 - (v) has a direct and substantial financial interest in the result of the deliberations or vote based upon either exchange or non-exchange positions (as referenced in CFTC Regulation § 1.69), other than a direct or indirect equity or other interest in trueEX Group, that could reasonably be expected to be affected by such Self-Regulatory Action. A direct and substantial financial interest includes positions in Contracts in accounts of, controlled by, or affiliated with the Interested Person or in any other types of direct and substantial financial positions of the Interested Person that are reasonably expected to be affected by the deliberations or vote; or

- (c) Before considering any Self-Regulatory Action, an Interested Person must disclose in writing to the Board the material facts concerning his or her relationship or interest in the matter.
- (d) Any Interested Person who would be required otherwise to abstain from deliberations and voting pursuant to Rule 215(a) as a result of having a direct and substantial financial interest in the result of the deliberations and vote may participate in deliberations, prior to a vote on the matter, if:

- (e) If a determination is made pursuant to Rule 215(d) that an Interested Person may participate in deliberations prior to a vote, then the minutes of the meeting of the Board or committee thereof will reflect the determination and the reasons for the determination.
- (f) If a determination is made that all Directors are Interested Persons with respect to a matter subject to a vote by the Board, the Chief Executive Officer will appoint a panel of individuals who are not Interested Persons with respect to such matter, which will have the same authority and powers over such matter that the Board would have had if the Directors were not Interested Persons with respect to such matter.

(a) Authorized Traders. Each Participant or Sponsored Access Customer may from time to time appoint one or more Authorized Traders. Authorized Traders shall be entitled to exercise Trading Privileges of a Participant, or exercise Trading Access given to a Sponsored Access Customer, subject to

the terms and conditions of these Rules. A Participant or a Sponsored Access Customer, as the case may be, shall appoint an Authorized Trader by notifying the Exchange in writing, in a form acceptable to the Exchange, and the Exchange will maintain a list of all such designated Authorized Traders. The Exchange may, in its sole but reasonable discretion, suspend, revoke or otherwise condition the right of any Authorized Trader to exercise the Trading Privileges of a Participant or exercise the Trading Access of a Sponsored Access Customer, and promptly notify the relevant Participant or Sponsored Access Customer in accordance with the procedures for notification established by the Exchange.

(b) Revocation by Participant or Sponsored Access Customers. Each Participant and each Sponsored Access Customer may, at any time, immediately terminate or suspend access of any of its Authorized Traders to the Platform using the electronic mechanism provided on the Platform. (b) If a Participant fails to pay when due, any dues, assessments or fees levied on such Participant by the Exchange, and such payment obligation remains unsatisfied for thirty (30) days after its due date, the Exchange may suspend, revoke, limit, condition, restrict or qualify the Participant's Trading Privileges or ability to otherwise access the Platform as it deems necessary or appropriate.

(c) If a Sponsored Access Customer fails to pay when due, any dues, assessments or fees levied on such Sponsored Access Customer by the Exchange, and such payment obligation remains unsatisfied for thirty (30) days after its due date, the Exchange may suspend, revoke, limit, condition, restrict or qualify the Trading Access of such Sponsored Access Customer. Except as otherwise agreed between Sponsoring Participant and the Exchange, Sponsoring Participant shall be responsible for any unsatisfied payment obligation of Sponsored Access Customer that remains unsatisfied for thirty (30) days after its due date.

RULE 311. Recording of Communications

The Exchange may record conversations in respect of Orders, Transactions and any other activity on or through the Exchange between officers, employees or agents of the Exchange, on one hand, and Clearing Firms, Participants, Sponsored Access Customers, and Authorized Traders, on the other hand. The Exchange shall retain recordings of conversations made pursuant to this Rule in accordance with CFTC Regulations.

(e) All communications made to the address for notices designated by a Clearing Firm, Participant, or Sponsored Access Customer, or a person designated by such Clearing Firm, Participant or Sponsored Access Customer to accept such communications, as the case may be, shall also be deemed to have been made to all of its Authorized Users.

RULE 314. [RESERVED]

RULE 315. Withdrawal of Participant

(a) To withdraw from the Exchange, a Participant must notify the Exchange of its withdrawal. Such withdrawal shall be accepted and effective immediately upon the receipt of such notice by the Exchange.

(b) Effective upon the date that the Exchange accepts the withdrawal of a Participant, all rights and privileges of such Participant terminate, including such Participant's Trading Privileges, and

Trading Access granted to such Participant's Sponsored Access Customers. The withdrawal of a Participant shall not affect the rights of the Exchange under the Rules or relieve the former Participant of its obligations arising under the Rules before the effective date of such withdrawal (including any contractual obligations relating to any Contracts entered into by such Participant, or the payment of any Exchange fees, costs, or charges incurred prior to such withdrawal). A Participant that has withdrawn remains subject to the Rules, the Exchange requirements and the jurisdiction of the Exchange for acts done and omissions made while a Participant, and must cooperate in any Exchange Proceeding under Chapter 6 as if the withdrawn Participant were still a Participant.

(c) Upon delivery of a withdrawal notice the Exchange shall disable the Participant's and its Sponsored Access Customers' access to the Platform and will promptly notify the Control Desk that the Participant, its Sponsored Access Customers and their respective Authorized Traders, may no longer access the Platform. After the Exchange has received a Termination Request, the Exchange shall either promptly suspend the Trading Access or promptly terminate the Sponsored Designation of the relevant Sponsored Access Customer(s), as set forth in the relevant Termination Request. Notwithstanding the foregoing, a Sponsoring Participant shall remain responsible for all activity of its Sponsored Access Customer that occurs by means of Trading Access prior to the termination or suspension of such Sponsored Access Customer by the Exchange. RULE 506. Wash Sales Prohibited

No Person shall place or accept buy and sell Orders in the same product and expiration month, where the person knows or reasonably should know that the purpose of the orders is to avoid taking a bona fide market position exposed to market risk (transactions commonly known or referred to as wash sales). Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to

negate market risk or price competition shall also be deemed to violate the prohibition on wash trades. Additionally, no Person shall knowingly execute or accommodate the execution of such Orders by direct or indirect means.

RULE 507. Market Disruption Prohibited

No Person shall engage in any trading, practice, or conduct on the Platform or subject to the Rules that violates bids or offers, or demonstrates intentional or reckless disregard for the orderly execution of transactions within one half hour prior to the expiration of Trading Hours on any given Business Day, or is, is of the character of, or is commonly known to the trade as, “spoofing,” (bidding or offering with the intent to cancel the bid or offer before execution), as described in § 4c of the CEA.

Such Customer Order shall be competitively executed and should be executed in the next available trading session for the applicable listed Contract, but in any event must be executed no later than the close of the next trading day and shall be reported to the Customer

at the price at which the Customer Order actually executed. Unless otherwise agreed between Participant and the relevant Customer, if such price is to the advantage of the Customer, the Customer shall receive the benefit thereof; if not, the Customer shall receive such monetary adjustment as will afford the Customer the equivalent of the price at which such Order should and could have been executed. Full details of all transactions consummated hereunder shall be promptly provided to the Exchange Regulation Department upon request.

(b) A Participant that makes an error in the execution of a Customer Order that is related to the terms of a Contract, including but not limited to, account number, notional amount, tenor, rate/price or other details of the Contract necessary to effect a Transaction on the Platform, shall resolve the error as agreed between the Participant and the relevant Customer or the Participant's error handling policies. If no such agreement or policy exists, Participant shall resolve such error in a manner that is fair and equitable to the Customer and shall include allowing the Customer to retain all or a portion of the executed Transaction, compensating the Customer for such error or some other agreed upon resolution provided it is within the scope of the Participant's error handling policies, if any. If the Customer elects not to retain all or a portion of the executed Transaction, the Participant may transfer the position resulting from the Transaction to a firm error account pursuant to Rule 806. A Participant must document in writing the circumstances surrounding the nature of the error and promptly provide such documentation to the Exchange Regulation Department upon request.

(c) This Rule 514 shall not be construed to contravene any instructions received from a Customer regarding any Customer Order prior to its execution, but shall be construed to permit execution of Customer Orders under the conditions last prescribed without additional instructions from the Customer.

RULE 515. [RESERVED]

RULE 516. Withholding Orders Prohibited

Except as otherwise permitted under the Rules or Applicable Law, no person shall enter an Order into the Platform for its own account, an account in which it has a direct or indirect financial interest or an account over which it has discretionary trading authority, including an Order allowing discretion as to time and price if such person is in possession of any unsubmitted Order from a Customer that the Platform is capable of executing, unless such Customer provides such person with written consent to delay such Order.

No Person shall enter through the order book of the SEF Trading System into a Cross-Trade in respect of a Required Transaction, except (i) where the Person is entering into both sides of a Customer Order, or (ii) the Person (A) has obtained prior written blanket or transaction specific consent in respect of the relevant Customer(s); and (B) waits for a reasonable period of time, which shall be a minimum of fifteen (15) seconds, after the initial Order is submitted to the order book of the SEF Trading System before submitting the opposite side Order to the order book of the SEF Trading System.

(c) Notwithstanding the foregoing, a Participant shall not be in violation of this Rule 520 due to Cross Trades executed by two Participants trading for the same account, or for separate accounts of the

same beneficial owner, where neither Participant has knowledge of the other's Order and there is no coordination or prearrangement of the Cross Trade, provided that the relevant Participant shall be responsible, upon the request of the Exchange, to demonstrate to the reasonable satisfaction of the Exchange, that neither Participant had knowledge of the other's Order.

(ii) The Electronic Audit Trail must be maintained for a minimum of five years, and Participants must have the ability to produce this data in a standard format upon request of the Exchange Regulation Department. This Electronic Audit Trail must contain all Order receipt, Order entry, Order modification, Order cancellation and response/receipt times to the highest level of precision achievable by the operating system, but at least to the hundredth of a second. The times captured must not be able to be modified. (iii) In the case where a Participant has a Direct Access Customer that is also a Participant, such Participant may notify such Direct Access Customer in writing that it is the Direct Access Customer's obligation to maintain the Electronic Audit Trail with respect to such Direct Access Customer's Orders. If such Direct Access Customer consents, the Participant's obligations to maintain an Electronic Audit Trail with respect to such Direct Access Customer may be satisfied by such Direct Access Customer; provided, however, that such Participant will remain liable in case such Direct Access Customer fails to maintain the Electronic Audit Trail for Orders transmitted through the Participant's system.

(iv) Each Participant providing access to Authorized Traders via a FIX API or to Direct Access Traders shall provide to the Exchange in a form and manner prescribed by the Exchange information requested by the Exchange regarding the natural persons entering Orders and execution Transactions using the Firm ID of the Participant. RULE 523. Modification and Cancellation of Orders

(a) Any Order that has been entered into the Platform may be modified or cancelled unless and until it has been executed or has otherwise expired. Any such modification or cancellation requires that a modification order or cancellation order, as the case may be, with respect to the original Order be entered into the Platform. Such modification or cancellation will become effective upon receipt by the Platform of the modification order or cancellation order, as the case may be.

(b) Every Order automatically expires at the end of the Trading Hours on the calendar day such Order is placed, in the event of any suspension or curtailment of trading, or in the case of any failure of the Platform.

(b) The foregoing restriction shall not apply to Block Trades affected pursuant to Rule 542.

(c) Pre-arranged Trades and Pre-Execution Communications. A Person may engage in pre-execution communications or arrange the purchase or sale of a Contract, subject to the following conditions.

(i) Transactions on the DCM Trading System. Parties may communicate, directly or indirectly, with regard to an Order for a Contract listed for trading on the DCM Trading System where one party (the first party) wishes to be assured that a contra party (the second party) will take the opposite side of the Order, and:

(A) the party for whose benefit the trade is being made has previously consented to permit such communications;

(B) parties to, and persons involved in, pre-execution communications do not disclose to a nonparty the details of such communications or enter an Order to take advantage of information conveyed during such communications except in accordance with this Rule 524(c); and

(C) the Order details are entered by one of the parties into the DCM Trading System and displayed in a manner that gives other Participants the opportunity to participate in the Order. The second party's Order will not be matched against the first party's Order on the DCM Trading System until a period of five (5) seconds has elapsed from the time of entry of the contra Order. After the five (5) seconds have elapsed, any portion of the first party's Order that was unfilled during the public session will be matched by the second party's Order.

(ii) Permitted Transactions on the SEF Trading System. A Person may arrange with another Person for the execution of a Contract listed on the SEF Trading System, prior to submitting the details of such Contract to the SEF Trading System; provided that:

(A) one party to the arrangement enters into the SEF Trading System, the details of such Contract as required by the SEF Trading System, and the other party to the arrangement verifies such details in the SEF Trading System, in each case, as soon as practicable, but in no event more than 15 minutes following the conclusion of such arrangement;

RULE 525. Responsibility For Customer Orders

(a) Standard of Responsibility.

(i) A Participant shall, at a minimum, exercise reasonable care due diligence in the handling and execution of Customer Orders. In the case of a dispute as to whether a Participant

has exercised due diligence, the appropriate arbitration or disciplinary committee is authorized to determine whether the Participant failed to exercise due diligence, and if so, whether an adjustment is due to the Customer.

(ii) A Participant is prohibited from directly or indirectly guaranteeing the execution of a Customer Order or any of its terms such as the quantity or price. A Participant may only report an execution that has been effected through the Platform. This Rule 525 shall not be construed to prevent a Participant from assuming or sharing in the losses resulting from an error or the mishandling of a Customer Order.

(b) **Liability for Failure to Exercise Due Diligence.** A Participant may not adjust the price at which a Customer Order was executed or be held responsible for executing or failing to execute a Order unless such Participant failed to exercise due diligence or is settling a bona-fide dispute regarding failure to exercise due diligence. A Participant, acting on behalf of its Customer, may not compel an adjustment from another Participant in the absence of a bona-fide dispute regarding failure to exercise due diligence. Participants shall document all adjustments. Participants shall make and retain a record which contains the date the adjustment was received, the name of the Participant making the adjustment, the account to which the adjustment was credited, the amount of the adjustment, the Order number and the reason for the adjustment. Such records must be provided to the Exchange Regulation Department upon request.

RULE 526. [RESERVED]

RULE 527. Priority of Execution

Non-discretionary Customer Orders received by a Participant or an Authorized Trader shall be entered into the Platform in the sequence received; provided, however, that a Customer may request that a Participant delay submission of its Order in which case such Customer shall provide such Participant with written consent to delay submission of its Order. Non-discretionary Orders that cannot be immediately entered into the Platform must be entered when the Orders become executable in the sequence in which the Orders were received.

RULE 528. [RESERVED]

RULE 529. Position Limits And Exemptions

(a) The Exchange may establish position limits for any Contract.

(b) Except as otherwise provided by the Exchange Rules, no Person, including a Participant, may hold or control a position in excess of such position limits and a Participant may not maintain a position in excess of such position limits for a Customer or Client if such Participant knows, or with reasonable care should know, that such position will cause such Customer or Client to exceed the applicable position limits.

(c) Position limits shall apply to (i) all positions in accounts for which any Person, by power of attorney or otherwise, directly or indirectly holds positions or controls trading, and (ii) positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, as if the positions were held by, or the trading of the positions were done by, a single Person.

(d) Any Person seeking an exemption from the position limits referred to above must file an application with the Exchange. The Exchange shall notify the applicant whether the exemption has been approved and whether the Exchange has imposed any limitations or conditions on the exemption. The decision of the Exchange shall be final.

RULE 530. Position Accountability

(a) The Exchange may establish a position accountability level for any Contract. Any Person, including a Participant, who owns or controls Contracts in excess of the applicable position accountability level shall provide to the Exchange at its request any information regarding the nature of the position, trading strategy or hedging activities, if applicable, and if ordered by the Exchange, shall not increase the size of any such position.

(b) For purposes of this Rule, all positions in accounts for which a Person, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Person. The provisions of this Rule shall apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, as if the positions were held by a single Person.

If the Participant's Customer or Client clears its Transactions through a Clearing Firm other than the Participant, the Customer or Client must have clearing arrangements in place with a Clearing Firm pursuant to which Clearing Firm agrees to clear all Transactions effected by or through the Participant for that Customer or Client, [pursuant to Rule 809](#).

(b) Customer Orders may be entered only from the premises of an entity registered to conduct Customer business.

RULE 535. Policies Governing Use of Firm IDs, User IDs and Admin IDs

No Person may use a User ID to place any Order except as permitted by these Rules, nor may any Person knowingly permit or assist the unauthorized use of a User ID. Each Participant on behalf of itself and each of its Authorized Users shall take reasonable measures to ensure that no User ID or Admin ID is used by any Person not authorized by these Rules.

Each Participant must have in place policies and procedures, which:

(a) Restrict access through password protection to any system capable of submitting Orders to the Platform or access the administrative functionality of the Platform to individual users authorized by the relevant Participant and having a User ID or Admin ID, respectively;

(b) Require creation, maintenance and retention, as required in Rule 522, of accurate and complete records regarding each individual that is issued, or authorized to use, a User ID;

(c) Each individual must use a unique identifier to access the Platform. In no event may a Person enter an Order or permit the entry of an Order by an individual using a User ID other than the individual's own User ID.

(d) Each Participant shall notify the Exchange promptly upon becoming aware of any unauthorized access to the Platform or any unauthorized disclosure or use of any User ID or Admin ID assigned to any of its Authorized Users and of any other reason for terminating an Authorized User's access or deactivating a User ID. Each Participant shall be bound by any actions taken by its Authorized Users (other than any such actions resulting from the fault or negligence of the Exchange), whether or not such actions were taken or authorized by such Participant.

(e) Each Participant shall be solely responsible for ensuring that any front-end interface connecting to the Platform that is not provided by the Exchange, and that is used by the Participant and its Authorized Users and Direct Access Traders, is in compliance, in design and operation, with the requirements of the Exchange, if any, and with Applicable Law.

(f) Each Participant shall ensure that policies required under Rule 535 are implemented by such Participant and that its Authorized Users comply with such policies and procedures.

RULE 537. Limitation of Liability, No Warranties

THIS RULE 537 SETS FORTH THE LIABILITY AND INDEMNIFICATION OBLIGATIONS OF THE EXCHANGE AND ANY TRUEEX PARTY (AS DEFINED IN RULE 537(a)) TO ANY PERSON, EXCEPT AS OTHERWISE PROVIDED IN THIS RULEBOOK OR IN THE PARTICIPANT DOCUMENTATION, IN WHICH THE PARTIES AGREE TO SUPERSEDE THE TERMS OF THIS RULE 537.

(a) SUBJECT TO CLAUSES (f) AND (g) OF THIS RULE 537, EXCEPT IN INSTANCES WHERE THE EXCHANGE OR A TRUEEX PARTY HAS BEEN FINALLY ADJUDICATED TO HAVE ENGAGED IN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT (IN WHICH CASE THE EXCHANGE OR TRUEEX PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 537(a)), NEITHER THE EXCHANGE, ITS SUBSIDIARIES AND AFFILIATES, NOR ANY TECHNOLOGY SERVICE PROVIDER OR CONTRACTOR PROVIDING SERVICES TO THE EXCHANGE, NOR ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS, NOR ANY OF THEIR RESPECTIVE EMPLOYEES, OFFICERS, DIRECTORS, MEMBERS, PARTNERS, MANAGERS, AGENTS OR SUPPLIERS PROVIDING SERVICES TO THE EXCHANGE (EACH, A "TRUEEX PARTY") SHALL BE LIABLE TO ANY PERSON FOR:

(i) ANY LOSSES, DAMAGES, COSTS OR EXPENSES ARISING FROM OR IN CONNECTION WITH, IN EACH CASE:

OR SERVICES PROVIDED BY THE EXCHANGE OR ANY TRUEEX PARTY OR ANY FACILITIES OR TECHNOLOGY USED TO SUPPORT THE PLATFORM, WEB SITE, EXCHANGE OR EXCHANGE SERVICES INCLUDING ANY FAILURE TO PROVIDE ALL OR ANY PART OF THE PLATFORM, OR ANY INABILITY OF ANY PERSON TO VIEW, ENTER, EXECUTE OR CANCEL ORDERS OR TRANSACTIONS IN WHOLE OR IN PART;

(B) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE EXCHANGE, A TRUEEX PARTY, THE PLATFORM OR ANY PLATFORM SYSTEMS, SERVICES OR FACILITIES, ANY ELECTRONIC COMMUNICATION OF MARKET DATA OR INFORMATION, PRICE REPORTING SYSTEMS AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, SERVERS, SOFTWARE, HARDWARE, AND FIRMWARE, WHETHER SUCH ERRORS OR INACCURACIES ARE A RESULT OF ANY ACTION OR INACTION OF THE EXCHANGE, A TRUEEX PARTY OR AN INDEPENDENT THIRD PARTY;

(C) THE CREDITWORTHINESS OF ANY PARTICIPANT, DIRECT ACCESS CUSTOMER, CUSTOMER OR CLIENT;

(D) ACTS OR OMISSIONS OF ANY SUBJECT PERSON, AUTHORIZED TRADER, AUTHORIZED REPRESENTATIVE, DIRECT ACCESS TRADER, CUSTOMER OR CLIENT THEREOF; OR

(E) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY EXCHANGE SYSTEMS, SERVICES OR FACILITIES BY ANY PERSON.

THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY REGARDLESS OF WHETHER A CLAIM ARISES IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE AND REGARDLESS OF WHETHER THE EXCHANGE HAS BEEN ADVISED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED, THE POSSIBILITY OF SUCH LOSSES, DAMAGES, COSTS OR EXPENSES.

(b) UNLESS THE EXCHANGE OR A TRUEEX PARTY HAS BEEN FINALLY ADJUDICATED BY A COURT OF COMPETENT JURISDICTION TO HAVE ENGAGED IN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE EXCHANGE'S AND ANY TRUEEX PARTY'S TOTAL COMBINED AGGREGATE LIABILITIES SHALL NOT EXCEED \$100,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED BY ALL PERSONS ON A SINGLE DAY; \$200,000 FOR ALL LOSSES SUFFERED BY ALL PERSONS FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$1,000,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED BY ALL PERSONS IN A SINGLE CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY OR SINGLE MONTH CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD. IN NO EVENT SHALL THE TOTAL COMBINED AGGREGATE LIABILITY OF THE EXCHANGE AND ANY TRUEEX PARTY, FOR ALL CLAIMS ARISING OUT OF ANY FAILURES, MALFUNCTIONS, FAULTS IN DELIVERY, DELAYS, OMISSIONS, SUSPENSIONS, INACCURACIES, INTERRUPTIONS, TERMINATIONS OR ANY OTHER CAUSES IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE EXCHANGE'S SYSTEMS OR SERVICES, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING THE SEF TRADING SYSTEM AND THE DCM TRADING SYSTEM, OR THE NEGLIGENCE OF THE EXCHANGE OR ANY TRUEEX PARTY, EXCEED \$1,000,000 IN ANY GIVEN CALENDAR YEAR.

(d) NEITHER THE EXCHANGE NOR ANY TRUEEX PARTY MAKES ANY EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS RELATING TO THE EXCHANGE, THE PLATFORM OR ANY EXCHANGE SERVICES OR FACILITIES USED TO SUPPORT THE PLATFORM, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR USE. THE EXCHANGE WILL PROVIDE ALL SERVICES ON AN "AS IS" AND "AS AVAILABLE" BASIS AT THE SOLE RISK OF THE SUBJECT PERSON, CUSTOMER, OR CLIENT, AS THE CASE MAY BE. FURTHERMORE, NEITHER THE EXCHANGE NOR ANY TRUEEX PARTY GUARANTEES OR MAKES ANY REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE VALIDITY, SEQUENCE, TIMELINESS, COMPLETENESS, ACCURACY OR CONTINUED AVAILABILITY OF ANY INFORMATION OR DATA MADE AVAILABLE ON OR THROUGH THE EXCHANGE. NEITHER THE EXCHANGE NOR ANY TRUEEX PARTY SHALL HAVE A DUTY OR OBLIGATION TO VERIFY ANY INFORMATION DISPLAYED ON THE PLATFORM SYSTEM OR OTHERWISE. EACH SUBJECT PERSON, CUSTOMER, OR CLIENT ACKNOWLEDGES AND AGREES THAT NEITHER THE EXCHANGE NOR ANY TRUEEX PARTY SERVES OR SHALL SERVE AS THE PRIMARY BASIS FOR ANY DECISIONS MADE BY SUCH SUBJECT PERSON, CUSTOMER, OR CLIENT, AS THE CASE MAY BE, NOR SHALL THE EXCHANGE OR ANY TRUEEX PARTY BE DEEMED TO ACT AS AN ADVISOR OR FIDUCIARY OF ANY SUBJECT PERSON, CUSTOMER, OR CLIENT, AS THE CASE MAY BE.

(e) ANY DISPUTE ARISING OUT OF THE USE OF THE PLATFORM OR EXCHANGE SERVICES OR FACILITIES USED TO SUPPORT THE PLATFORM TO WHICH THE EXCHANGE OR ANY TRUEEX PARTY IS A PARTY SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ITS CONFLICT OF LAW PRINCIPLES. ANY ACTIONS, ARBITRATIONS, SUITS OR PROCEEDINGS SHALL BE BROUGHT WITHIN TWO YEARS FROM THE TIME THE PERSON FILING THE CLAIM KNEW, OR SHOULD HAVE KNOWN, OF THE ACT OR TRANSACTION THAT IS THE SUBJECT OF THE DISPUTE. ANY SUCH ACTION, SUIT OR PROCEEDING MUST BE BROUGHT IN ANY FEDERAL OR STATE COURTS LOCATED IN THE BOROUGH OF MANHATTAN, THE CITY OF NEW YORK. THIS PROVISION SHALL IN NO WAY CREATE A CAUSE OF ACTION AND SHALL NOT AUTHORIZE ANY ACTION THAT WOULD OTHERWISE BE PROHIBITED BY THE RULES OF THE EXCHANGE.

(f) UNDER NO CIRCUMSTANCES WILL THE EXCHANGE OR ANY TRUEEX PARTY BE LIABLE TO ANY PERSON FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS, LOSS OF USE, BUSINESS INTERRUPTION, THE COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY, OR CORRUPTION OR LOSS OF DATA.

(g) NOTWITHSTANDING ANY OF THE FOREGOING PROVISIONS, THIS RULE 537 SHALL IN NO WAY LIMIT THE LIABILITY OF ANY PERSON ARISING FROM ANY VIOLATION BY SUCH PERSON OF THE CEA OR CFTC REGULATIONS THEREUNDER.

RULE 538. Control Desk

(a) Support.

(i) The control center of the Exchange (the “Control Desk”) provides support and problem management only to Clearing Firms and Participants and their Authorized Users.

(ii) In order to be eligible for Control Desk support, a natural person must first be identified to the Exchange by the relevant Participant or Clearing Firm, as the case may be, as an authorized contact (“Authorized Contact”) or must be an Authorized User. The Control Desk provides support via a specified telephone number and during specified hours.

(iii) Control Desk employees may not always be available to assist Authorized Contacts or Authorized Users.

(iv) Individuals other than Authorized Contacts and Authorized Users must contact a Participant’s or a Clearing Firm’s Authorized Contact to make support requests.

(b) Control Desk Communications.

(i) As provided in Rule 537, the Exchange shall not be liable for any loss resulting from any inability to communicate with the Control Desk.

(ii) The liability of the Exchange for the negligent acts of Control Desk staff shall be subject to the limitations and conditions of Rule 537.

(iii) In no event shall the Exchange be liable for the negligence of the Control Desk if the Person claiming to have suffered a loss could have secured the support it sought from the Control Desk through its own administrative terminal, a terminal of its Clearing Firm or a terminal of an ISV.

(iv) For purposes of this Rule, a Person is deemed able to take action through its own administrative terminal, a Clearing Firm’s terminal or an ISV’s terminal unless such terminal was inoperative or such terminal service was interrupted at the time the Control Desk took action.

(c) Order Status.

(i) A Person who believes it has received an incorrect Order status or does not receive an appropriate status shall immediately notify the Control Desk. Additionally, such Person shall take any necessary and appropriate market action to mitigate any potential losses arising from the incorrect Order status or lack of appropriate Order status immediately after the Person knew or should have known that the Order status information was incorrect or should have been received. Any liability of the Exchange for incorrect Order status shall be subject to the limitations and conditions of Rule 537.

(ii) Notwithstanding the above, the Exchange shall not be liable for losses related to incorrect Order status information if the Exchange provides prior notification that an Exchange system, service or facility may produce such incorrect information and also provides notification of a means to obtain correct Order status information from such system, service or facility. In the event that the Control Desk and an Exchange system, service or facility provide conflicting

information relating to an Order status, a Person may only reasonably rely on the information received from the Control Desk. Any liability of the Exchange shall be subject to Rule 537.

RULE 539. Execution of Orders

(a) Transactions on the DCM Trading System: This Rule 539(a) applies to the DCM Trading System.

(i) Orders to buy or sell any Contract are subject to the minimum trading requirements specified in the relevant Contract rules. For each trade matched on the DCM Trading System, the DCM Trading System shall promptly notify each Participant party to such trade that the trade has been executed.

Except as expressly provided for by the Rules, all Orders are matched with each other and executed electronically through the order book of the DCM Trading System in accordance with an algorithm that gives first priority to Orders at the best price and priority among Orders entered at the same price based on the length of time such Order has been resting. Without limiting the generality of the foregoing, the algorithm to match Orders entered in the order book of the DCM Trading System is based upon the following principles:

(ii) An Order at a better price will always have priority over Orders at inferior prices, except as provided in Rule 539(a)(vii).

(iii) A Limit Order will be executed when entered to the extent that there are resting contra-Orders, with any balance of such Limit Order to remain as a resting Order until such Limit Order is executed or is cancelled. Limit Orders must be entered with a user-defined limit price. All Limit Orders shall be cancelled by the DCM Trading System at the conclusion of Trading Hours on each Business Day.

(iv) “Immediate or Cancel”, in reference to an Order, means that such Order is executed against all resting contra-Orders at the stated price or better, up to the volume designated by the Order. Any residual volume of the Order is cancelled by the DCM Trading System.

(v) Except as provided in Rule 539(a)(vii), as among resting Orders at the same price, the algorithm will identify the resting Order to be matched against by length of time such Order has been resting. For the first two years following the date of the Exchange’s designation as a DCM, any decrease or increase to the size of a resting Order will not affect the priority of such Order.

(vi) An Iceberg Order will not be treated as a resting Order eligible to be matched, except to the extent of its displayable portion. Only the displayed portion of an Iceberg Order shall be visible. When a displayed portion is fully matched, any remaining reserve portion shall be re-divided into a displayed portion and reserve portion. The reserve portion of an Iceberg Order shall not be displayed nor will any indicator be contained in the market data stream to expose its presence.

(vii) TRADEON Sessions: A TRADEON Session will start for a Contract if an Order and a contra-Order are matched for that Contract (a “Matched Session”). Each Matched Session shall, if any Order for the relevant Contract remains unmatched at the end of such session, be followed by a new session (a “Continuing Session” and together with a Matched Session, a “TRADEON Session”). Each TRADEON Session lasts for typically ten seconds. Orders in the Contract subject to a TRADEON Session will only be matched at the “Market Equilibrium Price”, which is the price at which a trade was executed in the Matched Session. In the event that a trade executed in the Matched Session is a sweep of the order book in which a trade is executed at

multiple prices, the Market Equilibrium Price shall be the worst price from the perspective of the aggressor.

(A) Initial Session: At the start of a Matched Session, a TRADEON window appears on the platform screen, indicating that a TRADEON session has begun. The initial session is a limited time window (typically 10 seconds) during which any participant on the DCM Trading System may submit an order to buy or sell specified sizes of the product at the indicated Market Equilibrium Price. Orders placed during this time window are not visible to the market. Users can submit their Orders beginning immediately at the start of a TRADEON Session and for the duration of the session, and any Orders submitted for a TRADEON Session will be queued in priority order. During an initial TRADEON Session, priorities are as follows:

(B) In a Matched Session, any unfilled portion of the original Orders that initiated the trade is moved into the TRADEON Session, and the original parties may add to their Orders during the session and retain top priority.

(C) Users with resting Orders in the DCM Trading System order book at the Market Equilibrium Price will automatically be moved into the TRADEON Session and have the same priority in the initial session as they do in the order book.

(D) For all other users, any Orders entered during the initial session are lower priority than any of the Orders described in paragraphs (B) and (C) of this Rule 539(a)(vii). Such Orders are prioritized among themselves by the time of submission. For Iceberg Orders, the notional visibility (i.e., the displayed notional amount of an Iceberg Order) has priority over the reserve portion of an Iceberg Order.

(E) Orders in the initial TRADEON session are matched at the end of the session and based on the priority order set forth above. If both of the original parties to the trade (for trade-initiated TRADEON Session) enter an Order, the Orders will match immediately as they have the highest priority and are guaranteed to match.

(viii) Continuing Session: If any Orders remain unmatched at the end of a TRADEON Session and a trade occurred during such TRADEON Session, a Continuing Session will begin. Additional Orders may be submitted at any time during the Continuing Session. During a Continuing Session, Orders are prioritized solely by notional visibility and time. All Orders are matched at the Market Equilibrium Price and are matched immediately if there is a contra Order in the Continuing Session. If, at the end of the Continuing Session, a trade has occurred, and there are unmatched TRADEON Orders remaining, another Continuing Session will begin.

(ix) Termination: At the conclusion of a TRADEON Session, if no Continuing Session will follow pursuant to Rule 539(a)(viii) above, the session shall terminate and any Orders that have not matched during such session shall be placed in the order book based on their price.

(b) Transactions on the SEF Trading System: This Rule 539(b) applies to the SEF Trading System.

(i) Request for Quote Functionality. The Request for Quote (“RFQ”) means the functionality of the SEF Trading System that allows a Participant (the “Requesting Participant”) to send an RFQ to buy or sell a Contract to other Participants specifically selected by the Requesting Participant, or to all Participants that are eligible to receive an RFQ from Requesting Participant. RFQ functionality will operate in conjunction with an order book for Required Transactions.

(ii) RFQ for Required Transactions. An RFQ for a Contract that is a Required Transaction must be sent to no fewer than the Required Number of Recipient Participants.

“Recipient Participant” means, with respect to any Requesting Participant sending any RFQ via the Request for Quote functionality of the SEF Trading System, a Participant, other than the Requesting Participant, that (x) is not an Affiliate of or Controlled by the Requesting Participant, and (y) is not an Affiliate of or Controlled by any other Person that responds to the same RFQ of the Requesting Participant.

“Required Number” means (x) prior to October 3, 2014, two, and (y) on or after October 3, 2014, three.

(iii) RFQ for Permitted Transactions. An RFQ for a Contract that is a Permitted Transaction must be sent to at least one other Participant.

(iv) Order Book. The SEF Trading System shall make an order book available as an execution method for all Required Transactions in accordance with the following.

(A) The Exchange will list for trading certain Required Transactions on the order book of the DCM Trading System as determined by the Exchange in its sole discretion. The order book of the DCM Trading System shall serve as the minimum trading functionality for the SEF Trading System pursuant to CFTC Regulation § 37.3 with respect to those Required Transactions listed by the Exchange on DCM Trading System. Upon submission of an RFQ by a Requesting Participant, the SEF Trading System shall communicate to the Requesting Participant any bid or offer for the relevant Required Transaction which is resting on the order book of the DCM Trading System.

(B) The Exchange shall offer a customized order book on the SEF Trading System for Required Transactions that are not listed for trading on the order book of the DCM Trading System.

(C) Requesting Participants may execute against the bid or offer, as applicable, communicated to them from the order book of the DCM Trading System, the customized order book of the SEF Trading System, or any responsive quotes to the RFQ of Requesting Participants.

(c) Execution on the Platform of a Required Transaction, other than a Block Trade executed pursuant to Rule 542, shall occur through one of the following methods:

(i) a RFQ on the SEF Trading System in accordance with Rule 539(b)(ii);

(ii) matching of an Order on the order book of the DCM Trading System or a customized order book on the SEF Trading System; or

(iii) as otherwise permitted by Applicable Law and adopted as an acceptable execution method by the Exchange.

RULE 540. [RESERVED]

RULE 541. Trade Cancellations and Price Adjustments

(a) Authority Over Trade Cancellations and Price Adjustments.

(i) The Board or a designee of the Board has authority to adjust trade prices or cancel (“bust”) trades when such action is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Platform, by system defects, or for any reason deemed necessary by the Exchange in order to comply with Applicable Law.

(ii) Notwithstanding any other provisions of this Rule 541, the Board or a designee of the Board may adjust trade prices or bust any trade if it determines that allowing the trade to stand as executed may have a material, adverse effect on the integrity of the market.

(iii) All decisions of the Board or a designee of the Board under this Rule 541 shall be final.

(b) Review of Trades.

(i) The Board or a designee of the Board may determine to review a trade based on its independent analysis of market activity or upon request for review by an Authorized Trader. A request for review must be made within 15 minutes of the execution of the trade.

(ii) The Board or a designee of the Board shall determine whether or not a trade will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Board or a designee of the Board deems it to be appropriate, the Board or a designee of the Board may determine, in its sole discretion, that a trade shall not be subject to review.

(c) Price Adjustments and Cancellations.

(i) In reviewing a trade, the Board or a designee of the Board will first determine whether the trade price is within the No Bust Range for the Contract.

(ii) In applying the No Bust Range, the Board or a designee of the Board shall determine the fair value market price for that Contract at the time the trade under review occurred (the “Market Price”). The Board or a designee of the Board may consider any relevant information, including, but not limited to, the last trade price in the contract or a better bid or offer price on the Platform, a more recent price for a different maturity date, the price of the same or related contract established in another venue or another market and the market conditions at the time of the trade.

(iii) Trade Price Inside the No Bust Range. If the Board or a designee of the Board determines that the price of the trade is inside the No Bust Range, then it will issue an alert indicating that the trade shall stand.

(iv) Trade Price Outside the No Bust Range.

(A) If the Board or a designee of the Board determines that a trade price is outside the No Bust Range for a swap, the trade price shall be adjusted to the Market Price, plus or minus the No Bust Range. In the event there are multiple parties, prices or contracts involved in the transactions at issue, the Board or a designee of the Board has the authority, but not the obligation, to bust rather than price adjust such transactions. The Board or a designee of the Board will issue an alert regarding its decision.

(B) Busted trade prices and any prices that have been adjusted shall be cancelled in the Exchange’s official record of time and sales. Trades that are price adjusted shall be inserted in the time and sales record at the adjusted trade price.

(d) Alternative Resolution by Agreement of Parties.

(i) With the approval of the Board or a designee of the Board, parties to a trade that is price adjusted may instead mutually agree to cancel the trade.

(ii) With the approval of the Board or a designee of the Board, parties to a trade that is busted may instead mutually agree to price adjust the trade to a price consistent with the adjustment provisions of Rule 541(c).

(iii) Subject to Rule 541(d)(i) and Rule 541(d)(ii), parties to a trade that is cancelled or price adjusted may mutually agree to a cash adjustment provided that such adjustments are reported to the Board or a designee of the Board and the parties maintain a record of the adjustment.

(iv) An executed trade may not be reversed via transfer except where such trade is determined by the Board or a designee of the Board to be outside of the No Bust Range but not reported timely, subject to agreement of the parties and approval of the Board or a designee of the Board. Any such transfer must occur at the original trade price and quantity, however, the parties may mutually agree to a cash adjustment.

(e) Liability for Losses Resulting from Price Adjustments or Cancellations.

(i) A party entering an order that results in a price adjustment or trade bust shall be responsible for demonstrated claims of realized losses incurred by persons whose trade prices were adjusted or busted; provided, however, that a claimant shall not be entitled to compensation for losses incurred as a result of the claimant's failure to take reasonable actions to mitigate the loss.

(ii) A claim for a loss pursuant to this section must be submitted to the Exchange on an Exchange claim form within one business day of the event giving rise to the claim. The Exchange will reject any claim that is not filed in a timely manner and such decisions shall be final. Eligible claims shall be forwarded by the Exchange to the party responsible for the order(s) that resulted in a trade bust or a price adjustment and to the Participant through which the trade was submitted for clearing. Such party shall, within ten business days of receipt of the claim, admit or deny responsibility in whole or in part. Failure to respond to the claim within ten business days shall be considered a denial of liability.

(iii) To the extent that liability is admitted, payment shall be made within ten business days. Unless otherwise agreed upon in writing by the parties, failure to make the payment within ten business days shall be considered a denial of liability for purposes of this Rule 541. A copy of any such written agreement must be provided to the Exchange.

(iv) To the extent that liability is denied, the party making the claim may submit the claim for arbitration pursuant to Chapter 7 of the Rules. Such claims must be submitted to the Board or a designee of the Board within ten business days of the date the party was issued notification that liability was denied.

(f) Schedule of Administrative Fees. When the Board or a designee of the Board busts or price adjusts a trade, the party responsible for entering the order into the Platform that gave rise to the trade bust or price adjustment shall pay an administrative fee to the Exchange in the amount of \$500 for each such occurrence.

(g) Exchange No Bust Ranges.

Contract	No Bust Range
Interest Rate Swap, USD Semi Bond	The price equivalent of one (1) basis point from the determination of fair market value by the Board or a designee of the Board.
Interest Rate Swap, USD MAC (Market Agreed Coupon)	The price equivalent of one (1) point (percent of par) to be equivalent with 1basis point for USD Semi Bond

(h) Transfer Trades. Positions that result from a trade determined by the Board or a designee of the Board to be outside the No Bust Range that cannot be busted because the trade was not reported within five minutes of the execution of the trade may be transferred between the parties using a transfer trade upon agreement of the parties (a “Transfer Trade”). Such Transfer Trades must comply with the trading requirements in these Rules. The Transfer Trade must use the original trade price and quantity. Any party may, but is not required to, include a cash adjustment to another party to the trade. Trades determined by the Board or a designee of the Board to be inside the No Bust Range may not be reversed using a Transfer Trade.

(i) Voluntary Adjustment of Trade Price. When a trade outside of the No Bust Range is busted in accordance with this Rule 541, the parties to the trade may agree voluntarily to reestablish the trade but to adjust its price and make a cash adjustment provided that all of the following conditions are met:

(i) The Board or a designee of the Board approves the adjustment.

(ii) The quantity of the position being reestablished is the same as the quantity of the trade that was busted.

(iii) In the case of a trade below the Market Price, the adjusted price must be the lowest price that traded at or about the time of the trade without being busted. In the case of a trade above the Market Price, the adjusted price must be the highest price that traded at or about the time of the trade without being busted.

(iv) The parties to the adjusted trade must report it to the Exchange using a Transfer Trade not later than the close of business on the Business Day after the trade occurred.

(j) Busting Trades After System Malfunction. In the event that the matching engine malfunctions with live Orders in the queue waiting to be matched, such Orders may be matched when the system is restored before the Board or a designee of the Board halts the matching engine. The Board or a designee of the Board is authorized to bust trades resulting from such matches if the price of such trades is outside of the No Bust Range at the time that a confirmation of the trades was sent.

(k) Trades That Have Not Been Accepted for Clearing.

The Exchange’s policies and procedures on clearing certainty shall govern resolution of all issues involving trades that have not been accepted for clearing by either the relevant Clearing Firm or Clearing House.

RULE 542. Block Trades

(a) The Exchange shall designate the Contracts that are eligible for treatment as a Block Trade and whether the details of a Block Trade may be submitted to the DCM Trading System or the SEF Trading System.

(b) Each Person that is a party to a Block Trade must be an Eligible Contract Participant.

(c) A Participant shall not execute any order on behalf of its Customer or Client by means of a Block Trade unless such Participant has received prior written instruction or consent from its Customer or Client to execute Block Trades, on behalf of that Customer or Client. Such instruction or consent may be provided in the power of attorney or similar document by which the Client provides the Participant with discretionary trading authority or the authority to direct the trading in its account. A Participant shall not aggregate the orders of different Clients to satisfy the minimum threshold size unless such Participant is one of the persons for which aggregation is permissible pursuant to CFTC Regulation § 43.6(h).

(d) The price at which a Block Trade is executed must be fair and reasonable in light of (i) the size of the Block Trade, (ii) the prices and sizes of other transactions in the same Contract at the relevant time, (iii) the prices and sizes of transactions in other relevant markets, including the related swap markets, at the relevant time, and (iv) the circumstances of the markets or the principal counterparties to the Block Trade.

(e) Block Trades may only be executed and reported on the same day to the DCM Trading System or the SEF Trading System during Trading Hours of the relevant Contract. Parties to a Block Trade must ensure that its details are reported to the DCM Trading System or the SEF Trading System, as applicable, as soon as technologically practicable after execution. For the purposes of this Rule, a Block Trade is reported to the Exchange upon: (1) the entry of the trade details of the Block Trade by one party into the DCM Trading System, or the SEF Trading System; and (2) an affirmation of the terms of the Block Trade by the other party through the DCM Trading System or SEF Trading System, as applicable. The trade details reported to the DCM Trading System or the SEF Trading System, as applicable, must include the execution time, which is the time at which the parties agreed to the terms of the Block Trade prior to entry of the trade details into the DCM Trading System or the SEF Trading System. Block Trades will not set off conditional orders (e.g., Limit Orders) or otherwise affect orders on the DCM Trading System or SEF Trading System.

(f) The Platform will transmit Swap Data of all Block Trades reported to the Exchange in accordance with this Rule 542 to the SDR as soon as technologically practicable after their details are submitted to the DCM Trading System or SEF Trading System. The SDR will be responsible for delaying the public dissemination of swap transaction and pricing data relating to any Block Trade in accordance with the timeframe set forth in Part 43 of CFTC Regulation and Applicable Law.

(g) All Persons involved in the execution of Block Trades must maintain a record of the transaction as required by Applicable Law.

RULE 543. [RESERVED]

RULE 544. Recordkeeping Requirements for Privately Negotiated Trades

(a) All transactions executed pursuant to Rule 542, unless otherwise exempted by Rule, are subject to the following recordation requirements (in addition to any other recordation requirements applicable under the Rules and Applicable Law):

(i) At the time of execution, every Order received from a Customer must be in the form of a written or electronic record and include an electronic timestamp reflecting the date and

time such Order was received and must identify the specific account(s) for which the Order was placed. Such record shall also include an electronic timestamp reflecting the date and time such Order was executed or cancelled.

RULE 545. SDR Reporting

(a) Transmitting and Reporting Data. The Platform shall transmit Real-Time Data and report all Swap Data to an SDR, as soon as technologically practicable after execution of such swap on or subject to the rules of the Exchange.

(b) Non-Disclosure. The Exchange shall not disclose Real-Time Data of any swap executed on or pursuant to the rules of the Platform prior to public dissemination of such Real-Time Data by an SDR in accordance with CFTC Regulations.

(c) Correcting Real-Time Data.

(i) If a Reporting Party becomes aware, whether through the initiative of the Reporting Party or through notice by the ~~other non-reporting counterparty~~ to the swap, of an error or omission in Real-Time Data that was transmitted by the Platform to an SDR, the Reporting Party shall promptly submit to the Exchange, Real-Time Data correcting such error or omission and notify the Exchange of the need to correct the original Real-Time Data transmitted to the relevant SDR.

(ii) If the Exchange becomes aware of an error or omission in Real-Time Data transmitted by it to an SDR, or receives notification from the Reporting Party pursuant to sub-paragraph (i), the Exchange shall promptly transmit Real-Time Data correcting such error or omission to the same SDR to which incorrect Real-Time Data was transmitted.

(d) Correcting Swap Data. The Exchange shall report corrections to any errors and omissions in Swap Data that were transmitted by the Exchange to the SDR. Corrections of errors or omissions in Swap Data shall be reported to the relevant SDR as soon as technologically practicable after discovery of any such errors or omissions.

(e) Improper Cancellation or Correction. The Exchange shall not transmit or agree to transmit to an SDR a cancellation or correction to Real-Time Data with knowledge that the purpose of re-reporting such Real-Time Data is to gain or extend a delay in public dissemination of accurate Real-Time Data or to otherwise evade the reporting requirements in this part.

(f) Reporting Party Determination. For purposes of these rules, the term “Reporting Party” means, in respect of a swap executed on or pursuant to the Rules of the Exchange, the Participant that is the “reporting counterparty” after application of CFTC Regulation § 45.8. If both principal counterparties to a swap executed on or pursuant to the rules of the Exchange are Swap Dealers; or both are Major Swap Participants; or neither are Swap Dealers nor Major Swap Participants but both are financial entities as defined in CEA § 2(h)(7)(C); or neither are a financial entity as defined in CEA § 2(h)(7)(C), the Reporting Party shall be the Participant that is the fixed rate payer on the swap, and in respect of switches, the Reporting Party shall be the party that is the purchaser of the switch.

RULE 546. ~~Written Record of the Terms of Transactions Executed on the Platform~~ Transaction Confirmation.

The Exchange will provide each Participant that is a counterparty to a Transaction on the Platform a written record of all of the terms of the Transaction. Such terms shall legally supersede any previous agreement and serve as a confirmation of the Transaction. The Exchange will not include specific account

identifiers for accounts included in Bunched Orders if the applicable requirements of CFTC Regulation § 1.35(b)(5) are met.

RULE 547. Orders Eligible for Post-Execution Allocation

(a) No Participant shall enter a Bunched Order on the Platform unless at the time of entering such Bunched Order, such Participant:

(i) is within at least one of the categories of entities enumerated in CFTC Regulation § 1.35(b)(5)(i); and

(ii) has been granted written investment discretion with regard to the Client accounts to which Participant will allocate the Transaction that results from such Bunched Order.

(b) All Bunched Orders and Transactions resulting from Bunched Orders must be allocated and recorded in accordance with CFTC Regulation § 1.35 and consistent with the principles of NFA's Interpretative Notice 9029 related to Compliance Rule 2-10 as amended from time to time, and as if its terms applied to swaps.

(c) The provisions of (b) above shall also apply to Block Trades in which orders have been aggregated pursuant to CFTC Regulation § 43.6 to meet the minimum transaction size.

RULE 548. Legal Certainty of Transactions

A Transaction entered into on or pursuant to the Exchange Rules shall not be void, voidable, subject to rescission, otherwise invalidated, or rendered unenforceable as a result of either (a) a violation by the Exchange of the provisions of CEA § 5h or CFTC Regulations; or (b) any action taken by the CFTC that has the effect of amending, altering or supplementing these Rules or any of the terms or conditions of a Contract listed for trading on the Exchange.

CHAPTER 6 DISCIPLINARY RULES

RULE 601. General

(c) No Exchange Official, Director, or Officer will interfere with or attempt to influence the process or resolution of any inquiry, Investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action (each, a “Disciplinary Action”), except to the extent provided under the Rules with respect to a proceeding in which the Director is a member of the relevant Appeal Panel; provided, however, that a Director may participate in the proceedings of an Appeal Panel if such Director is a member of such Appeal Panel to the extent otherwise authorized.

(d) Any Person may be represented by legal counsel or any other representative of its choosing during any Disciplinary Action; provided, however, that no such legal counsel may be an employee of the Exchange or any person related to the underlying investigation.

(e) Liability of a Subject Person or any Authorized Traders, thereof.

The Exchange may hold a Subject Person or any Authorized Trader liable for, and impose sanctions against, such Subject Person or any Authorized Trader thereof, for:

(i) the acts and omissions of such Subject Person or any of its Authorized Traders that constitutes a violation of the Rules of the Exchange or any provision of Applicable Law; or

(ii) any Person’s use of a User ID or Admin ID that has been assigned to an Authorized Trader or Administrative User, respectively, of such Subject Person that constitutes a violation of Rule 536 or Rule 801(b), as appropriate.

(f) Ex Parte Communications.

(i) A Person subject to a disciplinary proceeding or an appeal from a disciplinary proceeding (and any counsel or other representative of such Person) and the Exchange Regulation Department (and any counsel or other representative of the Exchange Regulation Department) shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any member of the Disciplinary Panel or the Appeal Panel hearing such proceeding.

(ii) Members of a Disciplinary Panel or Appeal Panel shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any Person subject to such proceeding (and any counsel or representative of such Person) and the Exchange Regulation Department (and any counsel or representative of the Exchange Regulation Department).

(iii) Any Person who receives, makes or learns of any communication that is prohibited by this rule shall promptly give notice of such communication and any response thereto to the Exchange Regulation Department and all parties to the proceeding to which the communication relates.

(iv) A Person shall not be deemed to have violated this rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

RULE 602. Inquiries and Investigation

(a) The Exchange Regulation Department will investigate any matter within the Exchange's jurisdiction of which it becomes aware. Pursuant to this Chapter 6, the Exchange Regulation Department will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the Exchange that, in the judgment of the Exchange Regulation Department indicates a possible basis for finding that a violation may have occurred or will occur. The Exchange Regulation Department will determine the nature and scope of its inquiries and investigations in its sole discretion and will function independently of any commercial interests of the Exchange.

(b) The Exchange Regulation Department has the authority to:

- (i) initiate and conduct inquiries and investigations;
- (ii) prepare investigative reports and make recommendations concerning initiating disciplinary proceedings;
- (iii) prosecute alleged violations within the Exchange's disciplinary jurisdiction; and
- (iv) represent the Exchange on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

(c) Each Person:

(i) is obligated to appear and testify and respond in writing to interrogatories within the time period required by the Exchange Regulation Department in connection with:

- (A) any inquiry or Investigation; or
- (B) any preparation by and presentation during a Disciplinary Action.

(ii) is obligated to produce all books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Exchange Regulation Department in connection with:

- (A) any inquiry or Investigation; or
- (B) any preparation by and presentation during a Disciplinary Action; and

(iii) may not impede or delay any Disciplinary Action.

RULE 603. Reports of Investigations

(a) The Exchange Regulation Department will maintain a log of each Investigation and its disposition. The Exchange Regulation Department will prepare a written report of each Investigation, regardless of whether the evidence gathered during such Investigation forms a reasonable basis to believe

that a violation within the Exchange's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.

(b) Any written report of Investigation ("Investigative Report") will include the reasons for initiating the Investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, Exchange Regulation Department staff's analysis and conclusions and the recommendation of the Exchange Regulation Department including as to whether a warning letter should be issued or any other disciplinary action should be pursued. For each potential respondent, the Exchange Regulation Department will recommend either:

- (i) closing the Investigation without further action;
- (ii) settlement;
- (iii) summary action;
- (iv) the preparation and service of a Notice of Charges for instituting a disciplinary proceeding; or
- (v) resolving the Investigation through an informal disposition, including the issuance of a warning letter, provided that no more than one warning letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve month period. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction, however, the investigative report must include a copy of any warning letter.

(c) The Investigative Report will be provided to the Chief Compliance Officer or the Chief Regulatory Officer for a determination as to whether the Investigative Report is complete. The Chief Compliance Officer or the Chief Regulatory Officer will then provide the completed Investigative Report to the Review Panel of the Disciplinary Panel.

RULE 604. Opportunity to Respond

(a) After completing its Investigative Report, the Exchange Regulation Department may, upon approval of the Chief Compliance Officer or the Chief Regulatory Officer, notify each potential respondent that the Exchange Regulation Department has recommended formal disciplinary charges against the potential respondent.

(b) The Exchange Regulation Department may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Exchange Regulation Department.

RULE 605. Review of Investigative Reports

(a) Review of Investigative Reports by the Chief Compliance Officer or the Chief Regulatory Officer.

- (i) The Chief Compliance Officer or the Chief Regulatory Officer will review the Investigative Report provided pursuant to Rule 603(c) to determine whether a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur.

(ii) If after receiving an Investigative Report pursuant to Rule 605(a)(i) or any additional information pursuant to this Rule 605(a)(ii), the Chief Compliance Officer or the Chief Regulatory Officer determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur, the Chief Compliance Officer or the Chief Regulatory Officer will direct the Exchange Regulation Department to conduct further investigation.

(iii) Upon receiving the Investigative Report pursuant to Rule 605(a)(i) and all additional information requested pursuant to Rule 605(a)(ii), the Chief Compliance Officer or the Chief Regulatory Officer will determine for each potential respondent whether to authorize:

(A) the informal disposition of the Investigation (by issuing a warning letter or otherwise; provided that no more than one warning letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve month period) because disciplinary proceedings are unwarranted; or

(B) the closing of the Investigation without any action because no reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur; or

(C) the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur.

(b) Review of Investigative Reports by the Review Panel of the Disciplinary Panel.

(i) After receiving a completed Investigative Report pursuant to Rule 605(a), a Review Panel must promptly review the report and, within 30 days of such receipt, must take one of the following actions:

(A) If the Review Panel determines that additional investigation or evidence is needed, it must promptly direct the Exchange Regulation Department to conduct further investigation.

(B) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision.

(C) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the Person alleged to have committed the violation be served with a Notice of Charges and proceed in accordance with the rules of this Chapter 6.

(ii) A failure of the Disciplinary Panel to act within the time prescribed in Rule 605(b)(i) shall not prevent the Chief Compliance Officer or the Chief Regulatory Officer from acting pursuant to Rule 605(a). The Chief Compliance Officer or the Chief Regulatory Officer shall inform the Regulatory Oversight Committee of any such failure of the Disciplinary Panel to act.

(iii) Any conflict between the actions of the Chief Compliance Officer or the Chief Regulatory Officer pursuant to Rule 605(a) and the Disciplinary Panel pursuant to Rule 605(b) shall be resolved by the Regulatory Oversight Committee.

(c) Each Investigation shall be completed in a timely manner. Absent mitigating circumstances (it being understood that the complexity of the Investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined may constitute such mitigating circumstances), an Investigation shall be complete within 12 months of such Investigation being initiated pursuant to Rule 602(a).

RULE 606. Notice of Charges

(a) If the Chief Compliance Officer, the Chief Regulatory Officer or Review Panel authorizes disciplinary proceedings pursuant to Rule 605(a)(iii)(C) or Rule 603(b)(iv), the Exchange Regulation Department will prepare, and serve in accordance with Rule 608, a Notice of Charges (“Notice of Charges”).

(b) A Notice of Charges will:

(i) state the acts, conduct or practices that the respondent is alleged to have engaged in;

(ii) state the Rule or provision of Applicable Law alleged to have been violated or about to be violated;

(iii) state the proposed sanctions;

(iv) advise the respondent of its right to a hearing;

(v) advise the respondent of the right to be represented by legal counsel pursuant to Rule 601(d) in all succeeding stages of the disciplinary process;

(vi) state the period of time within which the respondent may file an answer to the Notice of Charges, which will not be less than 20 days after service of the Notice of Charges;

(vii) advise the respondent that any failure to answer the Notice of Charges pursuant to Rule 607 within the period stated pursuant to Rule 606(b)(vi) except for good cause, will be deemed to constitute a waiver of the right to participate in a hearing; and

(viii) advise the respondent that any allegation in the Notice of Charges that is not expressly denied will be deemed to be admitted.

RULE 607. Answer to Notice of Charges

(a) If the respondent determines to answer a Notice of Charges, the respondent must file answers within the period indicated in the Notice of Charges pursuant to Rule 606(b)(vi), which period may be extended by written consent of the Chief Compliance Officer or the Chief Regulatory Officer.

(b) To answer a Notice of Charges, the respondent must in writing:

(i) specify the allegations that the respondent denies or admits;

(ii) specify the allegations that the respondent does not have sufficient information to either deny or admit;

(iii) specify any specific facts that contradict the Notice of Charges;

(iv) specify any affirmative defenses to the Notice of Charges; and

(v) sign and serve the answer on the Chief Compliance Officer or the Chief Regulatory Officer, who shall forward a copy of the answer to the relevant Review Panel.

(c) Any failure by the respondent to timely serve an answer to a Notice of Charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to specifically answer any allegation shall be deemed to be an admission of such allegation. Any allegation in a Notice of Charges that the respondent fails to expressly deny shall be deemed to be admitted. A general denial by the respondent will constitute an admission of all allegations in a Notice of Charges.

(d) If the respondent timely files an answer to a Notice of Charges, the respondent shall be entitled to attend and participate in a hearing pursuant to Rule 613.

RULE 608. Service of Notice of Charges

Documents (including a Notice of Charges) contemplated by this Chapter 6 may be served on any respondent (a) in person to the respondent or an Authorized Representative of the respondent, (b) by delivery to the place of business of the respondent or an Authorized Representative of the respondent, by United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of the Exchange, (c) via electronic mail to the electronic mail address of the respondent or an Authorized Representative of the respondent as it appears on the books and records of the Exchange.

RULE 609. Settlements

(a) A respondent at any time after an Investigative Report is completed pursuant to Rule 603 may propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.

(b) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the Exchange over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(c) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Exchange Regulation Department. The Exchange Regulation Department shall provide a copy of any offer of settlement and its recommendation on whether to accept or reject such offer to the Chief Compliance Officer, the Chief Regulatory Officer and/or the Review Panel considering the matter at issue, or if no Review Panel is considering the matter, then the Hearing Panel convened to consider such matter.

(d) Any preliminary determination by the Chief Compliance Officer or the Chief Regulatory Officer to accept the offer shall be submitted for review by the relevant Disciplinary Panel. If the relevant Disciplinary Panel agrees, then the Chief Compliance Officer or the Chief Regulatory Officer shall conditionally accept an offer of settlement, and that the settlement will become final upon the expiration of 20 days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.

(e) If an offer of settlement is accepted by the relevant Disciplinary Panel, the panel accepting the offer must issue a written decision specifying the rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must take into account the respondent's disciplinary history and include full customer restitution where harm to a customer and the customer's identity can be reasonably determined. If an offer of settlement is accepted without the agreement of the Exchange Regulation Department, Chief Compliance Officer or the Chief Regulatory Officer, the decision must adequately support the Disciplinary Panel's

acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.

(f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the Rules.

(g) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer or the Chief Regulatory Officer and the relevant Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Exchange Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

RULE 610. Disciplinary Panels

(a) Review Panel. The Review Panel shall review completed Investigative Reports in order to determine whether a reasonable basis exists for finding of a violation by the respondent and for authorizing the issuance of a Notice of Charges against such respondent.

(b) Hearing Panel. The Hearing Panel shall conduct hearings in connection with any disciplinary proceedings (except for summary impositions of fines pursuant to Rule 617), to make findings, render decisions, and impose sanctions pursuant to this Chapter 6.

(c) Panel Members. The Board shall appoint individuals at the recommendation of the Chief Compliance Officer or the Chief Regulatory Officer, each to serve for a term of one-year, subject to reappointment by the Board, as potential participants on the Disciplinary Panels. The Chief Compliance Officer or the Chief Regulatory Officer shall recommend at least three individuals who would satisfy the conditions for being deemed a Public Director and at least three individuals who represent the views of the applicable market participants). The term of an individual that has been selected as a member of a Disciplinary Panel will not expire until the related proceedings are completed.

(d) Chairperson. The chairperson of any Review Panel or Hearing Panel shall be a Public Participant.

(e) Disciplinary Panel Selection. The Chief Compliance Officer or the Chief Regulatory Officer shall randomly select a Review Panel and Hearing Panel prior to the commencement of any investigative or disciplinary matter from the potential members of Disciplinary Panels appointed by the Board pursuant to Rule 610(c). Each Disciplinary Panel shall be selected by randomly choosing at least one Public Participant and the remaining individuals from those representing the views of the applicable market participants, with the latter being chosen in a manner that prevents any group or class of industry participants from dominating or exercising disproportionate influence on the Disciplinary Panel being formed.

(f) If an individual selected is an Interested Person or if a member of the Disciplinary Panel later becomes an Interested Person, a replacement for such individual shall be randomly selected by the Chief Compliance Officer or the Chief Regulatory Officer.

(g) Within 10 days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 215 or for any other reasonable grounds, including that such individual has a financial interest in the matter, by serving written notice on the Chief Compliance Officer or the Chief Regulatory Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived

any objection to the composition of a Disciplinary Panel. The general counsel of the Exchange will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

(h) No person shall serve on a Disciplinary Panel unless such person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any person or any other information which may come to his attention in his official capacity as a member of the Disciplinary Panel, except when reporting to the Board or to a committee concerned with such information or to the Exchange Regulation Department, when requested by any Government Agency or Self-Regulatory Organization, or when compelled to testify in any judicial or administrative proceeding.

(i) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further an Investigation or as required by law.

RULE 611. Convening Hearings of Disciplinary Proceedings

(a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Hearing Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Hearing Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Exchange Regulation Department.

(c) The chair of the Hearing Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Hearing Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chair of the Hearing Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Hearing Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The general counsel of the Exchange, or its designee, will provide guidance to the chair of the Hearing Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chair of the Hearing Panel pursuant to Rule 611(c) and Rule 612, unless each respondent otherwise consents, the entire Hearing Panel must be present during the entire hearing and any related deliberations.

RULE 612. Respondent Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the Exchange that the Exchange Regulation Department will use to support the allegations and proposed sanctions in the Notice of Charges or which the chair of the Hearing Panel deems relevant to the disciplinary proceedings. Notwithstanding the first sentence in this Rule 612(a), no respondent will have the right to review, and the Exchange will have no obligation to disclose, any documents that are privileged or constitute attorney work product, documents that were prepared by an employee of the Exchange but will not be offered in evidence at the hearing, documents that may disclose a technique or guideline used in examinations, investigations or enforcement proceedings, or documents that disclose the identity of a confidential source.

(b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other Investigations being conducted by the

Exchange Regulation Department, the Exchange Regulation Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Exchange Regulation Department:

(i) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and

(ii) will provide the respondent with access to the information and portions of the documents that the Exchange Regulation Department intends to rely on to support the allegations or proposed sanctions in the Notice of Charges.

(d) For purposes of this Rule 612, information that could adversely affect competitive positions include positions in Contracts currently held, trading strategies employed in establishing or liquidating positions, the identity of any Person, and the personal finances of any Person.

RULE 613. Conducting Hearings of Disciplinary Proceedings

(a) At a hearing conducted in connection with any disciplinary proceedings, the Exchange Regulation Department will present its case supporting the allegations and proposed sanctions in the Notice of Charges to the Hearing Panel. If a respondent has timely filed an answer to the Notice of Charges in accordance with Rule 607, the respondent is entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Hearing Panel or the Exchange Regulation Department and each respondent may:

(i) present evidence and facts unless determined irrelevant or inadmissible by the chair of the Hearing Panel;

(ii) call and examine witnesses; and

(iii) cross-examine witnesses called by other parties.

(c) If the respondent has failed to file an answer, has filed a general denial, or otherwise has failed to expressly deny any allegation in the Notice of Charges, the chair of the Hearing Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the Notice of Charges, or otherwise) unless the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Hearing Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 607.

(d) Any Person entitled, or required or called upon, to attend a hearing before a Hearing Panel pursuant to Rule 613(b)(ii) will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. Any Person that is called as a witness is required to appear at the hearing him- or herself if such Person is an individual or by a duly authorized officer or another appropriate representative if such Person is a juridical entity, and where applicable, produce evidence. The Exchange will make reasonable efforts to secure the presence of any Person called as witnesses whose testimony would be relevant.

(e) If during any disciplinary proceedings the Hearing Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the Exchange or a provision of Applicable Law other than the violations alleged in the Notice of Charges, the Hearing Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 607. In connection with considering apparent violations pursuant to this Rule 613(e), the Hearing Panel may request that the Exchange Regulation Department provide the Hearing Panel with any additional information related to the violations at issue.

(f) The Hearing Panel may summarily impose sanctions on any Person that impedes or delays the progress of a hearing (including by failing to comply with the obligations of such Person under Rule 613(d)).

(g) The Exchange will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If a transcript of the hearing is requested by the CFTC staff or the respondent, the decision of the Hearing Panel is appealed pursuant to Rule 616, or is reviewed by the CFTC pursuant to § 8c of the CEA or part 9 of Chapter 38 of the CFTC Regulations, the Exchange shall produce a transcript of the hearing; provided, however, that the costs of transcribing the hearing shall be borne by the respondent if the respondent requests the transcript, appeals the decision of the Hearing Panel pursuant to Rule 616, or submits an application for the decision of the Hearing Panel to be reviewed by the CFTC and such application is granted.

(h) No interlocutory appeals of any rulings made by a Hearing Panel or a chair of a Hearing Panel are permitted.

RULE 614. Decision of Hearing Panel

(a) As promptly as reasonable following a hearing, the Hearing Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Hearing Panel will constitute the decision of the Hearing Panel.

(b) The Exchange will serve each of the respondents and the Exchange Regulation Department with a copy of the order of the Hearing Panel. The order will include:

(i) the Notice of Charges or summary of the charges;

(ii) the answer, if any, or a summary of the answer;

(iii) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigative Report;

(iv) a statement of findings and conclusions concerning each charge, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;

(v) a reference to each specific Rule or provision of Applicable Law that the respondent is found to have violated;

(vi) a declaration of all sanctions imposed against the respondent, if any, including the basis for such sanctions and the effective date of each sanction; and

(vii) notice of the respondent's right to appeal pursuant to Rule 616.

(c) Unless a timely notice of appeal is filed pursuant to Rule 616, the order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the respondent and provided to the Exchange Regulation Department.

RULE 615. Sanctions

(a) After notice and opportunity to be heard in accordance with the Rules, the Exchange shall impose sanctions on the respondent if the respondent is found to have violated or to have attempted to violate any Rule or provision of Applicable Law for which the Exchange possesses disciplinary jurisdiction. All sanctions must take into account the respondent's disciplinary history and shall be commensurate with the violations committed. In the event of demonstrated customer harm, any sanction must also include full customer restitution, except where the amount of restitution, or to whom restitution should be provided, cannot be reasonably determined.

The Exchange may impose one or more of the following sanctions or remedies:

(i) a warning letter, provided that no more than one warning letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve month period;

(ii) censure;

(iii) termination, suspension or restriction of Trading Privileges, ability to otherwise access the Platform, or the imposition of other limitations on any activity on or through the Exchange;

(iv) subject to Rule 615(b), a fine;

(v) restitution;

(vi) disgorgement; or

(vii) any other sanction or remedy deemed to be appropriate.

(b) The Exchange may impose a fine of up to \$25,000 for each Rule violation. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The Exchange has sole discretion to select the bank on whose quotations to base the prime rate.

RULE 616. Appeal from Hearing Panel Decision, Summary Impositions of Fines and Other Summary Actions

(a) A Person found by the Hearing Panel to have violated any of the Rules or a provision of Applicable Law or who is subject to any summary fine imposed pursuant to Rule 617 or any summary action imposed pursuant to Rule 618 may appeal the decision within 20 days of receiving the order of the disciplinary proceedings or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer or the Chief Regulatory Officer. While an appeal is pending, the effect of the order of disciplinary proceedings or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended, except as provided in Rule 613(f) with respect to any denial or limit on Trading Privileges or ability to otherwise access the Platform.

(b) The notice of appeal must state in writing the grounds for appeal, identifying each finding of fact, conclusion and sanctions to which the appellant objects. An appellant may appeal the order of disciplinary proceedings or any summary decision on the grounds that:

(i) the order or decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules;

(ii) the order or decision exceeded the authority or jurisdiction of the Hearing Panel, the Chief Compliance Officer, or the Chief Regulatory Officer or the Exchange;

(iii) the order or decision failed to observe required procedures;

(iv) the order or decision was unsupported by the facts or evidence; or

(v) the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.

(c) The Chief Compliance Officer or the Chief Regulatory Officer will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer or the Chief Regulatory Officer and serve on the Exchange Regulation Department a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves supporting brief, the appellee must file and serve its brief in opposition with the Exchange Regulation Department. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply with the Exchange Regulation Department.

(d) In connection with any appeal, the Exchange Regulation Department will furnish to the Chief Compliance Officer or the Chief Regulatory Officer and to the respondent a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

(e) Within 30 days after the last submission filed pursuant to Rule 616(c), the Board will appoint an Appeal Panel to consider and determine the appeal. The Board shall appoint individuals at the recommendation of the Chief Compliance Officer or the Chief Regulatory Officer to serve on the Appeal Panel for a term of one year, subject to reappointment by the Board, as potential participants on Appeal Panels. The Chief Compliance Officer or the Chief Regulatory Officer's recommendation shall include Public Participants. The term of an individual that has been selected as a member of an Appeal Panel will not expire until the related proceedings are completed. No individual appointed to an Appeal Panel shall be a member of the Exchange Regulation Department or have been a member of any Disciplinary Panel involved in the matters on appeal.

(f) The chair of the Appeal Panel shall be a Public Participant.

(g) Within 10 days of being notified of the appointment of the Appeal Panel, an appellant may seek to disqualify any individual named to the Appeal Panel for the reasons identified in Rule 215 or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer or the Chief Regulatory Officer. By not timely filing a request for disqualification, the appellant will be deemed to have waived any objection to the composition of an Appeal Panel. The general counsel of the Exchange will decide the merits of any request for disqualification within his or her sole discretion.

(h) The Appeal Panel will hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeal Panel may appoint an expert to attend any hearing and assist in the deliberations if such

individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by evidentiary or procedural rules or law.

(i) The Appeal Panel will only consider on appeal the record before the Hearing Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer or the Chief Regulatory Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeal Panel may only consider new evidence when the Appeal Panel determines that good cause exists as to why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

(j) After completing its review, the Appeal Panel may affirm, modify or reverse any order of the disciplinary proceedings or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, remanding the matter to the same or a different Hearing Panel for further disciplinary proceedings, or ordering a new hearing.

(k) As promptly as reasonably possible following its review, the Appeal Panel will issue a written decision based on the weight of the evidence before the Appeal Panel. The decision of the Appeal Panel will include a determination for each finding, conclusion and sanction reviewed on appeal; provided, however, that the Appeal Panel need not make any determination with respect to a finding, conclusion or sanction if making such finding or reaching such conclusion would have no effect on the sanctions, remedies or costs imposed on the parties to the appeal.

(l) The Appeal Panel's written order will be the final action of the Exchange and will not be subject to appeal within the Exchange.

RULE 617. Summary Imposition of Fines

(a) The Chief Compliance Officer or the Chief Regulatory Officer may summarily impose a fine against a Subject Person on account of conduct by such Subject Person, any Person, Customer or Client of such Subject Person, or any Person using any Firm ID, User ID or Admin ID assigned to such Subject Person, for failing:

(i) to make timely payments of original or variation margin, fees, cost, charges or fines to the Exchange or any Clearing House;

(ii) to make timely and accurate submissions to the Exchange of notices, reports or other information required by the Rules; and

(iii) to keep any books and records required by the Rules.

(b) The Exchange Regulation Department, acting on behalf of the Chief Compliance Officer or the Chief Regulatory Officer, will give notice of any fine imposed pursuant to this Rule 617 to each Person subject thereto. The notice will specify:

(i) the violations of the Rules for which the fine is being imposed;

(ii) the date of the violation for which the fine is being imposed; and

(iii) the amount of the fine.

Within 20 days of serving the notice of fine, the relevant Person must either pay or cause the payment of the fine or file notice of an appeal pursuant to Rule 616. Unless timely notice of appeal is filed pursuant to

Rule 616, the fine will become final upon the expiration of 20 days after the notice of fine is served on the Person.

(c) The Exchange will set the amount of any fines imposed pursuant to this Rule 617, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 617 will not preclude the Exchange from bringing any other action against such Person.

RULE 618. Emergency Suspensions and Other Disciplinary Actions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer or the Chief Regulatory Officer, after consultation with the Regulatory Oversight Committee, if practicable, may summarily suspend, revoke, limit, condition, restrict or qualify any Person's access to, or use of, the Platform, and may take other summary action against any Person in accordance with the Rules (any such action, an "Emergency Disciplinary Action"); provided, however, that the Chief Regulatory Officer must reasonably believe that such Emergency Disciplinary Action is necessary to protect the best interest of the marketplace served by the Exchange.

(b) Whenever practicable, the Exchange shall provide prior written notice to the Person and any Subject Person on whose behalf such Person may be acting for, against whom any Emergency Disciplinary Action will be taken. If prior notice is not practicable, the Exchange will give notice at the earliest possible opportunity to the respondent against whom the Emergency Disciplinary Action is brought. The notice shall state the Emergency Disciplinary Action taken or to be taken, as applicable, briefly state the reasons for the Emergency Disciplinary Action, and state the effective time and date, and duration of the Emergency Disciplinary Action.

(c) As soon as is reasonably practicable following provision of a written notice pursuant to Rule 618(b), there shall be a hearing pursuant to Rule 611, Rule 612, Rule 613, and Rule 614; provided, however, that the notice served pursuant to Rule 618(b) shall be used instead of a Notice of Charges; provided, further, that the decision of the Hearing Panel shall specify a description of the Emergency Disciplinary Action, the reasons for the Emergency Disciplinary Action, a summary of the evidence produced at the hearing, a statement of findings and conclusions, a determination that the Emergency Disciplinary Action should be affirmed, modified or reversed, and a declaration of any action to be taken pursuant to such determination as well as the effective time, date and duration of such action (rather than the information required by Rule 614(b)).

(d) The decision of the Hearing Panel convened to dispose of an Emergency Disciplinary Action shall be appealable pursuant to Rule 616. A respondent may offer to settle the Emergency Disciplinary Action pursuant to Rule 609 without regard to whether an Investigation has been completed.

(e) At the request of the Exchange, a respondent against whom an Emergency Disciplinary Action is brought must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the Exchange in connection with the enforcement of any of the Rules or provision of Applicable Law.

RULE 619. Rights and Responsibilities after Suspension or Termination

(a) When a Person's access to, or use of, the Platform is suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant, Direct Access Customer, Sponsored Access Customer, or Clearing Firm, to enter Orders into the Platform and to receive rates for fees, costs, and charges and deposit margin that are conditional on its status as a Participant, Direct Access Customer, Sponsored Access Customer, if applicable) will apply during the period of the suspension, except for the right of such Person to assert claims against others as provided in the Rules. Any suspension does not affect the rights of creditors of any Person under the Rules or relieve any Person of its obligations (including obligations to perform under any Contract to which such Person is

a party, or obligations to pay any Exchange fees, costs, or charges incurred during the suspension). The Exchange may discipline a suspended Person under this Chapter 6 for any violation by such Person of the Rules or any provision of Applicable Law committed by such Person before, during or after the suspension.

(b) When a Subject Person's status as a Subject Person or any Authorized Trader or Administrative User, thereof, has been terminated, or when the Trading Privileges or the ability to otherwise access the Platform of a Subject Person or an Authorized Trader or an Administrative User have been terminated, (i) all of such Subject Person's or its Authorized Trader's or Administrative User's related rights will terminate, except for the right of such Subject Person or Authorized Trader or Administrative User to assert claims against others, as provided in the Rules, and (ii) the status, Trading Privileges or ability to otherwise access the Exchange of such Subject Person or any Authorized Trader or Administrative User may only be reinstated by such Subject Person applying for such status, Trading Privileges or ability to otherwise access the Exchange pursuant to the Rules. Any such termination will not affect the rights of creditors of such Subject Person under the Rules.

(c) The Exchange will not consider the application of a terminated Subject Person if such Subject Person continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.

(d) In the event of the suspension or revocation of a Subject Person's Trading Privileges or the ability to otherwise access the Platform, the Exchange may postpone the effective date of such suspension or revocation if it is in the best interest of Customers or Clients serviced by the Subject Person.

RULE 620. Notice to the Respondent and the Public

The Exchange will provide written notice of disciplinary proceedings to each of the parties consistent with applicable CFTC Regulations. Whenever the Exchange suspends, expels, fines or otherwise disciplines, or denies any Person access to the Exchange, the Exchange will make the public disclosures required by CFTC Regulations.

CHAPTER 7
ARBITRATION RULES and GOVERNING LAW

RULE 701. Arbitration Forum and Applicable Rules

The Exchange offers an alternative dispute resolution forum through NFA for all Persons involved in disputes arising from any activity on or through the Platform. If Persons wish to pursue a claim through this dispute resolution forum, NFA will conduct any and all arbitrations described in Rule 702 pursuant to NFA's Member Arbitration Rules as if each party to the arbitration is an "NFA Member." References in the NFA Member Arbitration Rules to an "Associate" of a "NFA Member" shall mean and include any Authorized Trader if such person is filing or is named in the claim. However, for disputes involving transactions or activity on the DCM Trading System, a Person that is not an ECP will not be required to participate in an arbitration in which it is named. The decision of NFA pursuant to NFA's Member Arbitration Rules shall be final and binding on all parties thereto, and there shall be no appeal to a Hearing Panel of the Exchange.

RULE 702. Disputes Subject to Arbitration

(a) Except as otherwise provided in the Rules and to the fullest extent permitted under Applicable Law, any Person may submit to NFA Arbitration a claim for any dispute between and among one or more Persons arising out of or in connection with any transaction on or through the Platform. NFA must receive any such claim within two (2) years from the time that the Person filing the claim knew, or should have known, of the act or transaction that is the subject of the dispute. This Rule 702 shall in no way be construed to create a cause of action and shall not authorize an action that is otherwise prohibited by these Rules or Applicable Law.

(b) Notwithstanding the foregoing, this rule 702 does not apply to disputes between or among such Persons if:

(i) such Persons are required by the rules of another SRO to submit to the dispute resolution procedures of that SRO; or

(ii) such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the forum set out in Rule 701.

RULE 703. Penalties

The Exchange may summarily suspend, pursuant to Chapter 6, any Person (and any Subject Person on whose behalf such Person may be acting for) that fails to satisfy an arbitration award rendered in any arbitration pursuant to this Chapter 7.

CHAPTER 8 CLEARING

RULE 801. Clearing Firms

(a) To become, and continue to be, a Clearing Firm for Transactions executed on or through the Exchange, Clearing Firm must:

(xi) for any Clearing Firm organized or located outside of the United States shall enter into a written agreement acceptable to the Exchange appointing a third party as its U.S. agent for service of process for purposes of CFTC Regulation § 15.05, and shall provide the Exchange with a copy of the agreement and any change to such appointment.

(b) A Clearing Firm shall be solely responsible for controlling and monitoring the use of all Admin IDs issued to its Authorized Users by the Exchange. Clearing Firm shall notify the Exchange promptly upon becoming aware of any unauthorized access to the Platform or any unauthorized disclosure or use of any Admin ID assigned to any of its Authorized Users and of any other reason for terminating an Authorized User's access or deactivating an Admin ID. Clearing Firm shall be bound by any actions taken by its Authorized Users (other than any such actions resulting from the fault or negligence of the Exchange), whether or not such actions were taken or authorized by such Clearing Firm.

(c) A Clearing Firm that seeks to execute Transactions on or through the Exchange for its own account or the account of any Customer or Client must be a Participant.

(d) All Contracts executed on the DCM Trading System must be cleared. All Contracts executed on the SEF Trading System for which a determination has been made by the CFTC pursuant to § 2(h) of the CEA that the clearing requirement applies to such Transaction and for which no clearing exemption may be claimed shall be cleared. Any other Contracts executed on the SEF Trading System may be cleared at the discretion of the parties to such Transaction, provided such Contract is offered for clearing by the relevant Clearing House. All Transactions executed on or through the DCM Trading System or the SEF Trading System and intended to be cleared shall be transmitted for clearing by the Exchange to the relevant Clearing House, as soon as technologically practicable. Transactions that are required to be cleared or voluntarily cleared by the parties shall be cleared through a Clearing House in accordance with applicable Clearing House Rules and in conformity with the Rules specifically provided in this Chapter 8.

(e) The Exchange may share information with any Clearing House that would assist such Clearing House in evaluating and monitoring a Clearing Firm's compliance with these Rules. By becoming a Clearing Firm, a Clearing Firm and its Authorized Users, agents and employees agree to cooperate with the Exchange and each relevant Clearing House in any such monitoring.

(f) Clearing Firms shall have the right to clear Contracts in accordance with all applicable Rules and Clearing House Rules.

(g) A Clearing Firm that is an FCM which has agreed to accept for clearing Transactions that are executed by a Participant or Sponsored Access Customer trading on the DCM Trading System for its own account, or on behalf of Customers or Clients, must use the risk controls provided by the Exchange to set risk limits for each such Participant, Sponsored Access Customer, Customer or Client for which it clears Transactions, as applicable. A Clearing Firm shall not be required to use the risk controls provided by the Exchange to set risk limits on the DCM Trading System if Orders are screened on a pre-trade basis provided by the FCM or through a credit limit screening service that provides pre-trade credit checks for the FCM.

(h) A Clearing Firm that has agreed to accept for clearing Transactions that are executed on the SEF Trading System by a Participant or a Customer or Client of Participant, as applicable, shall establish risk-based limits for the account(s) of such Participant or Customer or Client of Participant for which it clears Transactions, and use automated means to screen Orders of such Participant or Customer or Client of Participant using such risk-based limits in accordance with Applicable Law. The Exchange shall provide Clearing Firm means to facilitate such screening.

RULE 802. Clearing House Rules

(a) The clearing services provided by a Clearing House with respect to any Contract, and the rights and obligations of purchasers and sellers under cleared Contracts (including rights and obligations in respect of clearing and settlement, variation payments and performance at maturity) shall be governed by the Clearing House Rules of such Clearing House.

(b) The Clearing House Rules shall prevail in the event of any conflict or inconsistency between these Rules and such Clearing House Rules with respect to any responsibilities or obligations of a Clearing Firm under such Clearing House Rules. Each Clearing Firm is bound by the Clearing House Rules of any Clearing House in which such Clearing Firm has a clearing membership.

RULE 803. Other Clearing Organizations

Each Clearing Firm must be a member of at least one Clearing House at all times. The Exchange may designate an additional clearing organization as a Clearing House from time to time. Whenever the Exchange designates a new Clearing House, a Clearing Firm may become a member of such Clearing House and clear Contracts through the Clearing House.

RULE 804. Settlement Prices; Publication of Trade Information

Each Clearing House will determine the Settlement Price for Contracts. For each Contract, the Exchange shall provide the appropriate Clearing House with the information necessary to enable the Clearing House to determine such Settlement Prices. The Settlement Price of each Contract shall be determined by the relevant Clearing House in accordance with its Clearing House Rules; provided that, if more than one Clearing House is designated for the same Contract, the Exchange shall publish the Settlement Price for that Contract as determined by each Clearing House.

(f) Effective Date. The first date from which fixed and floating interest amounts accrue. It is also referred to as the Start Date. The Effective Date of the Swap must be a business day subject to the appropriate Business Day Convention.

(g) Trade Start Type

(i) Spot Starting. A swap with an Effective Date that follows market convention per each Currency, ranging from T+0 to T+2. For example USD is 2 business days from the Trade Date (T+2).

(ii) Forward Starting. A swap whose Effective Date is anything after ~~than~~ the Effective Date for a Spot Starting swap.

(h) “Maturity Date” means the final date until which Fixed and Floating amounts accrue. The Maturity Date may also be referred to as the “Termination Date” or “End Date”.

(i) “Tenor” means the duration of time from the Effective Date to the Maturity Date. The Exchange will support Tenors of any duration greater than 0 years up to 50 years.

(i) Listed Tenors, with respect to the DCM Trading System, also referred to as On-the-Run, means whole year Spot Starting Contracts with a Tenor of 2 through 10, 12, 15, 20, 25 and 30 years.

(ii) Other Tenors, also referred to as Off-the-Run, means any whole year Tenors other than the Listed Tenors and any partial year Tenor. Transactions in Other Tenors, (with the exception of Block Trades) are executed through the System’s Off-the-Run trading functionality. All such trades will be subject to the requirements of Exchange Rule 524(c).

(A) Standard Off-the-Run means any whole year Other Tenor that is Spot Starting.

(B) Non-Standard (or Custom) Off-the-Run means any partial year Tenor that is Spot Starting and all Forward Starting Contracts (whole and partial year Tenors).

(j) Roll Day Convention. The date used for determining all fixed and floating Reset Dates. Roll Days define the beginning and end of Fixed and Floating interest accrual periods. For On-the-Run Contracts, the Roll Day is the same date of the month as the Effective Date. For Off-the-Run Contracts, it can be any date of the month, subject to the provisions of the Business Day Convention. Roll Day marks the start of a new interest accrual period, and is the date on which a Reset Rate takes effect. The Exchange supports the following roll types:

(i) Standard. Standard roll will be the same day of the month accordingly aligned to the roll frequency. For example, Effective date January, 10th, 2013 and Maturity Date January, 10th, 2015 with a 3M payment, roll frequency will settle on the 10th day every three months.

(ii) End of Month (EOM). For EOM convention, if the roll date falls at the end of the month the date moves back to the preceding business day based on the applicable Business Day Convention employed.

(iii) International Money Market (IMM). IMM roll dates are the 3rd Wednesday of March, June, September and December.

(k) Floating Reset Dates. Dates utilized to determine the Floating Rate amounts for each interest accrual period during the Tenor of the contract. Except in the case of a Stub Period, the Reset Date is 2 business days prior to the Roll Date for that interest accrual period.

(l) First Period Fixing Date. (Based on Holiday Calendar of the Currency)

(i) For Spot Starting swaps, the Interest Rate for the first interest period is fixed on the Trade Date, for both Floating and Fixed Rates.

(ii) For Forward Starting swaps, the Fixed Rate for the first interest period is fixed on the Trade Date, and the Floating Rate for the first interest period is fixed 2 business days prior to the Effective Date

(m) Stub Period Rate. For swaps with partial year Tenors, a first interest period that is shorter than the standard underlying Floating index interest periods may occur between the Effective Date and the first Roll Date (known as a Stub Period). In these cases, the Interest Rate for such Stub Period is determined using linear interpolation based on the two index rates that surround the Stub Period.

(i) Stub Index Frequency. 1 Week (1W), 2 Week (2W), 1 Month (1M), 2 Month (2M), 3 Month (3M), 6 Month (6M), 9 Month (9M), 12 Month (12M)

(n) Trade Types. The Platform may support the following trade types:

(i) Outrights. An Outright swap is where one party is the payer of the fixed rate and receiver of the floating rate and the other party is the receiver of the fixed rate and payer of the floating rate.

(ii) Switches. Switches are the simultaneous purchase and sale of two different Tenors of the yield curve (e.g. 2 year by 10 year).

(iii) Butterflies. Butterflies are the simultaneous purchase(s) and sale(s) of three different Tenors of the yield curve (e.g. 2 year by 5 year by 10 year).

(iv) Spreads. A Spread trade consists of a transaction where the payer and receiver of the fixed rate on the Interest Rate Swap simultaneously enter into a transaction for a treasury security of an equivalent Tenor. For the treasury transaction, the payer of the fixed rate on the swap buys and the receiver of the fixed rate on the swap sells either a single treasury security or two treasury securities using a simple weighted average to match the risk,

(v) Invoice Spreads. An Invoice Spread trade consists of a transaction where two parties enter into a treasury futures contract and simultaneously enter into an interest rate swap transaction. The buyer of the futures contract is the payer of the fixed rate on the interest rate swap transaction and the seller of the futures contract is the receiver of the fixed rate on the interest rate swap transaction. The interest rate swap is of an equivalent Tenor to match the risk.

(vi) Block Trades has the meaning as defined in Chapter 1 of this Rulebook.

(o) Contract Size.

(i) On-the-Run. Minimum notional size of \$1 million USD or multiple thereof and increments of \$1 million USD depending on Tenor.

(ii) Off-the-Run. Minimum notional size of \$1 million USD and increments of \$1,000 USD.

(iii) Block Trades. Minimum notional size as indicated in Rule 1001(t) and increments of \$1,000 USD.

- (i) Spot Starting. Close of business on Trade Date.
- (ii) Forward Starting. Close of business three business days prior to the Effective Date of the swap.
- (s) Final Settlement Price. Multiple payments take place during the term of the swap. Settlement price used for the periodic exchange of fixed and floating payments is based on the following factors:

- (i) Fixed Leg. Payment amount on the fixed leg is based on the trade price of the swap on Trade Date. Payment timing on the fixed leg is based on the Payment Frequency, Day Count Convention, Business Day Convention, and Roll Day.

- (ii) Floating Leg. Payment on the floating leg is based on the Interest Rate Benchmark of the swap. Payments on the floating leg are based on the Payment Frequency, Day Count Convention, Business Day Convention, Roll Day Convention and Floating Reset Dates.

(2) Tenor Switches. Tenor Switch prices will be quoted as the difference between the longer Tenor and the shorter Tenor.

(C) Minimum Price Increments. For Outrights and Switches, Minimum Price Increments are:

(1) .001 when MAC Swap is quoted in Price.

(2) \$1 when MAC Swap is quoted as Upfront Payment.

(xi) Upfront Payment. An upfront payment will be exchanged between the payer and the receiver of an MAC Swap. The direction and amount of the payment is dependent on the price at which the MAC Swap was transacted on.

(A) Payment Direction.

(1) If Price > 100, the Fixed Rate Payer receives payment from the Fixed Rate Receiver.

(2) If Price < 100, the Fixed Rate Payer makes payment to the Fixed Rate Receiver.

(B) Payment Calculation. Upfront Payment is calculated using the following formula:

(1) If $P > 100$ (implying that the current market fixed rate is less than the MAC Fixed Rate), the payment will be calculated as follows:

$$P = 100 + \frac{\text{Upfront Payment} * 100}{\text{Notional}} \quad \text{OR} \quad \text{Upfront Payment} = \frac{\text{Notional} * (P - 100)}{100}$$

(2) If $P < 100$ (implying that the current market fixed rate is greater than the MAC Fixed Rate), the payment will be calculated as follows:

$$P = 100 - \frac{\text{Upfront Payment} * 100}{\text{Notional}} \quad \text{OR} \quad \text{Upfront Payment} = \frac{\text{Notional} * (100 - P)}{100}$$

(C) Final Settlement Date and Price. Settlement of the upfront payment will occur on T+1 and is calculated as described in (B) above.

(e) Block Trades.

(i) Minimum Notional Sizes. A Block Trade in a MAC Swap will be subject to the same minimum block size for Fixed for Floating Interest Rate Swaps as indicated in Rule 1001(t)(i).

(ii) Reporting. All Block Trades must be reported to the Exchange as soon as technologically practicable.

(f) Clearing House. CME or LCH. Choice of Clearing House is determined at the time of order entry. See Schedule 1002 for Clearing House availability on the Platform

For a MAC Swap, Roll Day is the same date of the month as the Effective Date.
