**Re: Technical Correction to Robusta Coffee Resolution No. 1(III)(5) -  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

In a letter dated September 12, 2007, ICE Futures U.S., Inc. ("Exchange") submitted, by written certification, new Rules 28.00-28.17, 28.50- 28.59, Appendixes and Resolution No. 1, pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulations 40.2 and 40.6. The new Rules, Appendixes and Resolution No. 1 provide for the listing and trading of Robusta Coffee futures and options contracts. After rereading Resolution No.1(III)(5), it was determined that, for the number 125, the words "twenty-five" had been left out but that the numeric "125" was correct. Resolution No. 1(III)(5) has been corrected to read as follows:

**No. 1. Warehouse Procedures and Recordkeeping Requirements for the Storage of Exchange Coffee**

RESOLVED, THAT the following are the minimum acceptable standards and procedures to be followed by Exchange licensed coffee warehouses in connection with the storage of Exchange-certified Coffee.

\* \* \*

**III. Basic Storage Practices**

In order to ensure adequate space for sampling, inspection and effective fire protection, to assist ventilation, to aid in circulation and generally provide ample space for appropriate pest control programs:

\* \* \*

5. Twenty (20) inches of space shall be maintained between coffee piles. The coffee piles shall be stored in such a manner as to permit at least two (2) faces (front or back and one (1) long side) of each

application or Lot to be available for inspection and/or sampling. Coffee shall not be stored higher than six (6) pallets high or one hundred twenty-five (125) bags high, whichever is less. The equipment aisles should have at least thirteen and one-half (13.5) feet of space for equipment to operate without contacting bags of coffee.

The Exchange certifies that the technical correction to Resolution No. 1(III)(5) complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder.
