SUPPLEMENTARY INFORMATION: This notice solicits comments on the collections of information mandated by Commission regulations 23.600 (Risk Management Program), 23.601 (Monitoring of Position Limits), 23.602 (Diligent Supervision), 23.603 (Business Continuity and Disaster Recovery) 23.606 (General Information: Availability for Disclosure and Inspection), and 23.607 (Antitrust Considerations).

Title: Regulations Establishing and Governing the Duties of Swap Dealers and Major Swap Participants (OMB Control No. 3038–0084). This is a request for an extension and revision of a currently approved information collection.

Abstract: On April 3, 2012 the Commission adopted Commission regulations 23.600 (Risk Management Program), 23.601 (Monitoring of Position Limits), 23.602 (Diligent Supervision), 23.603 (Business Continuity and Disaster Recovery), 23.606 (General Information: Availability for Disclosure and Inspection), and 23.607 (Antitrust Considerations) pursuant to section 4s(j)3 of the Commodity Exchange Act (CEA). These regulations adopted by the Commission require, among other things, swap dealers (SD)4 and major swap participants [MSP]5 to develop a risk management program (including a plan for business continuity and disaster recovery and policies and procedures designed to ensure compliance with applicable position limits). The Commission believes that the information collection obligations imposed by these regulations are essential to ensuring that swap dealers and major swap participants maintain adequate and effective risk management programs and policies and procedures to ensure compliance with position limits. On April 10, 2019, the Commission published in the Federal Register notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 84 FR 14350, (‘‘60-Day Notice’’). The Commission did not receive any comments on the 60-Day Notice.

Burden Statement: The Commission is revising its estimate of the burden for this collection to reflect the current number of respondents and estimated burden hours. The respondent burden for this collection is estimated to be as follows:

- Number of Registrants: 103.
- Estimated Average Burden Hours per Registrant: 1,148.5.
- Estimated Aggregate Burden Hours: 118,295.5.

Frequency of Recordkeeping: As applicable.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 et seq.)

Dated: June 21, 2019.

Christopher Kirkpatrick,
Secretary of the Commission.
