This notice is being published in accordance with Federal Acquisition Regulation (FAR) Subpart 5.101 requiring dissemination of information for proposed contract actions. This is a notice of intent to award a sole source contract, and is not a request for competitive quotes or proposals.

The Commodity Futures Trading Commission (CFTC) intends to make an award to the Financial Times Limited on a sole-source basis to publish a litigation notice for four weeks in order to comply with a court order.

CFTC intends to award a contract with a four-week period of performance.

CFTC knows of no alternative source that can issue the notice for the necessary price.

The Government intends to procure this requirement under 41 U.S.C. 3304(a)(3)(C) and (D), as implemented in FAR 13.106-1(b)(1)(i) – “Soliciting from a single source for purchases not to exceed the simplified acquisition threshold.” This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by 5:00pm ET, July 4, 2024. Written responses must include sufficient information to establish capability to fulfill the requirement. A determination by the government not to compete this proposed requirement is solely within the discretion of the Government. Any responses received will only be considered for the purpose of determining whether to conduct a competitive procurement in lieu of the sole source described in this notice. The Government anticipates award on or about July 5, 2024. The Government will not be responsible for any costs of preparation in response to this announcement.
