RE: Amendments to CME, CBOT and NYMEX Rules 442 and 853, Submission #11-491

Dear Mr. Stawick:

Pursuant to Commission Regulation 40.6(a), Chicago Mercantile Exchange Inc. ("CME"), Chicago Board of Trade ("CBOT") and New York Mercantile Exchange, Inc. ("NYMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission that they will adopt revisions to CME, CBOT and NYMEX Rules 442 (Notification of Significant Events) and 853 (Transfers of Trades). The proposed effective date for these revisions is January 4, 2012 (following the Commission's 10-business-day review period).

The text of the amendments to Rules 442 and 853 is attached, with additions underlined and deletions overstruck. The purpose of these amendments is to comply with new Commission Regulations 39.15(d) (Transfer of customer positions) and 39.16(d) (Insolvency of a clearing member), which require DCOs to adopt certain rules, and which become effective on January 9, 2012. As the Commission is aware, Regulation 39.15(d) was adopted in connection with DCO Core Principle F (Treatment of Funds), and Regulation 39.16(d) was adopted in connection with DCO Core Principle G (Default Rules and Procedures).

No substantive opposing views regarding the amendments to Rules 442 or 853 were expressed to the Exchanges. The Exchanges certify that this submission has been concurrently posted on its website at <http://www.cmegroup.com/market-regulation/rule-filings.html>. The Exchanges further certify that these amendments to Rules 442 and 853 comply with the Commodity Exchange Act and regulations promulgated thereunder.

Should you have any questions regarding this submission, please contact me at (312) 338-2483 or via e-mail at lisa.dunsky@cmegroup.com. Please reference our Submission No. 11-491 in any related correspondence.

Sincerely,

Chapter 8. Clearing House and Performance Bonds

Rule 853. TRANSFERS OF TRADES AND CUSTOMER ACCOUNTS

853.A. Transfers of Trades

1. Subject to the limitations of Rule 854, existing trades may be transferred either on the books of a clearing member or from one clearing member to another clearing member provided:

i1. The transfer merely constitutes a change from one account to another account provided the underlying beneficial ownership in said accounts remains the same; or

ii2. An error has been made in the clearing of a trade and the error is discovered and the transfer is completed within two business days after the trade date.

B2. Subject to the limitations of Rule 854, Exchange staff may, upon request by the clearing member(s), approve a transfer of existing trades either on the books of the same clearing member, or from the books of one clearing member to the books of another clearing member if the transfer is in connection with, or as a result of, a merger, asset purchase, consolidation or similar non-recurring transaction between two or more entities where one or more entities become the successor in interest to one or more other entities.

3C. Exchange staff may, with the consent of the clearing member(s) involved, permit the transfer of existing trades if, in staff's opinion, the situation so requires and such transfer is in the best interests of the Exchange.

4D. Provided that the transfer is permitted pursuant to Sections 1A., 2B-. or 3C-. above, transactions in all physically delivered futures contracts except for FX futures contracts must be recorded and carried on the books of the receiving firm at the original trade dates; all other transactions may be recorded and carried at either the original trade date or the transfer date. Futures transactions may be transferred

using either the original trade price or the most recent settlement price; options transactions may be transferred using either the original trade price or a trade price of zero.

E5. All transfers shall be reported to the Clearing House in a form acceptable to the Exchange for the type of transactions involved. The proper indicator must be included in the transfer such that the transactions, including the transaction(s) to reverse an error, clear as transfers. The clearing members involved shall maintain a full and complete record of all transactions together with all pertinent memoranda.

853.B. Transfers of Customer Accounts

1. Subject to the limitations of Rule 853.A, after receipt of a signed instruction from a Clearing Member (the "Carrying Clearing Member") to transfer all or a portion of a customer account to another Clearing Member (the "Receiving Clearing Member"), and provided that such instruction contains the customer's name and account number (and, if the transfer is not of the entire account, a description of which portion is to be transferred), and provided that the Receiving Clearing Member agrees to accept the account, the Exchange shall promptly transfer the account (or the relevant portion thereof), without requiring any close-out or rebooking of positions in connection with the transfer, provided that:

- i. The transferred positions will satisfy Exchange performance bond requirements at the Receiving Clearing Member; and
- ii. Any remaining positions in the customer account at the Carrying Clearing Member will satisfy Exchange performance bond requirements.
