Title: Swap Dealer and Major Swap Participant Conflicts of Interest and Business Conduct Standards with Counterparties (OMB Control No. 3038–0079). This is a request for an extension of a currently approved information collection.

Abstract: Section 731 of Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act, Pub L. No. 111–203, 124 Stat. 1376 (2010)) amended the Commodity Exchange Act (CEA) to add sections 4s(h) and 4s(j)(5) (7 U.S.C. 6s(h) and (j)(5)) which provide the Commission with both mandatory and discretionary rulemaking authority to impose business conduct requirements on SDs and MSPs in their dealings with counterparties, including “Special Entities,”¹ and require that each SD and MSP implement conflicts of interest systems and procedures. Congress granted the Commission broad discretionary authority to promulgate business conduct requirements, as appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the CEA.²

¹ Such entities are generally defined to include Federal agencies, States and political subdivisions, employee benefit plans as defined under the Employee Retirement Income Security Act of 1974 (ERISA), governmental plans as defined under ERISA, and endowments.

² See CEA Section 4s(h)(3)(D) (Business conduct requirements adopted by the Commission shall establish such other standards and requirements as the Commission may determine are appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the

The recordkeeping and third-party disclosure obligations imposed by the regulations are essential to ensuring that swap dealers and major swap participants develop and maintain procedures and disclosures required by the CEA and Commission regulations.⁴

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

CEA.); see also Sections 4s(h)(1)(D), 4s(h)(5)(B) and 4s(h)(6).

³ 17 CFR part 23, subpart H and 17 CFR 23.605. Subpart H of Part 23 is titled "Business Conduct Standards for Swap Dealers and Major Swap Participants Dealing with Counterparties, Including Special Entities." Subpart H includes the following provisions: § 23.400 (Scope); § 23.401 (Definitions); § 23.402 (General Provisions); § 23.410 (Prohibition on fraud, manipulation and other abusive practices); § 23.430 (Verification of counterparty eligibility); § 23.431 (Disclosures of material information); § 23.432 (Clearing disclosures); § 23.433 (Communications—fair dealing); § 23.434 (Recommendations to counterparties—institutional suitability); § 23.440 (Requirements for swap dealers acting as advisors to Special Entities); § 23.450 (Requirements for swap dealers and major swap participants acting counterparties to Special Entities); and § 23.451 (Political contributions by certain swap dealers). § 23.605 is titled Conflicts of interest policies and procedures.

⁴ Reporting under Commission regulation 23.451 (Political contributions by certain swap dealers) is optional and it is unknown how many registrants, if any, will engage in such reporting and how much burden, if any, will be incurred. Nevertheless, the Commission is providing an estimate of the regulation's burden for purposes of the PRA below.

You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.⁵

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. Burden Statement: The Commission is revising its estimate of the burden for this collection based on the current number of registered SDs.⁶ The current estimated burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 107.

Estimated Average Burden Hours per Respondent: 2,352.9 hours.

Estimated Total Annual Burden Hours: 251,765 hours.

Frequency of Collection: Ongoing.

There are no capital costs or operating and maintenance costs associated with this collection.

Dated: July 15, 2020.

Deputy Secretary of the Commission.

⁵ 17 CFR 145.9.

⁶ Specifically, the change for the renewal is based solely on the increased number of entities registered as swap dealers (102 previously and 107 currently), since the annual total burden hours has remained the same—at 2,352.9 hours per respondent. And just as before, there are no entities currently registered as MSPs.
