Orders entered on the Exchange for the purpose of upsetting the equilibrium of the market in any Contract or creating a condition in which prices do not or will not reflect fair market values are prohibited, and any Participant or Authorized User who makes or assists in entering any such Order with knowledge of the purpose thereof or who, with such knowledge, in any way assists in carrying out any plan or scheme for the entering of any such Order, will be deemed to have engaged in an act detrimental to the Exchange.

Additionally, no Participant or Authorized User shall knowingly execute or accommodate the execution of such Orders by direct or indirect means.

The Form 102 shall be submitted to the Exchange no later than the Business Day following the date on which the account becomes reportable.

(c) Positions in Exchange products at or above the reportable level set forth in the product rules trigger reportable status. CHAPTER 5 MARKET OPERATIONS

Rule 501 Market Hours and Operation

- (a) Market Hours. The Exchange and the Clearinghouse will be open for trading on all business days during the market hours specified in the trading calendar, which is available at the Website.
- (b) Procedures. With respect to trading on or through the Exchange, the

Exchange and the Clearinghouse may adopt, without limitation, procedures relating to Transactions in Contracts and trading on the Exchange, including procedures to:

- (i) disseminate the prices of bids and offers and the prices of trades in Contracts;
- (ii) record and account for Contracts;
- (iii) perform market surveillance and regulation on matters affecting Contracts;
- (iv) establish limits on the number and/or size of Orders that may be submitted by a Participant or Authorized User to the Exchange;
- (v) establish position limits on the number of Contracts that can be held by a Participant or customer on the Exchange;
- (vi) establish limits on the number of messages a Participant can send to the Exchange for a Contract in a given time frame;
- (vii) establish a limit on the maximum daily price fluctuations for any Contracts and provide for any related restriction or suspension of trading in such Contracts; and
- (viii) require a suspended or expelled Participant, or a Participant with restricted trading rights, to cause Contracts to be executed for such Participant's account to reduce or eliminate such Participant's open positions.

(c) Market Suspension and Emergencies. The Exchange and the Clearinghouse reserve the right to adjust Trading Hours and suspend market activities for all or a subset of Contracts in the case of extenuating market circumstances which include, but are not limited to, any occurrence or circumstance which threatens or may threaten such matters as the fair and orderly trading in, or the liquidation of or delivery pursuant to, any Contracts, and which is determined by the Exchange to require immediate action.

During an Emergency, the Board may implement temporary emergency procedures and rules ("**Emergency Rules**"), subject to the applicable provisions of the CEA and CFTC Rules. Emergency Rules may require or authorize the Exchange, the Clearinghouse, the Board, any committee of the Board, the Chief Executive Officer or, in his or her absence, any other Officer to take actions necessary or appropriate to respond to the Emergency, including, but not limited to, the following actions:

- (i) suspending or curtailing trading or limiting trading to liquidation only (in whole or in part);

- (viii) imposing or modifying trading limits, price limits and/or position limits; and/or
- (ix) any other action as directed by the CFTC.

Before any Emergency Rule may be adopted and enforced, a required vote of the Board must approve the enforcement of such Emergency Rule at a duly convened meeting. Directors may attend such a meeting by teleconference. If the Chief Executive Officer, or another authorized Officer, determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, then the Chief Executive Officer or such Officer shall have the authority, without Board action, to implement any Emergency Rules with respect to such Emergency that he or she deems necessary or appropriate to respond to such Emergency. In such circumstances, the Chief Executive Officer or such Officer must convene a meeting as soon as practicable.

Whenever the Exchange, the Clearinghouse, the Board, any committee of the Board, the Chief Executive Officer or authorized Officer takes actions necessary or appropriate to respond to an Emergency a duly authorized representative of the Exchange or the Clearinghouse, where possible, will post an announcement in a notice to Participants and Clearing Members. When the Board, any committee of the Board, the Chief Executive Officer or other authorized Officer determines that the Emergency has been reduced sufficiently to allow the Exchange and the Clearinghouse to resume normal functioning, any such actions responding to an Emergency will be terminated.

The Exchange or the Clearinghouse, as applicable, will notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not practicable, the Exchange or the Clearinghouse, as applicable, will notify the CFTC at the earliest possible time after implementation, but in no event more than twenty-four hours after implementation.

Upon taking any action in response to an Emergency, the Exchange or the Clearinghouse, as applicable, will document the decision-making process related to such action. Such documentation will be kept for at least five (5) years following the date on which the Emergency ceases to exist or to affect the Exchange or the Clearinghouse, as applicable, and all such documentation will be provided to the CFTC upon request.

The Exchange shall submit the requested information by the open of business on the date that is two business days from the date of request by CFTC staff, or at the conclusion of such extended period agreed to by CFTC staff after timely receipt of a written request from the Exchange.

Each Participant and Authorized User shall ensure that no User ID is used by any Person not authorized by these Rules. Each Participant that is not an individual must have in place policies and procedures acceptable to the Exchange to ensure the proper use and protection of User IDs.

(e) Each Participant shall ensure the accuracy of the registration information of its Authorized Users at all times.

For previously submitted Orders, additional validation checks may be run to ensure that the Order contents are still valid and that the submitting Participant has not been suspended.

(h) Clearing. All matched trades generated by the Trade Matching Engine after the application of trade risk limits give rise to binding Exchange Transactions between the applicable Participants, which will be automatically submitted to the Clearinghouse for registration and novation, as described in Chapter 8 and 9 of these Rules. Further description of Clearinghouse procedures and rules can be found in the Clearinghouse rulebook. The Exchange reserves the right to cancel erroneous trades submitted to the Clearinghouse in accordance with Rule 508.

Position Transfers will not contribute to any reported volume, price, or trading range.

Rule 508 Trade Cancellations; Trade Reviews

- (a) Trade Cancellation Authority. The Exchange may adjust trade prices or

cancel (bust) trades when such action is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Exchange or by system defects or malfunctions. Notwithstanding any other provision of this Rule 508(a), the Exchange may adjust trade prices or cancel any trade if the Exchange determines that allowing the trade to stand as executed may have a material, adverse effect on the integrity of the market. Any decision of the Exchange with respect to an adjustment or cancellation subject to this Rule 508(a) shall be final.

(b) Review of Trades. The Exchange may review a trade based on its analysis of market conditions or a request for review by a user of the Exchange. A request for review must be made within five minutes of the execution of the trade. The Exchange shall promptly determine whether the trade will be subject to review, and upon deciding to review a trade, the Exchange will promptly issue an alert to all Participants on the Exchange indicating that the trade is under review. In the case of Contracts determined by the Exchange to be illiquid, the Exchange may initiate a review up to one hour after the execution of the trade, and has the authority, but not the obligation, to review trades reported more than one hour following execution if it determines that the trade price was significantly out of line with fair value. In the course of its review of any trade, the Exchange may, but is not obligated to, inform any of the parties to the trade of the identity and contact information of any other party to the trade.

(c) Each Clearing Member and Participant shall maintain such Audit Trail information for a minimum of five (5) years and must have the ability to produce Audit Trail data in a standard format upon request of the Exchange. - (ii) each Participant and Clearing Member must perform periodic testing of disaster recovery and business continuity plans, duplication of critical systems at back up sites and periodic back-up of critical information and provide the Exchange or Clearinghouse with information regarding the foregoing upon request; and
- (iii) each Participant and Clearing Member must maintain and, at the request of the Exchange or the Clearinghouse, provide accurate and complete information for its key personnel. Each Participant and Clearing Member must inform the Exchange or Clearinghouse in a timely manner whenever a change to its key personnel is made.

Rule 602 Process Considerations

(a) Compliance Department. The Compliance Department is appointed and authorized by the Chief Executive Officer of the Exchange to provide market surveillance, investigation and enforcement of trading activities on the Exchange to ensure compliance with Exchange and Clearinghouse Rules and applicable laws. The Compliance Department has three primary functions:

- (i) The Surveillance Team is responsible for real-time and post-trade surveillance of the Exchange’s trading systems. Members of the Surveillance Team respond to real-time alerts to ensure the integrity of the markets. The Surveillance Team identifies actions or omissions that

may indicate a possible basis for finding that a violation of Exchange or Clearinghouse Rules has occurred or will occur.

(ii) Investigations and enforcement are conducted by the Investigation Team. The Investigation Team is comprised of Exchange employees and/or persons hired on a contract basis, except for Exchange Participants, Clearing Members or other Persons whose interests conflict with enforcement duties. The Investigation Team may not operate under the direction or control of any person(s) with trading privileges. The Investigation Team is authorized, among other things, to:

- 1) initiate and conduct investigations;
- 2) prepare investigative reports and make recommendations concerning initiating disciplinary proceedings, including any charges to be issued;
- 3) participate in settlement discussions with respondents and recommend settlement sanctions to the Disciplinary Committee; and
- 4) prosecute alleged violations within the Exchange's or Clearinghouse's disciplinary jurisdiction.

(iii) The Disciplinary Committee is appointed by the Board at the recommendation of the Chief Regulatory Officer and shall be comprised of not less than three individuals from among Participants, Clearing Members and other Persons with knowledge and experience in the financial markets, who are not involved in the conduct giving rise to the alleged Rule violations.

(b) Third-Party Enforcement. The Exchange or Clearinghouse may delegate any of its rights and responsibilities herein to a Regulatory Services Provider.

(c) Expense Liability. At the discretion of the Exchange, any Participant or Clearing Member found in violation of the Rules may be required to pay to the Exchange any and all expenses incurred as a result of the investigation of the violation and prosecution of the Participant or Clearing Member. This assessment is in addition to any monetary fines imposed for the Rule violation(s).

Rule 603 Disciplinary Matters

(a) Investigations. The Investigation Team will investigate any matter within the Exchange or Clearinghouse's jurisdiction of which it becomes aware. The Investigation Team will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the Exchange or Clearinghouse that, in

the judgment of the Surveillance Team, indicates a possible basis for a finding that a violation has occurred or will occur. The Investigation Team shall determine the nature and scope of its investigations in its sole discretion and will operate independently of the commercial interests of the Exchange or Clearinghouse. Absent mitigating circumstances, the Investigation Team must complete its investigation within twelve (12) months after the date the investigation is opened. Permissible mitigating circumstances include the complexity of the investigation, the number of firms or individuals involved in as potential respondents, the number of potential violations to be investigate and the volume of documentation and data that must be analyzed.

Upon request by a member of the Investigation Team, a Participant, Authorized User, Clearing Member, and Customer:

- (i) is obligated to appear and testify and respond in writing to interrogatories within the specified time period in connection with:
 - 1) the Rules;
 - 2) any inquiry or investigation; or
 - 3) any preparation by and presentation during a Disciplinary Action;
- (ii) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the specified time period in connection with:
 - 1) the Rules;
 - 2) any inquiry or investigation; or
 - 3) any preparation by and presentation during a Disciplinary Action;
- (iii) may not impede or delay any Disciplinary Action.

(b) Reports of Investigations. The Investigation Team will submit a written report of each investigation to the Disciplinary Committee and maintain a log of all investigations and their disposition. The written report of the investigation (the “**Investigation Report**”) will include the reasons for initiating the investigation, all relevant facts and evidence gathered, analysis and conclusions, the Participant’s or Clearing Member’s disciplinary history at the Exchange or Clearinghouse, and will consist of one of the following recommendations:

- (i) closing the investigation without further action;
- (ii) settlement;

- (iii) summary action;
- (iv) the preparation and service of a notice of charges for instituting a disciplinary proceeding; or
- (v) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction, however, the investigative report must include a copy of any warning letter and no more than one warning letter for the same potential violation may be issued to the same Participant or Clearing Member during a rolling 12-month period.

(c) Review of Reports of Investigations. The Disciplinary Committee will determine whether a reasonable basis exists to believe that a violation within the Exchange or Clearinghouse's jurisdiction has occurred or is about to occur. The Disciplinary Committee will determine for each Respondent whether to authorize:

- (i) the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted; or
- (ii) the closing of the investigation without any action because no reasonable basis exists to believe that a violation within the Exchange or Clearinghouse's jurisdiction has occurred or is about to occur; or,
- (iii) the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the Exchange or Clearinghouse's jurisdiction has occurred or is about to occur.

(d) Opportunity to Respond. At the discretionary authority of the Disciplinary Committee, the Compliance Department may notify the Respondent(s) that formal disciplinary charges are recommended and allow the Respondent to submit, within the specified time period, an offer of settlement or a written statement explaining why disciplinary proceedings should not be instituted or why one or more of the charges should not be brought.

(e) Service of Notice of Charges. Once the Disciplinary Committee authorizes disciplinary proceedings, the Compliance Department will prepare and serve a notice of charges that will provide as follows:

- (i) state the acts, practices or conduct that the Respondent is alleged to have engaged in;
- (ii) state the Exchange or Clearinghouse Rule or provision of applicable law alleged to have been violated or about to be violated;
- (iii) state the proposed sanctions;

- (iv) advise the Respondent of its right to a hearing;
- (v) advise the Respondent that he or she has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process;
- (vi) state the period of time within which the Respondent can request a hearing on the notice of charges, which will not be less than fourteen (14) days after service of the notice of charges;
- (vii) advise the Respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
- (viii) advise the Respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

The service of notice upon the Respondent shall be deemed complete via email to the contact as it appears on the books and records of the Exchange or Clearinghouse or in the Participant Agreement or Clearing Member Agreement.

(f) Answer to Service of Notice of Charges. If the Respondent decides to answer a notice of charges, the Respondent must file answers within fourteen (14) days after being served with such notice, or within such other time period as stated in such notice of charges. The Respondent must answer the notice of charges in writing as follows:

- (i) specify the allegations that the Respondent denies or admits;
- (ii) specify the allegations that the Respondent does not have sufficient information to either deny or admit;
- (iii) specify any specific facts that contradict the notice of charges;
- (iv) specify any affirmative defenses to the notice of charges; and
- (v) sign and serve the answer on the Chief Regulatory Officer.

Failure by the Respondent to timely serve an answer to the notice of charges will be deemed to be an admission to the allegations in such notice. Any allegation in a notice of charges that the Respondent fails to expressly deny will be deemed admitted. A general denial by the Respondent, without more, will not satisfy the requirements herein.

(g) Settlement Offers. At any time after a notice of charges has been issued, a Respondent may at any time submit to the Compliance Department a written offer of settlement related to anticipated or instituted disciplinary proceedings. The Disciplinary Committee may, in its discretion, permit the Respondent to settle disciplinary proceedings without admitting or denying the rule violations if the Respondent consents to the entry of

findings and sanctions imposed. If an offer of settlement is accepted, the Disciplinary Committee shall issue a written decision specifying the rule violations it has reason to believe were committed and any penalties imposed. All offers of settlement that have been accepted by the Disciplinary Committee may not be appealed.

If the offer of settlement is not accepted by the Disciplinary Committee, or fails to become final, or is withdrawn by the Respondent, the matter will proceed as if the offer had not been made such that the Respondent shall not be deemed to have made any admissions by reason of the settlement offer and shall not be otherwise prejudiced by having submitted the settlement offer.

(h) Hearing Panel.

- (i) Participants and Clearing Members may request a formal hearing on charges denied in the Respondent's answer to the notice of charges per Rule 603(f). The Hearing Panel, appointed by the Board at the recommendation of the Chief Regulatory Officer, shall be comprised of not less than three individuals from among Participants and Clearing Members (consisting of one Public Director, one representative of the brokerage community and one representative of the trading community), and/or other individuals with knowledge and experience in the financial markets, who are not involved in the conduct giving rise to the alleged Rule violations. The individuals on the Hearing Panel will serve until the related proceedings are completed. The chair of the Hearing Panel will be an individual qualified to be a Public Director.
- (ii) The Respondent will be notified of the appointment of the Hearing Panel and must respond within 10 days by serving notice to the Chief Regulatory Officer if the Respondent seeks to disqualify any individual names to the Hearing Panel for reasonable grounds including that such individual has a financial interest in the matter. Legal counsel, other than the Chief Regulatory Officer, will decide the merits of any request for disqualification within his or her sole discretion. Such decision will be final and not subject to appeal.
- (iii) Prior to the commencement of the hearing, the Respondent will be given the opportunity to review all books, records, documents, transcripts of testimony and other tangible evidence in the possession or under the control of the Exchange or Clearinghouse to be used by the Compliance Department to support the allegations and proposed sanctions in the notice of charges, except for information protected by attorney-client privilege. The Compliance Department may redact, edit or code information that could adversely affect the competitive position of the person providing the information or if such information might compromise other investigations being conducted by the Compliance Department. However, the Compliance Department may not redact, edit

or code information that would impair the Respondent's ability to defend against allegations or proposed sanctions in the notice of charges.

- (iv) The following rules shall apply in each case presented before the Hearing Panel:
 - 1) The Compliance Department shall prosecute the case.
 - 2) Formal rules of evidence do not apply.
 - 3) The Respondent shall be entitled to appear personally at the hearing and have the choice of being represented by legal counsel or another representative. The Respondent's representation is limited to two individuals.
 - 4) The Respondent has the power to cross-examine witnesses and present documentary evidence.
 - 5) The burden of proof is on the Compliance Department.
 - 6) A majority vote of the Hearing Panel is needed to find a violation of the Rules.
- (v) No Person shall serve on the Hearing Panel unless that Person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any person or any other information which may be obtained while serving as a member of the Hearing Panel, except for disclosures when reporting to the Board, the Compliance Department, upon request by the Commission or other Governmental Authority, or when compelled to testify in a judicial or administrative proceeding. Furthermore, no Person shall serve on the Hearing Panel if such Person has already been involved in the Disciplinary Action for any reason. The hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of the hearings, the Hearing Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (vi) The chair of the Hearing Panel shall conduct the hearing as he or she may deem appropriate. The chair of the Hearing Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. Legal counsel, other than the Chief Regulatory Officer, will provide guidance to the chair of the Hearing Panel on the conduct of the hearing. At the hearing, the Hearing Panel or the Compliance Department and each Respondent may:

- 1) present evidence and facts determined relevant and admissible by the chair of the Hearing Panel;
 - 2) call and examine witnesses; and
 - 3) cross-examine witnesses called by other parties.
- (vii) If the Respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the Respondent's answer, the chair of the Hearing Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a Respondent fails to file an answer but appears at the hearing, the Respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Hearing Panel determines that the Respondent had a compelling reason for failing to timely file an answer. If the Hearing Panel determines that the Respondent had a compelling reason for failing to timely file an answer, the Hearing Panel will adjourn the hearing and direct the Respondent to promptly file a written answer.
- (viii) Reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing will be given to persons entitled or required to appear before the Hearing Panel. The Hearing Panel may impose sanctions on any person that impedes or delays the progress of the hearing. Interlocutory appeals of rulings by the Hearing Panel or the chair of the Hearing Panel are not permitted.
- (ix) If the Respondent is found to have violated one or more Rules, the written decision shall state the disciplinary action to be taken by the Exchange as well as the effective date thereof. The Hearing Panel may in such a case:
- 1) issue a warning letter;
 - 2) issue a cease and desist order;
 - 3) suspend the Participant's or Clearing Member's rights to engage in Exchange Transactions;
 - 4) expel the Participant or Clearing Member from the Exchange or Clearinghouse; and/or
 - 5) impose any other sanction deemed appropriate under the circumstances.

All decisions will be subject to CFTC Rules 38.708(a)-(f).

- (x) The Respondent may appeal the Hearing Panel decision within fourteen (14) days of receiving the order by filing a written notice of appeal pursuant to Rule 604. The order of the Hearing Panel's decision will become final upon expiration of fourteen (14) days after the order is served on the Respondent.

(i) Settlement. At any time prior to the issuance of the written decision of the Hearing Panel, the Respondent may submit an offer of settlement to the Compliance Department for review. The Disciplinary Committee will determine whether to accept or reject the offer and forward the basis for its recommendation to the Hearing Panel for final determination. If the Hearing Panel agrees, the Chief Regulatory Officer will conditionally accept the settlement offer, which will become final upon the expiration of fourteen (14) days after the order of the Hearing Panel consistent with the terms of the settlement offer is served on the Respondent. The offer of settlement must detail the rule violations, including the basis for the Hearing Panel's conclusions and any sanction to be imposed, which must include full customer restitution where customer harm is demonstrated. If applicable, the decision must also include a statement that the Respondent has accepted the sanctions imposed without either admitting or denying the rule violations. The acceptance of a settlement offer and the related final order by the Hearing Panel constitutes a waiver of the Respondent's right to notice, opportunity for a hearing and review, and appeal under Exchange or Clearinghouse Rules. If the settlement offer is not accepted, fails to become final, or is withdrawn by the Respondent, the matter will proceed as if the offer had not been made and the offer and all documents related to it will not become part of the record.

(j) Sanctions. After notice and opportunity for hearing in accordance with Exchange or Clearinghouse Rules, the Exchange will impose sanctions if any Participant, Authorized User, Clearing Member, or Person using any of the Participant's or Clearing Member's User IDs, or Customer is found to have violated or to have attempted to violate a Rule of the Exchange or Clearinghouse or provision of applicable law for which the Exchange or Clearinghouse possess disciplinary jurisdiction. All sanctions must take into account the Respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution. The Exchange may impose one or more of the following sanctions or remedies:

- (i) censure;
- (ii) limitation or restriction on trading privileges, access to the Exchange or Clearinghouse and other activities, functions or operations;
- (iii) suspension of trading privileges and access the Exchange or Clearinghouse;
- (iv) fine;
- (v) restitution;
- (vi) disgorgement;

- (vii) termination of trading privileges and access the Exchange or Clearinghouse; or
- (viii) any other sanction or remedy deemed to be appropriate.

The Exchange may impose a fine of up to \$1,000,000 for each violation of Exchange or Clearinghouse Rules or a provision of applicable law. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The Exchange has sole discretion to select the bank on whose quotations to base the prime rate. Participants and Clearing Members will be responsible for paying any fine or other amount imposed on, but not paid by, any of its traders, supervisors, or Customers.

Rule 604 Summary Actions

(a) Summary Suspensions. At any time, the Chief Regulatory Officer, in consultation with the Regulatory Oversight Committee of the Board, may summarily suspend, revoke, limit, or condition a Participant's or Clearing Member's privileges on the Exchange or Clearinghouse. The Chief Regulatory Officer must reasonably believe that the business, conduct or activities of the Participant or Clearing Member in question is not in the best interest of the Exchange, the Clearinghouse, or the marketplace, based on relevant circumstances including (but not limited to) any of the following reasons:

- (i) failure to satisfy applicable requirements under the CEA and/or the rules of the CFTC;

- (iii) the amount of the fine.

Within 14 days of the service of the notice of the fine imposed, the Participant or Clearing Member may either pay the fine or file a notice of appeal pursuant to Rule 605(a). Unless timely notice of appeal is filed, the fine will become final upon expiration of 14 days after the notice of fine is served on the Participant or Clearing Member. Rule 605 Appeal from Hearing Panel Decisions and Summary Actions

(a) **Appeal Procedures.** A Respondent found by the Hearing Panel to have violated an Exchange or Clearinghouse Rule or applicable law or who is subject to any summary action imposed pursuant to Rule 604 may appeal the decision within fourteen (14) days of receiving the order of the Hearing Panel decision or notice of summary action by filing a notice of appeal with the Chief Regulatory Officer. Except for summary suspensions imposed pursuant to Rule 604(a) and (b), Hearing Panel decisions and summary imposition of fines shall be suspended while the appeal is pending.

The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the Respondent objects. The Respondent may give notice of appeal on the grounds that:

- (i) the order or decision was arbitrary, capricious, an abuse of discretion, or not in accordance with Exchange or Clearinghouse Rules;
- (ii) the order or decision exceeded the authority or jurisdiction of the Hearing Panel, the Disciplinary Committee, the Exchange, or the Clearinghouse;
- (iii) the order or decision failed to observe required procedures;
- (iv) the order or decision was unsupported by the facts or evidence; or

- (v) the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.

The Chief Regulatory Officer will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 14th day after filing a notice of appeal, the appellant must file with the Chief Regulatory Officer and serve on the Compliance Department a brief supporting the notice of appeal and documents supporting the brief. On or before the 14th day after the date on which the appellant serves supporting brief, the appellee must file and serve its brief in opposition with the Compliance Department.

Within 30 days after the last submission filed, the Board will appoint a Board of Appeals at the recommendation of the Chief Regulatory Officer, which shall be composed of not less than three individuals from among Participants and Clearing Members (consisting of one Public Director, one representative of the brokerage community and one representative of the trading community), and/or other Person with knowledge and experience in the financial markets, who did not participate in any prior stage of the disciplinary proceeding. No member may serve on the Board of Appeals if such person or any person or firm with whom such person is affiliated has a financial, personal, or other direct interest in the matter. The individuals on the Board of Appeals will serve until the related proceedings are completed. The chair of the Board of Appeals will be an individual qualified to be a Public Director.

(b) Review by the Board of Appeals. The Board of Appeals will hold a hearing to allow parties to present oral arguments. Except for good cause shown, the review by the Board of Appeals shall only consider the record before the Disciplinary Committee, the written exceptions filed by the parties, and the oral and written arguments of the parties.

Upon completing its review, the Board of Appeals may affirm, modify or reverse the Hearing Panel decision or summary action under appeal. Modifications by the Board of Appeals may include increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by Exchange or Clearinghouse Rules, remanding the matter to the same or a different Hearing Panel for further disciplinary proceedings, or ordering a new hearing.

As promptly as reasonably possible following its review, the Board of Appeals will issue a written decision based on the weight of the evidence before the Board of Appeals. The decision of the Board of Appeals will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Exchange or Clearinghouse Rule and provision of applicable law that the Respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost. The order by the Board of Appeals will be the final action of the Exchange and will not be subject to further appeal within the Exchange.

Rule 606 Rights and Responsibilities After Suspension or Termination

(a) When the Participant's or Clearing Member's right to access the Exchange or Clearinghouse, or the association of an Authorized User with a Participant, is suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Clearing Member; enter orders into the Exchange; clear trades through the Clearinghouse, and receive Participant rates for fees, costs, and charges) will apply during the period of the suspension, except for the right of the Participant, Authorized User or Clearing Member in question to assert claims against others as provided in the Rules. Any such suspension will not affect the rights of creditors under the Rules or relieve the Participant, Authorized User or Clearing Member in question of its, his, or her obligations under the Rules to perform any Transactions entered into before the suspension, or for any Exchange or Clearinghouse fees, costs, or charges incurred during the suspension. The Exchange may discipline a suspended Participant or Authorized User or Clearing Member under this Chapter 6 for any violation of Applicable Law committed by the Participant or Clearing Member before, during, or after the suspension.

(b) When the Participant's or Clearing Member's right to access the Exchange or Clearinghouse, or the association of an Authorized User with a Participant, is terminated, all of its rights will terminate, except for the right of the Participant or Authorized User or Clearing Member in question to assert claims against others, as provided in the Rules. Any such termination will not affect the rights of creditors under the Rules. A terminated Participant, Authorized User or Clearing Member may only seek to reinstate its right to access the Exchange or Clearinghouse by filing an application in accordance with Chapter 3 of the Rules. The Exchange and Clearinghouse will not consider the application of a terminated Participant, Authorized User or Clearing Member if such Participant or Authorized User continues to fail to appear at Disciplinary Actions without good cause, or continues to impede the progress of Disciplinary Actions.

(c) A suspended or terminated Participant, Authorized User or Clearing Member remains subject to the Rules and the jurisdiction of the Exchange and Clearinghouse for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Actions, appeal of Disciplinary Actions, summary suspension, or other summary action as if the suspended or terminated Participant, Authorized User or Clearing Member still had the right to access the Exchange or Clearinghouse, or was still associated with a Participant or Clearing Member, as the case may be.

Rule 607 Notice to the Respondent, the CFTC, and the Public

The Exchange will provide written notice of Disciplinary Actions to the parties and the CFTC consistent with CFTC Rules. Whenever the Exchange suspends, expels, fines, or otherwise disciplines, or denies any Person access to the Exchange or Clearinghouse, the Exchange will make the public disclosures required by CFTC Rules.

CHAPTER 7 ARBITRATION

Rule 701 In General

(a) Participants, Clearing Members, and Customers shall arbitrate through NFA in accordance with NFA's Code of Arbitration and NFA's member arbitration rules. All disputes, controversies or claims between or among themselves that relate to or arise out of any Contract or otherwise arise out of one or more Transactions made or to be made on the Exchange or subject to the Rules and that are based upon facts and circumstances that occurred at a time when the parties were Participants, Clearing Members, or Customers.

(b) To initiate arbitration, a Person shall notify the NFA, either in writing or orally. The NFA shall maintain a record of the receipt of such notice and shall promptly provide such Person with a copy of the member arbitration rules and an Arbitration Claim form. The intent to arbitrate must be received by NFA within two years from the date when the party filing the Arbitration Claim form knew or should have known of the act or transaction that is the subject of the controversy.

(c) The party filing a claim shall pay a hearing fee based on the amount claimed in accordance with NFA's member arbitration rules. The arbitrator(s), in their discretion, may assess the entire fee against any party or divide the fee among any or all parties. Hearing fees shall be paid to NFA in advance of the hearing sessions to which they apply.

(d) The arbitration will be conducted in Chicago, Illinois, by an arbitrator operating in accordance with the provisions of NFA's member arbitration rules in effect at the time of filing of the claim for arbitration. The arbitrator shall have the authority to award any remedy or relief that a court of competent jurisdiction could order or grant, including the issuance of an injunction.

(e) Except as necessary in court proceedings to enforce this arbitration provision or an award rendered hereunder, or to obtain interim relief, neither a Party nor an arbitrator may disclose the existence, content or results of any arbitration hereunder without the prior written consent of the Parties. For the purposes of this section, the NFA is not considered a Party.

(f) Controversies or claims solely related to the Clearinghouse between Clearing Members and the Clearinghouse arising out of or relating to the Rules, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The place of arbitration shall be Chicago, Illinois. Claims against the Clearinghouse must be pursued pursuant to the rules of the Clearinghouse. In the event of a conflict between the American Arbitration Association Commercial Arbitration Rules, the terms of the Rulebook shall control.

Rule 702 Exceptions

This Chapter 7 does not apply to disputes between Participants, Clearing Members or Customers in which: (a) such Participants, Clearing Members or Customers are required by the

rules of a Self-Regulatory Organization to submit to the dispute resolution procedures of that Self-Regulatory Organization; or (b) such Participants, Clearing Members or Customers have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the NFA or the American Arbitration Association.

Rule 703 Penalties

(a) Any failure on the part of a Participant or Clearing Member to arbitrate a dispute subject to this Chapter 7, or the commencement by any such person of a suit in any court prior to arbitrating a case subject to this Chapter 7, violates the Rules and shall subject such Participant or Clearing Member to Disciplinary Action pursuant to Chapter 6.

(b) The Exchange or Clearinghouse may, as applicable, summarily suspend, pursuant to Rule 604, a Participant or Clearing Member that fails to timely satisfy an arbitration award rendered in any arbitration pursuant to this Chapter 7. If a case settles before an award has been issued, the Exchange will enforce the agreed upon settlement.

CHAPTER 8 CLEARING

Rule 801 Clearing

(a) All Contracts shall be cleared through the Clearinghouse in accordance with the Rules. (c) In lieu of satisfying a payment owed from any auction, sale, or transfer of an Insolvent, Defaulted, or suspended Clearing Member’s house account or customer account in cash to an auction winner, purchaser, or transferee, the Clearinghouse may satisfy such payment owed by transferring Treasury Securities at market value (determined by the Clearinghouse as of the latest mark, using a recognized third-party source, after the application of haircuts), equal to the amount of such obligation.

Rule 811 Acceptance for Clearing and Novation

(a) The Clearinghouse will coordinate with the Exchange and Clearing Members to accept or reject Contracts for clearing as quickly after execution as technologically practicable. The Clearinghouse will accept Contracts for clearing when

Subject to the foregoing, the Clearinghouse shall accept for clearing any Contract that has been executed pursuant to the Rules and submitted by the Exchange to the Clearinghouse for clearance, and shall not accept for clearing any Exchange Contract submitted to it by any Person other than the Exchange. All Contracts accepted for clearing by the Clearinghouse shall be subject to these Rules.

(b) The Clearinghouse, by accepting a Contract offered to it for clearing, shall assume, in the place of each Clearing Member that is a party to such Exchange Contract, all liabilities and obligations imposed by such Exchange Contract to the Clearing Member that is the other party thereto and shall succeed to and become vested with all rights and benefits accruing therefrom. (d) Where, as the result of novation under this Rule, a Clearing Member has bought and sold Contracts for the same account with the same expiry or a put or call option with the same strike price and expiry, such purchase and sale will be offset by the Clearinghouse. Such a Clearing Member shall be required to pay the loss or entitled to collect the profit, as the case may be, upon such offsetting transactions, and shall have no further rights or be under any further obligation with respect thereto. (g) In a Clearing Member default that involves a delivery failure, the Clearinghouse will ensure the financial performance to the Clearing Member whose actions or omissions did not cause or contribute to the delivery failure (the “Affected Clearing Member”). The Clearinghouse powers will include, but are not limited to, the right to sell or liquidate the underlying asset subject to delivery and to distribute the proceeds as appropriate and access the funds and collateral available in a default in accordance with Rule 817. For purposes of this Rule, “financial performance” means payment of commercially reasonable costs of the Affected Clearing Member related to replacing the failed delivery but does not include physical performance or legal fees. For the avoidance of doubt, payment of reasonable costs will be based on the price of the underlying asset when delivery should have been made, and the Clearinghouse is not obligated to make or accept delivery of the actual Digital Asset. Neither the Exchange nor the Clearinghouse will have any responsibility or liability to any Person for the use of, or any failure, error, action or omission of, the Settlement Facility.

(h) An Affected Clearing Member seeking financial performance must provide prompt notice to the Clearinghouse of the delivery failure and a good faith estimate of any financial performance being sought within one (1) hour of the delivery deadline for the product. (b) All obligations of the Clearinghouse to a Clearing Member in respect of such Clearing Member's Customer Account and all positions and Collateral therein shall be separately netted against the positions, accounts and Collateral of such Clearing Member's customers in accordance with the requirements of the Bankruptcy Code, the CEA and CFTC Rules.

All positions that are open immediately before being closed in accordance with this Rule shall be valued in accordance with the following procedures:

(a) As promptly as reasonably practicable, but in any event within 30 days of the (i) Bankruptcy Event, (ii) if a Clearing Member elects to have its open positions closed as described above, the date of the election, or (iii) or (iii) the determination by the Board of Clearinghouse to wind-up all outstanding positions as described above, the Clearinghouse shall fix a U.S. dollar amount (the "Close-out Value") to be paid to or received from the Clearinghouse by each Clearing Member, after taking into account all applicable netting and offsetting pursuant to the provisions of this Rule.

(b) The Clearinghouse shall value open positions subject to close-out by using the market prices at the moment that the positions were closed-out, assuming the markets were operating normally at such moment. If the markets were not operating normally at such moment, the Clearinghouse shall exercise its discretion, acting in good faith and in a commercially reasonable manner, in adopting methods of valuation to produce reasonably accurate substitutes for the values that would have been obtained from the market if it had been operating normally at the moment that the positions were closed-out.

(c) In determining a Close-out Value, Clearinghouse may consider any information that it deems relevant, including but not limited to (i) prices for underlying interests in recent transactions, as reported by the market or markets for such interests, (ii) quotations from leading dealers in the underlying interest, setting forth the price (which may be a dealing price or an indicative price) that the quoting dealer would charge or pay for a specified quantity of the underlying interest, (iii) relevant historical and current market data for the relevant market, provided by reputable outside sources or generated internally, and (iv) values derived from theoretical pricing models using available prices for the underlying interest or a related interest and other relevant data.

(d) Amounts stated in a currency other than U.S. dollars shall be converted to U.S. dollars at the current rate of exchange, as determined by the Clearinghouse.

(e) If a Clearing Member has a negative Close-out Value, it shall promptly pay that amount to the Clearinghouse.

The Clearinghouse intends that certain provisions of this Rule be interpreted in relation to certain terms (identified by quotation marks) that are defined in the Federal Deposit Insurance Corporation Improvement Act of 1991 (“FDICIA”), as amended, as follows:

(a) The Clearinghouse is a “clearing organization.”

(b) An obligation of a Clearing Member to make a payment to the Clearinghouse, or of the Clearinghouse to make a payment to a Clearing Member, subject to a netting agreement, is a “covered clearing obligation” and a “covered contractual payment obligation.”

(c) An entitlement of a Clearing Member to receive a payment from the Clearinghouse, or of the Clearinghouse to receive a payment from a Clearing Member, subject to a netting contract, is a “covered contractual payment entitlement.”

(d) The Clearinghouse is a “member,” and each Clearing Member is a “member.”

(e) The amount by which the covered contractual payment entitlements of a Clearing Member or the Clearinghouse exceed the covered contractual payment obligations of such Clearing Member or the Clearinghouse after netting under a netting contract is its “net entitlement.”

(f) The amount by which the covered contractual payment obligations of a Clearing Member or the Clearinghouse exceed the covered contractual payment entitlements of such Clearing Member or the Clearinghouse after netting under a netting contract is its “net obligation.”

(e) The Clearinghouse may direct a Participant or Clearing Member to liquidate positions or transfer positions to another Clearing Member if the Clearing Member fails to deposit Margin as required by the Clearinghouse. If transfer or liquidation instructions are not satisfied within one (1) hour, the Clearinghouse will originate orders to take such action directly.

(f) Liquidation costs incurred with actions taken in accordance with the Rules will be included in the failed Participants losses and any financial obligations owed by a Clearing Member to the Clearinghouse after such liquidations or transfers may be assessed to that Clearing Member's financial resources available under Rule 907.

Rule 821 Transfers of Open Positions

Any transfer of a Contract shall be subject to the following:

(a) Trades and positions in Contracts may be transferred on the books of one Clearing Member or between Clearing Members provided that:

- (i) The transfer constitutes a change from one account to another where the underlying ownership in the accounts remains the same;

The foregoing is in addition to any other remedy available to the Clearinghouse at law or equity.

Rule 823 Clearing Fees

The Clearinghouse shall have the right to instruct each Approved Financial Institution to debit the house or proprietary account maintained by each Clearing Member, and/or any other account designated by such Clearing Member for purposes of this Rule, for any payment of fees, charges or other amounts (other than fines or penalties) due to the Clearinghouse or due to the Exchange (if and to the extent the Clearinghouse shall be acting as a collection agent for the Exchange).

“Settlement Facility” means the Digital Asset delivery facility, Bitnomial Settlement, LLC², or any successor organization authorized by the Exchange.

Facility.

(c) In the event of a default or failure of a Clearing Member during the delivery period or process, the Clearinghouse shall not be obligated to make or take delivery of Digital Assets.

(d) Any Participant intending to make or take delivery of a Digital Asset pursuant to a Futures Contract shall maintain a valid Digital Asset Delivery Address on record with the Settlement Facility to deliver and/or receive and to hold the respective Digital Asset.

(e) Any Participant intending to make delivery of a Digital Asset agrees to transfer control of that asset to the Settlement Facility in anticipation of delivery in accordance with Exchange Rules.

(f) Each Delivery Participant represents and warrants, to the best of its knowledge, to each Receiving Participant, the Exchange, the Clearinghouse, and the Settlement Facility that the Digital Asset subject to delivery is free and clear of all adverse claims, security interests, liens and encumbrances of any kind whatsoever. Each Participant acknowledges and agrees that the Exchange, the Clearinghouse, and the Settlement Facility provide no representation or warranty as to good or marketable title to any Digital Asset subject to delivery. Each Receiving Participant hereby waives any right to bring a claim, whether in law or equity, against the Exchange, the Clearinghouse, and the Settlement Facility with respect to any defect in, or lack or failure of, good or marketable title of any Digital Asset delivered to Receiving Participant.

(g) The rights and obligations of Clearing Members for contracts cleared by the Clearinghouse, including but not limited to rights and obligations regarding clearing and settlement, variation payments and performance at expiration, shall be as set forth in the By-Laws and Rules of the Clearinghouse.

(h) Clearing Members will not, under any circumstances, be required to own, hold, or control Digital Assets under Exchange Rules, but Clearing Members must ensure, through position monitoring and communication with their customers, as Participants, that such customers are able to satisfy their obligations regarding delivery and acceptance thereof under the applicable Clearinghouse and Exchange Rules.

(i) Clearing Members must confirm that Delivering Participants deliver the appropriate amount of Digital Asset to the Settlement Facility during the Delivery Period.

(j) All Participants and their respective Clearing Members with obligations to make or take delivery are subject to the Clearinghouse Rulebook.

Rule 1103 Delivery Procedures

(a) Notice

Upon final settlement, all open positions serve as a binding delivery notice to the Clearinghouse. The Delivery Notice is not transferable.

(b) Final Settlement Price

The final settlement price shall be the sole basis for delivery.

(c) Final Delivery

Final delivery will be made in the manner specified by the Exchange.

- (i) Upon instruction by the Clearinghouse to the Exchange, the delivery of Digital Assets pursuant to Futures Contracts shall be effected by the Settlement Facility by transferring the relevant amount of the Digital Asset from the Digital Asset Delivery Address of the Delivering Participant to the Digital Asset Delivery Address of the Receiving Participant on the Digital Asset's Blockchain. Delivery shall be fully effected and transferred if reflected by a consensus of nodes on the Digital Asset's Blockchain and after being confirmed as such by the Settlement Facility (a "Transfer").
- (ii) Upon a Transfer of Digital Assets from the Digital Asset Delivery Address of the Delivering Participant to the Digital Asset Delivery Address of the Receiving Participant on the Digital Asset's Blockchain, each Participant hereby agrees that all title, ownership and control of such Digital Asset, and all risk of loss associated with the misappropriation or loss of such Digital Asset, shall reside solely with the Receiving Participant.
- (iii) Neither the Exchange nor the Clearinghouse will have any responsibility or liability to any Person for the use of, or any failure, error, action or omission of, the Settlement Facility.

Rule 1104 Cost of Delivery

All transaction fees required to make delivery of Digital Assets through the Settlement Facility must be paid by the Participant that is seeking to make delivery in addition to the full delivery amount. All transaction fees required to take delivery of Digital Assets through the Settlement Facility must be paid by the Participant seeking to take delivery. The Settlement Facility is authorized to deduct the transaction fees from the delivery amount in the case of a Participant taking delivery.

Rule 1105 Delivery Infractions

- (a) The failure of the Delivering Participant to deliver sufficient Digital Assets to the Digital Asset Delivery Address in a timely manner shall constitute a delivery failure by the Participant and subject them to disciplinary action. Clearing Members are financially

liable for delivery failures of their accounts, including customer accounts, and must pay financial performance upon delivery failure. “Financial performance” means payment of commercially reasonable costs in US Dollars related to replacing the failed delivery but does not include physical performance or legal fees. Payment of reasonable costs will be determined at the sole discretion of the Exchange based on the final settlement price of the contracts that should have been delivered.

(b) If a Participant is required to pay funds pursuant to Rule 1103, but fails to deposit such funds in order to make timely payment on the date required, the Exchange may, in its sole discretion, impose a fine upon the Participant pursuant to the schedule of fines listed in Chapter 6 and any other compensation due to the late or inaccurate delivery.

Rule 1106 Digital Asset Delivery Eligibility

(a) To qualify a Digital Asset as eligible for delivery, the Digital Asset sent through the Settlement Facility must be accepted as valid by the Digital Asset Blockchain consensus protocol and must be at a block depth acceptable to the Settlement Facility.

(b) New Digital Assets that are created as a result of a fork in the Digital Asset protocol during the term of a futures or options contract are not eligible for contract delivery. New Digital Assets created as a result of a fork in the Digital Asset protocol while the Settlement Facility is in the process of delivery will not be delivered to the Participant taking delivery of the forked Digital Asset. The Settlement Facility will return the new Digital Assets created, less any transaction fees, to the Participant making delivery at a later date determined by the Exchange. In the case of a fork where it is not clear which is the new Digital Asset chain, the Exchange has sole discretion to determine which chain will be delivered and which will be returned.

Rule 1204 Bitcoin Futures and Options Price Bands and Price Limits

- (a) **Price Bands.** Price Bands are a per-product price range for aggressive

orders based on the latest top-of-book price. The initial Price Bands are based on the previous day settlement price +/- the Price Band Variation which is set by the Bitnomial Market Operations & Risk Team. The Price Band Variation range is continuously re-calculated from top-of-book.

(b) **Price Limits.** Price Limits are a per product price range based on a percentage of the previous day settlement price. If a trade occurs at the Price Limit for a side, the matching engine triggers a timer. If the timer elapses and no trades occur inside of the Price Limit, the Price Limits are re-calculated and reset. The resultant Price Limits are outside the original Price Limits to allow for additional price movement. The Exchange Market Operations & Risk Team may adjust the daily Price Limits at its sole discretion based on market conditions.

Products	Price Band Variation	Price Limit (the greater of)
BUS	\$250	50% or \$10,000
BUS-BUS	\$50	50% or \$5,000
BUI	\$250	50% or \$10,000
BUI-BUI	\$50	50% or \$5,000
BUSO	\$50	50% or \$5,000

Rule 1205 Bitcoin Futures and Options Position Limits

For purposes of aggregation, no market participant shall own or control any combination of futures and options contracts that exceeds twenty thousand (20,000) Bitcoin Futures-equivalent contracts net long or short in any single month, five thousand (5,000) of such contracts net long or short beginning on the first trading day of the delivery month, or two thousand (2,000) of such contracts net long or short beginning on the first day of the Delivery Period. In no case may a market participant own or control more than eighty thousand (80,000) Bitcoin Futures-equivalent contracts net long or short for all contract months. For aggregation purposes, ten (10) Deci Bitcoin Futures Contracts will convert into one (1) Bitcoin Futures Contract.

In determining whether any market participant has exceeded the position limits, all positions in accounts for which such market participant by power of attorney or otherwise directly or indirectly holds positions or controls trading will be included with the positions held by such market participant. Position limits will apply to positions held by two or more market participants acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single market participant.

Rule 1206 Bitcoin Futures and Options Settlement Price Computation

(a) **Settlement Times and Definitions**

Daily Settlement Period	Five minutes prior to Trading Close
-------------------------	-------------------------------------

Final Settlement Period	Five minutes prior to Trading Termination
Settlement Period	Daily or Final Settlement Period
Roll Period	Five trading days prior to contract expiration day
Front Month Contract After Roll Period	Next contract to expire
Deferred Month Contracts	All contracts yet to expire excluding the Front Month Contract

(b) **Futures Pricing Contract Selection.** Unless during the Roll Period, the Front Month Contract is the Pricing Contract for determining settlement prices. During the Roll Period, the next-to-expire Deferred Month Contract is used as the Pricing Contract.

(c) **Futures Settlement Price Computation**

- (i) The settlement price of the Pricing Contract is the volume-weighted average price (VWAP) of all the trades during the Settlement Period.
- (ii) If no trades occur during the Settlement Period, the settlement price is the time-weighted average price (TWAP) of the bid-ask spread midpoint during the Settlement Period.
- (iii) If a bid-ask spread isn't available during the Settlement Period, earlier market data or a composite spot price is used from spot markets deemed acceptable by Bitnomial.
- (iv) All settlement prices are rounded to the nearest tick.

(d) **Options Settlement Price Computation**

- (i) The settlement price of the Pricing Contract is the volume-weighted average price (VWAP) of all the trades during the Settlement Period.
- (ii) If no trades occur during the Settlement Period, the settlement price is the time-weighted average price (TWAP) of the bid-ask spread midpoint during the Settlement Period.
- (iii) If a bid-ask spread isn't available during the Settlement Period, the settlement price is the output of the Black-Scholes model based on that day's settlement price and 30-day volatility of the underlying contract.
- (iv) All settlement prices are rounded to the nearest tick.

(e) **Futures Non-Pricing Contract Settlement Prices.** The settlement prices for non-Pricing Contracts are inferred from the quoted spread market relationships to the Pricing Contract settlement price, directly or indirectly.

(f) **Futures Final Settlement.** During the Final Settlement Period the Front Month Contract final settlement price is determined using the non-Pricing Contract settlement price procedure.

(g) **Options Final Settlement.** During the Final Settlement Period the Front Month Option Contract will settle based on the underlying Futures Contract.

(h) **Sole Discretion.** The Exchange has sole discretion to determine an alternative settlement price if the stated settlement procedure produces prices which are not representative of the fair value of the contract.
