

The Commodity Futures Trading Commission (CFTC) intends to issue a purchase order to Cision for a period of one (1) year starting May 15, 2021. CFTC currently uses Cision's cloud-based software as a service platform as both a media contact database and a distribution platform to distribute press releases, statements, and other materials to the public. This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by 12:00pm ET on April 26, 2021. Written responses must include sufficient information to establish capability to fulfill the requirement. Any responses received will only be considered for the purpose of determining whether to conduct a competitive procurement in lieu of the sole source purchase order described in this notice, and such determination shall be made at the sole discretion of CFTC. Written responses consistent with this notice shall be submitted to Kathryn (Kay) Rison at krison@cftc.gov.
