

The Commodity Futures Trading Commission ("CFTC" or "Commission") intends to issue a purchase order to Quadient Inc. (Quadient) for the renewal of postage meter maintenance for the CFTC Headquarters (DC) and Regional Offices (NY, CH, and KC). The renewal will be for a one-year period. The Government intends to procure this requirement under USC 41 §3304 (a)(1) and FAR 13.106-1(b)(1)(i) which states "the circumstances of the contract action deem only one source reasonably available." CFTC currently rents postage meters from Quadient and requires maintenance services on the equipment. Quadient Inc. is the only responsible source identified as reasonably available that will satisfy the agency requirements.

This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by the 12:00pm ET on September 14, 2022. Responses shall be sent to Christine Han at chan@cftc.gov. Written responses must include sufficient information to establish capability to fulfill the requirement. Any responses received will only be considered for the purpose of determining whether to conduct a competitive procurement in lieu of the sole source contract described in this notice, and such determination shall be made at the sole discretion of CFTC.
