Rule Certification

Dear Ms. Webb:

Pursuant to Commission Rule 40.6, the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **The CBOT intends to extend, through March 31, 2004, the temporary trading privileges in futures/options spreads with respect to 30-Day Fed Fund contracts which previously were granted to holders of COM Membership Interest status.**

This program temporarily expands the privileges of individuals in the COM category. This category ordinarily does not include membership status with respect to futures contracts.

The CBOT intends to implement this program extension as of October 1, 2003. The program otherwise would expire as of September 30, 2003.

There were no opposing views among the CBOT's Board of Directors concerning this program extension.

The CBOT certifies that this program extension complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
