## NATIONAL LABOR RELATIONS BOARD

29 CFR Part 103

RIN 3142-AA21

### Standard for Determining Joint-Employer Status

**AGENCY:** National Labor Relations Board.

**ACTION:** Notice of proposed rulemaking; request for comments.

**SUMMARY:** This notice of proposed rulemaking (NPRM) proposes to rescind and replace the final rule entitled “Joint Employer Status Under the National Labor Relations Act,” which was published on February 26, 2020 and took effect on April 27, 2020. The proposed rule would revise the standard for determining whether two employers, as defined in section 2(2) of the National Labor Relations Act (NLRA or Act), are joint employers of particular employees within the meaning of section 2(3) of the Act. The proposed changes are designed to explicitly ground the joint-employer standard in established common-law agency principles and provide relevant guidance to parties covered by the Act regarding their rights and responsibilities when more than one statutory employer possesses the authority to control or exercises the power to control particular employees’ essential terms and conditions of employment.

**DATES:** Comments regarding this proposed rule must be received by the National Labor Relations Board (NLRB or Board) on or before November 7, 2022. Comments replying to comments submitted during the initial comment period must be received by the Board on or before November 21, 2022. Reply comments should be limited to replying to comments previously filed by other parties. No late comments will be accepted. Requests for extensions of time will be granted only for good cause shown.

Please note that there may be a delay in the electronic posting of hand-delivered and mail comments due to the needs for safe handling and manual scanning of the comments.
