Re: LedgerX LLC Application for Registration as a Derivatives Clearing Organization; Extension

Dear Ms. Dietz:

On September 29, 2014, LedgerX LLC ("LedgerX") filed with the Commodity Futures Trading Commission (the "Commission") an application for registration as a derivatives clearing organization ("DCO") and a swap execution facility. In the subsequent months, LedgerX has responded to questions raised by the Commission's Division of Clearing and Risk (the "Division") and has discussed the DCO application with Division staff on a number of occasions. Section 6(a) of the Commodity Exchange Act, 7 U.S.C. § 8(a), and Commission Regulation 39.3(a), 17 C.F.R. § 39.3(a), stipulate a 180-day review period of DCO applications. However, as a result of the nature of the application process, and dialogue with Division staff, we understand that additional time beyond such review period is required to review the DCO application. Accordingly, LedgerX respectfully requests that the Commission extend the review period to October 31, 2015.

LedgerX appreciates the Division's detailed review of LedgerX's DCO application. Should you have any questions about the foregoing, please contact the undersigned at kari@ledgerx.com or (917) 677-7598.

Sincerely,

A handwritten signature in black ink, appearing to be "Kari Larsen", with a long horizontal line extending to the right.
