Re: Security Futures Products Rule Submission and Rule Certification

Dear Ms. Donovan:

Pursuant to section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act"), and section 41.24 of the regulations promulgated by the Commission under the Act, OneChicago, LLC ("OneChicago") submits herewith a rule amendment to Supplement No. 23 to OneChicago Rule 1005. The rule amendment will be effective on December 21, 2006.

On December 15, 2006, OneChicago filed a rule certification relating to Contract Specification Supplement, number 23 to OneChicago Rule 1005 for a new select index futures contract which stated the share components for Teck Cominco Ltd was 500. The corrected version now reads 300.

There are no opposing views that are not incorporated into this rule amendment.

On behalf of OneChicago, I hereby certify that that the amendment to the initial listing standard for single stock futures complies with the Act and regulations promulgated thereunder.
