<b>CORE PRINCIPLE / §49.19 REQUIREMENT</b>	<b>ICE TRADE VAULT RESPONSE</b>	<b>SUPPORTING DOCUMENTATION</b>
<p><i>Antitrust Considerations (Core Principle 1).</i>                      Unless necessary or appropriate to achieve the purposes of the Act, a registered swap data repository shall avoid adopting any rule or taking any action that results in any unreasonable restraint of trade; or imposing any material anticompetitive burden on trading, clearing or reporting swaps.</p>	<p>ICE Trade Vault has not adopted any rule, nor has it taken any action that results in any unreasonable restraint of trade, or imposes any material anticompetitive burden on trading, clearing or reporting. ICE Trade Vault rules provide for fair and open access to its trade reporting system and there are no discriminatory barriers to use of the ICE Trade Vault trade reporting system. In particular, Rule 3.1 of the ICE Trade Vault Rulebook states that “Consistent with the Applicable Law, ICE Trade Vault provides access to the ICE SDR Service on a fair, open and equal basis.” Additionally, ICE Trade Vault offers the same fee structure for the ICE SDR Service to all users. No user is provided with any fee rebate or incentive that is not offered to each other user. ICE Trade Vault does not tie or bundle the offering of mandated regulatory services with other ancillary services that it provides to market participants.</p> <p>As part of the annual compliance review, the Chief Compliance Officer will review ICE Trade Vault’s compliance with this Core Principle 1.</p>	<ul style="list-style-type: none"> <li>• Exhibit J – ICE Trade Vault Rulebook</li> <li>• Exhibit O – Description of ICE Trade Vault Fees</li> <li>• Exhibit FF-2 – ICE Trade Vault Disclosure Document</li> </ul>

ICE Trade Vault has established well-defined governance arrangements that include a clear organizational structure with consistent lines of responsibility and effective internal controls. These governance arrangements are illustrated in Exhibit E, which shows the reporting lines between the Board of Directors, management, the Chief Compliance Officer and various participant committees and working groups. ICE Trade Vault is 100% owned by IntercontinentalExchange, Inc. ("ICE Inc."), who has the authority to appoint the members of the Board of Directors.	<p>chart</p> <ul style="list-style-type: none"> <li>Exhibit B – Board of Directors Governance Policy</li> </ul>

	<p>Directors Governance Principles, the Board of Directors will annually review its performance and that of its individual members.</p> <p>Under the LLC Agreement, ICE Inc., the sole owner of ICE Trade Vault, in its sole discretion at any time, may remove a director. ICE Inc. anticipates that it will remove a member from the Board of Directors, where the conduct of such member is likely to be prejudicial to the sound and prudent management of ICE Trade Vault.</p> <p>ICE Trade Vault has ensured that directors and senior management, in each case, are of sufficiently good repute and possess the requisite skills and expertise to fulfill their responsibilities in the management and governance of ICE Trade Vault, to have a clear understanding of such responsibilities, and to exercise sound judgment about the affairs of ICE Trade Vault. The good repute and skills of the directors and senior management is described in Exhibit B-1. Additionally, under the LLC Agreement, no director or officer may be subject to a statutory disqualification under Section 8a(2) of the Commodity Exchange Act, as amended, or have a history of disciplinary offenses as defined in Commission Regulation 1.63(a)(6).</p> <p>As part of the annual compliance review, the Chief Compliance Officer will review ICE Trade Vault's</p>

<p><i>Conflicts of Interest (Core Principle 3).</i> Registered swap data repositories shall manage and minimize conflicts of interest and establish processes for resolving such conflicts of interest as set forth in §49.21.</p>	<p>ICE Trade Vault has established, and will enforce, rules to minimize conflicts of interest in its decision-making process, and has established a process for resolving such conflicts of interest. These rules and the resolution process are set forth in the ICE Trade Vault Conflict of Interest manuals, applicable to Directors, Committee Members and all employees of ICE Inc. (including employees of ICE Trade Vault). These policies establish written procedures to:</p> <ul style="list-style-type: none"> <li>• Identify, on an ongoing basis, existing and potential conflicts of interest.</li> <li>• Make decisions in the event of a conflict of interest.</li> </ul> <p>These policies include rules regarding the recusal, in applicable circumstances, of parties involved in the making of decisions.</p> <p>The ICE Trade Vault Chief Compliance Officer, in consultation with the Board of Directors, will resolve any such conflicts of interest.</p> <p>As part of the annual compliance review, the Chief Compliance Officer will review ICE Trade Vault’s compliance with this Core Principle 3.</p>	<ul style="list-style-type: none"> <li>• Exhibit F-1 – ICE Trade Vault, LLC Code of Business Conduct and Ethics for Managers</li> <li>• Exhibit F-2 – ICE Trade Vault, LLC Code of Business Conduct and Ethics for Committee Members</li> <li>• Exhibit F-3 – IntercontinentalExchange, Inc Code of Business Conduct and Ethics for Employees</li> </ul>

<p><i>Financial Resources.</i> Registered swap data repositories shall maintain sufficient financial resources as set forth in §49.25</p>	<p>As demonstrated in Exhibit M, ICE Trade Vault has made a reasonable calculation of its projected operating costs over a 12-month period in order to determine the amount needed to enable ICE Trade Vault to cover its operating costs for a period of at least one year. As shown on its balance sheet, ICE Trade Vault presently maintains financial resources that are equal to the total amount that would enable ICE Trade Vault to cover its operating costs for a period of at least one year. ICE Trade Vault has reserved, as restricted cash on its balance sheet, cash equal to at least six months' operating costs.</p> <p>ICE Trade Vault maintains the financial resources required to meet its operating costs in the form of cash and accounts receivable on its balance sheet. The ICE Trade Vault balance sheet reflects the current market value of these financial resources. ICE Trade Vault believes that no reduction in value to these financial resources is necessary to reflect market and credit risk.</p>	<ul style="list-style-type: none"> <li>• Exhibit M – ICE Trade Vault Financial Statements and Operating Expense Projections.</li> <li>• Exhibit M-1 – ICE Trade Vault Statement of Cash Flows.</li> <li>• Exhibit M-2 – ICE Trade Vault Forecast through December 2012</li> </ul>
<p><i>Disclosure Requirements of Registered Swap Data Repositories.</i> Registered swap data repositories shall furnish an appropriate disclosure document setting forth the risks and costs of swap data repository services as detailed in §49.26</p>	<p>ICE Trade Vault has prepared and will make available on its website a disclosure document that contains the following written information, which shall reasonably enable the reporting entity to identify and evaluate accurately the risks and costs associated with using the ICE SDR Service:</p> <ul style="list-style-type: none"> <li>• ICE Trade Vault's criteria for providing others</li> </ul>	<p>Exhibit FF-2 – ICE Trade Vault Disclosure Document</p>
