**SUPPLEMENTAL EXPLANATION OF THE OPERATION, PURPOSE AND EFFECT OF  
THE PROPOSED RULE**

The amendment to Cantor Futures Exchange, L.P. ("Cantor Exchange") Rule II-11 is intended to accommodate concerns raised by the Inter-market Surveillance Group by way of clarification of the information-sharing authority of the Cantor Exchange. It does not alter the intent or purpose of the existing rule provision.

Nothing in these amendments would affect, or be contrary to, the obligation of the Exchange to safe-guard confidential information; but rather clarifies Cantor Exchange's responsibility to safeguard the confidentiality of information which it receives under information sharing agreements.

I hereby certify that the foregoing rule amendment complies with the  
Commodity Exchange Act, 7 U.S.C. §1 *et seq.* and regulations
