**ORDER OF REGISTRATION**

Pursuant to Section 4(b)(1) of the Commodity Exchange Act (the Act), 7 U.S.C. § 6(b)(1), and Part 48 of the Commission's regulations, FEX Global Pty Ltd (FGL), a derivatives exchange licensed to operate markets in energy, commodity and environmental derivative products and supervised by the Australian Securities and Investments Commission and subject to the Reserve Bank of Australia oversight of financial system stability, submitted an application dated August 5, 2021, and supplemental submissions filed through December 16, 2021 (Application), requesting registration in order to permit identified members and other participants located in the United States to enter trades directly into its order entry and trade matching system.

The Commission has reviewed the Application along with the exhibits, supplemental documents, and other supporting information and representations, and finds that FGL has demonstrated its ability to comply with the requirements of the Act and applicable Commission regulations thereunder, including the requirements for registration as set forth in Part 48 of the Commission's regulations.

In light of the foregoing, **IT IS ORDERED**, pursuant to Section 4(b)(1) of the Act, 7 U.S.C. § 6(b)(1), that FGL is granted an Order of Registration to permit direct access, as that term is defined in Section 4(b)(1)(A) of the Act, subject to the terms and conditions specified herein:

(1) Compliance with the Act and Commission Regulations. FGL shall comply, and shall demonstrate compliance as requested by the Commission, with all sections of the Act and the Commission's regulations thereunder applicable to FGL as a foreign board of trade registered pursuant to Part 48 of the Commission's regulations, as may be amended or adopted from time to time. FGL shall comply with the applicable conditions of registration specified in Commission regulation 48.8 and any additional conditions that the Commission deems necessary and may impose, in its discretion, after appropriate notice and opportunity to respond. FGL shall fulfill each of the representations it has made in support of the Application for registration.

(2) New Regulations. Should the Commission promulgate a regulation addressing or otherwise affecting any aspect of this Order, then such regulation will apply and supersede the applicable terms in this Order.

(3) Reservation of Rights. This Order is based upon the representations made and supporting material provided to the Commission by FGL as part of the Application. In the event of any changes to or omissions in the material facts or circumstances pursuant to which this Order is issued, or any material changes in the applicable regulatory regimes, including developments relating to international comity, or for any reason in its own discretion and after appropriate notice and opportunity to respond, the Commission may condition, modify, suspend, terminate, or otherwise restrict the terms of this Order, as appropriate and as permitted by law, on its own motion.
