Subject: Section 724

Dear Commissioner O'Malia:

Thank you for your letter requesting input to proposed regulations under Section 724 of the Wall Street Reform and Consumer Protection Act. At this time, my members and other affiliated sugar producer and processing groups do not have any opinions to share with you regarding the proposed rules.

If any concerns regarding these proposed regulations are realized in the future, we will share them with you and the other Commissioners.

Thank you for reaching out to our industry.

Sincerely,

Ryan Weston
