Rule Certification

Dear Ms. Donovan:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Establish temporary membership privileges in 100 oz. Gold and 5,000 oz. Silver Options for holders of CBOT Series B-4 (IDEM) Membership Status**

This program temporarily will expand the privileges of individuals in the B-4/IDEM category. This category ordinarily does not include membership status with respect to option contracts.

The CBOT intends to implement this program as of November 6, 2006 (concurrently with the launch of open auction trading in the referenced contracts). The program will be in effect through June 30, 2007. Membership status under the program will be effective for both open auction and e-cbot[®] (electronic) trading.

There were no opposing views concerning this program.

The CBOT certifies that this program complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
