**Re: Rule Certification. NYMEX Submission 06.112: Notification
of Housekeeping Change to NYMEX Rule 6.57, Post-Close
Trading Session.**

Dear Ms. Eileen Donovan:

The New York Mercantile Exchange ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of a housekeeping change to NYMEX Rule 6.57, Post-Close Trading Session.

The housekeeping change adds the word "metals" in the first paragraph to be consistent with "in all energy and metals futures and options contracts," as there is a post-close trading session in Platinum and Palladium. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached notification complies with the Act, including regulations under the Act.

Should you have any questions concerning the above, please contact Nancy Minett, Vice President, Compliance, at (212) 299-2940, or the undersigned at (212) 299-2897.

Very truly yours,

Thomas F. LaSala
Senior Vice President
Compliance and Risk Management

cc: Nancy Minett
Brian Regan

(Bold underlining indicates additions.)

Rule 6.57 Post-Close Trading Session

Rule 6.57, Post-Close Trading Session. Ten (10) minutes after the close of trading in all energy **and metals** futures and option contracts traded on the NYMEX trading floor, or five (5) minutes after the closing range is established for all applicable contract month other than contract months in the Sour Crude Oil futures contract, whichever is later, trading shall resume for a period of two (2) minutes (the "Session") in all energy and metals futures and option contracts, subject to the following conditions:

(Remainder of the Rule is unchanged.)
