

**(a) Comments Due Date**

The FAA must receive comments on this airworthiness directive (AD) by March 22, 2024.

**(b) Affected ADs**

This AD affects AD 2016–19–04, Amendment 18653 (81 FR 65857, September 26, 2016) (AD 2016–19–04).

**(d) Subject**

Air Transport Association (ATA) of America Code 25, Equipment/furnishings.

**(e) Unsafe Condition**

This AD was prompted by a determination that the flight deck door decompression panel can strike the captain's seat headrest if a flight deck decompression event occurs when the seat is in a certain position. The FAA is issuing this AD to address the possibility that the decompression panel could strike the captain's head or face. The unsafe condition, if not addressed, could result in serious or potentially fatal injury to the captain after a flight deck decompression event.

**(f) Compliance**

Comply with this AD within the compliance times specified, unless already done.

**(g) Required Actions**

For airplanes with an original certificate of airworthiness or original export certificate of airworthiness issued on or before the effective date of this AD, with a seat assembly having Boeing part number S632Z301–21 (Ipeco part number 3A380–0007–01–7) installed on the captain's side: Except as specified by paragraph (h) of this AD, at the applicable times specified in the "Compliance" paragraph of Boeing Special Attention Requirements Bulletin B787–81205–SB250294–00 RB, Issue 001, dated June 14, 2023, do all applicable actions identified in, and in accordance with, the Accomplishment Instructions of Boeing Special Attention Requirements Bulletin B787–81205–SB250294–00 RB, Issue 001, dated June 14, 2023.

**SUPPLEMENTARY INFORMATION:** On January 3, 2024, the Commission published in the **Federal Register** an NPRM proposing amendments to its regulations that would ensure clearing member funds and assets receive the proper treatment in the event the derivatives clearing organization (DCO) enters bankruptcy by requiring, among other things, that clearing member funds be segregated from the DCO’s own funds and held in a depository that acknowledges in writing that the funds belong to clearing members, not the DCO.<sup>2</sup> In addition, the Commission also proposed to permit DCOs to hold customer and clearing member funds at foreign central banks subject to certain requirements. Finally, the Commission proposed to require DCOs to conduct a daily calculation and reconciliation of the amount of funds owed to customers and clearing members and the amount actually held for customers and clearing members. The comment period for the NPRM was to close on February 16, 2024. In response to a request by commenters, the Commission is extending the comment period for this NPRM by an additional 31 days.<sup>3</sup> This extension of the comment period will allow interested persons additional time to analyze the proposal and prepare their comments.
