F. The Company will provide public notice of a declaration of a Member's Default on the Company's website.

Chapter 10 MISCELLANEOUS

Rule 10.1 Prohibited Conduct for Company Personnel, Directors, and Consultants.

A. Prohibited conduct for Company Personnel:

1. Company Personnel are prohibited from trading, directly or indirectly, in any Contract cleared by the Company.

2. Company Personnel are prohibited from Trading, directly or indirectly, in any contract traded on any DCM or SEF or cleared by a DCO if the employee has access to material, non-public information concerning the contract.

3. Company Personnel are prohibited from disclosing to any other Person, any material, non-public information which such employee obtains as a result of his or her employment at the Company where such employee has or should have a reasonable expectation that the information disclosed may assist another person in trading any commodity interest. This Rule does not prohibit disclosures made in the course of an employee's duties, or disclosures made to another self-regulatory organization, linked exchange, court of competent jurisdiction or representative of any agency or department of the federal or state government acting in his or her official capacity.

4. Exceptions to trading prohibitions-

    a. Trading by related entities of the Company is allowed on any Platform if the rules of the Platform include provisions for such trading. For example, an entity that is related to the Company and a Platform is allowed to trade on the Platform if the rules of a Platform allow for trading on Platform by a related entity.

    b. Contractors that provide services for the Company that have no connection to the Company's Clearing Services and do not have access to any material information are excepted from trading prohibitions. For example, a Person contracted with the Company to provide carpet cleaning services is excepted from the trading prohibitions of this Rule.

        i. The Chief Compliance Officer (or, in the case of an exception for the Chief Compliance Officer, the Board) may grant exceptions to the trading prohibitions in this Rule, if the Chief Compliance Officer determines that the exemption would not be contrary to the purposes of the CEA, CFTC Regulations, the public interest, and just and equitable principles of trade.

        ii. As noted in paragraph B of this Rule, under no circumstances is any Person allowed to trade on the basis of any material, non-public, information.

B. Prohibited Conduct - Company Personnel, Directors, and Consultants

a. Company Personnel, Directors, and consultants are prohibited from trading for such Person's own account, or for or on behalf of any other account, in any commodity interest, on the basis of any material, non-public information obtained through special access related to the performance of such Person's official duties as an employee, Directors, committee member, or consultant of the Company.

b. Company Personnel, Directors, and consultants are prohibited from disclosing for any purpose inconsistent with the performance of such Person's official duties as an employee, Directors, committee member, or consultant of the Company, any material, non-public information obtained through special access related to the performance of such duties.

c. No Person shall trade for such Person's own account, or for or on behalf of any other account, in any commodity interest, on the basis of any material, non-public information that such Person knows was obtained in violation of this Rule from an employee, Directors, committee member, or consultant of the Company.

C. As used in this Rule, the following terms have the following meanings:

a. ***Commodity interest*** means any commodity futures, commodity option or swap contract traded on or subject to the rules of a DCM, SEF or linked exchange, or cleared by a DCO, or cash commodities traded on or subject to the rules of a board of trade which has been designated as a DCM.

b. ***Material information*** means information which, if such information were publicly known, would be considered important by a reasonable person in deciding whether to trade a particular commodity interest on a DCM or an SEF, or to clear a swap contract through a DCO. Material information includes, but is not limited to, information relating to present or anticipated cash positions, commodity interests, trading strategies, the financial condition of members of self-regulatory organizations or members of linked exchanges or their customers, or the regulatory actions or proposed regulatory actions of a self-regulatory organization or a linked exchange.

c. ***Non-public information*** means information which has not been disseminated in a manner which makes it generally available to the trading public.

Rule 10.2 Property Rights

A. Each Participant, on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, hereby acknowledges and agrees that the Company owns and shall retain all right, title and interest in and to the Company, all components thereof, including, without limitation, all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including, without limitation, all registered or unregistered, as applicable, (i) copyrights, (ii) trademarks, (iii) service marks, (iv) trade secrets, (v) trade names, (vi) data or database rights, (vii) design rights, (viii) moral rights,
(ix) inventions, whether or not capable of protection by patent or registration, (x) rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, (xi) patents, and (xii) other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Company and all other related proprietary rights of the Company and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind, other than Proprietary Data and Personal Information, transmitted by means of any of the foregoing, including, without limitation, market data, the "Proprietary Information"). Each Participant, on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, further acknowledges and agrees that the Proprietary Information is the exclusive, valuable and confidential property of the Company. Each Participant acknowledges and agrees that it shall not, and it shall not permit its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, to reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Company or the Proprietary Information. Each Participant further agrees to, and agrees to cause each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing to, keep the Proprietary Information confidential and not to transfer, rent, lease, copy, loan, sell or distribute, directly or indirectly, all or any portion of the Company or any Proprietary Information.

B. Subject to the provisions of this Rule, each Participant, on behalf of itself and each of its Affiliates, Authorized Users, and other Persons affiliated with any of the foregoing, hereby acknowledges and agrees that the Company is the owner of all rights, title and interest in and to all intellectual property and other proprietary rights (including all copyright, patent, trademark or trade secret rights) in market data, and all derivative works based thereon, and further agrees not to distribute, create derivative works based on, or otherwise use or commercially exploit market data and any such derivative works, provided that Participants, Affiliates, Authorized Users, and such other Persons may use market data for their own internal business purposes. Without limiting the generality of the foregoing, Participants, Affiliates, Authorized Users, and other Persons affiliated with any of the foregoing may not distribute, sell or retransmit market data exchange to any third party.

C. Notwithstanding any other provision of this Rule, each Participant and Authorized User retains such rights as it may enjoy under Applicable Law with respect to market data

solely in the form such market data was submitted to the Company by such Participant or Authorized User.

D. Transaction Data shall not be disclosed publicly other than on an aggregated or anonymous basis, or in a manner that does not directly or indirectly identify any market participant who has submitted such data.

E. The Company shall not condition access to the Company upon a Participant's consent for the Company to the use of Proprietary Data and Personal Information for business or marketing purposes. Proprietary Data and Personal Information may not be used by the Company for business and marketing purposes unless the market participant has clearly consented to the use of Proprietary Data and Personal Information in such manner. The Company, where necessary, for regulatory purposes, may share Proprietary Data and Personal Information with one or more DCMs, SEFs, or other similar entities, or associations such as the Intermarket Surveillance Group. Further, nothing in this Rule shall preclude the Company from disclosing Proprietary Data and Personal Information: (i) as required by Applicable Law or legal process, (ii) as the Company may deem necessary or appropriate in connection with any litigation affecting the Company, (iii) to any Company Personnel authorized to receive such information within the scope of his or her duties,
(iv) to a third party performing regulatory or operational services for the Company, provided that such party has executed a confidentiality and non-disclosure agreement in a form approved by the Company, (v) to a duly authorized representative of the CFTC lawfully requesting Proprietary Data and Personal Information, (vi) in a manner in which a market participant consents to such disclosure, (vii) pursuant to the terms of an information-sharing agreement, or (viii) as permitted by CFTC Regulations.

Rule 10.3 Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, electronic data interchange, telegram, or telex) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

Rule 10.4 Governing Law

The Rules, and the rights and Obligations of the Company and Participants under the Rules, shall be governed by, and construed in accordance with, the laws of the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction. The State of New York is the "securities intermediary's jurisdiction" within the meaning of Section 8-110(e) of the UCC for all purposes of the UCC.

Rule 10.5 Legal Proceedings

In the event that a Participant or Authorized User or an Affiliate of such Person fails to prevail in a lawsuit or other legal proceeding instituted by such Participant or such Affiliate against, (i) the Company or, (ii) any Affiliate of the Company or any of its respective officers, directors, equity holders, employees, agents, or any member of any committee, related to the business of the

Company, such Participant or Authorized User shall pay to the Company all reasonable costs and expenses, including attorneys' fees, incurred by the Company in the defense of such proceeding. This Rule 10.5 shall not apply to Company disciplinary actions, appeals thereof, or an instance in which the Board has granted a waiver of the provisions hereof.

Rule 10.6 LIMITATION OF LIABILITY; NO WARRANTIES

A. EACH PARTICIPANT AGREES THAT NEITHER THE COMPANY NOR ITS OFFICERS, DIRECTORS, AGENTS, EMPLOYEES AND/OR SOFTWARE, HARDWARE AND SERVICE PROVIDERS (COLLECTIVELY REFERRED TO AS "GEMINI PARTIES") SHALL HAVE ANY RESPONSIBILITY FOR COMPLIANCE BY EACH PARTICIPANT WITH ANY LAW OR REGULATION GOVERNING EACH PARTICIPANT'S CONDUCT. MOREOVER, EACH PARTICIPANT ALSO AGREES THAT NO GEMINI PARTY SHALL BE LIABLE IN ANY MANNER WHATSOEVER FOR ANY LOSS OR DAMAGE SUSTAINED BY EACH PARTICIPANT, INCLUDING ANY CONSEQUENTIAL LOSS, LOSS OF PROFIT OR LOSS OF TRADING OPPORTUNITY, AS A RESULT OF ANY ACTUAL OR PROPOSED TRANSACTIONS OR AS A DIRECT OR INDIRECT RESULT OF ANY SERVICES PROVIDED BY GEMINI PARTIES (INCLUDING, WITHOUT LIMITATION, ANY FAILURE IN GEMINI'S SYSTEMS OR ANY INACCURATE INFORMATION PROVIDED BY A GEMINI PARTY), UNLESS THE RELEVANT GEMINI PARTY IS DETERMINED BY FINAL RULING OF AN ARBITRATION PROCEEDING TO HAVE ACTED OR FAILED TO ACT IN A MANNER THAT IS GROSSLY NEGLIGENT, RECKLESS OR FRAUDULENT. FOR THE AVOIDANCE OF DOUBT, NOTHING IN THIS RULE IS INTENDED TO LIMIT THE LIABILITY OF ANY PERSON AS MAY BE PROVIDED IN THE CEA, CFTC REGULATIONS OR BY ACTS OF WILLFUL OR WANTON MISCONDUCT OR FRAUD.

B. EXCEPT AS OTHERWISE SET FORTH IN THESE RULES OR DUE TO COMPANY OBLIGATIONS ARISING FROM THE ACT OR CFTC REGULATIONS, INCLUDING, WITHOUT LIMITATION, PART 39 OF CFTC REGULATIONS, OR OTHERWISE UNDER APPLICABLE LAW, NO GEMINI PARTY SHALL BE LIABLE TO ANY PERSON, OR ANY PARTNER, DIRECTOR, OFFICER, AGENT, EMPLOYEE, AUTHORIZED USER OR AUTHORIZED REPRESENTATIVE THEREOF, FOR ANY LOSS, DAMAGE, INJURY, DELAY, COST, EXPENSE, OR OTHER LIABILITY OR CLAIM, WHETHER IN CONTRACT, TORT OR RESTITUTION, OR UNDER ANY OTHER CAUSE OF ACTION, SUFFERED BY OR MADE AGAINST THEM, ARISING FROM (A) ANY FAILURE OR NON-AVAILABILITY OF THE PLATFORM OR WEBSITE; (B) ANY ACT OR OMISSION ON THE PART OF A GEMINI PARTYINCLUDING WITHOUT LIMITATION A DECISION OF THE COMPANY TO VOID, NULLIFY OR CANCEL ORDERS OR TRADES IN WHOLE OR IN PART; (C) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE COMPANY, AFFILIATES, THE PLATFORM, OR THE WEBSITE; (D) UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF THE PLATFORM OR WEBSITE BY ANY PERSON; (E) ANY FORCE MAJEURE EVENT; OR (F) ANY LOSS TO ANY PARTICIPANT RESULTING FROM A PARTICIPANT'S OWN SECURITY OR THE INTEGRITY OF A PARTICIPANT'S TECHNOLOGY OR

TECHNOLOGY SYSTEMS. THIS LIMITATION OF LIABILITY WILL APPLY REGARDLESS OF WHETHER OR NOT THE GEMINI PARTY (OR ANY DESIGNEE THEREOF) WAS ADVISED OF OR OTHERWISE MIGHT HAVE ANTICIPATED THE POSSIBILITY OF SUCH DAMAGES.

C. A PERSON'S USE OF THE PLATFORM OR THE WEBSITE, COMPANY PROPERTY AND ANY OTHER INFORMATION AND MATERIALS PROVIDED BY THE COMPANY IS AT THE PERSON'S OWN RISK, AND THE PLATFORM, THE WEBSITE, THE COMPANY PROPERTY AND ANY OTHER INFORMATION AND MATERIALS PROVIDED BY THE COMPANY HEREUNDER ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT WARRANTIES OR REPRESENTATIONS OF ANY KIND, EXPRESS OR IMPLIED, BY STATUTE, COMMON LAW OR OTHERWISE, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. THE COMPANY DOES NOT GUARANTEE THAT (A) THE COMPANY PROPERTY, THE PLATFORM, OR THE WEBSITE WILL OPERATE IN AN ERROR-FREE, SECURE OR UNINTERRUPTED MANNER; (B) ANY INFORMATION OR MATERIALS PROVIDED BY THE COMPANY OR ACCESSIBLE THROUGH THE COMPANY PROPERTY, THE PLATFORM, OR THE WEBSITE WILL BE ACCURATE, COMPLETE, RELIABLE, OR TIMELY; OR (C) THE COMPANY PROPERTY OR ANY ASPECTS OF THE PLATFORM OR THE WEBSITE WILL BE FREE FROM VIRUSES OR OTHER HARMFUL COMPONENTS. THE COMPANY SHALL HAVE NO LIABILITY FOR THE CREDITWORTHINESS OF ANY PERSON OR FOR THE ACTS OR OMISSIONS OF ANY PERSON UTILIZING THE PLATFORM, THE WEBSITE, OR ANY ASPECT OF THE COMPANY, PLATFORM, OR WEBSITE. A PERSON ACCESSING THE COMPANY IS SOLELY RESPONSIBLE FOR THE SECURITY AND INTEGRITY OF THE PERSON'S TECHNOLOGY. A PERSON'S ACCESS TO THE COMPANY MAY BE INTERNET-BASED AND THE COMPANY HAS NO CONTROL OVER THE INTERNET OR A PERSON'S CONNECTIONS THERETO. ANY PERSON ACCESSING THE COMPANY ACKNOWLEDGES THAT THE INTERNET, COMPUTER NETWORKS, AND COMMUNICATIONS LINKS AND DEVICES NECESSARY TO ENABLE A PERSON TO ACCESS AND USE THE PLATFORM AND THE WEBSITE ARE INHERENTLY INSECURE AND VULNERABLE TO ATTEMPTS AT UNAUTHORIZED ENTRY AND THAT NO FORM OF PROTECTION CAN ENSURE THAT A PARTICIPANT'S DATA, HARDWARE, OR SOFTWARE OR THE PLATFORM OR OTHER COMPANY PROPERTY WILL BE FULLY SECURE. FURTHERMORE, THE COMPANY SHALL HAVE NO OBLIGATION TO MONITOR OR VERIFY ANY INFORMATION DISPLAYED THROUGH THE PLATFORM OR THE WEBSITE.

D. A PARTICIPANT THAT HAS COLLATERAL DEPOSITED FOR ITS BENEFIT WITH THE COMPANY PURSUANT TO THESE RULES SHALL HOLD THE COMPANY HARMLESS FROM ALL LIABILITY, LOSSES AND DAMAGES WHICH MAY RESULT FROM OR ARISE WITH RESPECT TO THE CARE AND SALE OF SUCH COLLATERAL PROVIDED THAT THE COMPANY HAS ACTED REASONABLY

AND IN ACCORDANCE WITH APPLICABLE LAW UNDER THE CIRCUMSTANCES. FURTHERMORE, THE COMPANY HAS NO RESPONSIBILITY FOR ANY ACT OR OMISSION OF ANY THIRD PARTY SERVICE PROVIDER THAT THE COMPANY HAS CHOSEN WITH REASONABLE CARE. THE COMPANY HAS NO RESPONSIBILITY OR LIABILITY FOR ANY LOSS OF COLLATERAL THAT RESULTS, DIRECTLY OR INDIRECTLY, FROM A BREACH TO A PARTICIPANT'S SECURITY OR ELECTRONIC SYSTEMS, INCLUDING BUT NOT LIMITED TO CYBER ATTACKS, OR FROM A PARTICIPANT'S NEGLIGENCE WITH RESPECT TO A WALLET, ADDRESS OR THE RECEIPT OF COLLATERAL UPON THE REQUEST OF A WITHDRAWAL, OR FROM A PARTICIPANT'S DEPOSIT, MISTAKE, ERROR, NEGLIGENCE, OR MISCONDUCT WITH RESPECT TO ANY COLLATERAL TRANSFERS A PARTICIPANT MAKES OR ATTEMPTS TO MAKE TO THE COMPANY.

E. NO PARTICIPANT, AUTHORIZED USER, AUTHORIZED REPRESENTATIVE OR ANY OTHER PERSON SHALL BE ENTITLED TO COMMENCE OR CARRY ON ANY PROCEEDING AGAINST ANY GEMINI PARTY IN RESPECT OF ANY ACT, OMISSION, PENALTY OR REMEDY IMPOSED PURSUANT TO THE RULES OF THE COMPANY. THIS SECTION SHALL NOT RESTRICT THE RIGHT OF SUCH PERSONS TO APPLY FOR A REVIEW OF A DIRECTION, ORDER OR DECISION OF THE COMPANY BY A COMPETENT REGULATORY AUTHORITY.

F. NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, IN NO EVENT SHALL ANY GEMINI PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES (WHETHER OR NOT THE GEMINI PARTY HAD BEEN INFORMED OR NOTIFIED OR WAS AWARE OF THE POSSIBILITY OF SUCH DAMAGES).

G. EACH PARTICIPANT AGREES THAT ANY CLAIM FOR REDRESS OR DAMAGES HEREUNDER IT BRINGS AGAINST A GEMINI PARTY WILL BE GOVERNED BY NEW YORK LAW, WITHOUT REGARD TO STATUTES, PRECEDENT, LEGAL DOCTRINE OR CONTRACTUAL PROVISIONS THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF A DIFFERENT JURISDICTION. ANY SUCH ACTION, SUIT OR PROCEEDING SHALL BE BROUGHT IN THE STATE OR FEDERAL COURTS LOCATED WITHIN THE CITY OF NEW YORK, NEW YORK. EACH PARTICIPANT AND AUTHORIZED USER EXPRESSLY CONSENTS TO THE JURISDICTION OF ANY SUCH COURT, WAIVES ANY OBJECTION TO VENUE THEREIN, AND WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. ANY CLAIM FOR REDRESS OR DAMAGES HEREUNDER SHALL BE FILED IN A COURT OF COMPETENT JURISDICTION WITHIN TWO YEARS OF THE DATE ON WHICH SUCH CLAIM ALLEGEDLY AROSE. FAILURE TO INSTITUTE LITIGATION WITHIN SUCH TIME PERIOD SHALL BE DEEMED TO BE A WAIVER OF SUCH CLAIM AND THE CLAIM SHALL BE OF NO FURTHER FORCE OR EFFECT. THE ALLOCATIONS OF LIABILITY IN THIS RULE REPRESENT THE AGREED AND BARGAINED FOR UNDERSTANDING OF THE PARTIES, AND EACH PARTY ACKNOWLEDGES THAT THE OTHER PARTY'S RIGHTS AND OBLIGATIONS HEREUNDER REFLECT SUCH ALLOCATIONS. THE PARTIES

AGREE THAT THEY WILL NOT ALLEGE THAT THIS REMEDY FAILS ITS ESSENTIAL PURPOSE.

H. EACH PARTICIPANT AGREES THAT ANY ACTION IT BRINGS AGAINST A GEMINI PARTY OR AGAINST ANOTHER PARTICIPANT WILL BE RESOLVED BY BINDING ARBITRATION, IN ACCORDANCE WITH THE RULES OF CHAPTER 8 OF THIS RULEBOOK AND OTHER RULES OF THE COMPANY, IF APPLICABLE.

I. THE LIMITATIONS ON LIABILITY IN THIS RULE SHALL NOT PROTECT ANY PARTY FOR WHICH THERE HAS BEEN A FINAL DETERMINATION (INCLUDING EXHAUSTION OF ANY APPEALS) BY A COURT OR ARBITRATOR TO HAVE ENGAGED IN WILLFUL OR WANTON MISCONDUCT OR FRAUD. ADDITIONALLY, THE FOREGOING LIMITATIONS ON LIABILITY OF THIS RULE SHALL BE SUBJECT TO THE CEA AND THE REGULATIONS PROMULGATED THEREUNDER, EACH AS IN EFFECT FROM TIME TO TIME.

Rule 10.7 Error Trade Policy

NEITHER THE COMPANY NOR ANY OF ITS REPRESENTATIVES, ITS AFFILIATES OR ITS AFFILIATES' REPRESENTATIVES SHALL BE LIABLE TO ANY PERSON, OR ANY PARTNER, DIRECTOR, OFFICER, AGENT, EMPLOYEE, AUTHORIZED USER OR AUTHORIZED REPRESENTATIVE THEREOF, FOR ANY LOSS, DAMAGE, INJURY, DELAY, COST, EXPENSE, OR OTHER LIABILITY OR CLAIM, WHETHER IN CONTRACT, TORT OR RESTITUTION, OR UNDER ANY OTHER CAUSE OF ACTION, SUFFERED BY OR MADE AGAINST THEM ARISING FROM ANY ACT OR OMISSION ON THE PART OF THE COMPANY, ITS REPRESENTATIVES, ITS AFFILIATES, ITS AFFILIATES' REPRESENTATIVES, OR ANY SEF OR DCM CLEARING THROUGH THE COMPANY RELATING TO ANY DECISION BY THE COMPANY TO, OR TO NOT, VOID, NULLIFY OR CANCEL ORDERS OR TRADES OR ADJUST THE PRICES OF ANY TRADES IN WHOLE OR IN PART. THIS LIMITATION OF LIABILITY WILL APPLY REGARDLESS OF WHETHER OR NOT THE COMPANY, ITS REPRESENTATIVES, ITS AFFILIATES OR ITS AFFILIATES' REPRESENTATIVES (OR ANY DESIGNEE THEREOF), OR ANY SEF OR DCM CLEARING THROUGH THE COMPANY WERE ADVISED OF OR OTHERWISE MIGHT HAVE ANTICIPATED THE POSSIBILITY OF SUCH DAMAGES.

Rule 10.8 Canceling Cleared Trades

All requests to cancel cleared trades must be directed to the relevant Member.

Rule 10.9 Amendments to the Rules

These Rules may be amended or repealed, or new Rules may be adopted. An amendment to a Rule, repeal of a Rule or adoption of a new Rule shall be effective on a date set forth by the Company, and set forth in a Notice and on the Website or on the Platform's website.

Rule 10.10 Transfer of Trades

A. The Chief Compliance Officer, or his or her designee may, upon request by the Members, approve a transfer of existing trades and collateral either on the books of the same Member, or from the books of one Member to the books of another Member if the transfer is, (i) between accounts with identical beneficial ownership or, (ii) in connection with, or as a result of, an asset purchase, corporate restructuring, consolidation or similar non-recurring transaction between two or more entities. Such a transfer must meet each of the following conditions:

1. The transfer must result in the transfer of all existing open positions and collateral in the transferor account;

2. Immediately prior to the transfer, the transferee account must not have any existing open positions or collateral; and

3. All trades involved in the transfer must remain fully collateralized upon completion of the transfer.

B. Provided that the transfer is permitted pursuant to paragraph (A) above, the transactions must be recorded and carried on the books of the receiving Member at the original trade dates with the original trade prices.

C. All transfers shall be reported to the Company in a form acceptable to the Company for the type of transactions involved. The Members involved shall maintain a full and complete record of all transactions together with all pertinent memoranda.

Rule 10.11 Contracts Not Voidable

A Contract will not be void or voidable due to: (1) a violation by the Company or Platform of the provisions of sections 5 or 5h of the CEA or Parts 37, 38, or 39 of CFTC Regulations; (2) any CFTC proceeding to alter or supplement a rule, term or condition under section 8a(7) of the CEA or to declare an emergency under section 8a(9) of the CEA; or (3) any other proceeding the effect of which is to: (i) alter or supplement a specific term or condition or trading rule or procedures, or
(ii) require the Company or Platform to adopt a specific term or condition, trading rule or procedure, or to take or refrain from taking a specific action.
