ISSUANCE OF COMPLAINT - CEA Docket No. 171

(Administrative Hearing under the Commodity Exchange Act)

A complaint and notice of hearing has been signed by the Assistant Secretary of Agriculture, charging violation of the Commodity Exchange Act by:

Miller-Lane & Co.,

and George C. Lane

(Chicago, Illinois)

The complaint charges that on September 30, 1969, the respondent corporation, a registered futures commission merchant under the Act, failed to meet minimum financial requirements prescribed for futures commission merchants. It also charges that the respondent corporation was undersegregated on September 30, 1969, and during the period January 15 through January 23, 1970. It further charges that required records were not properly prepared and maintained.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the law. Such violation is established only when the Judicial Officer of the Department has made a determination that the evidence substantiates allegations in the complaint. Complaints are filed in the Office of the Hearing Clerk of the Department of Agriculture and are a matter of public record. Pending disposition by the Judicial Officer, it is the policy of the Commodity Exchange Authority not to comment or elaborate on charges contained in complaints or to discuss evidence on which they are based.

A public hearing on the complaint is scheduled to be held before a referee at 10:00 a.m., local time, June 3, 1970, in Chicago, Illinois.
