procedures and (iii) the Authorized Trader entering the Order in question has no direct knowledge of the competing Order.

All Orders in the CLOB are anonymous. Orders are entered into the CLOB by Participants or their agents.
- (c) The CLOB matches Orders using an automated matching algorithm. Bids and Offers are matched on the basis of price/time priority; that is, an Order at a better price will always have priority over an Order at an inferior price and older Orders will have priority over newer Orders at the same price. *Provided however*, a Bid (Offer) for a Swap can only be matched against an Offer (Bid) for the same Swap, but only with a counterparty who has previously arranged acceptable bilateral settlement arrangements. All counterparties must have available credit in order for their Bid or Offer to be entered into the CLOB.
- (d) Trading on the CLOB begins at the opening time.
- (e) A Trade is executed on the CLOB when the price of a bid (offer) equals or is greater (less) than the price of an offer (bid) for the same Contract and, if an Option order, the same Strike Price and Option type).

- (a) Any Order that has been entered into the Platform may be modified or cancelled unless and until it has been executed or has otherwise expired. Any such modification or cancellation requires that a modification order or cancellation order, as the case may be, with respect to the original Order be entered into the Platform. Such modification or cancellation will become effective upon receipt by the Platform of the modification order or cancellation order, as the case may be. If the amount of an Order is reduced, the time priority originally assigned to the order does not change. However, revising the price or increasing the amount of an Order will change the Order's time priority and the time for such modified Order shall be the time the Platform receives the revision.
- (b) If for any reason the connection to the Platform is lost, all orders entered from that location are cancelled.

Rule 727. Additional Means of Execution of Permitted Transactions: Block Trades

- (a) In addition to execution through the CLOB, Permitted Transactions that meet the following conditions may be matched by Brokers or Participants and submitted to Seed SEF for execution as Block Trades, *provided however*, the transaction shall not be considered to be executed until accepted by Seed SEF:
 - (i) The Participants have consented in writing on a transaction-specific basis or on a blanket basis to entering into a transaction under the procedures of this rule, and have agreed to all of the terms of the transaction prior to the Broker or Participant reporting the transaction to Seed SEF;

- (i) Any transaction between Participants which is identical to or a close substitute for a Trade that would be acceptable as a Block Trade, including especially transactions that reference Seed SEF traded prices or the index values that underlie Seed SEF contracts, must be submitted to Seed SEF for acceptance.

- (j) A Block Trade will be deemed executed and legally binding upon its acceptance by Seed SEF in accordance with these Rules. Seed SEF will issue a trade record for a Block Trade pursuant to Rule 604.

Rule 728. Position Limits or Position Accountability

To reduce the potential threat of market manipulation or congestion, Seed SEF shall adopt for each of the contracts of Seed SEF, as is deemed necessary and appropriate by Seed SEF, position limitations or position accountability levels for speculators. Seed SEF shall on an on-going basis monitor positions established on or through Seed SEF for unusual activity, including but not limited to, unusual volumes, patterns or concentrations of transactions.

Rule 906. Hearing (Disciplinary Procedures & Sanctions)

- (a) A fair hearing will be conducted before members of the Disciplinary Panel.
- (b) Following receipt of an Answer from a Respondent, or failure of a Respondent to provide an Answer, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such Respondent. Parties to a disciplinary proceeding include each Respondent and the Compliance Department.
- (c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters and will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials.

Rule 907. Respondent Review of Evidence

Prior to the commencement of a hearing, each Respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of Seed SEF that the Compliance Department will use to support the allegations and proposed sanctions in the Notice of Charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no Respondent will have the right to review, and Seed SEF will have no obligation to disclose, any information protected by attorney-client privilege.

Rule 908. Conducting Hearings

- (a) At a hearing conducted in connection with any disciplinary proceedings, the Compliance Department will present its case supporting the allegations and proposed sanctions in the Notice of Charges to the Disciplinary Panel. If a Respondent has timely filed an Answer to the Notice of Charges in accordance with the Rules, the Respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Compliance Department and each respondent may:
 - (i) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;

- (ii) call and examine witnesses; and
 - (iii) cross-examine witnesses called by other parties.
- (c) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants, Supervised Persons of a Participant, Account Managers, Authorized Managers, Authorized Traders and any market participants that directly or indirectly effects a transaction on Seed SEF that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. Seed SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (d) The Disciplinary Panel may summarily impose sanctions on any Participant, Authorized Trader or Supervised Person that impedes or delays the progress of a hearing.
- (e) If the respondent has requested a hearing, a copy of the hearing shall be made and shall become a part of the record of the proceeding. The record shall not be required to be transcribed unless: the transcript is requested by Commission staff or the respondent, the decision is appealed pursuant to the Rules, or the decision is reviewed by the Commission pursuant to Section 8c of the CEA or 17 C.F.R. Part 9. In all other instances, a summary record of a hearing is permitted.

Rule 909. Decision of Disciplinary Panel

- (a) As promptly as is reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (b) Seed SEF will serve a copy of the order of the disciplinary proceedings on the Respondent and the Compliance Department. The order will include:
 - (i) the Notice of Charges or summary of the allegations;
 - (ii) the Answer, if any, or a summary of the Answer;
 - (iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigative report;
 - (iv) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
 - (v) each specific Rule and/or provision of Applicable Law that the respondent is found to have violated;
 - (vi) the sanctions, if any, imposed including the basis for such sanctions and the effective date of each sanction; and
 - (vii) the availability to the Respondent under CFTC Regulation 9.11(b)(6) of review of any disciplinary action or denial of access.

- (c) The order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the Respondent and provided to the Compliance Department.
- (d) The Rules do not permit any appeal of a determination by the Disciplinary Panel. Disciplinary actions and denials of access to the Trading system are subject to review by the CFTC in accordance with 17 C.F.R. Part 9

Rule 910. Sanctions; Expenses

- (a) If the Disciplinary Panel determines that a Respondent has committed a Violation for which Seed SEF has jurisdiction, the Disciplinary Panel may impose one or more of the following sanctions or remedies:
 - (i) censure or reprimand,
 - (ii) restriction, suspension or termination of Trading Privileges,
 - (iii) a warning letter, subject to the limitations in Applicable CFTC Regulations,
 - (iv) a Cease and desist order,
 - (v) a fine,
 - (vi) restitution or disgorgement; or
 - (vii) any other sanction or remedy determined to be appropriate under the circumstances.

Seed SEF may impose a fine of up to \$100,000 for each Violation, together with interest reasonably determined by Seed SEF for the period from date such fine is imposed to the date of payment. Each Participant shall be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders, or Supervised Persons.

All disciplinary sanctions, including sanctions imposed pursuant to an accepted settlement offer, shall take into account the Respondent's disciplinary history. Sanctions shall be commensurate with the violations committed and sufficient to deter recidivism or similar violations by any other Participant, Account Manager, Authorized Trader, Supervised Person or market participant that directly or indirectly effects a transaction on Seed SEF.

In the event of a Violation resulting in demonstrated harm, sanctions shall include full customer restitution, except where the amount of the restitution or to whom it should be provided cannot be reasonably determined.

- (b) If the Disciplinary Panel determines that a respondent has violated the Rules or a provision of Applicable Law for which Seed SEF has jurisdiction, the Disciplinary Panel may also require the respondent to pay to Seed SEF an amount equal to any and all out-of-pocket expenses incurred by Seed SEF in connection with the investigation and prosecution of such Violations.

Rule 911. Summary Fines

The Compliance Department may impose summary fines, or provide a warning letter for a first-time violator, on a Participant, Authorized Trader or Supervised Person for Violations of Rules relating to the

failure to timely submit accurate records required for verifying each day's Transactions, without the need for a formal hearing under this CHAPTER 9.

The schedule of summary fines will be established by Seed SEF from time to time and published by Notice.

Rule 912. Effective Date of Penalties

- (a) If a Person enters into a settlement agreement with Seed SEF, any penalty included as a part of such settlement agreement shall become final and effective on the date that the CCO approves such settlement agreement.
- (b) Any decision (including any penalty) by a Disciplinary Panel shall be the final decision of Seed SEF and shall become effective fifteen (15) days, or such longer time as the Disciplinary Panel may specify, after a copy of the written decision of the Disciplinary Panel has been served on the Respondent and delivered to the Commission; provided, however, that, in any case where the Respondent has consented to the action taken and to the timing of its effectiveness, the Disciplinary Panel may cause the decision involving any disciplinary action (including any penalty) to become effective prior to the fifteen (15) day period.
- (c) If a Person fails to pay any fine imposed by the Disciplinary Panel on or before the date on which such fine becomes due and payable, such Person shall be suspended automatically without further action by Seed SEF and shall remain suspended until such fine is paid in full and the Person is reinstated; provided, however, that on written application received prior to such date, the Hearing Panel, in its sole discretion, may postpone the date when payment is due.

Rule 913. Publication and Written Notice of Disciplinary Actions

- (a) A brief summary of the disposition of a finding by the CCO, or the Disciplinary Panel, and each hearing, settlement, and each imposition of any penalty, shall be kept permanently in the Person's file. The record of any hearing, together with all of the papers, shall be retained for a period of five (5) years.
- (b) All information, records, and documents provided to the Panel, as well as proceedings conducted before the Disciplinary Panel shall be confidential and shall not be disclosed to any Person except:
 - (i) as required by law or by the Rules;
 - (ii) in any action or proceeding brought by or against Seed SEF;
 - (iii) as may be determined from time to time by the Board.
- (c) In any case where:
 - (i) a Person enters into any settlement agreement with Seed SEF; or
 - (ii) the Disciplinary Panel renders a decision finding a Person guilty of any Rule violation;

Seed SEF shall make public its findings and the reason for its action, including any action taken or penalty ordered and written notice of any suspension, expulsion, disciplinary

action or denial of access shall be given to the CFTC and to the Person who is suspended, expelled, disciplined or denied access within thirty (30) days of the date such action becomes final, which notice shall include the reasons for the action in the form and manner the CFTC prescribes.

Rule 914. Participant Responsibility Actions

(a) Seed SEF may summarily suspend any Participant or Person exercising Trading Privileges or take other summary action against such a Person if Seed SEF reasonably believes that such immediate action is necessary to protect the best interests of the marketplace.

(b) Any action taken against any Participant or Person exercising Trading Privileges pursuant to this Rule shall be taken after notice and an opportunity to be heard, unless Seed SEF determines that giving such notice or opportunity to be heard before taking such action is not practicable under the circumstances. The notice shall state the action, the reasons for the action, and the effective time and date and the duration of the action. In any case in which action is taken without prior notice and opportunity to be heard, Seed SEF shall give the Participant notice and an opportunity to be heard promptly thereafter.

(c) Any hearing held pursuant to this Rule shall be held before a Disciplinary Panel and shall be conducted in compliance with the procedures in this Chapter 9 of the SEF's Rules.

CHAPTER 10: ARBITRATION

Rule 1001. Jurisdiction

- (a) Any Claim or grievance by a Participant against another Participant shall, if the claimant so elects, be settled by arbitration in accordance with these Arbitration Rules unless the Claim or grievance is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the Securities Exchange Act of 1934. If such a Claim or grievance is made in accordance with these Arbitration Rules, any counterclaim permissible under Rule 1004(a) of these Arbitration Rules shall, if asserted by such Participant, likewise be settled by arbitration in accordance with these Arbitration Rules.
- (b) Any Allowable Claim by a claimant against a respondent, whether originating before or during the period of time that the parties are Participants, shall be settled by arbitration in accordance with these Arbitration Rules unless the claim is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the CEA. If such an Allowable Claim is made in accordance with these Arbitration Rules, any Allowable Claim which may be asserted as a counter-claim under Rule 1004(a) shall likewise be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Participant's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (c) All other disputes or controversies, regardless of their nature, between or among any two (2) or more parties, shall, if agreed to by all parties involved, be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Participant's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (d) Notwithstanding the foregoing, any Panel or, in the absence of a Panel, any three (3) members of the Arbitration Committee appointed by the Chairman of the Arbitration Committee, in its sole and absolute discretion, may decline to take jurisdiction of, or, having taken jurisdiction may at any time decline to proceed further with, any Claim or grievance or any other dispute, controversy or counterclaim, other than such as may be asserted under paragraph (a) of this Rule.
- (e) The commencement of an arbitration under these Rules by a claimant against a respondent will not in itself preclude a Participant from exercising its rights and remedies under its agreements with another Participant, nor will these Arbitration Rules be deemed to permit a Participant to obtain any stay, injunction or similar relief that would preclude a Participant from exercising such rights and remedies as a result of the commencement of an arbitration under these Rules.
- (f) Except as expressly set forth in this CHAPTER 10:, Seed SEF shall have no responsibility with respect to any Claim or grievance or dispute between or among two or more Participants, or any action, suit or proceeding arising therefrom or relating thereto.

Rule 1002. Definitions

Unless otherwise indicated, the following terms shall, for the purposes of CHAPTER 10: of the Rules (the "**Arbitration Rules**"), have the following meanings:

- (a) **Allowable Claim.** A Claim for losses arising directly from or relating to a Transaction. An Allowable Claim shall not include legal or other incidental expenses incurred in connection with any such losses or with the events giving rise to any such losses.
- (b) **Claim or Grievance.** Any dispute which arises out of or relating to Transactions subject to the Rules by or through a Participant, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom Seed SEF does not have jurisdiction or who are otherwise not available. The term “Claim or grievance” shall not include any claim or grievance against Seed SEF.
- (c) **Claimant.** A Person who asserts a Claim pursuant to these Arbitration Rules.
- (d) **Respondent.** A Person against whom a Claim is asserted pursuant to these Arbitration Rules.

Rule 1003. Quorum and Disqualification

- (a) The Arbitration Committee shall consist of such number of Persons as the Board shall determine from time to time. The President shall appoint Public Directors of the Board as the Chairman and Vice Chairman of the Arbitration Committee and shall appoint employees of Participants and Persons who are not Participants to the Arbitration Committee to serve until new committees are appointed. The President may at any time remove any member of the Arbitration Committee, with or without cause, and all vacancies shall be filled as in the case of an original appointment. A Person shall be disqualified from taking any action as a member of the Arbitration Committee or as an arbitrator prescribed in the Arbitration Rules if such Person or an Affiliate has an interest in the Claim or dispute. Any member of the Arbitration Committee may disqualify himself or herself for any reason he or she deems appropriate. Each member of the Arbitration Committee or arbitrator appointed to hear and determine a Claim or grievance shall conduct himself or herself in a manner consistent with the ABA/American Arbitration Association’s “Code of Ethics for Arbitrators in Commercial Disputes” and shall disclose to the Chairman of the Arbitration Committee, who shall thereafter advise the parties to the arbitration, at any stage of the arbitration, any past or present, direct or indirect financial, business, professional, family or social relationship which is likely to affect an appearance or which might reasonably create an appearance of partiality or bias.
- (b) If the Chairman of the Arbitration Committee is disqualified or is unavailable, the Vice Chairman of the Arbitration Committee shall act as Chairman. If both the Chairman and the Vice Chairman of the Arbitration Committee are disqualified or are unavailable, the President shall appoint another member of the Arbitration Committee, who is not affiliated with a Participant, to act as Chairman.
- (c) The lesser of a majority or three (3) members of the Arbitration Committee shall constitute a quorum for the transaction of business. Any action taken by a vote of the majority of the Arbitration Committee members present at a meeting at which a quorum is present shall be deemed to be a valid action of the Arbitration Committee.

Rule 1004. Procedure

- (a) Claims Asserted Pursuant to Rule 1004(a).
 - (i) A Person desiring to invoke the provisions of this paragraph (a) shall, within two (2) years from the time the Claim or grievance arose, file with Seed SEF a Notice of Arbitration. The Notice of Arbitration shall set forth the name and address of

the party or parties against whom the Claim or grievance is being asserted, the nature and substance of the Claim or grievance, the relief requested and the factual and legal basis alleged to underlie such relief. In the event of a Notice of Arbitration submitted by a Participant, such Notice of Arbitration shall indicate whether the Participant elects to have the Claim or grievance heard and determined by a Mixed Panel, as provided in subparagraph (a)(iii) of this Rule. Failure to so indicate will be deemed a waiver of such election.

The Notice of Arbitration shall be accompanied by the Claimant's non-refundable check payable to Seed SEF in payment of the arbitration fee. The amount of the fee shall be the maximum of \$1,000 or 1% of the Relief Requested.

- (ii) Upon receipt, Seed SEF shall promptly deliver a copy of the Notice of Arbitration to each Respondent and to the Chairman of the Arbitration Committee. Each Respondent shall, within twenty (20) days following the delivery of such Notice, file an Answering Statement with Seed SEF, with a copy to the Claimant, setting forth its position with respect to the Claimant's Claim or grievance. Any allegation in the Notice of Arbitration not denied by a Respondent in its Answering Statement shall be deemed admitted.

The Answering Statement may set forth one (1) or more counterclaims against the Claimant, provided that any such counterclaims (A) arise out of the Trade or occurrence that is the subject of the Claimant's claim or grievance and (B) do not require for adjudication the presence of essential witnesses, parties or third (3rd) Persons over which Seed SEF does not have jurisdiction. Other counterclaims are permissible only if the Claimant agrees to the submission thereof after such counterclaims have arisen.

If an Answering Statement sets forth one (1) or more counterclaims, the Claimant shall reply to such counterclaims within twenty (20) days following delivery of the Respondent's Answering Statement. The Reply shall be filed with Seed SEF, with a copy to the Respondent involved.

- (iii) The Chairman of the Arbitration Committee, promptly after receipt by Seed SEF of the Answering Statement, shall appoint a Panel of disinterested Persons to hear and determine the Claim or grievance, selecting one (1) as the Chairman of the Panel. If the amount of relief requested is more than or equal to \$100,001, the Panel shall be composed of three (3) or more individuals. If the amount of relief requested is less than \$100,001, a sole arbitrator may be appointed by the Chairman of the Arbitration Committee in accordance with subparagraph (a)(viii) of the Rule. In a case where a Participant has, in its Notice of Arbitration, elected a Mixed Panel, at least a majority of the Persons selected shall not be Participants, clearing participant or clearing member of a clearing house, or any employee thereof, or otherwise associated with a clearing house. Promptly following such appointment, Seed SEF shall forward copies of the Notice of Arbitration Answering Statement and Reply, if there be one, to the Panel members selected.
- (iv) Seed SEF shall notify the parties of the appointment of the members of the Panel. Any party objecting to all or any members of the Panel shall file such objection with the Chairman of the Arbitration Committee within ten (10) days of the giving of such notice by Seed SEF. The Chairman of the Arbitration Committee shall then determine whether changes in the composition of the Panel are appropriate, and if so, shall make such changes. Any vacancy occurring on the Panel for any reason shall be filled by an individual appointed by the

Chairman of the Arbitration Committee. The parties shall be notified of the filling of such vacancy and may file objections to the new appointee to the Panel in accordance with the procedure set forth above.

(v)

- (A) The parties shall, within a time specified by the Chairman of the Panel, furnish each other and the Panel with a statement listing the witnesses expected to be called and the documents expected to be introduced into evidence, together with copies of such documents. Unless the Panel waives compliance with this requirement, no witness may testify and no documentary evidence may be introduced at the hearing unless listed in (and, in the case of documents, furnished with) such statement.
- (B) After the exchange of documents, any party may notify another party and the Chairman of the Panel of any pertinent documents and information it seeks from such other party that were not provided as part of the document exchange. The other party has five (5) days to provide the requested documents or information or object to their production. Any objection to a request for the production of documents or other information shall be resolved by the Chairman of the Panel, or his or her designee.

(vi)

The Panel shall establish, on not less than ten (10) days' written notice to the parties, the date, time and place of the hearing. Each Panel shall determine the procedures to be followed in any hearing before it, including the use of preliminary hearings to resolve discovery disputes, simplify the issues, and expedite the hearings, except that the following shall apply in every case:

- (A) Each of the parties shall be entitled to appear personally at the hearing.
- (B) Each of the parties, at their own expense, shall have the right to be represented by counsel in any aspect of the proceeding.
- (C) Each of the parties shall be entitled to (1) prepare and present all relevant facts in support of the Claims or grievances, defenses or counterclaims, and to present rebuttal evidence to such Claims or grievances, defenses or counterclaims made by the other parties, (2) examine the other parties, (3) examine any witnesses appearing at the hearing, and (4) examine all relevant documents presented in connection with the Claim or grievance, or any defense or counterclaim applicable thereto.
- (D) The formal rules of evidence shall not apply.
- (E) No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record. If such a request is made, a stenographic transcript shall be taken, but not transcribed unless requested by a party who shall bear the cost of such transcription.
- (F) Ex parte contacts by any of the parties with members of the Panel shall not be permitted.

- (G) The Panel shall have the power, on the request of any party or on its own motion, to require any Person to testify and/or to produce documentary evidence in the proceedings as and to the extent provided for in Rule 1004.

- (vii) The Panel shall, within sixty (60) days of the termination of the hearing, render its award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The Panel, in its award, may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of having a Mixed Panel shall be borne by the Participant unless the Panel determines that the Participant acted in bad faith in initiating or conducting the proceeding. The award of the Panel shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. Any Participant who is a Respondent in an arbitration conducted pursuant to the Rules shall notify the Legal Department of Seed SEF of any judicial proceeding based on the award. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.

- (viii) Notwithstanding any other provision of this paragraph (a), including the right of a Participant to elect a Mixed Panel pursuant to Rule 1004(a)(iii), if a Notice of Arbitration sets forth Claims or grievances aggregating less than \$100,001, and the Answering Statement submitted by the Respondent either does not raise counterclaims or raises one (1) or more counterclaims aggregating less than \$100,001, the Chairman of the Arbitration Committee may, at the request of any party or on his or her own motion, in his or her sole and absolute discretion, decide that there shall not be a hearing, in which case the following procedures shall apply:
 - (A) The Chairman of the Arbitration Committee shall notify both parties that neither the Claims or grievances nor the counterclaims, if any, aggregate to \$100,001.
 - (B) The Claimant shall, within twenty (20) days of such notification, submit to Seed SEF, with a copy to each of the Respondents, a memorandum (together with such supporting documents, affidavits and other materials as the Claimant deems pertinent) setting forth the bases upon which he or she believes he or she is entitled to the relief requested in the Notice of Arbitration.
 - (C) Each Respondent shall, within twenty (20) days of its or his or her receipt of the Claimant's memorandum and supporting documentation, submit to Seed SEF, with a copy to the Claimant, a memorandum (together with such supporting documents, affidavits and other materials as the respondent deems pertinent) setting forth the bases upon which he or she believes that the relief requested by the Claimant should be denied and, if said Respondent has raised counterclaims in his or her Answering Statement, the bases upon which he or she believes he or she is entitled to the relief requested by such counterclaims.
 - (D) The Chairman of the Arbitration Committee may, on the request of any party or on his or her own motion, in his or her sole and absolute discretion determine whether to allow or require the submission of reply

or additional papers, unless a Respondent has asserted one (1) or more counterclaims, in which case the Claimant shall be entitled to reply to such counterclaims within ten (10) days of delivery of the Respondent's memorandum setting forth the bases thereof.

(E) The Chairman of the Arbitration Committee or his or her designee, acting as sole arbitrator, shall, within thirty (30) days of his or her receipt of the final papers filed, render an award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The sole arbitrator in his or her award may grant any remedy or relief which he or she deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of a Participant requesting a Mixed Panel shall be borne by the Participant unless the sole arbitrator determines that the Participant acted in bad faith in initiating or conducting the proceeding. The decision of the sole arbitrator shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.

(ix) The failure of any party to an arbitration to comply with any of the requirements of this paragraph (a), or with any demand or request of either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee shall be deemed a Violation and shall, in addition to any other action Seed SEF may take for any such Violation, subject such party to such action by the Panel, the sole arbitrator or the Chairman of the Arbitration Committee (including without limitation the entry of an award against such party) as it or he or she shall deem appropriate under the circumstances.

(x) Notwithstanding the provisions of subparagraph (x) of this paragraph (a), either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee, may for good cause shown extend any time limitation imposed by this paragraph (a) (except the two (2) year and the thirty (30) day limitation periods set forth in subparagraph (a)(i)) or may excuse any neglect to comply therewith or with any other requirement of this paragraph (a) or demand or request of the Panel, the sole arbitrator or the Chairman of the Arbitration Committee.

(b) Other Claims Asserted Pursuant to Rule 1004(b).

Any dispute or controversy between or among any two (2) or more parties may, if all of the parties to such dispute or controversy so agree, be settled by arbitration in accordance with this paragraph (b). Such dispute or controversy shall be heard and determined in accordance with the procedures set forth in paragraph (a) of this Rule, except for the following:

(A) In lieu of the procedure set forth in the first sentence of subparagraph (i) of paragraph (a), the provisions of this paragraph (b) shall be invoked by the submission by all of the parties concerned of an agreement to submit the dispute or controversy to arbitration in accordance with this paragraph (b) and to be bound by the award of the arbitrators. Following such submission, Seed SEF shall forward to the party requesting relief the information set forth in subparagraph (i) of paragraph (a) of this Rule, whereupon all of the other procedures set forth in said subparagraph (i) of paragraph (a) shall apply.

- (B) None of the limitations on counterclaims set forth in subparagraph (ii) of paragraph (a) shall apply.

Rule 1005. Withdrawal of Claims

Any Notice of Arbitration may be withdrawn at any time before an Answering Statement is filed in accordance with these Rules.

If an Answering Statement has been filed, any withdrawal shall require consent of the party against which the Claim or grievance is asserted.

Rule 1006. Modification of Award

On written application to the Legal Department of Seed SEF by a party to an arbitration, within twenty (20) days after delivery of the award to the applicant, the Panel or sole arbitrator may modify the award if:

- (a) there was a miscalculation of figures or a mistake in the description of any Person, thing, or property referred to in the award; or
- (b) the Panel or sole arbitrator has awarded upon a matter not submitted to it and the award may be corrected without affecting the merits of the decision upon the issues submitted; or
- (c) the award is imperfect in a matter of form, not affecting the merits of the controversy.

Written notice of the application shall be given to the other parties to the arbitration. Written objection to the modification must be served on Seed SEF and the other parties to the arbitration within ten (10) days of receipt of the application. The Panel or sole arbitrator shall dispose of any application made under this Rule in writing, signed and acknowledged by the Panel or sole arbitrator, within thirty (30) days after either written objection to the modification has been served on it or the time for serving said objection has expired, whichever is earlier. The parties may in writing extend the time for such disposition either before or after its expiration.

Rule 1007. Compensation of Arbitrators

The parties to an arbitration shall pay the arbitrators appointed in each matter compensation in accordance with such fee schedule as the Board may from time to time determine. The arbitrators in each such matters shall determine the proportion in which such compensation shall be paid by each of the parties.

Rule 1008. Failure to Comply with Award

- (a) Any Participant in whose favor an award has been rendered pursuant to this Chapter shall promptly notify the Legal Department of Seed SEF, in writing, if the award is not complied with. Any Participant, who fails to comply with the terms of an award rendered against such Participant, shall be subject to the procedures set forth in this Rule. Specifically, upon receipt of a notice or information indicating that a Participant has failed to comply with the terms of an award rendered against such Participant, Seed SEF shall notify such Participant against whom or which the award was rendered of Seed SEF's intention to suspend its privileges as a Participant and afford the Participant an opportunity to be heard by a panel of the Arbitration Committee appointed by the Chairman for the sole purpose of proving that the award has been satisfied, provided that the Legal Department of Seed SEF receives a written request from the Participant for such a hearing within five (5) Business Days after receipt of such notice by the

Participant. Failure to so request such a hearing shall be deemed an acknowledgment by the Participant that the award has not been complied with. Any such hearing shall be conducted in accordance with such procedures as the Panel shall determine. The Panel shall consist of no less than three (3) members of the Arbitration Committee. Following any such hearing, the Panel shall determine whether the Participant has failed to timely satisfy the award and shall promptly advise Seed SEF, and all parties in the proceeding, of its determination.

- (b) If the Panel shall find, or if a Participant shall acknowledge, that it has failed to comply with any award rendered pursuant to this Chapter when and as provided by such award, the Participant may be suspended, as provided in these Rules, and shall remain suspended until the award is complied with and the suspended Participant is reinstated.

- (b) Upon execution of a Transaction in a Swap, solely as between the parties thereto, such Transaction shall be deemed a legally binding obligation of the Participant at the time Seed SEF provides notice of acceptance or execution of such Transaction and shall be subject to the applicable master agreement or other documentation agreed between such parties. For the avoidance of doubt, no further action, other than that described in the preceding sentence, need be taken or is otherwise required to be done, in order for such Transaction in a Swap to be deemed a legally binding Transaction as between the parties thereto, and such Transaction will be deemed "confirmed" for all purposes upon delivery of the written record of the Transaction pursuant to Rule 604.

Rule 1203. Limitation on Liability

- (a) Except as otherwise set forth in this rule, neither Seed SEF nor any of its representatives, affiliates or affiliates' representatives shall be liable to a participant, authorized trader or any other person, or any partner, director, officer, agent, employee thereof, for any loss, damage, injury, delay, cost, expense, or other liability (including, but not limited to, loss of profits, loss of use and direct, indirect, incidental, consequential or punitive damages) or claim whether in contract, tort or restitution, or under any other cause of action, suffered by or made against them as a result of their use of some or all of the platform, by making use of the platform, such persons expressly agree to accept all liability arising from their use of same.
