Any interested party may request a hearing within 30 days of publication of these preliminary results.⁴⁵ Any hearing, if requested, ordinarily will be held two days after the scheduled date for submission of rebuttal briefs.⁴⁶ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

The Department will issue the final results of the administrative review, which will include the results of its analysis of issues raised in the briefs, within 120 days of publication of these preliminary results, in accordance with 19 CFR 351.213(h)(1) unless the time limit is extended.

Assessment Rates

Pursuant to 19 CFR 351.212, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For assessment purposes, in accordance with 19 CFR 351.212(b)(1), the Department calculated exporter/importer (or customer)-specific assessment rates for merchandise subject to this review. Where the respondent has reported reliable entered values, the Department calculated importer (or customer)-specific *ad valorem* rates by aggregating the dumping margins calculated for all U.S. sales to each importer (or customer) and dividing this amount by the total entered value of the sales to each importer (or customer). See 19 CFR 351.212(b)(1). Where an importer (or customer)-specific *ad valorem* rate is greater than *de minimis*, we will apply the assessment rate to the entered value of the importer's/customer's entries during the POR. See 19 CFR 351.212(b)(1).

Where we do not have entered values for all U.S. sales, the Department calculated a per-unit assessment rate by aggregating the antidumping duties due for all U.S. sales to each importer (or customer) and dividing this amount by the total quantity sold to that importer (or customer). To determine whether the duty assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer (or customer)-specific *ad valorem* ratios based on the estimated entered value. Where an importer (or customer)-specific *ad valorem* rate is zero or *de minimis* (*i.e.*, less than 0.50 percent), the Department

will instruct CBP to liquidate that importer's (or customer's) entries of subject merchandise without regard to antidumping duties. See 19 CFR 351.106(c)(2).

The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this review. The Department intends to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the PRC-wide rate in the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(1) and (a)(2)(C) of the Act: (1) For the exporter listed above, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, *i.e.*, less than 0.5 percent, no cash deposit will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 91.73 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with section 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: September 3, 2010.

Deputy Assistant Secretary for Import Administration.
