**Re: KalshiEX LLC – Rulebook Amendment Regarding Position Limits**

Dear Sir or Madam,

KalshiEX LLC (Kalshi) is amending the position limit rule in Rule 5.14(a) of its Rulebook. Currently, Kalshi Rule 5.14(a) provides that “Kalshi has imposed Position Limits of 25,000 USD on all Contracts.” This same position limit is reflected in the rules of all of Kalshi’s product filings. For example, the terms and conditions of the US Consumer Price Index contracts currently include the following term: “**Position Limit:** The Position Limit for the \$1 referred Contract shall be \$25,000 per Member.” Kalshi has determined that this \$25,000 position limit remains appropriate at this time for many categories of contracts that are designed primarily for retail traders. However, as discussed further in confidential appendix A, for other contracts a higher position limit is appropriate. Accordingly, Kalshi is amending Rule 5.14(a) to remove the global position limit, as follows: “Kalshi has imposed Position Limits of ~~25,000 USD~~ on all Contracts **as specified in each contract’s Terms and Conditions.**”

Please note that at this time Kalshi is not amending any contracts’ terms and conditions to increase position limits other than US Consumer Price Index contracts which are being amended in a concurrent filing. All other contracts, including those discussed in confidential appendix A, will continue to be subject to the current \$25,000 position limit as specified in the contracts’ terms and conditions. Any change to the position limits of any other contract will require a separate rule filing amending that contract’s terms and conditions.

**Compliance with Core Principles**

The change to the Rulebook to allow for increased position limits complies with the Core Principles. Kalshi does not currently list contracts that are subject to the position limits set forth in Part 150 of the Commission’s regulations. The increased position limits will not interfere with

Kalshi's compliance with Core Principle 4, and Kalshi will continue to have the ability to detect even intraday violations of its exchange-set position limits. The increased position limits also comply with the requirements in Core Principle 5, because the position limits are calibrated to the markets to be sufficiently low to reduce the threat of market manipulation, and Kalshi will not increase the position limits for any contract if the increase would negate the prophylactic purpose of the position limit. Further, the increase to position limits will result in an increase to the volume and liquidity on the markets which will increase the orderliness of the markets and facilitate smooth transacting in outsize positions, in accordance with the goals of Core Principle 5. The changes in this filing will not impact Core Principle 6. Kalshi will continue to have the authority to intervene as necessary to maintain markets with fair and orderly trading and to prevent or address manipulation or disruptive trading practices, including by modifying position limits. The changes to the position limits also comply with Core Principles 9, 10, 18, and 20, because the increased order sizes and increased volume that will result from the change are all well within the Exchange's systems capabilities. The increase to the position limits also complies with Core Principle 11. All trades on Kalshi continue to be fully collateralized and cleared through a Designated Clearing Organization. The changes in this filing similarly comply with the remaining Core Principles, the Commodity Exchange Act and Regulations thereunder.

Accordingly, Kalshi certifies that the rule amendments comply with the Commodity Exchange Act and Regulations thereunder, and a notice of pending certification with the Commission and a copy of the submission, concurrent with the filing of a submission with the Commission, was posted on the Kalshi's website. No opposing views were expressed to Kalshi by its governing board or committee members, members of the entity or market participants.

Kalshi intends to implement the changes described in this filing ten business days following the filing, as noted on the attached filing cover page.

Please note that appendix A is confidential and submitted under a request for confidential FOIA treatment as noted on the attached FOIA confidential treatment request letter.

If you have any questions or comments or require further information, please do not hesitate to contact me.

Sincerely,  
Elie Mishory  
Chief Regulatory Officer

In the event of one of those emergencies, the Board or at least two members of the management team may, without giving prior notice to, or securing prior approval from the Commission, adopt a temporary emergency rule to address the emergency. Adoption of a temporary emergency rule requires the CEO's approval. Adoption of a temporary emergency rule by the management team requires the written authorization and acknowledgement of two members of the management team, indicating the emergency action to be taken and the reasons for that action, before the action is taken.
- (b) Any temporary emergency rule adopted under this Rule may authorize Kalshi to act as the Board or management team deems necessary or appropriate to meet the emergency, and those actions may adversely affect the ability to trade on the Platform. Therefore, the chance of an emergency is one of the risks that Members should consider when deciding whether to trade on the Platform.
- (c) For the purposes of this Rule, an "emergency" is:
  - (1) Any activity that manipulates or attempts to manipulate a Contract on the Platform;
  - (2) Any circumstance that may materially affect the performance of the Contracts traded on Kalshi;
  - (3) Any action taken by the United States, any foreign government, any state or local governmental body, any other contract market or board of trade, or any other exchange, market, facility, or trade association (foreign or domestic) that may have a direct impact on trading on Kalshi;
  - (4) Any circumstances that may have a severe, adverse impact upon the physical functions of Kalshi including, for example, natural disasters such as fire or flood, terrorist acts such as bomb threats,

- physical plant breakdowns such as plumbing, heating, or air conditioning problems, system breakdowns such as power, telephony, cable, trading systems, or computer systems failures or interruptions to communications, the network, or the Internet;
- (5) The imposition of any injunction or other restraint by any government agency, court, or arbitrator that may affect the ability of a Member to perform on Contracts;
  - (6) Any circumstance in which it appears that a Kalshi Member or any other person is in such operational condition, or is conducting business in such a manner, that such person cannot be permitted to continue in business without jeopardizing the safety of Kalshi Members or Kalshi itself; and
  - (7) Any other unusual, unforeseeable, and adverse circumstance which, in the opinion of the governing board, requires immediate action and threatens or may threaten such things as the fair and orderly trading in, or the liquidation of or delivery pursuant to Contracts traded on Kalshi.
- (d) If deemed necessary to combat perceived market threats caused by an emergency, a Kalshi official authorized to do so may suspend trading on the Platform during the duration of the emergency or take any other action that the official thinks is necessary or appropriate. The official will order an end to the action taken in response to the emergency as soon as the official determines that the emergency has sufficiently abated to permit the Platform to function properly. Reasonable actions resulting under this Rule include but are not limited to:
- (1) Modification to limits on positions;
  - (2) Reduction of positions and exposure by participating Members to certain Contracts;
  - (3) Cancellation of a Contract and the return of any funds paid to enter Trades on the Contract;
  - (4) Extension/shortening of expiration and/or closing date;
  - (5) Suspension and curtailment of trading; and
  - (6) Changing a Contract's terms and conditions and/or specifications.
- (e) Kalshi will make every effort practicable to notify the Director of the Division of Market Oversight, his delegates, and/or other persons designated by the Commission's Regulations that Kalshi intends to implement, modify, or terminate a temporary emergency rule pursuant to Rule 2.4(a) or an action in response to an emergency pursuant to Rule 2.4(d) prior to the implementation, modification, or termination of the rule or action. If it is not possible to notify the Commission prior to the implementation, modification, or termination of the rule or action, Kalshi will notify the Commission of the implementation, modification, or termination of the rule or action at the earliest possible time, and in no event more than 24 hours after implementation, modification, or termination.
- (f) Any time that Kalshi takes action in response to an emergency, either under Rule 2.4(a) or Rule 2.4(d), Kalshi shall publish a notice of such action on its website, notify Members through the API, and notify Members via email. Kalshi will likewise document its decision-making process and reasons for taking emergency action.

## **RULE 2.9 VOTING BY INTERESTED BOARD MEMBERS**

Core Principle 16 of Section 5(d) of the Commodity Exchange Act (“CEA”) requires that contract markets have adequate procedures to prevent conflicts of interest. In this regard, Kalshi has adopted provisions of Commission Regulation 1.69 as Rules provided herein. Commission Regulation 1.69 prohibits a member of the Board or any disciplinary or oversight committee or subcommittee from taking part in any deliberations or voting on any matter in which the board, committee, or subcommittee member has an interest or has a relationship with a named party in interest. Regulation 1.69 also requires disclosure by Board, committee, or subcommittee members of interests and relationships in certain circumstances. Consequently, Board, committee, and subcommittee members shall not deliberate or vote on any matter in which the Board, committee, or subcommittee member has an interest or has a relationship with a named party in interest and shall disclose such interests in accordance with Regulation 1.69.

## **RULE 2.10 INDEMNIFICATION OF DIRECTORS, OFFICERS, AND OTHERS**

- (a) Kalshi will indemnify, to the full extent authorized by law, any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative in nature, by reason of the fact that such person is or was a director, officer, employee, or agent of Kalshi or is or was serving at the request of Kalshi as a director, officer, employee, or agent of Kalshi against expenses, including attorneys’ fees, judgments, fines, and amounts paid in connection with such action, suit, or proceeding.
- (b) Indemnification shall not be deemed exclusive of any other rights to which a person may be entitled under any agreement or as a matter of law or otherwise.
- (c) Kalshi may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of Kalshi against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person’s status as such, whether or not Kalshi would have the power to indemnify such person against such liability under the provisions of this Rule.
- (d) Notwithstanding the above, no person shall be indemnified from liability for fraud, bad faith, willful misconduct, or gross negligence. Further, no person shall be indemnified against a civil penalty imposed by the Commission under Section 6b of the CEA.

## **RULE 2.11 PROHIBITION ON USE OF MATERIAL, NON-PUBLIC INFORMATION**

- (a) Commission Regulation 1.59 prohibits employees and members of the Board from using or disclosing material, nonpublic information gained through their employment or board service in certain circumstances. This Rule prohibits the use and disclosure forbidden by Commission Regulation 1.59.

In this regard, Kalshi has adopted provisions of Regulation 1.59 as a Rule of Kalshi in Chapter 11 of these Rules.

- (b) No member of the Board or any committee established by the Board or these Rules will use or disclose material, nonpublic information obtained as a result of participation on the Board or such committee for any purpose other than the performance of official duties as a board or committee member.
- (c) No employee, consultant, or member of the Board or any committee of Kalshi will disclose to any other person material, nonpublic information obtained as a result of such person's employment for purposes inconsistent with such person's official duties.
- (d) No employee, consultant, or member of the Board or any committee of Kalshi will trade for such person's account, or for or on behalf of any other account, in any commodity interest on the basis of any material, non-public information obtained through special access related to the performance of such person's duties as an employee, consultant, or member of the Board or committee.
- (e) No Member who inadvertently or otherwise comes into possession of any material, non-public information held by Kalshi or any employee, consultant, or member of the Board or any committee of Kalshi gained through their employment by or service to Kalshi will disclose to anyone such material, non-public information or trade for such person's account, or for or on behalf of any other account, in any commodity interest on the basis of such material, nonpublic information.
- (f) For purposes of this Rule, the terms "material information," "nonpublic information," "linked exchange", "commodity interest," and "related commodity interest" have the same meanings as they do in Commission Regulation 1.59.
- (g) Any director, officer, or employee of Kalshi who violates any provision of this Rule will be required to indemnify Kalshi for any losses, damages, or costs caused by that violation.

## **RULE 2.12 LIMITATION ON TRADING BY AFFILIATES**

The Company, pursuant to approval by the Board, permits an affiliated entity (the "Affiliate") to participate on its Platform, subject to the following provisions:

- (a) The Affiliate is a Member of the Platform.
- (b) The Company has ensured the Affiliate does not have access to the Company's material non-public information, and the Company ensures the Affiliate's access to information is limited to public information available to all Members. (The provision of information to common directors of the Company, any affiliate or the holding company shall not constitute a violation of this proscription.) The Company ensures the Affiliate maintains operational independence from the Company. Operational independence means that the Affiliate member must:

- a. Have and maintain operations, including servers, databases, accounts, tools, software, and development tooling, separate from the Company;
  - b. Have no access to Company operations;
  - c. Be subject to all of the rules in this Rulebook, including the rules regarding Membership (see Chapter 3);

- a. The Affiliate participates on the Platform and provides liquidity to the Platform by placing orders on either (or both) sides of a market at competitive price levels. The Affiliate's trading activity includes aggressing and/or passive trading. The Affiliate's business purpose is profitability, and liquidity provision is a significant part of its business model. The Affiliate's capitalization derives from the holding company that owns the Company and Entity, and one or more employees of the Company serve on the board of directors of the Company, the Affiliate, and the holding company that owns both.
  - b. The Affiliate has no obligation to trade all or even any contracts at any time, and other Kalshi Members should not rely on the potential presence of the Affiliate to make markets or otherwise augment or provide liquidity in any contract.
  - c. If additional affiliates of the Company commence trading on the Platform, or if the information about the trading activities of the Affiliate changes materially, the Company has put in place necessary controls to ensure that it updates this Rulebook and notifies the marketplace promptly to disclose any affiliate's purpose in trading on the Platform, and provides a summary of the procedures in place to manage and disclose actual or potential conflicts of interest and effects on trading to ensure market integrity and fairness are preserved.

    - (iv) Notify the Member by electronic mail that the Trade has been executed.
  - (2) If the Transaction involves entering into one or more Contracts for which a Member has an offsetting position in its account, upon execution of the Trade Kalshi will cause and/or instruct LedgerX to:
    - (i) Close the offsetting position in the Member Account;
    - (ii) Debit the settlement account in the amount of any gains realized by the offsetting Transaction and any funds that were debited from the Member Account at the time the Contract(s) that is being closed was entered into and that were not also used to pay any losses on such Contract(s);
    - (iii) Credit those amounts to the Member Account; and
    - (iv) Notify the Member by electronic mail that the Trade has been executed.
- (c) If a Member's Order is placed on the Platform and not immediately matched by an Order from another Member, it will rest on the Platform until it is matched and executed in accordance with the procedures outlined above in this Rule, until the Member cancels it, or until it is cancelled by Kalshi or its Derivatives Clearing Organization partner upon the Expiration of the Contract or otherwise in accordance with these Rules.

## **RULE 5.4 ORDER ENTRY**

- (a) Member Orders
  - (1) A Member will enter Orders to trade Contracts by electronic transmission over the Internet. Order rate limiter functionality will cap the maximum number of orders that may be submitted to the

Exchange per second (or per a specific time period expressed in seconds) per Member in order to prevent a risk of harm to the Company.

- (2) A Member will enter an Order to trade one or more Contracts by indicating to Kalshi in the manner required by Kalshi:
    - (i) Order direction (i.e., buy/yes or sell/no);
    - (ii) Price at which the Member wants to buy or sell the Contract; and
    - (iii) Number of Contracts the Member wants to buy or sell.
  - (3) In order to enter an Order to trade one or more Contracts, a Member will be required to submit the Order to Kalshi. Once the Order is accepted by Kalshi, Kalshi will assign to the Order an Order ID. This ID will appear next to the associated Order on the Member's Order Ticket and Order History account pages. The Member will be responsible for any and all Order entries confirmed for its account and accepted by Kalshi.
  - (4) Any Member submitting Orders, or any other messages directly to Kalshi, including but not limited to messages related to the cancellation or amendment of an Order, whether manually or via automated functionality, must ensure adequate controls are in place to prevent excessive messaging or other activity that may be deemed detrimental or disruptive to the Company.
- (b) Kalshi's trading system will keep an electronic record of all orders to trade Contracts, and all executed Contract trades. The records kept by Kalshi will include all of the terms identified in paragraph (a) of this Rule as well as the date and time that the Transaction was completed to the nearest thousandth of a second and the member ID, for all executed Contract trades and to the nearest thousandth of a second for all Orders to trade Contracts.
- (c) A Kalshi Contract will not be void or voidable due to:
- (1) A violation by Kalshi of the provisions of sections 5 or 5h of the CEA or Part 38 of CFTC Regulations;
  - (2) Any CFTC proceeding to alter or supplement a rule, term or condition under section 8a(7) of the CEA or to declare an emergency under section 8a(9) of the CEA; or
  - (3) Any other proceeding where the effect of which is to alter or supplement a specific term or condition or trading rule or procedures, or requires Kalshi to adopt a specific term or condition, trading rule or procedure, or to take or refrain from taking a specific action.

## **RULE 5.5 HANDLING OF CUSTOMER ORDERS**

- (a) All trading on Kalshi's Central Limit Order Book is conducted on a fully anonymous basis.
- (b) Disclosing Orders Prohibited
  - (1) It is a violation of this Rule 5.5 for any Person to disclose another Person's Order to buy or sell any Contracts except as may be requested by Kalshi or the Commission.

- (2) It is a violation of this Rule 5.5 for any Person to act or direct another Person to act based on non-public order information, however acquired.

#### **RULE 5.6 DISPUTED ORDERS**

- (a) If a Member believes that an Order to trade one or more Contracts was incorrectly executed or rejected by Kalshi that Member may request a review of the Order by providing the confirmation number for the order and stating the grounds for its disagreement with the handling of the order.
- (b) Upon receipt of a request for review of an Order and the accompanying confirmation number, Kalshi will review its electronic audit trail to determine if the Kalshi trading system correctly interpreted and executed the Order.
- (c) If the review described in paragraph (b) of this Rule reveals that the Kalshi trading system made a mistake, the Order will be canceled and the accounts of all Members that were party to the Order will be returned to their state before the Trade was executed.
- (d) If the review described in paragraph (b) of this Rule reveals that the Kalshi trading system did not make a mistake, Kalshi will inform the Member who requested the review of its determination that the Order was properly handled, the evidence supporting that determination, and that an adjustment will not be made.
- (e) A Member may appeal a determination under paragraph (d) of this Rule to a Kalshi compliance officer through the electronic mail address provided on the Kalshi website. The Member making the appeal will be required to provide a response to the evidence described in paragraph (d) of this Rule that the order was properly handled, and the Member may provide any other information it wishes to disclose. If the Member's appeal does not contain a response to the evidence described in paragraph (d), it will be rejected. The compliance officer will decide on the appeal no later than 10 days after its receipt, and that decision will be final.
- (f) Kalshi will document in writing all requests for review of orders received by Kalshi, the time and manner in which Kalshi reviewed its electronic audit trail in response to the request, the outcome of that review, and the action or actions taken by Kalshi in response to that review, including the results of any appeal filed under paragraph (e) of this Rule and the review conducted by the compliance officer in deciding that appeal.

#### **RULE 5.7 PRIORITY OF ORDERS**

Kalshi's central limit order book matches orders in an open and competitive manner. Subject to the provisions of Rule 5.10(b) regarding orders, Kalshi's trading algorithms execute all trades by matching orders according first by price and then time priority. This means that orders and quotes entered at

different prices will be executed in order of price, from best to worst, regardless of what time they were placed on the Platform, and orders and quotes placed on the Platform at the same price will be executed in order of time, from oldest to most recent.

## **RULE 5.8 FILLING ORDERS TO TRADE CONTRACTS**

- (a) Subject to the provisions of Rule 5.10(b) regarding orders, the Kalshi trading system will fill all orders to trade Contracts on an “or better” basis. This means that if a Member places an Order to buy a Contract or Contracts at a price higher than the price of the best sell offer on the Platform, the system will fill that Order to buy at the better sell offer price(s) until all available sell offers under or equal to that buy Order’s limit price are filled or until that buy order is completely filled. Likewise, if a Member enters a sell order at a price lower than the price of the best bid, the system will fill that sell order at the better bid price(s) until all available bids over that sell order’s limit price are filled or that sell order is completely filled. If an order is only partially filled, the unfilled portion of that order will remain in the order book as a resting order at the limit price specified. Should an opposite Order at the same price or better than the original Order subsequently be placed on the system, the unfilled portion of the original Order will be executed opposite that new Order at the original Order’s limit price.
- (b) A written record of all of the terms of each Trade entered into on Kalshi or pursuant to the Rules will be available immediately upon execution on the Kalshi interface on the Member’s activity page. Such record shall legally supersede any previous agreement and serve as a confirmation of each such trade. Kalshi will send confirmation messages to Members upon execution of a Trade via the API, mobile application, and/or website, if such Members are online at the time. However, please note that if any applicable Member is not online at the time of execution, such Member will see the confirmation(s) when it next logs on to the interface. The contract type, size, execution time and execution method for each Trade will be made available on the website to all Members after execution of the relevant Trade.

## **RULE 5.9 CANCELLATION OF ORDERS**

- (a) A Member can submit instructions, via Kalshi’s interface (website, mobile application) or the API, to cancel an Order which that Member has placed on the Platform if that Order has not yet been executed. Upon submission of instructions to either cancel or modify an Order that has not been executed, the Kalshi system will withdraw the Order from the order book and confirm the cancellation of the Order.
- (b) Kalshi will attempt to cancel an existing Order as soon as possible after a Member enters a cancellation instruction. However, the Order may be executed before Kalshi is able to cancel it. If an Order has been filled in whole or in part, a Member may cancel only that portion of the Order (if any) that has not been executed.

## **RULE 5.10 TRADE CANCELLATIONS**

- (a) As a designated contract market, Kalshi has the authority to adjust Trade prices or cancel Trades when necessary to mitigate market disrupting events caused by malfunctions on its Platform or errors in Orders submitted by Members. However, due to the fully collateralized and short-term nature of trading on Kalshi, the circumstances in which this authority may be exercised are limited.
- (b) Kalshi, in its discretion and in accordance with these Rules, may cancel a Trade that has been executed on the market at a price that is inconsistent with prevailing market conditions due to improper or erroneous orders or quotes being matched on the Platform. Likewise, because of the nature of Kalshi Contracts, there will generally be no cancellation or adjustment of an erroneous trade except in extraordinary circumstances as determined by the Company.
- (c) In addition to a Contract adjustment raised under Chapter 7 of these Rules, Kalshi may review a Trade based on its own analysis of the market or pursuant to a request for review by a Member or other third party. A request for a review by a Member or other third party must be received by Kalshi no later than fifteen (15) minutes after the trade has been executed on the Platform and before Expiration of the Contract. Kalshi will promptly determine whether the Trade will be subject to review and then promptly post notice indicating that the Trade is under review.
  - (1) During the review, Kalshi will calculate a fair market value for the Contract at the time of the questioned Trade by utilizing the last value or price of the Contract at the time of the Trade and/or any other relevant market information obtained or presented to the Company.
  - (2) Once a fair market value has been calculated, a twenty (20) cent range will be added above and below such fair market value to determine the “No Cancellation Range”.
  - (3) If a Trade has been executed within the No Cancellation Range, the executed Trade will stand. If a Trade has not been executed within the No Cancellation Range, Kalshi shall have the authority, but not the obligation, to cancel or adjust such Trade. Once a Trade is determined to be cancelled or adjusted, Kalshi will:
    - (i) notify all interested Members to the Trade as soon as practicable following such determination; and
    - (ii) publish its decision on the Kalshi website.
  - (4) The decisions of Kalshi regarding fair market value of the Contract, the No Cancellation Range, the cancellation of a Trade, or any other determination hereunder shall be final and not subject to appeal.

## **RULE 5.11 VIEWING THE MARKET AND EXECUTED ORDERS**

Kalshi will, at all times, allow its Members to view the current best bid and offer on the Platform, the open interest, the trade volume, as well as the depth of the order book up to the fifth level of prices.

## **RULE 5.12 HOURS FOR TRADING CONTRACTS**

Trading shall be available at all times outside of any maintenance windows, which may be announced from time to time.

## **RULE 5.13 PROHIBITED TRANSACTIONS AND ACTIVITIES**

- (a) Members are prohibited from entering Orders on the Platform if there are insufficient funds or Contracts in the Member's settlement account to satisfy such orders if they are executed. Kalshi may, in its discretion, take such action against a Member if the circumstances warrant, subject to Rule 9.2(f) and Rule 9.6.
- (b) No Person shall enter into or attempt to enter into any non-competitive trade on the Platform, including any accommodation trade or any trade that has been directly or indirectly prearranged. For example, a Member may not agree in advance with another Member that one of the Members will enter an order and the other Member will attempt to trade against that order by timing the submission of orders or otherwise.
- (c) No Person shall enter into or attempt to enter into any trade on the Platform that:
  - (1) Does not result in a change in beneficial ownership;
  - (2) Is designed to unnaturally inflate trading volume;
  - (3) In any way attempts to circumvent the Platform's order processing, trade ordering, trade execution systems, or otherwise to circumvent exposure of the order to open and competitive bidding on the Platform; or
  - (4) That has some other illegitimate purpose.
- (d) No Person shall enter into any trade designed or used to cause any price for a Contract other than a true and bona fide price to be reported, registered, or recorded by the Platform.
- (e) No Person shall trade in, transfer, assign, or otherwise dispose of Contracts other than as provided for in these Rules.
- (f) No Person shall enter into or agree to transfer or transfer the benefit of any position in any Contract to another person other than through a transaction executed through the Platform.

- (g) (1) No Member shall trade for a Person other than itself.

- (k) No Person shall intentionally provide misleading, erroneous, or fraudulent information to Kalshi on a Member Application or otherwise.
- (l) No Person shall create a false appearance of a partnership, agency, employment or affiliate relationship with Kalshi and no Person shall unlawfully solicit customer funds for deposit at Kalshi.
- (m) No Member may operate or solicit in any capacity that may require registration with the CFTC without being properly registered.
- (n) No Person shall engage in any activity that is intended to, or has the effect of, manipulating the market in violation of Sections 6(c) and 9(a)(2) of the CEA and no Person shall engage in any other activity that would violate the CEA or the Commission's Regulations.
- (o) No Member shall deposit funds into its Kalshi account from an account which does not hold sufficient funds at the time of deposit, and at the time the deposit is presented by Kalshi for payment.
- (p) No Member shall make a false representation to a third party regarding any deposit made into that Member's Kalshi account which would result in a chargeback or stop payment of funds to the Member Account.

- (q) No Member shall allow its Member Account balance to become negative by any means. In the event that a Member's settlement account balance becomes negative, the Member must immediately deposit additional funds to correct the deficiency. Any Member whose settlement account carries a negative balance for 30 days or more is subject to summary termination of membership. Kalshi may, in its discretion, take such other action against a Member if the circumstances warrant, subject to Rule 9.2(f) and Rule 9.6.
- (r) No Member shall engage in conduct or practices inconsistent with just and equitable principles of trade or conduct or practices detrimental to the best interests of the Company.
- (s) If a Member is an Insider that has access to material non-public information that is the subject of an Underlying of any Contract or that has the ability to exert any influence on the subject of an Underlying of any Contract, that Member is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts. An "Insider" means any person who has access to or is in a position to have access to material nonpublic information before such information is made publicly available. A Member who is an employee or affiliate of a Source Agency for any Contract is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts.
- (t) If a Member is a decision maker, either directly or indirectly, or has any influence, either directly or indirectly, no matter the scale and importance of the influence, on the outcome of the Underlying (event) of any Contract, that Member is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts.
- (u) No Person shall engage in any activity that constitutes fraudulent or abusive trading, including but not limited to violating bids or offers, demonstrating intentional or reckless disregard for the orderly execution of transactions during the closing period, or spoofing.
- (v) No Person shall engage in any trading activity intended to accomplish a "money pass", "wash trade" or "front-running" as such terms are defined by the Commission and any regulations promulgated thereunder.
- (w) No Person shall, directly or indirectly, intentionally or recklessly:
  - (1) Use or employ, or attempt to use or employ, any manipulative device, scheme, or artifice to defraud;
  - (2) Make, or attempt to make, any untrue or misleading statement of a material fact or to omit to state a material fact necessary in order to make the statements made not untrue or misleading;

or

- (3) Engage, or attempt to engage, in any act, practice, or course of business, which operates or would operate as a fraud or deceit upon any Person.

#### **RULE 5.14 POSITION LIMITS**

- (a) Kalshi has imposed Position Limits on all Contracts as specified in each contract's Terms and Conditions. Any Member who exceeds a Position Limit shall be deemed in violation of this Rule 5.14. In addition, any Member entering bids or offers, if accepted, which would cause that Member to exceed the applicable Position Limit shall be in violation of this Rule.
- (b) If a Member fails to reduce any position in a manner and time as directed by Kalshi, Kalshi shall have the authority to liquidate the applicable position to a level below the defined Position Limit stipulated under the relevant Contract in Chapter 13 of these Rules.
- (c) In addition to the restrictions and requirements imposed in Section 5.14(a) and (b), the first violation of a Position Limit by a Member may result in a letter of warning to be issued by the Kalshi Compliance Department to the Member or the initiation of proceedings in accordance with Chapter 9 of these rules.
- (d) In addition to the restrictions and requirements placed in Section 5.14(c), any subsequent violation of a Position Limit by a Member within 12 months after a violation that resulted in a letter of warning, will result in the initiation of proceedings in accordance with Chapter 9 of these Rules.
- (e) Position limits shall apply to
  - (1) All positions in accounts for which any Person by power of attorney or otherwise, directly or indirectly holds positions or controls trading; and
  - (2) Positions held by two or more Persons acting pursuant to an express or implied agreement or understanding the same as if the positions were held by, or the trading of the position were done by, a single individual.

### **RULE 6.1 CLEARANCE**

- (a) In its capacity as a registered Derivative Clearing Organization, LedgerX shall serve as the clearing party to all orders matched pursuant to Chapter 5.
- (b) All Member positions are fully cash collateralized, and no Member can take positions that would lead to an exposure that exceeds the funds deposited in the Member Account.
- (c) Upon the successful matching of orders pursuant to Rules 5.3 or 5.4 the Derivatives Clearing Organization shall immediately, through the process of novation, be substituted as, and assume the position of, seller to the Member buying and buyer to the Member selling the relevant contract. Upon such substitution, the buying and selling Members shall be released from their obligations to each other, and such Member shall be deemed to have bought the contracts from or sold the contracts to the Derivatives Clearing Organization, as the case may be, and the Derivatives Clearing Organization shall have all the rights and be subject to all the liabilities of such Member with respect to such transaction. Such substitution shall be effective in law for all purposes.
- (d) If a trade is rejected for clearing by the Derivatives Clearing Organization for any reason, such trade is void *ab initio*.
- (e) In the event of any conflict or inconsistency between these Rules and the LedgerX Rules with respect to any Member's responsibilities or obligations under the LedgerX Rules, the LedgerX Rules shall prevail. As stated in Rule 3.1(c), all Members are bound by the LedgerX Rules.

### **RULE 6.2 SETTLING CONTRACT TRADES**

Kalshi will maintain, on its system, a record of Member balances and Contracts. Kalshi's Derivatives Clearing Organization partner, LedgerX, will also maintain a Member Account, which will reflect funds used by Members to buy and sell Contracts. Kalshi may also maintain a "proprietary account," which will be credited with all fees debited from Member Accounts due to trades and Settlements .

### **RULE 6.3 SETTLEMENT**

- (a) When a Contract expires and has a Payout Criterion that encompasses the Expiration Value of the Underlying, such Contract will pay the Settlement Value for such Contracts (e.g. \$1.00) to the holders of long positions in such Contracts. Conversely, when a Contract expires and has a Payout Criterion that does NOT encompass the Expiration Value of the Underlying, such Contract will pay the

Settlement Value for such Contracts (e.g. \$1.00) to the holders of short positions in such Contracts.

  - (1) Notify all Members whether they will receive a Settlement Value pursuant to Rule 6.3(a),
  - (2) Settle the Contracts by debiting the settlement account in an amount no less than the Settlement Value for such Contracts multiplied by the total number of outstanding in-the-money Contract positions and credit those funds to the applicable Member Accounts of the Members holding the in-the-money Contract positions following any holding period described in Rule 6.3(c),

The Member should refer to Kalshi's website under the Fee Schedule for all fees and costs associated with withdrawal of funds from the Member's Kalshi account. The processing of a Member withdrawal request may be suspended or denied if circumstances, whether present or imminent, would make the request impossible or impractical to fulfill, cause a potential risk of harm to Kalshi, its Members, or LedgerX, violate applicable law or regulation as determined by either Kalshi or LedgerX in its sole discretion, or if, either Kalshi or LedgerX determine in its sole discretion that the funds are relevant to a pending investigation.
- (b) Members are responsible for providing accurate account numbers to allow Kalshi and its clearing partner, LedgerX, to effect transfers to Members.

- (a) Before Settlement, Kalshi may initiate the Market Outcome Review Process, at its sole discretion and by taking into account several factors including any circumstances that may have a material impact on the reliability or transparency of the Underlying related to the Contract. Under this process, the Outcome Review Committee will determine the final Market Outcome. Settlement will occur on the date that the Outcome Review Committee reaches a determination on the Contract's final Market Outcome. If the Market Outcome Review Process is initiated, Kalshi will post on its website that the Contract's Market Outcome is under review.
- (b) The Outcome Review Committee shall review all relevant evidence and determine a final Market Outcome within a 24 hour period after the Outcome Review Process is initiated.

Such records shall be maintained in a readily available manner during the first two years. Kalshi shall conduct market surveillance and trade practice surveillance using this data with programs designed to alert Kalshi when potentially unusual trading activity takes place. Kalshi, through the compliance department, will initiate review and, where appropriate, investigate such unusual trading activity. The compliance department will also investigate any time it has other reason to believe that inappropriate activity of any sort is taking place on the Kalshi Platform or its website.
- (b) All Persons within Kalshi's jurisdiction are subject to this Chapter 9 if they are alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any Rule or any provision of Applicable Law for which Kalshi possesses disciplinary jurisdiction.

### **RULE 9.2 INVESTIGATIONS, HEARINGS, AND APPEALS**

- (a) The Compliance Department shall investigate unusual trading activity or other activity that the Compliance Department has reasonable cause to believe could constitute a violation of these Rules, or upon the receipt of a request from Commission staff. Kalshi's Disciplinary Panel adjudicates findings by the compliance department that are disputed by Members. The Disciplinary Panel and the Compliance Department may not communicate regarding the merits of a matter brought before the hearing officer without informing the Member who is the subject of the communication of its substance and allowing the Member an opportunity to respond. The Compliance Department will endeavor to complete any investigation within twelve months, unless there exists significant reason to extend it beyond such period. Upon the conclusion of any investigation, the Compliance Department will draft a document detailing the facts that led to the opening of the investigation, the facts that were found during the investigation, and the Compliance Department's analysis and conclusion. If the Compliance Department concludes that there is reasonable cause to believe a Member has violated Kalshi's Rules or other applicable statutes or regulations, the Compliance Department will submit to the Member whose activity is the subject of the investigation a notice of charges, by electronic mail to that Member's last known email address, that will include:
  - (1) The reason the investigation was initiated;

At the conclusion of any such investigation, the Chief Compliance Officer shall provide the Commission's Division of Market Oversight with a copy of the documentation specified in paragraph (b) of this Rule.
- (d) The Member whose activity is the subject of the investigation may contest the Compliance Department's findings by forwarding a response to those findings by electronic mail to the Compliance Department within 15 days. The Member has a right to examine all relevant books, documents, or other evidence in the possession or under the control of Kalshi, except that Kalshi may withhold from inspection any documents that:

- (2) Were prepared by any employee of Kalshi but which will not be offered in evidence in the disciplinary proceedings;
- (3) May disclose a technique or guideline used in examinations, investigations, or enforcement proceedings; or
- (4) Disclose the identity of a confidential source.

The Member's response must contain a detailed response to the findings and conclusions as to each charge and any other information the Member thinks is relevant. The outcome of settlement negotiations between the Member and the Compliance Department may include, but is not limited to, a letter of warning.

- (e) The Member whose activity is the subject of the investigation may request to enter settlement negotiations by forwarding a response to the Compliance Department's findings by electronic mail to the Compliance Department within 15 days. The Member has a right to examine all relevant books, documents, or other evidence in the possession or under the control of Kalshi, except that Kalshi may withhold from inspection any documents that:

- (1) Are privileged or that constitute attorney work product;
- (2) Were prepared by any employee of Kalshi but which will not be offered in evidence in the disciplinary proceedings;
- (3) May disclose a technique or guideline used in examinations, investigations, or enforcement proceedings; or
- (4) Disclose the identity of a confidential source. The Member's response must contain a response to each charge and the Member may provide any other information the Member thinks is relevant. The outcome of settlement negotiations between the Member and the Compliance Department may include, but is not limited to, a letter of warning.

- (f) If the findings of the Compliance Department are not contested by the Member, Kalshi will deem those findings admitted by the Member, the findings of fact and the Compliance Department's conclusions as to each charge shall become final and the Compliance Department shall impose the penalty (if any) proposed by the Compliance Department. The Member will be notified of the imposition of any penalty and sent a copy of the notice of disciplinary action by electronic mail to that Member's last known email address.

- (g) If the findings of the Compliance Department are contested, the Compliance Department's report and the Member's response will be submitted to the Disciplinary Panel. The hearing officer may not have a financial, personal or other direct interest in the matter under consideration.

- (1) The Disciplinary Panel will conduct a hearing with the Compliance Department and the Member within 20 business days of receipt of the Member's response contesting the compliance officer's finding and/or proposed sanction which the parties may attend telephonically. However, the Member is entitled to appear personally at the hearing, to cross-examine any persons appearing as witnesses at the hearing, and to call witnesses and to present such evidence as may be relevant to the charges.
- (2) The formal rules of evidence shall not apply, but the hearing must be fair. The Compliance Department shall present its case on all charges and sanctions that are the subject of the hearing.
- (3) Prior to the hearing, the parties may (but need not) submit proposed findings, briefs, and exhibits (including affidavits), and during the hearing the parties may present witnesses. Persons within Kalshi's jurisdiction who are called as witnesses must participate in the hearing and produce evidence, as requested. Kalshi shall likewise make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant to the matter at hand.
- (4) Within 20 business days after that hearing, the hearing officer will issue findings, which will be delivered to the Member by electronic mail to the Member's last known email address. The findings of the hearing officer will contain the following information:
  - (i) A summary of the charges and any answer to the charges;
  - (ii) A summary of the evidence received;
  - (iii) Findings and conclusions with respect to each charge;
  - (iv) An indication of each specific rule that the member was found to have violated;
  - (v) A declaration of any penalty to be imposed on the Member as the result of the findings and conclusions;
  - (vi) The effective date and duration of that penalty; and
  - (vii) A statement that the Member has the right to appeal any adverse decision by the panel to the Appeals Committee and must do so within 15 days.
- (5) The panel's decision shall be final on the date it is signed by the hearing Disciplinary Panel. The hearing officer's decision shall become the final decision of Kalshi after the appeal period has lapsed.
- (6) The hearing will be recorded, and all information submitted by the parties (including the Compliance Department's report and the Member's response) as well as the recording of the hearing, will be preserved by the Compliance Department, along with the hearing officer's findings, as the record of the proceedings (the "hearing record"). For the avoidance of doubt, if the Member has requested a hearing, a copy of the hearing shall be made and become a part of the record of the proceeding. The record shall be one that is capable of being accurately transcribed; however, it need not be transcribed unless the transcript is requested by Commission staff or the Member, the decision is appealed pursuant to the Rules of Kalshi, or is reviewed by the Commission pursuant to section 8c of the Act. In all other instances a summary record of a hearing is permitted.

- (h) Either the Member or the Compliance Department may appeal the decision of the panel within 15 days by filing an appeal by electronic mail with the Appeals Committee and forwarding a copy to the other parties to the appeal. Any penalties will be stayed pending appeal unless the hearing officer determines that a stay pending appeal would likely be detrimental to the Company, other Members, or the public. The Appeals Committee will review the hearing record and any information submitted by the Compliance Department and the Member on appeal and issue its decision, which shall be final on the date of such issuance. The Member shall be notified of the decision by electronic mail to the Member's last known email address. The hearing record, any information submitted on appeal, and the Appeals Committee's decision shall be preserved as the record on appeal. The decision will contain the information listed in paragraph (f) of this Rule, outside of (f)(5), as well as:
- (1) A statement that any person aggrieved by the action may have a right to appeal the action pursuant to Part 9 of the Commission's Regulations, within 30 days of service; and
  - (2) A statement that any person aggrieved by the action may petition the Commission for a stay pursuant to Part 9 of the Commission's Regulations, within 10 days of service.
- (i) No Kalshi officer or employee shall interfere with or attempt to influence the process or resolution of any disciplinary action, except to the extent provided under these Rules with respect to a proceeding in which a Person is a member of the relevant Disciplinary Panel or Appeals Committee.

### **RULE 9.3 SETTLEMENT OF INVESTIGATIONS**

- (a) Kalshi may enter into settlements with any Member who is the subject of an investigation. The Member may initiate a settlement offer. Any settlement offer shall be forwarded to a Kalshi disciplinary panel with a recommendation by the Compliance Department that the proposed settlement be accepted, rejected, or modified. A settlement offer may be withdrawn at any time before it is accepted by the hearing officer.
- (b) The panel may accept or reject a proposed settlement, and the decision of the relevant panel will be final. In addition, the panel may propose a modification to the proposed settlement for consideration by the Member or its authorized representative and the Compliance Department.
- (c) Any settlement under this Rule will be written and will state:

- (b) Kalshi will make public notice of the disciplinary action by posting on its website, in accordance with Commission Regulation 9.13, the information required by Commission Regulation 9.11. The disciplinary action will be considered final on the date the notice of the disciplinary action is published on the Kalshi website.

## **RULE 9.8 REPORTING VIOLATIONS TO THE COMMISSION**

- (a) Whenever Kalshi suspends, expels, fines or otherwise disciplines or denies any Person access to the Platform, Kalshi will make the disclosures required by Commission Regulations.
- (b) Kalshi will submit to the Commission a schedule listing all those Company Rule violations which constitute disciplinary offenses as defined in paragraph (a)(6)(i) of CFTC Regulation 1.63 and, to the extent necessary to reflect revisions, will submit an amended schedule within thirty days of the end of each calendar year. - (b) A Claim brought pursuant to this Rule 10.1 shall be adjudicated by qualified arbitrators appointed in accordance with Rule 10.5 below.

- (c) Persons to a dispute resolved in accordance with this Chapter 10 shall have the right to retain and be represented by legal counsel or any other representation of its choosing, except any Director or a member of the Disciplinary Panel or person substantially related to the underlying investigations, such as material witnesses or respondents during such proceedings. Persons to a dispute resolved in accordance with this Chapter 10 shall be responsible for their own costs, expenses and attorneys' fees incurred in connection with the dispute. Notwithstanding the foregoing, the Person that prevails shall be entitled to recover from the other party all costs, expenses and reasonable attorneys' fees incurred in any arbitration arising out of or relating to this Chapter 10, and in any legal action or administrative proceeding to enforce any arbitration award or relief.
- (d) Any award or relief granted by the arbitrators hereunder shall be final and binding on the parties hereto and may be enforced by any court of competent jurisdiction.
- (e) For purposes of this Chapter 10, the term "Claim" means any dispute which arises out of any Kalshi Contract, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom Kalshi does not have jurisdiction or who are otherwise not available. The term "Claim" does not include disputes arising from underlying commodity transactions which are not a part of, or directly connected with, any Kalshi Contract.

#### **RULE 10.2 FAIR AND EQUITABLE ARBITRATION PROCEDURES**

If the Response sets forth one or more counterclaims, the claimant shall file within 20 days a written reply to such counterclaims with the Company, with a copy to the claimant.

- (e) Once each party has had an opportunity to respond to the Claim and all counterclaims, the arbitration panel shall promptly schedule a hearing. Notwithstanding, Claims requesting relief totaling less than \$5,000 in the aggregate may, in the interests of efficiency and economy, be resolved without hearing.
- (f) The chairman of the arbitration panel shall preside over the hearing and shall make such determinations on the relevancy and procedure as will promote a fair and expeditious adjudication.
- (g) The arbitration panel shall consider all relevant, probative testimony and documents submitted by the parties. The arbitration panel shall not be bound by the formal rules of evidence.
- (h) The final decision of the panel shall be by majority vote of the arbitrators, as applicable.
- (i) Within 60 days after the termination of the hearing, the arbitration panel shall render its final decision in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. ### **RULE 10.4 PENALTIES**

- (a) Any failure on the part of a Member to arbitrate a dispute subject to this Chapter 10, or the commencement by any such Member of a suit in any court prior to arbitrating a case that is required to be arbitrated pursuant to this Chapter 10, violates these Rules and shall subject such Member to disciplinary proceedings pursuant to Chapter 9.
- (b) The Chief Compliance Officer, in consultation with the Regulatory Oversight Committee, may summarily suspend, pursuant to Rule 9.6, a Member that fails to timely satisfy an arbitration award rendered in any arbitration pursuant to this Chapter 10.

## **RULE 10.5 ARBITRATION PANEL**

- (a) On an as-needed basis, Kalshi shall convene an arbitration panel to adjudicate an arbitration claim under this Chapter 10. Proprietary Data and Personal Information may not be used by the Company for business and marketing purposes unless the Member has clearly consented to the use of Proprietary Data and Personal Information in such manner. Kalshi, where necessary, for regulatory purposes, may share Proprietary Data and Personal Information with one or more Designated Contract Markets or Derivative Clearing Organizations. - (2) Financial interest in a significant action —
- (i) Nature of interest. A member of a Kalshi governing board, disciplinary committee or oversight panel must abstain from such body’s deliberations and voting on any significant action if the member knowingly has a direct and substantial financial interest in the result of the vote based upon either exchange or non-exchange positions that could reasonably be expected to be affected by the action.
  - (ii) Disclosure of interest. Prior to the consideration of any significant action, each member of a Kalshi governing board, disciplinary committee or oversight panel must disclose to the appropriate Kalshi staff the position information referred to in paragraph (a)(2)(iii) of this Rule that is known to him or her. This requirement does not apply to members who choose to abstain from deliberations and voting on the subject of significant action.
  - (iii) Procedure for determination. Kalshi must establish procedures for determining whether any member of its governing board, disciplinary committees or oversight committees is subject to a conflict restriction under this section in any significant action. Such determination must include a review of:
    - (A) Gross positions held at Kalshi in the member’s personal accounts or “controlled accounts,” as defined in Commission Regulation 1.3(j);
    - (B) Gross positions held at Kalshi in proprietary accounts, as defined in Commission Regulation 1.17(b)(3), at the member’s affiliated firm;

- (C) Gross positions held at Kalshi in accounts in which the member is a principal, as defined in Commission Regulation 3.1(a);
  - (D) Net positions held at Kalshi in “customer” accounts, as defined in Commission Regulation 1.17(b)(2), at the member’s affiliated firm; and
  - (E) Any other types of positions, whether maintained at Kalshi or elsewhere, held in the member’s personal accounts or the proprietary accounts of the member’s affiliated firm that the self-regulatory organization reasonably expects could be affected by the significant action.
- (iv) Bases for determination. Taking into consideration the exigency of the significant action, such determinations should be based upon:
- (A) The most recent large trader reports and clearing records available to Kalshi;
  - (B) Information provided by the member with respect to positions pursuant to paragraph (a)(2)(ii) of this Rule; and
  - (C) Any other source of information that is held by and reasonably available to Kalshi.
- (3) Participation in deliberations.
- (i) Under the Rules required by this section, a Kalshi governing board, disciplinary committee or oversight panel may permit a member to participate in deliberations prior to a vote on a significant action for which he or she otherwise would be required to abstain, pursuant to paragraph (a)(2) of this Rule, if such participation would be consistent with the public interest and the member recuses himself or herself from voting on such action.
  - (ii) In making a determination as to whether to permit a member to participate in deliberations on a significant action for which he or she otherwise would be required to abstain, the deliberating body shall consider the following factors:
    - (A) Whether the member’s participation in deliberations is necessary for the deliberating body to achieve a quorum in the matter; and
    - (B) Whether the member has unique or special expertise, knowledge or experience in the matter under consideration.
  - (iii) Prior to any determination pursuant to paragraph (a)(3)(i) of this Rule, the deliberating body must fully consider the position information which is the basis for the member’s direct and substantial financial interest in the result of a vote on a significant action pursuant to paragraph (a)(2) of this Rule.
- (4) Documentation of determination. Kalshi’s governing boards, disciplinary committees, and oversight panels must reflect in their minutes or otherwise document that the conflicts determination procedures required by this section have been followed. Such records also must include:
- (i) The names of all members who attended the meeting in person or who otherwise were present by electronic means;
  - (ii) The name of any member who voluntarily recused himself or herself or was required to abstain from deliberations and/or voting on a matter and the reason for the recusal or abstention, if stated; and

- (iii) Information on the position information that was reviewed for each member.
