

**CFTC TECHNOLOGY ADVISORY COMMITTEE (TAC)**  
**December 14, 2020**  
**AGENDA**

**9:30am**      **Opening Remarks**

**9:45am**      **Panel: Virtual Currencies Subcommittee Presentation: The Growth and Regulatory Challenges of Decentralized Finance**

*Discussion on the growth of decentralized finance, a broad category of emerging smart contract-based financial services being built on top of blockchains, that will highlight areas of development, detail potential regulatory challenges, and propose possible solutions.*

Presenters:

- Aaron Wright, Clinical Professor of Law, Cardozo Law School
- Gary DeWaal, Special Counsel, Katten Muchin Rosenman LLP

**11:15am**      **TAC Vote**

*A recommendation from the TAC Cybersecurity Subcommittee for the TAC to recommend to the CFTC that it provide clear, concise and up-to-date guidance on how the CFTC reviews highly-sensitive cybersecurity artifacts and sensitive intellectual property.*

Presenters:

- Jerry Perullo, Chief Information Security Officer, ICE
- Hunter Landrum, Government Affairs Counsel, Two Sigma

**11:30am**      **Closing Remarks**
