In the Matter of the Application of ICE Futures Singapore Pte. Ltd. for registration pursuant to Section 4(b)(1) of the Commodity Exchange Act and Part 48 of the Regulations of the Commodity Futures Trading Commission in order to permit direct access to its order entry and trade matching system

ORDER OF REGISTRATION

Pursuant to Section 4(b)(1) of the Commodity Exchange Act (the Act), 7 U.S.C. § 6(b)(1), and Part 48 of the Commission's regulations, ICE Futures Singapore Pte. Ltd. (ICEFS), an Approved Exchange located in Singapore subject to regulatory supervision by the Monetary Authority of Singapore (MAS), submitted an application dated April 23, 2015 and including supplemental submissions filed through July 5, 2017 (the Application), requesting registration in order to permit identified members and other participants located in the United States to enter trades directly into its order entry and trade matching system.

The Commission has reviewed the Application along with the exhibits, supplemental documents, and other supporting information and representations, and finds that ICEFS has demonstrated its ability to comply with the requirements of the Act and applicable Commission regulations thereunder, including the requirements for registration as set forth in Part 48 of the Commission's regulations.

In light of the foregoing, **IT IS ORDERED**, pursuant to Section 4(b)(1) of the Act, 7 U.S.C. § 6(b)(1), that ICEFS is granted an Order of Registration to permit direct access, as that

term is defined in Section 4(b)(1)(A) of the Act, subject to the terms and conditions specified herein:

(1) Compliance with the Act and Commission Regulations. ICEFS shall comply, and shall demonstrate compliance as requested by the Commission, with all sections of the Act and the Commission's regulations thereunder applicable to ICEFS as a foreign board of trade registered pursuant to Part 48 of the Commission's regulations, as may be amended or adopted from time to time. ICEFS shall comply with the applicable conditions of registration specified in Commission regulation 48.8 and any additional conditions that the Commission deems necessary and may impose, in its discretion, after appropriate notice and opportunity to respond. In connection with the ICEFS Mini US Dollar Index contract, the ICEFS Mini WTI Crude contract, and any other ICEFS contracts that are directly or indirectly linked to one or more contracts listed for trading on a registered entity, such conditions expressly include, but are not limited to, the conditions with respect to linked contracts in Commission regulation 48.8(c). ICEFS shall fulfill each of the representations it has made in support of the Application for registration.

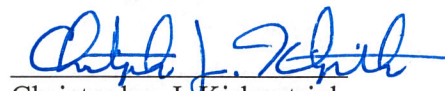

(2) New Regulations. Should the Commission promulgate a regulation addressing or otherwise affecting any aspect of this Order, then such regulation will apply and supersede the applicable terms in this Order.

(3) Reservation of Rights. This Order is based upon the representations made and supporting material provided to the Commission by ICEFS as part of the Application. In the event of any changes to or omissions in the material facts or circumstances pursuant to which this Order is issued, or for any reason in the Commission's discretion and after appropriate notice and opportunity to respond, the Commission may condition, modify, suspend, terminate, or

otherwise restrict the terms of this Order, as appropriate and as permitted by law, on its own motion.

Issued in Washington, D.C. this 8th day of February, 2018.
