SUPPLEMENTARY INFORMATION:

Title: Rules Relating to Review of National Futures Association Decisions in Disciplinary, Membership Denial, Registration, and Member Responsibility Actions (OMB Control No. 3038-0043). This is a request for extension of a currently approved information collection.

Abstract: 17 CFR part 171 rules require a registered futures association to provide fair and orderly procedures for membership and disciplinary actions. The Commission’s review of decisions of registered futures associations in disciplinary, membership denial, registration, and member responsibility actions is governed by Section 17(h)(2) of the Commodity Exchange Act, 7 U.S.C. 21(h)(2). The rules establish procedures and standards for Commission review of such actions, and the reporting requirements included in the procedural rules are either directly required by Section 17 of the Act or are necessary to the type of appellate review role Congress intended the Commission to undertake when it adopted that provision.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the Commission’s regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on November 14, 2018 (83 FR 56827). The Commission received no relevant comments.

Burden Statement: The respondent burden for this collection is estimated to average 1 hour per response. This estimate includes the time needed to transmit decisions of disciplinary, membership denial, registration, and member responsibility actions to the Commission for review. The total estimated annual burden of 3 hours is determined by the following:

¹ 17 CFR 145.9.

Respondents/Affected Entities: Individuals or entities filing appeals from disciplinary and membership decisions by National Futures Association.

Estimated number of respondents: 1.

Estimated number of responses: 3.

Estimated total annual burden on respondents: 3 hours.

Frequency of collection: On occasion.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: February 22, 2019.

Robert N. Sidman,

Deputy Secretary of the Commission.
