Re: Freedom of Information Act (“FOIA”) Confidential Treatment Request for Information Submitted to the Commodity Futures Trading Commission (“Commission”) by Bloomberg SEF LLC, as operator of a swap execution facility

Ladies and Gentlemen:

Pursuant to Section 5h of the Commodity Exchange Act (the “Act”) and Part 37 of the regulations of the Commission, Bloomberg SEF LLC (“BSEF”), as proposed operator of a swap execution facility (“SEF”), submitted to the Commission a Swap Execution Facility Application for Registration on Form SEF dated June 4, 2013, (together with each exhibit thereto, the “Original Application”), as well as subsequent amendments to the Original Application dated June 27, 2013, July 19, 2013 and July 25, 2013 (such subsequent amendments, together with the Original Application, the “Application”). On July 31, 2013, the Commission granted BSEF’s application for temporary registration to operate a SEF.

The staff of the Commission has asked BSEF to add certain additional agreements to Exhibit N of the Application that enable or empower BSEF to comply with applicable core principles. In response to such request, BSEF submitted such additional agreements, to be added as amendments to Exhibit N of the Application (the “Amendments”).

In response to the staff’s comments and questions, and in order to update BSEF’s Form SEF to reflect the amendments to BSEF’s User Agreement, BSEF hereby submits certain amendments to the Application (the “Amendments”).

BSEF hereby requests that the Confidential Information (as defined below) be accorded confidential treatment on the grounds that it would reveal BSEF’s trade secrets and confidential commercial or financial information. We request this confidential treatment for an indefinite period.

Please promptly inform the following of any request for the Confidential Information or its contents made pursuant to FOIA or the Commission’s rules so that we may

substantiate the foregoing request for confidential treatment in accordance with Part 145.9 of the Commission's regulations.
