Re: Concept release on Whether to Eliminate the Bona Fide Hedge Exemption for Certain Swap Dealers and Create a New Limited Risk Management Exemption From Speculative Limits 74 FR 12282 (March 24, 2009)

Dear Mr. Stawick,

I am writing to request an extension of time until June 16, 2009 to file comments on the CFTC concept release cited above. The Futures Industry Association is requesting the exemption in order to give the industry more time to address the complicated and important issues raised by the CFTC in the release. Our goal is to make our comments as useful too the Commission as possible as it continues to address the policy questions surrounding bone fide hedging and risk management.

Thank you for your consideration.

Sincerely yours,

Barbara Wierzynski  
General Counsel
