Rule Certification

Dear Ms. Webb:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Amendment to Regulation 1782.01 and new CBOT Rulebook Appendix 17A as indicated in the attached texts.**

With respect to CBOT South American Soybean Futures, these provisions will:

- Remove a requirement that regular firms for this product maintain earthquake insurance. (Since the delivery ports for South American soybeans are not in an earthquake zone, earthquake insurance is not pertinent to these locations); and
- Specify the facilities initially approved as regular for delivery.

The CBOT intends to implement these provisions one day after the Commission's receipt of this filing.

There were no opposing views with respect to these provisions.

The CBOT certifies that these provisions comply with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
