Jean A. Webb, Secretary
Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, N.W.
Washington, D.C. 20581

To Members of the Commission,

We, the South Dakota Stockgrowers Association, would like to go on record to the Commodity Futures Trading Commission as being opposed to the proposed rule for a new stocker futures contract offered by the Chicago Mercantile Exchange.

Even though our comments come after the close of business on Monday, October 5, 1998, we want our position noted.

Sincerely,

Bart Blum

Bart Blum
President
