Re: **Relisting of Russell 1000 Mini Index Futures Contract with Increased Size -
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Ms. Donovan:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, the Board of Trade of the City of New York, Inc. ("Exchange") submits, by written certification, the date the Exchange relisted the September and December 2007 and March 2008 expiration months for the Russell 1000[®] Mini futures contract with the new contract size.

In Submission No. 07-30 dated May 1, 2007, the Exchange notified the Commission that it was delisting the September and December 2007 and March 2008 expiration months for the Russell 1000 Mini Index futures contract as of the close of business on May 2, 2007 and would relist such expiration months with the new contract size on a date set by the President. This is to notify the Commission that such expiration months were relisted on May 11, 2007 so that market participants could roll their June positions into September.
