**NOTICE OF COORDINATION
REGARDING PETITIONS**

On January 19, 2012, the Working Group of Commercial Energy Firms (the "WGCEF") filed a petition with the Commodity Futures Trading Commission (the "Commission") entitled, "*Petitions for Order to exempt Owned Non-financial Entities from Aggregation for Compliance with Position Limits and Order to Broaden and Clarify Rule 151.7(i)*" (the "Disaggregation Petition"). On January 20, 2012, the WGCEF filed a petition with the Commission entitled, "*Petitions for Commission Order Granting Exemptive Relief for Certain Bona Fide Hedging Transactions under Section 4a(a)(7) of the Commodity Exchange Act*" (the "BFH Petition" and together with the Disaggregation Petition, the "Petitions"). Hunton & Williams LLP is counsel to the WGCEF.

In early February, certain members of the WGCEF reconstituted their collaboration as The Commercial Energy Working Group ("CEWG"). Sutherland Asbill & Brennan LLP entered an appearance on behalf of CEWG in respect of the Petitions on February 8, 2012.

WGCEF and CEWG wish to present one voice with respect to the Petitions and have agreed to coordinate in advancing the Petitions, including responding to inquiries of the Commission and its staff. Accordingly, the Commissioners, their staff and other Commission employees may liaise with either of the undersigned attorneys, who will coordinate a single response on behalf of the WGCEF and CEWG.

WGCEF and CEWG welcome the opportunity to work with the Commission and its staff in furtherance of the Petitions.

Respectfully submitted,

Mark W. Menezes
