FROM: Division of Trading and Markets *AS*

RE: Meeting with Representatives of the National Futures
Association and a Special Committee Thereof

DATE: February 12, 1998

On January 30, 1998, I. Michael Greenberger, Alan Seifert, John Lawton, and Duane Andresen of the Division of Trading and Markets met with Daniel J. Roth and Daniel A. Driscoll of the NFA, Gary Alan DeWaal, Executive Vice President and General Counsel, FIMAT, and Michael R. Schaefer, Executive Vice President, SmithBarney.

During the meeting, the committee representatives discussed areas of concern with regard to the Commission's repropoed amendment to Regulation 1.35 relating to Account Identification for Eligible Bunched Orders.
