NYMEX Certification. Submission #07,118: NYMEX Certification of

Expanded Listing of Contract Months for NYMEX

RBOB Average Price Option Contracts

Dear CFTC Commissioners:

The New York Mercantile Exchange, Inc. ("Exchange") is notifying the Commodity Futures Trading Commission ("Commission") that it is expanding the listed contract months for the Exchange's RBOB Average Price Option contract. The Exchange intends to list an option for each month that an underlying RBOB Calendar Swap futures contract (code RL) is listed. The underlying RBOB Calendar Swap futures contract is listed for the current year and the next three years, and a new calendar year will be added following the termination of trading in the December contract of the current year.

This expansion in listed contract months will go into effect at the commencement of trading of NYMEX Regular Trading Hours on Monday, November 5, 2007. The RBOB Average Price Option Contract is listed for open outcry trading and for clearing on the NYMEX ClearPort® platform. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the listing of these additional months complies with the Act, including regulations under the Act.

Should you have any questions concerning the above, please contact Bob Biolsi at (212) 299-2610, or contact the undersigned at (212) 299-2390.

Very truly yours,

Robert Levin

Sr. Vice President
