

The Commodity Futures Trading Commission (CFTC) requires contractor support to perform a root-cause assessment of CFTC's human resources hiring and recruitment processes. The contractor shall diagnose the cause of the recruitment and hiring lags, provide a detailed evaluation of the problem, including identification of causes and provide objective recommendations for improvement. The work must be completed 30 days after receipt of order. This requirement is 100% set-aside for small business. Please submit requests for Solicitation 9523ZY22Q0057 to Kathryn (Kay) Rison at [krison@cftc.gov](mailto:krison@cftc.gov).
