

The Commodity Futures Trading Commission ("CFTC" or "Commission") intends to issue a purchase order to Capitol Power Group LLC (CPG) for the renewal of battery replacements for the agency's uninterrupted power supplies. The renewal will be for a one-year period. The Government intends to procure this requirement under USC 41 §3304 (a)(1) and FAR 13.106-1(b)(1)(i) which states "the circumstances of the contract action deem only one source reasonably available." CFTC currently uses CPG to maintain, service and refresh the agency's Power Distribution Units. Capitol Power Group LLC is the only responsible source identified as reasonably available that will satisfy the agency requirements.

This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by the 12:00pm ET on September 14, 2022. Responses shall be sent to Christine Han at [chan@cftc.gov](mailto:chan@cftc.gov). Written responses must include sufficient information to establish capability to fulfill the requirement. Any responses received will only be considered for the purpose of determining whether to conduct a competitive procurement in lieu of the sole source contract described in this notice, and such determination shall be made at the sole discretion of CFTC.
