Public Advisory Committees

The Public Advisory Committees are each composed of nine voting members who are appointed by the Secretary and serve at the pleasure of the Secretary for three-year terms. Members are eligible for reappointment for a second consecutive three-year term. The Public Advisory Committee members must be citizens of the United States and are chosen to represent the interests of diverse users of the USPTO with respect to patents and trademarks, in the case of the PPAC, and trademarks, in the case of the TPAC. Members must represent small and large entities applicants located in the United States in proportion to the number of applications filed by such applicants. The Committees must include individuals with a “substantial background and achievement in finance, management, labor relations, science, technology, and office automation.” 35 U.S.C. 5(b)(3). Each of the Public Advisory Committees also includes three non-voting members representing each labor organization recognized by the USPTO. Administration policy discourages the appointment of federally registered lobbyists to agency advisory boards and commissions (Lobbyists on Agency Boards and Commissions, https://obamawhitehouse.archives.gov/blog/2009/09/23/lobbyists-agency-boards-and-commissions (Sept. 23, 2009); cf. E.O. 13490, 74 FR 4673 (Jan. 21, 2009) (While Executive Order 13490 does not specifically apply to federally registered lobbyists appointed by agency or department heads, it sets forth the administration’s general policy of decreasing the influence of special interests in the Federal Government.)

Procedures and Guidelines of the PPAC and TPAC

Each newly appointed member of the PPAC and TPAC will serve for a three-year term that begins on December 1, 2021, and ends on December 1, 2024. As required by the 1999 Act, members of the PPAC and TPAC will receive compensation for each day (including travel time) they attend meetings or engage in the business of their Advisory Committee. The enabling statute states that members are to be compensated at the daily equivalent of the annual rate of basic pay in effect for level III of the Executive Schedule under 5 U.S.C. 5314. Committee members are compensated on an hourly basis, calculated at the daily rate. While away from home or their regular place of business, each member shall be allowed travel expenses, including per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703.

SUPPLEMENTARY INFORMATION:

I. Background

The “Military Justice and Civilian Criminal Case Records” system of records is being established as a DoD-wide Privacy Act system of records for use by all DoD offices and components. A DoD-wide system of records notice (SORN) supports multiple DoD paper or electronic recordkeeping systems operated by more than one DoD component that maintain the same kind of information about individuals for the same purpose. Establishment of DoD-wide SORNs helps DoD standardize the rules governing the collection, maintenance, use, and sharing of personal information in key areas across the enterprise. DoD-wide SORNs also reduce duplicative and overlapping SORNs published by separate DoD components. The creation of DoD-wide SORNs is expected to make locating relevant SORNs easier for DoD personnel and the public, and create efficiencies in the operation of the DoD privacy program.

In Section 5504 of the National Defense Authorization Act of 2017, Congress mandated the Secretary of Defense prescribe and implement uniform standards and criteria for the conduct of each of the following functions at all stages of the military justice system, including pretrial, trial, post-trial, and appellate processes: (1) Collection and analysis of data concerning substantive offenses and procedural matters in a manner that facilitates case management and decision making within the military justice system, and that enhances the quality of periodic reviews; (2) case processing and management; (3) timely, efficient, and accurate production and distribution of records of trial within the military justice system; and (4) facilitation of access to docket information, filings, and records, taking into consideration restrictions appropriate to judicial proceedings and military records. In response, the DoD has been modifying its information systems to implement uniform standards and criteria to allow for improved management and analysis of these military justice records and activities across the DoD. In association with this effort, this DoD-wide SORN also is being published to unify and standardize the management of this data in accordance with the Privacy Act of 1974.

The purpose of this system of records is to support the collection, maintenance, use, and dissemination of
