**SUPPLEMENTARY INFORMATION:** Under the PRA, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information,

including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below.

With respect to the following collection information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic,

mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

Exemptions from Speculative Limits, OMB control number 3038-0013—Extension

Section 4a(1) of the Commodity Exchange Act (Act) allows the Commission to set speculative limits in any commodity for futures delivery in order to prevent excessive speculation. Certain sections of the Act and/or the Commission's Regulations allow exemptions from the speculative limits for persons using the market for hedging and, under certain circumstances, for commodity pool operators and similar traders. This information collection contains the recordkeeping and reporting requirements needed to ensure regulatory compliance with Commission rules relating to this issue.

The Commission estimates the burden of this collection of information as follows:

**ESTIMATED ANNUAL REPORTING BURDEN**

17 CFR section	Annual number of respondents	Total annual responses	Hours per response	Total hours
17 CFR 147, 1.48, Part 150 .....	12	12	3.0	36

There are no capital costs or operating and maintenance costs associated with this collection.
